## Investing in our tomorrow

---

*St Ann's and Harringay Area Forum and Committee*

*10 November 2014*

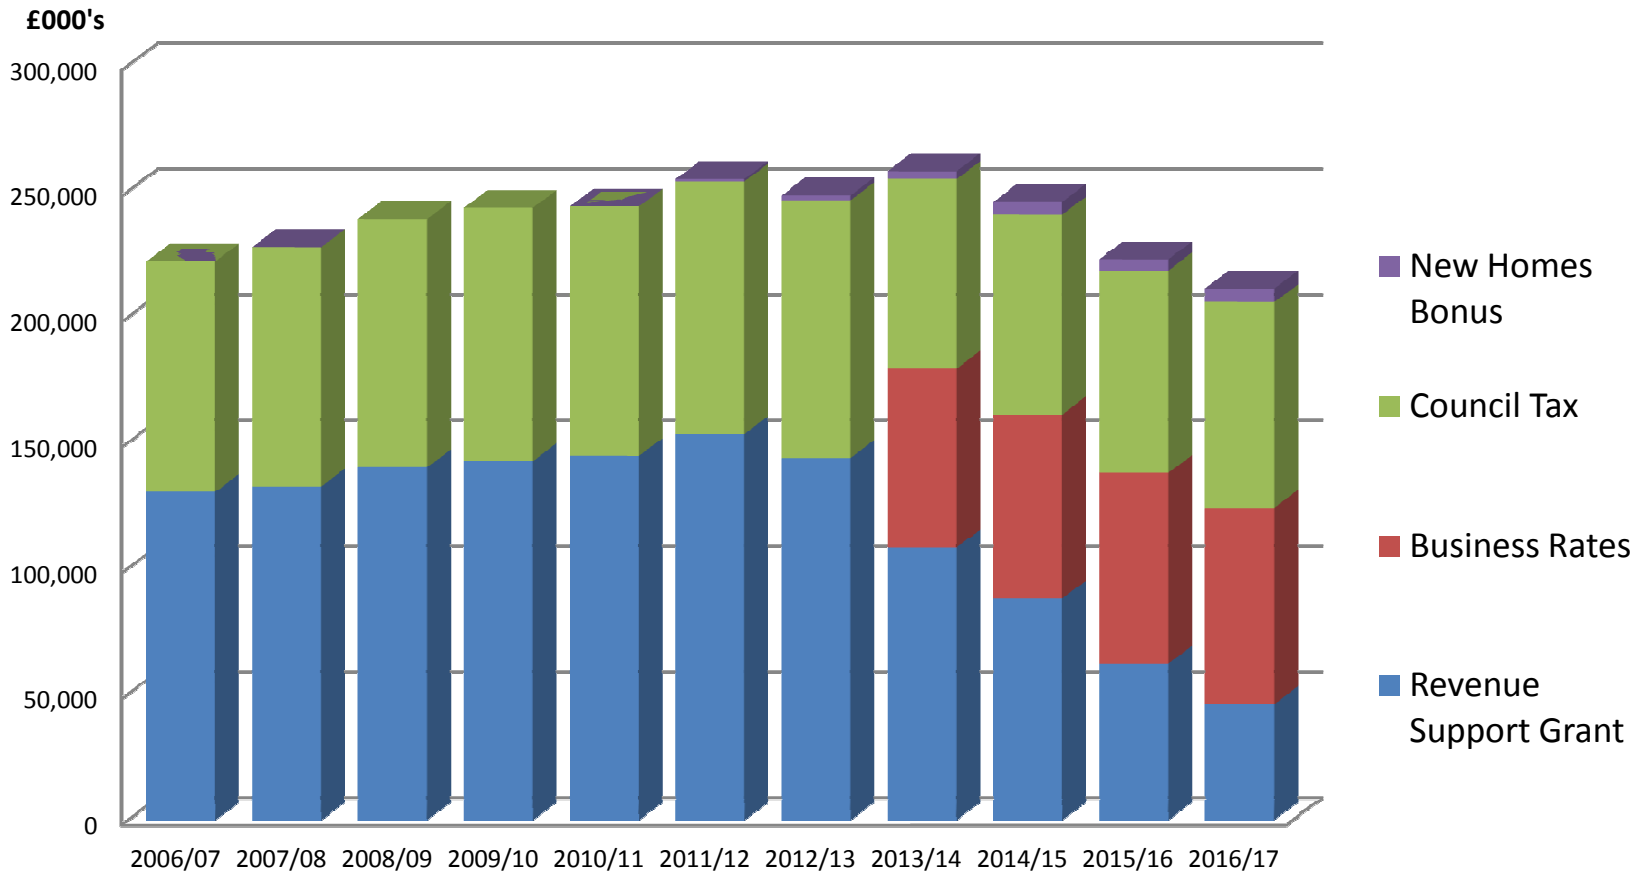

We have many of the things that make London a great city....

---

- A vibrant and diverse community
- Great parks and open spaces
- Quick transport links

# We're proud to play our part. But as public funding changes, things are getting tougher

- Less Government Grant Funding
- More reliance on local funding
- Funding pot reducing

## Over £100m cuts have been made over the last four years...

---

Cuts made to date	£m
2011/12	41.0
2012/13	20.6
2013/14	25.6
2014/15	30.4
<b>TOTAL</b>	<b>117.6</b>

