Summary and Explanation

The Council's Constitution

The London Borough of Haringey has agreed a new Constitution which sets out how the Council operates, how decisions are made and the procedures, which are followed to ensure that these are efficient, transparent and accountable to local people. The law requires some of these processes, while others are a matter for the Council to choose.

The Constitution is divided into 16 Articles which set out the basic rules governing the Council's business. More detailed procedures and codes of practice are provided in separate rules and protocols at the end of the document.

What's in the Constitution?

Article 1 of the Constitution commits the Council to clear and transparent decision-making, which is inclusive and provides a focus for community leadership whilst also ensuring effective and efficient use of resources. Article 2 explains the role of members and Article 3 explains the rights of citizens in relation to the Constitution. Articles 4–16 explain how the key parts of the Council operate.

How the Council operates

The Council is composed of 57 councillors elected every four years. Councillors are democratically accountable to residents of their ward. The overriding duty of councillors is to the whole community, but they have a special duty to their constituents, including those who did not vote for them.

Councillors have to agree a code of conduct to ensure high standards in the way they undertake their duties. The Council's Standards Committee advises them on the code of conduct, arranges training and may hold hearings into alleged misconduct.

All Councillors meet together as the Council. Meetings of the Council are normally open to the public. Here Councillors decide the Council's overall policies and set the budget each year. The Council appoints the Leader and the Leader appoints members of the Executive (known in Haringey as the Cabinet). The Council also appoints the various non-executive committees of the Council which cover regulatory matters outside the remit of the Cabinet. At Council meetings, members of the Council may:-

- Put forward motions for debate on issues of concern;

PART ONE – SUMMARY AND EXPLANATION

- Question the members of the Cabinet on their functions and the Council's services;
- Ask questions of the chairs of other Council committees and Council representatives on joint authorities
- Present petitions to the Council on behalf of local people;
- Debate and decide the budget and major Council policies.

Members of the public are also entitled to ask questions at Council meetings; and to attend and speak as a deputation. They may also take part in debates which are specifically identified for that purpose.

At the Annual Meeting of the Council, the Council elects the Mayor and the Mayor appoints the Deputy Mayor.

How decisions are made

Some Council functions, such as decisions on planning applications or licensing matters, are regulatory matters under the overall responsibility of the Council itself. The Council has set up committees to deal with most of these. However, the Cabinet, is the part of the Council which is responsible for most day to day decisions. It is made up of the Leader and between 2 and 9 other Council members appointed by the Leader. When major decisions are to be discussed or made, these are published in the Cabinet's forward plan insofar as they can be anticipated. If these major decisions are to be discussed with Council officers at a meeting of the Cabinet, this will generally be open for the public to attend, except where personal or confidential matters are being discussed. In practice all decision-making by the Cabinet is similarly open to the public. The Cabinet has to make decisions which are in line with the Council's overall policies and budget which have to be decided by the Council as a whole. If the Cabinet wishes to make a decision which is outside the budget or policy framework, this must be referred to the Council as a whole to decide.

The Cabinet is allowed to delegate decision-making to Cabinet committees, to individual Cabinet members or to officers. The Council or its committees can also delegate decision-making to sub-committees or to officers.

Whenever there is a reference in this Constitution to a decision that may be taken by the Cabinet meeting, a Cabinet Committee or by an individual Cabinet Member, that decision may also be taken by the Leader personally. This also applies to Cabinet or executive functions delegated to officers except in the few instances, for example decisions requiring specific professional expertise, where legally a decision of that kind may only be taken by an officer. These powers of the Leader do not extend to non-executive committees or non-executive functions delegated to officers.

Overview and Scrutiny

The Council appoints the Overview and Scrutiny Committee from among the non-executive (non-Cabinet) councillors to support the work of the Cabinet

PART ONE – SUMMARY AND EXPLANATION

and the Council as a whole. The Overview and Scrutiny Committee co-ordinates and manages the work of any scrutiny panels which may be set up. They look into matters of concern and make reports and recommendations which advise the Cabinet and the Council as a whole on its policies, budget and service delivery. They also monitor the decisions of the Cabinet and can call in a decision which has been made by the Cabinet but not yet implemented. This enables them to consider whether the decision is appropriate. They may recommend that the Cabinet re-consider the decision. They may also be consulted by the Cabinet or the Council on forthcoming decisions and the development of policy.

The Council's Staff

The Council has people working for it (called 'officers') to give advice, implement decisions and manage the day-to-day delivery of its services. Some officers have a specific duty to ensure that the Council acts within the law and uses its resources wisely. A member/officer protocol governs the relationships between officers and Members of the Council.

Citizens' Rights

Citizens have a number of rights in their dealings with the Council. These are set out in more detail in Article 3. Some of these are legal rights, whilst others depend on the Council's own processes. The local citizens' advice bureau can advise on individuals' legal rights.

Where members of the public use specific Council services, for example, as a parent or carer of a child at school or as a Council tenant, they have additional rights. These are not covered in this Constitution

Citizens have the right to:-

- Vote at local elections if they are registered;
- Contact their local councillor about any relevant matters of concern to them;
- Be treated equally and have equal opportunity with other citizens;
- Obtain a copy of the Constitution;
- Attend meetings of the Council and its committees, except where, for example, personal or confidential matters are being discussed;
- Petition to request a referendum on a change in the Council's governance arrangements;
- Participate in Council meetings as indicated above;
- Contribute to investigations by the Overview and Scrutiny Committee and scrutiny panels;
- Find out, from the Cabinet's forward plan, what major decisions are to be discussed by the Cabinet or decided by the Cabinet, and when;

PART ONE – SUMMARY AND EXPLANATION

- Attend meetings of the Cabinet, particularly where key decisions are being discussed or decided, except where, for example, personal or confidential matters are being discussed;
- See reports and background papers and any record of decisions made by the Council and the Cabinet;
- Complain to the Council about a problem with a Council service - a leaflet and form are available which explain how this can be done;
- Complain to the Ombudsman if they think the Council has not followed its procedures properly. However, they should do this only after using the Council's own complaints procedure.
- Complain in writing to the Council's Standards Committee if they have evidence which they think shows that a councillor has not followed the Council's code of conduct;
- At the time of the external audit of the Council's accounts, inspect those accounts and make their views known to the external auditor.

The Council's procedures also allow members of the public to present deputations or ask questions at Council or Cabinet meetings.

The Council welcomes participation by its citizens in its work. A statement of the rights of citizens to inspect agendas and reports and attend the meetings (the Access to Information Procedure Rules) is set out in Part 4 of the Constitution and is available on request from the Democratic Services Manager.

Such arrangements may involve the appointment of a joint committee or board within these other local authorities. The Council may, where the legislation allows, also establish other joint arrangements with, for example, health service organisations. These other arrangements are called “boards” in this Constitution.
- (b) The Council may establish joint arrangements with one or more local authorities and their Executives to exercise functions that are partly Executive and partly Non-Executive (“mixed functions”). Such arrangements may involve the appointment of a joint committee or board with these other local authorities or bodies. - (d) Except as set out below or otherwise provided in legislation, the Leader or the Cabinet may only appoint Cabinet members to a joint committee or board and those members need not reflect the political composition of the local authority as a whole.
- (e) The Leader, or the Cabinet with the Leader’s agreement, may appoint members to a joint committee or board from outside the Cabinet in the circumstances where the joint committee has functions for only part of the area of the authority, and that area is smaller than two-fifths of the authority by area or population. In such cases, the Cabinet may appoint to the joint committee any councillor who is a member for a ward that is

PART TWO – ARTICLES OF THE CONSTITUTION

wholly or partly contained within the area. The political balance requirements do not apply to such appointments.

