DECISIONS

Set out below is a summary of the decisions taken at the meeting of the Licensing Sub Committee held on Tuesday, 10 September 2013. The wording used does not necessarily reflect the actual wording that will appear in the minutes.

4. APPLICATION TO REGISTER LAND BOUNDED BY ALEXANDRA ROAD N10, PINKHAM WAY (A406) N10, THE GREAT NORTH RAILWAY AND MUSWELL HILL GOLF COURSE AS A TOWN OR VILLAGE GREEN

The Committee has carefully considered the application and has decided to reject the application for the reasons set out in Mr Petchey's report dated 30 May 2013. The Committee noted that the applicant had not commented on the report nor chosen to attend the Committee hearing. The Committee also took into account the representations made by the North London Waste Authority and Barnet Council at the Committee hearing.