## Yet there have still been improvements....

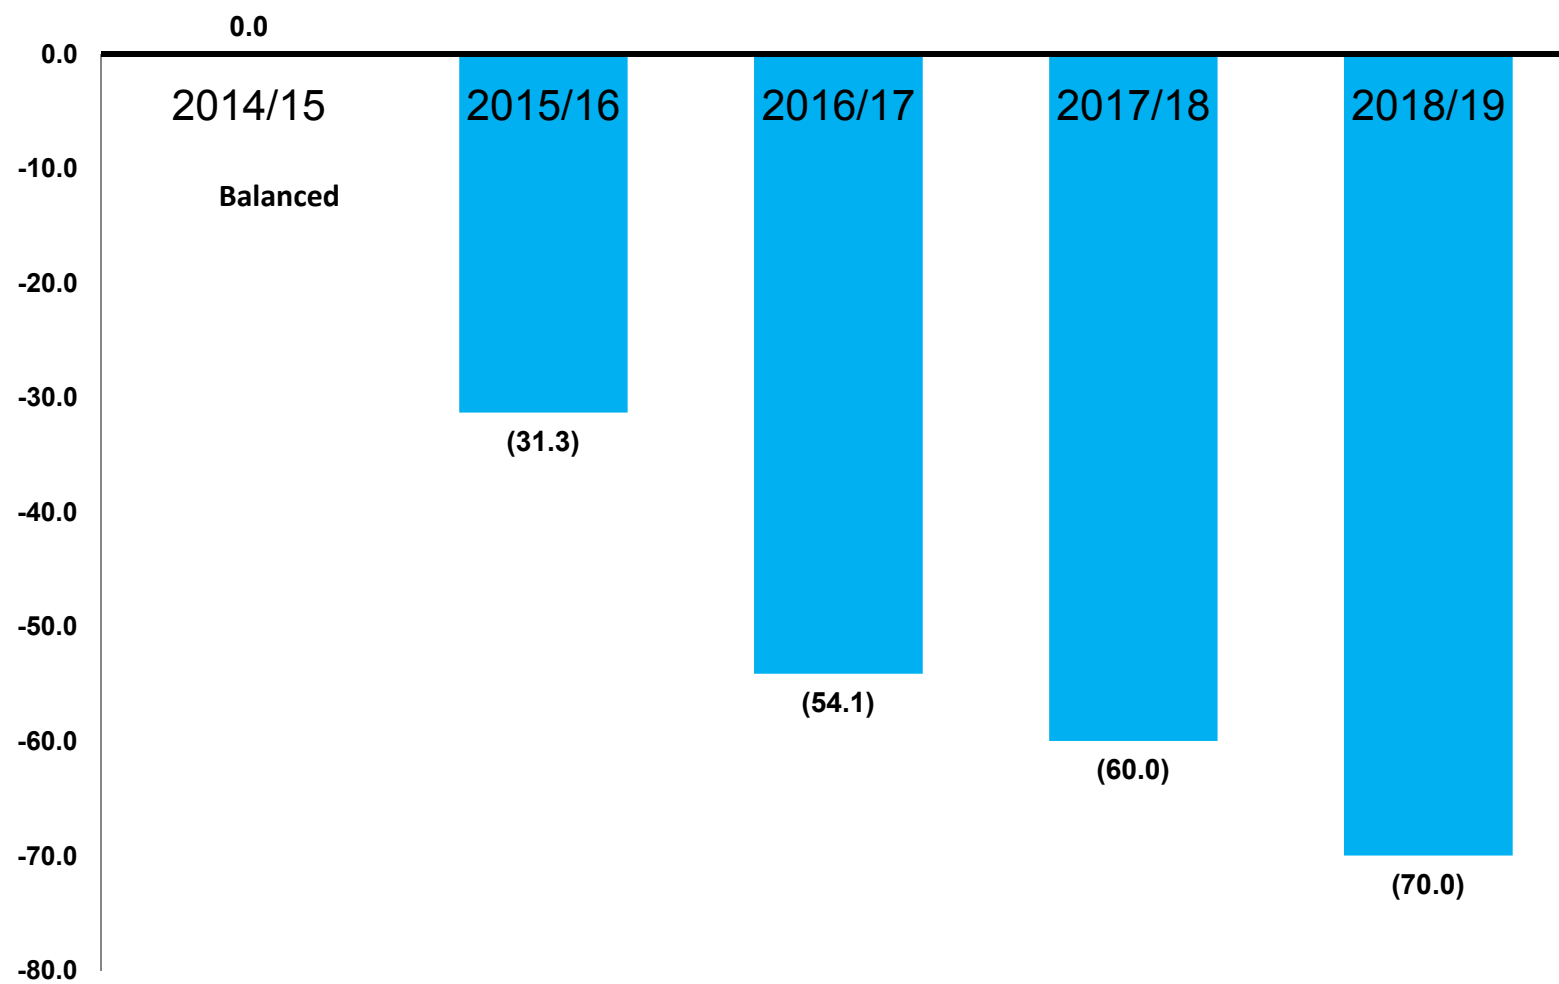

---

- School results are up
- 21 award-winning parks
- Investment in roads and pavements increased
- Financial support to help Tottenham's economy grow
- Help to switch to cheaper gas or electricity
- £20 Credit Union Account for every child starting secondary school this year
- And we've frozen council tax