- (f) Details of any existing joint arrangements including any delegations to joint committees will be found at the end of this Article, and their terms of reference included in Part 3 Responsibility for Functions, Section DA.

10.03 Access to information

- (a) The Access to Information Rules in Part 4 of this Constitution apply.

PART TWO – ARTICLES OF THE CONSTITUTION

- (d) The Leader, or the Cabinet with the Leader's agreement, may appoint other Cabinet members to act as the Leader's representatives and to exercise executive functions at meetings of the Haringey Strategic Partnership (HSP) and its subordinate bodies. Decisions taken by a Cabinet member or members in this way will have immediate effect. For the avoidance of doubt, the same will apply where the Leader sits in person as a member of the HSP or its subordinate bodies.

10.06 Contracting out

The Council for non-executive functions, and the Leader, or the Cabinet with the Leader's agreement, for executive functions, may contract out to another body or organisation functions which may be exercised by an officer and which are subject to an order under section 70 of the Delegation and Contracting Out Act 1994, or under contracting arrangements where the contractor acts as the Council's agent under usual contracting principles, provided there is no delegation of the Council's discretionary decision-making.

10.07 London Councils Arrangements for Co-ordinating Response to Emergencies

- (a) The Council and Cabinet have resolved to delegate their powers under section 138 of the Local Government Act 1972 (power to incur expenditure to avert or alleviate the effects of an emergency or disaster) to an outside Chief Executive appointed to co-ordinate the response of London local authorities to a major incident or a lesser emergency. This "L.A. Gold" will be appointed under arrangements approved by Central Government, London Councils and the London Resilience Team.
- (b) Where an incident, emergency or other event emerges over a period of time (such as a pandemic or extreme weather), and where the Gold Coordination Group ("Gold Command") may not have been convened, L.A. Gold will be empowered on behalf of the London local authorities to coordinate any local authority response, as necessary, providing advice and guidance as required. In these circumstances L.A. Gold will not have power to incur expenditure or to exercise delegated powers unless authorised under paragraphs (c)(ii), (d)(ii) or (e) below.
- (c) The delegation of powers under section 138 of the Local Government Act 1972 to L.A. Gold will only have effect in the following circumstances:
- (i) after the convening of Gold Command, normally led by the Police, in response to the declaration of a major incident, or
 - (i) for other disruptive events such as extreme weather which do not require the convening of Gold Command, after the convening of

PART TWO – ARTICLES OF THE CONSTITUTION

a London Partnership Meeting, normally led by the London Resilience Team, provided that the agreement of London Councils (under delegated powers) is also secured.

- (d) Subject to paragraph (e) below, L.A. Gold will only have power to incur expenditure once:
 - (i) the Minister of State confirms that H.M. Government will reimburse expenditure reasonably incurred by L.A. Gold in taking immediate action to safeguard life or property or to prevent suffering or severe inconvenience, or
 - (ii) The Council or Councils in whose area the incident occurs confirm that it/they will reimburse expenditure incurred for the purposes in (i) above.
- (e) In the event that L.A. Gold has not been able to receive confirmation from the Council(s) in whose area the incident has occurred that expenditure will be reimbursed, and where it is absolutely essential for L.A. Gold to incur expenditure for the purposes in paragraph (d)(i) above, or to promote community cohesion and a return to normality, it has been agreed that the Council(s) affected will meet that expenditure provide it is kept to minimum levels and does not exceed £1 million in total while confirmation of reimbursement is being sought.
- (f) All Council officers are authorised to take any action in accordance with instructions issued by the appointed L.A. Gold under the arrangements described above.

10.08 Outside Bodies

- (a) Introduction
 - (i) The Council has nomination rights to a large number of different external bodies (referred to as "organisations"). The practice of making nominations to organisations is a benefit to the Council and the links created contribute to the social well-being of the Borough. Some of these arrangements involve the formal delegation of the Council's powers to organisations but this is not true in most cases.
 - (ii) These organisations can be categorised as follows:
 - (A) "Association bodies" e.g. Local Government Association or Association of London Government joint committees and panels,
 - (B) "Statutory bodies" i.e. where Haringey needs to be represented by law, for example, the Alexandra Park &

PART TWO – ARTICLES OF THE CONSTITUTION

Palace Advisory Committee,

- (C) "Partnership bodies" which usually involve the Council working with other agencies on local issues or projects,
- (D) "Trusts and Foundations" which generally have more specific and prescribed objectives, for example, the Tottenham Grammar School Foundation, and
- (E) "Voluntary/Community bodies" which cover a very wide spectrum of organisations serving the community, or community groups, in various ways.
- (F) "School Governing bodies" are independent organisations but the precise relationship to the Council varies according to the type of School.

(b) Nominations Procedure

- (i) Nominations to all organisations will be made or confirmed at each Annual General Meeting (AGM) of the Council. In the case of Association and "Partnership" bodies, which mainly exercise "executive" functions at present, nominations of Cabinet members will be made by the Leader, or the Cabinet with the Leader's agreement, and merely recorded in the complete list approved at the AGM.
- (ii) The capacity in which members are nominated, the duration of the appointment and any other relevant terms and conditions will be set out in the report to the AGM and recorded in the minutes. Nominations will be stated as being made "at the request of the Council".
- (iii) A full list of existing and newly nominated or appointed councillors will be presented to the next meeting of full Council after the AGM setting out the name of the organisation, terms of appointment and status or capacity of the councillor within the organisation.
- (iv) Future nominations to voluntary or community bodies will generally be in a non-voting, "observer" capacity only, in order to avoid the greater potential for conflicts of interest. Nominated members will not participate in management or decision-making within the organisation. Their role will be to assist in the exchange of information and views between the organisation and the Council.
- (v) Nominations to other organisations will generally be in a full, voting capacity i.e. the member should participate fully in management and decision making within the organisation, as appropriate, and should vote at its management committee. Exceptions would be made where the organisation so requested

PART TWO – ARTICLES OF THE CONSTITUTION

or its own constitution or ground rules so required. Nominations to trusts, for example, would have to be in a full, voting (not an “observer”) capacity since the purpose of the nomination would be for the member to have a decision making role.

(c) Members' Conduct

- (i) The Members' Code of Conduct, as set out in the Council's Constitution, applies to members' activities as representatives in any capacity on any outside body.
- (ii) In addition, nominated members will be required to observe the Constitution or rules of the organisation itself, except in so far as there might, unusually, be a conflict with the Council's Members' Code of Conduct. Members should seek advice from the Monitoring Officer if they think that any such conflict could arise.
- (iii) Members may also be under legal duties imposed in respect of their roles in specific types of organisation e.g. as Directors of Limited Companies or as Charity Trustees. Further Guidance will be available to members outside the text of this Constitution.

