2.	<p><b><u>Possible re-branding of the area</u></b></p> <p>The group discussed the issue of possible re-branding the area.</p> <p>NC clarified the council had made no attempt to re-brand the area. There is no intention to drop Harringay at all.</p> <p>It was noted that the first banner stated 'Welcome to Green Lanes' and this was changed prior to the food festival as 'Harringay Green Lanes'.</p> <p>Garden Residents' Association noted that following discussions at their meetings they decided that there was no need to re-brand.</p> <p>This issued was discussed at the WPRA and the group didn't see reason why the Town Centre shouldn't be known as Harringay Green Lanes. The group did not like 'Harringay Village'.</p> <p>LCSP noted that the view of those who attended the recent LSCP meeting was that there should be no change; continue to use varying names.</p> <p>KA commented that if the wider area is reviewed that this should be re-branded as Harringay, but for purpose of the shopping area this should be Harringay Green Lanes.</p> <p>DS highlighted that there is no post office called Harringay and that Harringay Green Lanes does sum the area up. As there isn't a consensus this is the best option at present.</p> <p>GA noted that for residents this is not an issue.</p>	

	<p>Other names e.g. The Gardens will continue to be used.</p>

It was noted that the proposed date is the 29<sup>th</sup> September 2013.</p> <p>It was noted that the council and police should be consulted in regards to proposals.</p> <p>The festival could be linked to Finsbury Park showing outdoor films.</p> <p>The next meeting to discuss the 2014 Green Lanes Food Festival.</p>	<p><b>ED</b></p>

<p>4.</p>	<p><b>East Presentation</b></p> <p>With reference to the physical consultation, it was noted that the deadline was extended and closed mid-January. Any responses received after this was incorporated into the draft report.</p> <p>It was noted that there are many factors that need to be taken into account before proposals are finalised e.g. coasting and feasibility.</p> <p>Cost to remove the bus lane is too prohibitive and TfL are not in favour of removal.</p> <p>With reference to the Salisbury Road bus stop, it's a redundant bus stop. TK to review and consider whether it's feasible that this could be moved.</p> <p>Proposed column outside the Salisbury received mixed reaction. There is a requirement to discuss with English Heritage re what goes in front. Instead a tree is favoured.</p> <p>In regards to the bridge, the group discussed the issue of graffiti. It was agreed that proposals must seek to design this out.</p> <p>Two phased approach to construction is considered. The first phase covering</p>	<p><b>TK</b></p>