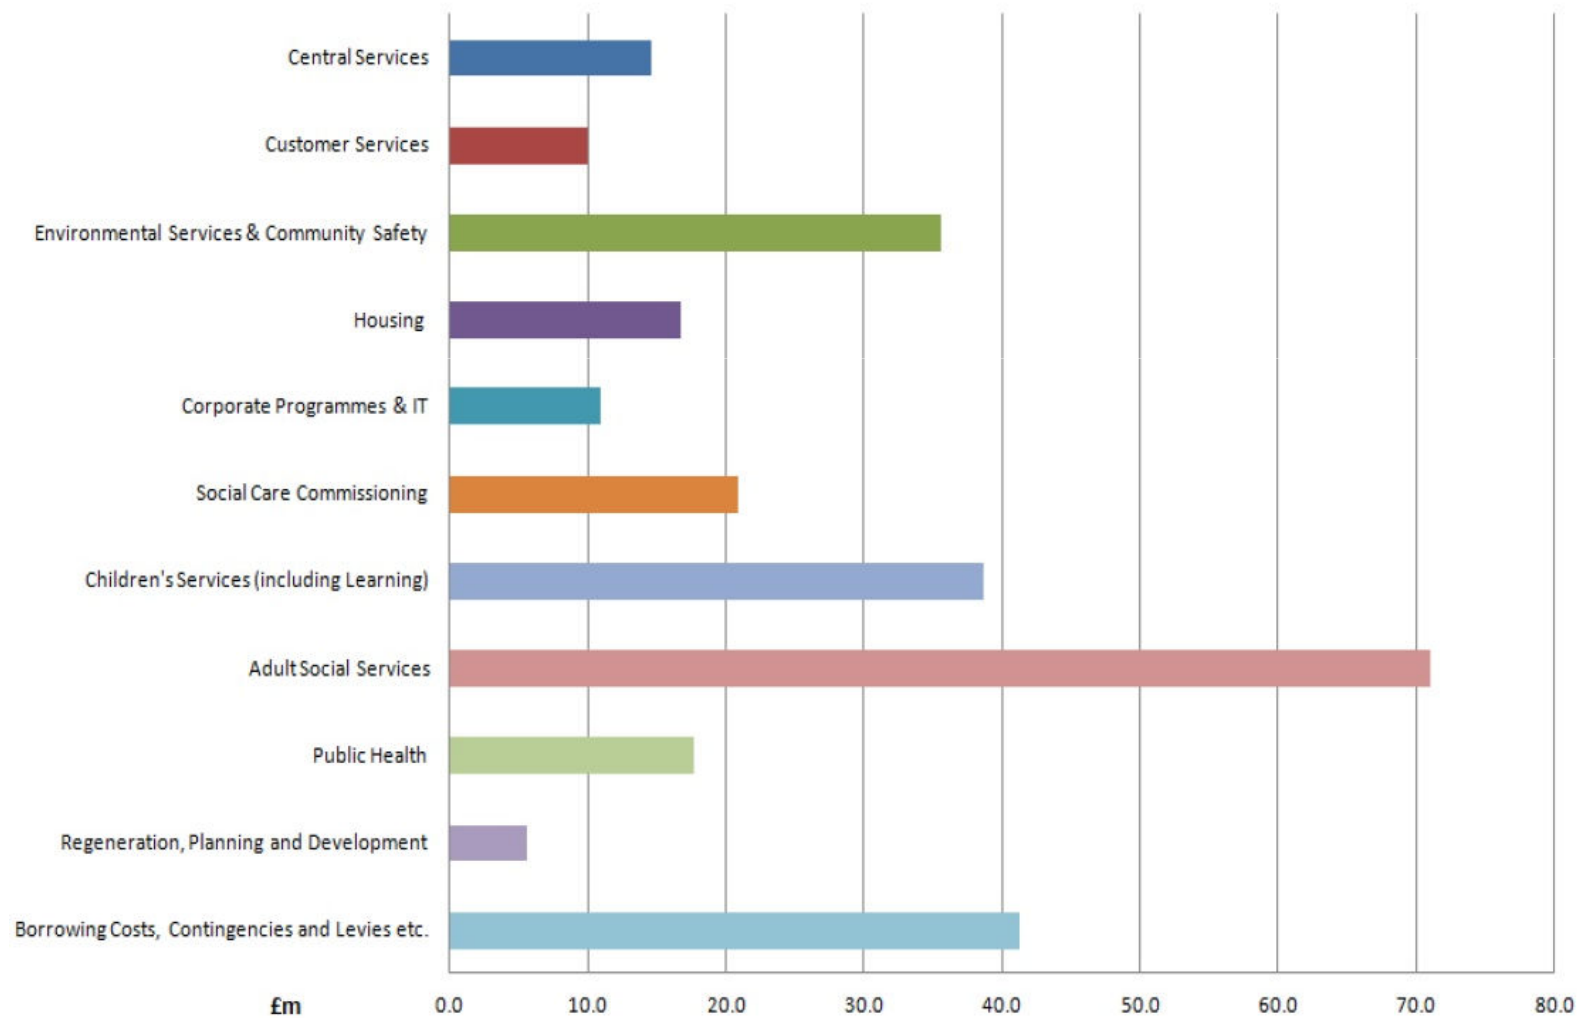

## But we have to make a further £70million savings...

---

# 2014/15 Spending (£m)...

## Service Budgets (excluding schools) 2014/15

# Despite these challenges, we still have big ambitions for the borough

---

Building firmer foundations for the future will make Haringey a place:

- where children, young people and adults are healthy, thrive and achieve their potential
- where everyone has a good quality of life and feels safe
- that provides sustainable housing, growth and employment – building a basis for communities to thrive

**We believe it's a challenge we can meet together, so...**

---

What do you think we should focus on doing to improve Haringey?

Where do you think we should invest the money we will have over the next three years?

What can you do to change and improve where you live?

Investing in *our* tomorrow it's up to you...

	<p><b>URGENT BUSINESS</b></p> <p>There were no items of urgent business.</p>	
	<p><b>DECLARATIONS OF INTEREST</b></p> <p>There were no declarations of interest.</p>

	<p><b>FEEDBACK FROM THE AREA FORUM</b></p> <p><u>Green Lanes Update</u></p> <p>It was noted that in regard to the Green Lanes improvements, a milestone in the project was to undertake improvement works to the bridge in July/August 2014.</p> <p>Ward Councillors wished to be kept informed as to progress regarding the Green Lanes project and provided with any appropriate communications issued relating thereto.</p> <p>It was noted that although Councillor McNamara, Cabinet Member for Environment, had attended the Forum to give an update on a number of matters he would be invited to attend the next meeting of the Forum in order to give a more detailed presentation and take part in a question and answer session, and that an item referring to his attendance would be placed on the agenda accordingly.</p>	

**MINUTES OF THE ST ANN'S AND HARRINGAY AREA FORUM AND COMMITTEE  
TUESDAY, 1 JULY 2014**