The Council currently has formal joint arrangements as follows;

Article 11 – Officers

11.01 Management Structure

1. General

- 1.01 This section of the Constitution sets out who can take which decision. The Council's functions may be lawfully exercised by:
- a) The Full Council
 - b) The Executive (the collective term for the Leader, individual Cabinet Members, the Cabinet or a Committee of the Cabinet)
 - c) Committees and Sub-Committees of the Council or the Cabinet
 - d) Joint Committees
 - e) Officers
- 1.02 All of the Council's functions are either "executive" or "non-executive". Executive functions are the responsibility of the Executive or one of its Committees, Sub-Committees, Joint Committees, or an officer. Non-executive functions are the responsibility of the Full Council or one of its Committees, Sub-Committees, Joint Committees or an officer.
- 1.03 The Executive is the part of the Council which is responsible for most day-to-day decisions. The Executive is made up of the Leader and a number of Executive members (Cabinet Members) selected by the Leader and which make up the Cabinet. The Executive might also establish Committees and Sub-Committees. All key decisions are made by the Executive and will be published in the Forward Plan in so far as they can be anticipated.
- 1.04 The Cabinet will ordinarily carry out all of the local authority's executive functions that are not the responsibility of any other part of the local authority, whether by law or under this Constitution, unless the Leader decides to discharge them personally or allocate them to an individual Cabinet Member or a Committee of the Cabinet.
- 1.05 Decision making meetings of the Executive will generally be open for the public to attend except where confidential or exempt matters are being discussed. The Executive has to make decisions which are in line with the Council's overall policies and budget. If it wishes to make a decision which is not in line with the budget or policy framework, this must be referred to the Full Council as a whole to decide.
- 1.06 All functions of the Council are "executive", and the responsibility of the Executive, unless in law they are prevented from being exercised by the Executive. The Local Authorities (Functions and Responsibilities)

PART THREE – RESPONSIBILITY FOR FUNCTIONS
SECTION A – Introduction: Responsibility for Functions

(England) Regulations 2000 (as amended) set out which functions are non-executive and which cannot in law be the responsibility of the Executive. These regulations also set out certain functions which may be exercised by either the Full Council or the Executive and their Committees. These are called ‘local choice’ functions. In addition to these regulations, the parent legislation may also specify particular functions which are non-executive and which cannot in law be the responsibility of the Executive, for example the Local Government Finance Act 1992 and the setting of Council Tax.

- 1.07 Sections B –D of this Part set out which functions and decisions are executive and the responsibility of the Executive - the Leader, the Cabinet or individual Cabinet Members; and which functions are non-executive and the responsibility of the Full Council and whether, in either case, they have been delegated to a Committee, Sub-Committee, Joint Committee, or officer. Certain functions are reserved to the Full Council itself and these are set out at Article 4 and in Part 3 Section B.
- 1.08 Any area of responsibility that is not specifically listed under the matters reserved for members in Sections B –D is deemed to be delegated to officers – that is, the Chief Executive, the Strategic Leadership Team, Directors and Assistant Directors.
- 1.09 Part 3 Section B sets out the non-executive functions which are reserved to the Council and its Committees and Sub-Committees.
- 1.10 Part 3 Section C sets out the executive functions that are the responsibility of the Leader, individual Cabinet Members, the Cabinet and any Committees or Sub-Committees it establishes.
- 1.11 Part 3 Section D sets out the ‘local choice’ functions, which are those that the Council can allocate to either the Full Council or the Executive for decision, and sets out which body has been allocated them.
- 1.12 Part 3 Section E sets out the principles of the Officer Scheme of Delegation for all function and powers not otherwise reserved to members.
- 1.13 Decisions that have been delegated can still be taken by the parent body (i.e. the body that delegated the decision). It shall always be open to an officer to consult with the Committee or with appropriate Members on the exercise of delegated powers; or not to exercise delegated powers but to refer the matter to the Cabinet, the Leader, relevant Cabinet Member or to a Committee of the Council.

The Executive is the collective term for the Leader, individual Cabinet Members, the Cabinet or a Committee of the Cabinet. The Leader selects the Executive members (Cabinet Members) and these make up the Cabinet. The Executive might also establish Committees and Sub-Committees.

- 1.5 Where an individual Cabinet Member is exercising these functions, it may delegate those functions to officers.
- 1.6 Where Executive functions have been delegated, that does not prevent the discharge of delegated functions by the person or body who delegated them; or the Leader or Cabinet from reviewing decisions made in the discharge of those functions in accordance with the provisions of Part 3 of this Constitution. Part Three, Section D

Responsibility for functions: Local Choice Functions

Local Choice Functions

All functions of the Council are “executive”, and the responsibility of the Executive (the Leader, individual Cabinet members and the Cabinet), unless in law they are prevented from being exercised by the Executive. The Local Authorities (Functions and Responsibilities) (England) Regulations 2000 (as amended) set out which functions are “non-executive” and which cannot in law be the responsibility of the Executive.

In addition, there are a few “Local Choice” functions set out in Regulations where the local authority is free to choose in its constitution whether the function is, basically, “executive” or “non-executive”. The Leader may delegate or allocate any executive functions to an individual Cabinet member, the Cabinet, a Committee of the Cabinet or an officer and the Council may delegate any of the “non-executive” functions to a Committee, Sub-Committee or an officer. The list below shows where these “Local Choice” functions are allocated in this Constitution and the body or person expected to exercise the delegated decision-making powers. In the event that a Member body or an officer post has its name changed, the allocation/delegation in the list below will continue in force provided that there is no material change to the terms of reference of the body or the responsibilities of the post

Part Three, Section E

Officer Scheme of Delegation

Section 1	INTRODUCTION AND GROUND RULES
------------------	--------------------------------------

1. What is the Officer Scheme of Delegation?

- 1.01 Part Three of the Constitution describes the overall areas of responsibility for the Council, the Executive and for Committees and Sub-Committees. However, to ensure that the Council runs efficiently, it is necessary for some decisions to be taken by officers. Certain types of decision must by law be delegated to an officer rather than being determined by Members. These include the appointment and dismissal of officers below Director level, discharge of the duties of the Returning Officer in elections and the Proper Officer functions. Other Council functions must by law be determined by Members, for example, setting the Council Tax and adopting the plans or strategies constituting the Council's Policy Framework. For the great majority of local authority functions, it is a matter of local choice for the Council whether they are exercised by Members or delegated to officers.
- 1.02 This Section describes the functions, powers and duties delegated to the most senior officers of the Council within their areas of responsibility. All functions and decisions not reserved to Members - either the Executive or the Full Council or one of their Committees or Sub-Committees (and as listed in Part Three Sections B – D above) are delegated to officers.
- 1.03 In understanding the Officer Scheme of Delegation it is important to recognise the respective roles of Members and officers. Members and officers are servants of the public and they are indispensable to one another, but their responsibilities are distinct. Members are responsible to the electorate and serve until their term of office expires. As elected Members, they are responsible for determining Council Policy and Strategy. Officers are employed by, and are responsible to, the Council and as such are responsible for implementing policy and delivering services. Their job is to give advice to members and the Council, and to carry out the Council's work under the direction and control of the Council, the Executive, their committees and the management of the Chief Executive and relevant Director.
- 1.04 This scheme operates from the date approved by the full Council.

PART THREE – RESPONSIBILITY FOR FUNCTIONS
Section E – Scheme of Delegation – Section 1 Introduction

2. General Principles of the Officer Scheme of Delegation

2.01 For the purposes of officer delegated powers, both within this part and any other part of the Constitution, the term “Director” shall include the following officers:

- The Chief Executive
- Members of the *Council Leadership Team* *
- All Directors and Assistant Directors
- The Chief Executive of Alexandra Palace & Park (as appropriate)

For the purposes of officer delegated powers, the term “Council Leadership Team—” means¹:

- The Chief Executive
Director of Environment and Resident Experience
- The Director of Placemaking and Housing
- The Director for Children’s Services
- The Director for Adults Health and Communities
- Director of Culture, Strategy and Engagement
- The Director of Finance

For the purposes of officer delegated powers, the term “Statutory Officers²” means:

- The S151 Chief Finance Officer (This role is held by *the Director of Finance*)
- The Monitoring Officer
- The Director of Adult’s Services • The Director of Children’s Services
- The Director of Public Health

Any functions delegated to Directors shall be exercised by Directors in respect only of the specific services for which they are responsible. These officer delegated powers shall be exercised in accordance with the following general principles.

