13. TO CONSIDER THE FOLLOWING MOTIONS IN ACCORDANCE WITH COUNCIL RULES OF PROCEDURE NO. 13

Motion F: School Funding

Proposer: Cllr Liz Morris

Seconder: Cllr Pippa Connor

This council notes that the Liberal Democrats in Government introduced the pupil premium which saw schools in Haringey benefiting with:

- An extra £13 million on top of their usual budgets.
- Each primary and secondary school in the borough received an extra £900 per pupil that had been registered for free school meals.

This council also notes that following Lynne Featherstone and Haringey Lib Dems campaign for fairer funding for local schools, Haringey schools received an extra £5.3million of government funding to tackle deprivation.

This council notes that Lib Dem MP, Sarah Olney, recently asked the Prime Minister at question time to review free school funding and allocate more funding to other schools. This council is concerned that the National Audit Office report estimates that there is £2.5bn overspend by the Conservative Government on land for free schools.

This council notes that due to the Conservative Government's changes to school funding Haringey schools will lose approximately £664 of funding per pupil by 2020. This is equivalent to 581 teachers on the average salary of £37,250.

This council is against the phasing out of the Education Services Grant and its impact on schools and the council.

This council calls upon the Conservative Government to increase the schools budget in order to prevent a serious detrimental impact on class sizes, support for pupils with special needs or valuable extra-curricular activities.

This council requests that the Leader of the Council to write to both of Haringey's MPs, urging them to raise the council's concerns with the Secretary of State for Education.