	<p><u>Finsbury Park Usage</u></p> <p>It was felt that the presentation from officers on Finsbury Park usage had been informative, and that follow-up action should be taken in regard to the concerns raised in relation to parking restrictions imposed in the Green Lanes area on the Sunday of the forthcoming 'Wireless' event in Finsbury Park. The feedback of traders on the impact of the event, subsequent to it taking place, would be valuable.</p> <p><u>Estates Food Waste</u></p> <p>The Committee felt that this had been a useful presentation and noted the proposals to roll-out the Council's food waste collection programme in the area.</p> <p><u>Alexandra Palace Regeneration</u></p> <p>The presentation given was considered to have been helpful and informative. It was suggested that action should be taken to bring about joint working between Alexandra Palace and the Bernie Grant Arts Centre, and that the Palace should give further consideration to on-going school engagement work covering schools across the whole of the borough, and not just in the vicinity of the Palace.</p> <p>The Committee then had a general discussion regarding the Area Forum, including its role, how it was run, the best way to engage with the community and venues for meetings. It was considered important that meetings of the Forum should be held at different venues across the two wards to ensure more effective and 'fairer' engagement with the community. It was suggested that at a future meeting the Forum consider specific topics which had a specific bearing on the local community, such as the current high levels of unemployment. Members of the Committee undertook to give further thought to the issues raised relating to the Forum's operation and send emails to each other with any ideas that arose. It was emphasised that agenda items should be relevant to the local community.</p>	
	<p><b>ANY OTHER BUSINESS</b></p> <p>There was none.</p> <p>The meeting concluded at 21.28hrs.</p>