2.02 Functions delegated to officers are to be exercised taking into account:

¹ NB. The Chief Executive and Head of Paid Service is a member of the Council Leadership Team - and is a Statutory Officer of the Council in law, however for the purposes of the Constitution, the Chief Executive and Head of Paid Service is extracted from these terms and addressed individually

PART THREE – RESPONSIBILITY FOR FUNCTIONS

2.03 Any function delegated to an officer may also be exercised by any officer who has been so authorised by the officer to whom the function is delegated, or by the Chief Executive. Such authorisations shall be recorded and held by the officer making the authorisation. Officers authorised under this provision to exercise a power delegated to another officer should be either fully or generally under the supervision and control of the authorising officer. This does not apply to functions delegated to the officers acting in the statutory capacity of the Council’s Chief Finance Officer (s151 officer) or the Monitoring Officer. These functions may only otherwise be exercised by the Assistant Director for Finance or Deputy Monitoring Officer as named in writing by the post holder.

2.04 Functions delegated by reference to job titles or posts which have changed will continue in force and shall be exercised by officers whose duties include or most closely correspond to the duties of the post originally referred to.

2.05 Where a Director’s post is vacant, or the officer is absent or otherwise unable to act, and no officer has been appointed in an ‘acting capacity’, any functions delegated may be exercised by the Director whose duties include or most closely correspond to the function in question; save in relation to the Council’s Chief Finance Officer (s151 officer) or the Monitoring Officer where functions may only be exercised in accordance with arrangements that have been authorised in writing by the post holder.

Section E – Scheme of Delegation – Section 1 Introduction

2.07 It shall always be open to an officer to consult with the Committee or with appropriate Members on the exercise of delegated powers; or not to exercise delegated powers but to refer the matter to the Cabinet, the Leader, relevant Cabinet Member or to a Committee of the Council.

2.08 In the event of a “catastrophic incident”, declared by the Secretary of State to be imminent or to have occurred, all Council officers are authorised to take any action in accordance with the instructions of the Chief Executive or any external Chief Executive appointed to coordinate the actions of some or all London local authorities.

3. Requirements to record and report on decisions taken under the Officer Scheme of Delegation

3.01 This scheme includes the obligation on officers to keep Members properly informed of activity arising within the scope of these delegations and to ensure a proper record of such activity is kept and available to Members and the public in accordance with legislation. Therefore, each Director must ensure that there is a system in place within his/her area of responsibility which records any decisions made under delegated powers. Written statements of officers’ exercise of delegated powers must be completed and where appropriate published and made available for public inspection at the Civic Centre and on the Council’s website.

3.02 Regular reports (at least quarterly) shall be presented to the Cabinet Meeting, in the case of executive functions, and to the General Purposes Committee, in the case of non-executive functions, summarising all decisions taken under urgency provisions as provided for at paragraph 5 below. These reports will be sent to the next full Council for noting. There should be no abuse of urgency provisions especially since this would undermine proper forward planning.

3.03 Regular reports (monthly or as near as possible) shall be presented to the Cabinet Meeting, in the case of executive functions, and to the responsible Member body, in the case of non-executive functions, recording the number and type of all decisions taken under officers’ delegated powers. Decisions of particular significance shall be reported individually.

3.04 In paragraph 3.03 a decision of “particular significance”, to be reported individually by officers, shall mean a matter not within the scope of a decision previously agreed at Member level which falls within one or both of the following:

(a) It is a spending or saving of £100,000 or more, or

(b) It is significant or sensitive for any other reason and the Director and Cabinet Member have agreed to report it.

PART THREE – RESPONSIBILITY FOR FUNCTIONS

Section E – Scheme of Delegation – Section 1 Introduction

3.05 The Council may require an officer to consult a Cabinet Member before exercising the delegation in specific circumstances. In this event the signed agreement of the Cabinet Member must be obtained. If there is disagreement, the officer must report the matter to the Cabinet Meeting for decision.

4. General Limitations:

4.01 This scheme does not delegate to officers:

- (a) Any matter reserved that is reserved to Members - either the Executive or the Full Council or one of their Committees or Sub Committees and as listed in Part Three Sections B – D above. This includes key decisions; the making, changing or departure from Council policy and the setting of fees and charges;
- (b) Any matter which by law may not be delegated to an officer

4.02 Officers shall not be authorised by virtue of these provisions to incur any capital or revenue expenditure in excess of the estimates allocated to a function under the relevant head of expenditure, but subject to such modifications as may be made in accordance with the Financial Regulations at Part 4 Section I.

5. Urgent decisions and Officer Powers:

5.01 Where action needs to be taken on any urgent matter between meetings of the Cabinet, or any Committee or Sub-Committee of the Cabinet or the Council and such action would not be authorised within these provisions, the following rules shall apply:

- (a) in the case of executive functions, the Leader may take any executive decision in place of, or between meetings of, the Cabinet, including decisions that have become urgent, in accordance with the Access to Information Procedure Rules at Part 4 Section D of this Constitution. The Leader may also allocate any executive decision whether urgent or not to the Cabinet Member having the relevant portfolio responsibilities, or to a Committee of the Cabinet. The Protocol for Decision Making in Part 5 shall be followed
- (b) in the case of non-executive functions, a report will be prepared so that the Director having operational responsibility can take the decision in consultation with the Chair of the Committee or Sub-Committee having the matter within its terms of reference. The Protocol for Decision-Making in Part 5 shall be followed.

PART THREE – RESPONSIBILITY FOR FUNCTIONS
Section E – Scheme of Delegation – Section 1 Introduction

6. Responsibility for maintaining and updating the Scheme of Delegation

6.01 The delegations in this document are necessary for officers to perform their duties in order to discharge the Council's functions and responsibilities and to demonstrate if called upon to do so that they have the necessary authority to act. It is essential therefore that the contents of this document are kept up to date.

6.02 Each Director must ensure that there is a nominated officer in their Directorate who takes responsibility for considering changes the Scheme of Delegation. This officer must ensure that changes to existing legislation, proposed new legislation affecting their service area and new operational or policy developments are discussed with the Monitoring Officer. The Monitoring Officer will be responsible for preparing any necessary reports to full Council recommending amendments to the Scheme.

6.03 In cases where there is an immediate or urgent need to amend the Scheme of Delegation with respect to any Non-executive function before a report can be considered by full Council, amendments may be authorised by the Chief Executive, acting in consultation with the Chair of the Standards Committee. Any such urgent amendments to the Scheme will only be effective for six months unless they are formally adopted as amendments to the Constitution by full Council before the expiry of that period.

6.04 Amendments to the Scheme of Delegation with respect to any Executive function may be authorised at any time by the Leader or the Cabinet and will have immediate and continuing effect. Such amendments will be reported to the full Council but only for noting and inclusion within the Council's Constitution.

- (1) If, during the course of a meeting, an issue arises concerning a named individual or about an individual Council employee or former Council employee, the body must first decide whether or not to exclude the public and press before discussing the matter further and for this purpose the advice of the Monitoring Officer or his/her representative will be considered.
- (2) At no time shall there be discussion of any individual employee or former employee subject to outstanding disciplinary/appeal/grievance proceedings as such discussion could affect these proceedings.
- (3) In the event of a member wishing to criticise an individual employee or former employee of the authority the Member shall follow the provisions of the Protocol on Member/Officer Relations which provides for a complaint against an officer to be referred confidentially to the relevant Chief Officer. This shall not prevent members from asking officers proper questions.

10. INTERESTS OF OFFICERS IN CONTRACTS AND OTHER MATTERS

- (2) The Mayor, or the Chair of any subordinate body, shall have regard to any Protocol on Webcasting in force when deciding whether to permit the filming, or any other form of recording or broadcasting, of meetings. Rules 13 – 24 apply to the Executive (that is, the Leader, individual Cabinet Members and the Cabinet) and its Committees. The Leader may take any executive decision in place of, or between meetings of, the Cabinet, including decisions that have become urgent, in accordance with Rules 16 and 17 below, and the Leader may also

allocate any executive decision whether urgent or not to the Cabinet Member having the relevant portfolio responsibilities, or to a Committee of the Cabinet.

If the Leader, an Individual Cabinet Member or the Cabinet or its Committees take a key decision then the procedure must by law also comply with Rules 1 – 15 unless Rule 16 (general exception) or Rule 17 (special urgency) apply.

A key decision is defined as:

Rules 1 – 15 will apply to all key decisions made by the Executive unless Rule 16 (general exception) or Rule 17 (special urgency) applies. This requirement does not include meetings, whose principal purpose is for officers to brief members.

In practice the Council has decided that meetings of the Cabinet and its Committees will generally comply with Rules 1-15 irrespective of whether the items to be discussed are key decisions.

13. PROCEDURE BEFORE TAKING KEY DECISIONS

Subject to Rule 16 (general exception) and Rule 17 (special urgency), a key decision may not be taken unless:

- (a) at least 28 clear days before a key decision is made, a notice (called here a Forward Plan) has been made available for inspection by the public at the designated office and on the website in connection with the matter in question;
- (b) where the decision is to be taken at a meeting of the Cabinet or its Committees, notice of the meeting has been given in accordance with Rule 4 (notice of meetings).

2. Process for developing the framework

The process by which the budget and policy framework shall be developed is:

- 2.1 Each year the relevant Director and relevant Cabinet Members will in their joint report to the Overview and Scrutiny Committee on potential issues for Committees work programmes include any matters which form part of the Budget and Policy Framework, which will require adoption in the coming year.
- 2.2 If the Overview and Scrutiny Committee or a Scrutiny Review Panel wishes to include the matter into the work programme the relevant Director will ensure that the Committee is consulted in good time to enable the Committee's views to be considered by the Cabinet or Cabinet Member prior to firm proposals being submitted to the Council. In the event that the Overview and Scrutiny Committee or Scrutiny Review Panel chooses to consider a report which forms part of the Budget and Policy Framework then its views shall be included in the report submitted to the Cabinet or Cabinet Member who shall take them into account in drawing up firm proposals for submission to the Council. - 2.4 In reaching a decision, the Council may adopt the Cabinet's/Cabinet Member's proposals, amend them, refer them back to the Cabinet for further consideration, or, substitute its own proposals in their place.

PART FOUR – RULES OF PROCEDURE

Section E – Budget and Policy Framework Procedure Rules

- 2.5 If it accepts the recommendation of the Cabinet/Cabinet Member without amendment, or the Leader of the Council on behalf of the Cabinet or the Cabinet Member supports the amended recommendation the Council may make a decision which has immediate effect. Otherwise, it may only make an in-principle decision. In either case, the decision will be made on the basis of a simple majority of votes cast at the meeting. The decision will be publicised.
- 2.6 An in-principle decision will automatically become effective on the expiry of 5 working days from the date of the Council's decision, unless the Leader informs the proper officer in writing within the period of 5 working days that he/she objects to the decision becoming effective and provides reasons why. If the Leader informs the proper officer that he/she has no objection it shall become effective upon receipt of such notice.
- 2.7 In that case, the proper officer will call a Council meeting to take place within a further 10 working days. The Council will be required to re-consider its decision and the Leader's written submission. The Council may:

- 3.2 If the Leader, the Cabinet, Committees of the Cabinet, individual members of the Cabinet and any officers, or joint arrangements

PART FOUR – RULES OF PROCEDURE

Section E – Budget and Policy Framework Procedure Rules

If the advice of either of these officers is that the decision would not be in line with the existing budget and/or policy framework, then the decision must be referred by that body or person to the Council for decision, unless the decision is a matter of urgency, in which case the provisions in paragraph 4 shall apply.

3.3 Council may either:

- (b) amend the budget framework or policy concerned to encompass the decision or proposal of the decision taker responsible for that Cabinet function and agree to the decision with immediate effect. In this case, no further action is required save that the decision of the Council be minuted and circulated to all Councillors in the normal way; or
- (c) where the Council accepts that the decision or proposal is contrary to the policy framework or contrary to, or not wholly in accordance with the budget, and does not amend the existing framework to accommodate it, require the decision taker to reconsider the matter in accordance with the advice of either the Monitoring Officer/ Chief Finance Officer and refer it back to the Cabinet. 4. Urgent Decisions

4.1 Where the Director is of the opinion that a relevant decision should be made urgently in order to prevent or reduce the risk of damage to persons or property or to the interests of the Authority, and that the urgency of the matter is such that it is not practicable to complete the Executive decision-making process set out above or to comply with the Access to Information Procedure Rules at Part 4 of the Constitution, the decision may be deemed “urgent”:

The Declaration, and the detail of the whipping arrangements, shall be recorded in the minutes of the meeting.

The expression "party whip" can be taken to mean: "Any instruction given by or on behalf of a political group to any Councillor who is a Member of that group as to how that Councillor shall speak or vote on any matter before the Council or any committee or sub-committee, or the application or threat to apply any sanction by the group in respect of that Councillor should he/she speak or vote in any particular manner."

Part Four, Section H

Call-In Procedure Rules

1. When a key decision is made by the Executive (that is, the Leader, Individual Cabinet Members or the Cabinet) or a committee of the Cabinet, the decision shall be published and shall be available for inspection at the Civic Centre and on the Council's website, normally within 2 working days of being made. The right to Call-In does not apply to a decision by way of an appeal hearing or a quasi-judicial procedure.
2. The notice of the key decision will be dated and will specify that the decision will come into force, and may then be implemented, on the expiry of 5 working days after the publication of the decision, unless a valid request has been received objecting to the decision and asking for it to be called-in. This does not apply to "urgent" decisions.
3. The Monitoring Officer will deem valid a request that fulfils all of the following 6 criteria:
 - (a) it is submitted by any five Members of the Council.
 - (b) it is received by the Democratic Services Manager by 10am on the fifth day following publication.
 - (c) it specifies the decision to which it objects.
 - (d) it specifies whether the decision is claimed to be outside the policy or budget framework.
 - (e) it gives reasons for the call-in and outlines an alternative course of action.
 - (f) it is not made in relation to a decision taken in accordance with the urgency procedures in paragraph 18 below.
4. The Democratic Services Manager will forward all timely and proper call-in requests, once deemed valid by the Monitoring Officer, to the Chair of the Overview and Scrutiny Committee and the Overview and Scrutiny Manager and will notify all Cabinet Members including the decision maker and the relevant Chief Officer.
5. A key decision will be implemented immediately after a call-in request is deemed invalid by the Monitoring Officer or after the expiry of ten working days following the receipt of a valid call-in request by the Chair of the Overview and Scrutiny Committee, unless a meeting of the

PART FOUR – RULES OF PROCEDURE
Section H– Call-In Procedure Rules

Overview and Scrutiny Committee takes place during the 10-day period.

6. If a call-in request is deemed valid, the Democratic Services Manager will forward the call-in request to the Monitoring Officer and/or Chief Financial Officer for a report to be prepared for the Overview and Scrutiny Committee advising whether the decision does fall inside or outside the policy or budget framework.
7. Unless a key decision is designated "urgent" pursuant to paragraph 18, when it shall be implemented immediately, no action shall be taken to implement the decision until 5 working days have elapsed after the date of the publication of the decision. In the event that a call-in request has been received, no action shall be taken until the Monitoring Officer has determined the validity of the request.
8. Subject to paragraph 5, when a request for call-in is deemed valid, all action to implement the key decision is suspended until the Overview and Scrutiny Committee has met to decide what action to take. The Committee must meet no later than 10 working days after the Chair has received a valid call-in request.
9. Discussion of any called-in decisions shall precede all other substantive items on the agenda of the Overview and Scrutiny Committee. Any reports of the Monitoring Officer and Chief Financial Officer shall be part of that agenda.
10. The Committee shall consider any report of the Monitoring Officer / Chief Finance Officer as to whether a called-in decision is inside or outside the policy / budget framework. The Overview and Scrutiny Committee shall have regard to that report and any advice but Members shall determine whether the decision is inside or outside the policy / budget framework. If the Overview and Scrutiny Committee determine that the decision was within the policy / budget framework, the Committee has three options:
 - (a) The Overview and Scrutiny Committee may decide not to take any further action, in which case the key decision is implemented immediately.
 - (b) The Overview and Scrutiny Committee may decide to refer the decision back to the decision maker, in which case the decision maker has 5 working days to reconsider the key decision before taking a final decision.
 - (c) The Overview and Scrutiny Committee may decide to refer the decision to Full Council.
11. When the Overview and Scrutiny Committee refers a decision to Council (when the decision is deemed to fall within the policy / budget

PART FOUR – RULES OF PROCEDURE
Section H– Call-In Procedure Rules

framework), any Council meeting must be held within 10 working days (with an extraordinary meeting being called if necessary) of the date of the Overview and Scrutiny Committee's referral.

12. When considering a called-in decision (when this decision is deemed to fall within the policy / budget framework) the Council has two options:
 - (a) The Council may decide not to take any further action, in which case the decision is implemented immediately.
 - (b) The Council may refer the decision back to the decision maker, in which case the decision maker has 5 working days to reconsider the decision before taking a final decision.
13. Once a final decision has been made there is no further right of call-in. This decision or any other key decision having the same effect may not be called-in again for a period of six months following the date at which the final decision was taken.
14. If the Overview and Scrutiny Committee determines that the decision is outside the policy / budget framework, the Committee shall refer the decision to the decision maker and with a request to reconsider it on the grounds that it is incompatible with the policy / budget framework. The decision maker shall have 5 working days in which to reconsider the decision.
15. The decision maker has two options:
 - (a) Amend the decision in line with the Overview and Scrutiny Committee's determination, in which case the decision is implemented immediately.
 - (b) Reaffirm the original decision, in which case the decision goes to a Council meeting which must convene within 10 working days of the reaffirmation of the original decision.
16. When considering a called-in decision where a decision maker fails to amend a decision in line with the Overview and Scrutiny Committee's determination, that it falls outside the policy / budget framework, the Council has two options:
 - (a) Amend the policy / budget framework to accommodate the called-in decision, in which case the decision is implemented immediately.
 - (b) Require the decision maker to reconsider the decision again and refer it to a meeting of the Cabinet to be held within 5 working days of the Council meeting. The Cabinet's decision is final.

17. Abuse of Call-in

PART FOUR – RULES OF PROCEDURE
Section H– Call-In Procedure Rules

- (a) Members are expected to ensure that call-in is not abused, or causes unreasonable delay to the functioning of the Cabinet.
- (b) The call-in procedure is to be reviewed annually (see paragraph 18 g), if such a review leads to the conclusion that the call-in procedure is being abused, the Constitution may be amended to include greater limitations.

18. Call-In and Urgency

- (a) The call-in procedure set out above shall not apply when the action being taken is urgent or time-critical in terms of (b) below.
- (b) A key decision will be urgent if any delay in implementation likely to be caused by the call-in procedure would seriously prejudice the Council's or the public's interests.
- (c) A key decision which has not been given the requisite publicity for a key decision or a private meeting and which the Chair of Overview and Scrutiny Committee has agreed is 'urgent and cannot reasonably be deferred' is not regarded as urgent for the purposes of call-in unless it fulfils the criteria of paragraph (b) above.
- (d) If a key decision is urgent and therefore not subject to call-in, this will be stated on the record.
- (e) In order for a key decision to be deemed urgent, the Chair of the Overview and Scrutiny Committee must agree that the decision is both reasonable in all circumstances and that it should be treated as a matter of urgency. In the absence or unavailability of the Chair the consent of the Mayor is required. In the absence of both, the consent of the Deputy Mayor shall be required.
- (f) Decisions taken as a matter of urgency must be reported to the next available meeting of the Council, together with the reasons for urgency.
- (g) The operation of the provisions relating to call-in and urgency shall be monitored annually and a report submitted to Council with proposals for review if necessary.

19. Call-In and the Forward Plan

- (a) The Overview and Scrutiny Committee should consider the Forward Plan as its chief source of information regarding forthcoming Cabinet decisions.

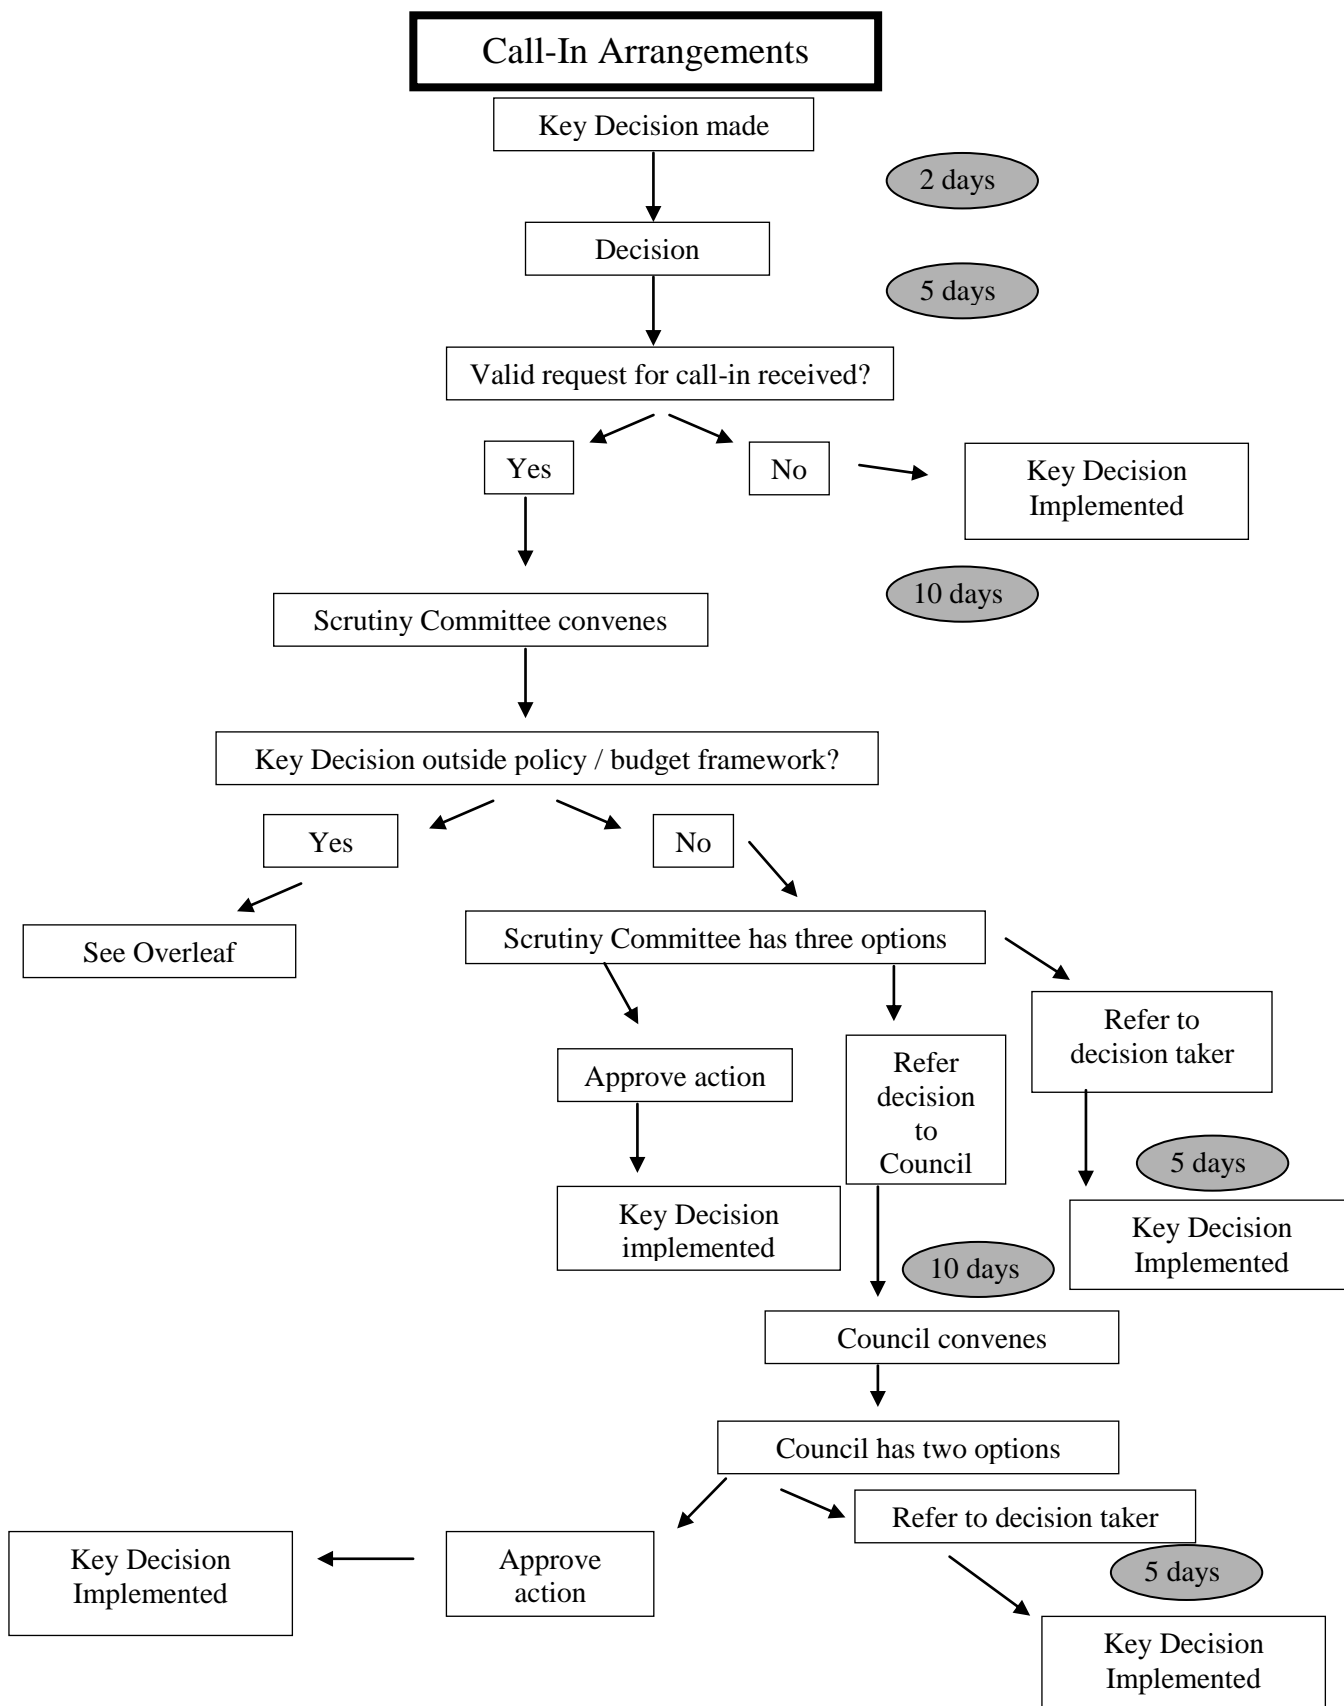

PART FOUR – RULES OF PROCEDURE
Section H– Call-In Procedure Rules

- (b) The Overview and Scrutiny Committee may select a forthcoming decision and examine the issues around it.
- (c) In order not to obstruct the Council in its business, the Overview and Scrutiny Committee may call-in a key decision in advance of its actually being taken. In such a situation all the time-limits apply as above, except that a key decision cannot actually be implemented any sooner than it would have been had the Overview and Scrutiny Committee not called it in.
- (d) Where the Overview and Scrutiny Committee has called-in a key decision from the Forward Plan before its due date, the decision cannot be called-in again after the final decision has been taken.

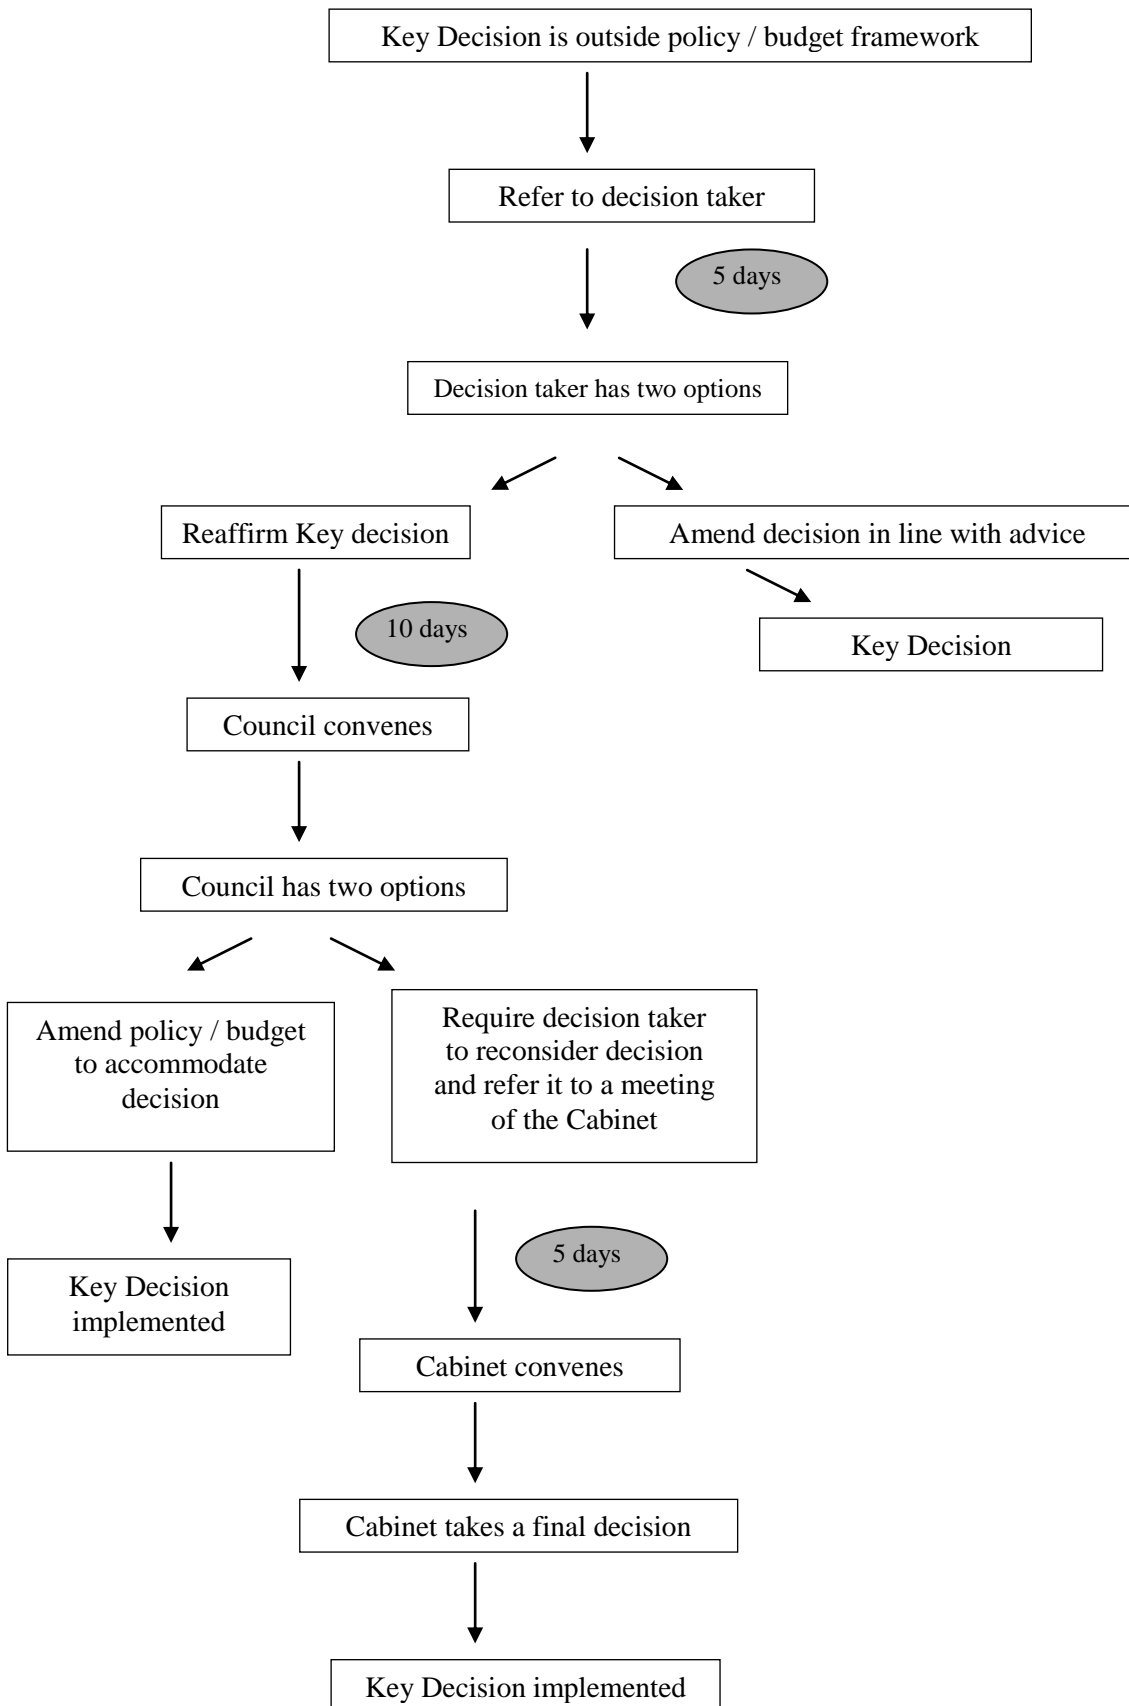

20. Monitoring Arrangements

The operation of the provisions relating to call-in and urgency shall be monitored by the Democratic Services Manager, and a report submitted to Council annually with proposals for review if necessary.

1.2. All Members and staff have a general responsibility for taking reasonable action to provide for the security of the assets under their control and for ensuring that the use of these resources is legal, is properly authorised, provides value for money and achieves best value.

1.3. The regulations identify the financial responsibilities of:

- the **full Council**;
- the **Cabinet**;
- the **Overview and Scrutiny Committee**;
- the **Head of the Paid Service (Chief Executive)**;
- the **Monitoring Officer**
- the **Section 151 Officer (Director of Finance also known as Chief Finance Officer) and Directors**;
- **Budget Holders** within service areas.

1.4. **The Section 151 Officer** is responsible for maintaining a continuous review of these Financial Regulations and submitting any additions or changes necessary to **full Council** for approval in accordance with article 15.03(a) of the Constitution.

1.5. **The Section 151 Officer** is responsible for issuing advice and guidance to underpin these Financial Regulations that **Councillors, Officers and others acting on behalf of the Council** are required to follow. This advice and guidance will generally be based on CIPFA Standards of Professional Practice, which are available on www.cipfa.org.uk.

1.6. **The Section 151 Officer** is also responsible for reporting, where appropriate, breaches of these Financial Regulations to the **Council** and/or to the **Cabinet Members**.

1.7. These Financial Regulations are supported, where appropriate, by detailed procedure notes, setting out how these Financial Regulations will be implemented.

PART 4 – RULES OF PROCEDURE Section I – Financial Regulations

- 1.8. **Directors** are responsible for ensuring that all staff in their service areas are aware of the existence and content of the Council's Financial Regulations and other internal regulatory documents and that they comply with them.
- 1.9. It is a disciplinary offence to breach these Financial Regulations. A breach of these regulations should be reported to the **Section 151 Officer** as soon as is practicable to do so.
- 1.10. All staff are required to conduct themselves to the highest standards. The involvement of staff in any form of bribery, corruption, fraud or deception will not be tolerated.

2. Recording delegations

- 2.1. **Directors** should maintain written records where financial decision making has been delegated to members of their staff, including seconded or temporary staff. Where decisions have been delegated or devolved to other responsible officers references to **Directors** in the regulations should be read as referring to them.

3. Financial Control Framework

- 3.1. The financial administration framework of the Council is organised in accordance with Section 151 of the Local Government Act 1972, requiring that every Local Authority in England and Wales should '**make arrangements for the proper administration of their financial affairs and shall secure that one of their Officers has responsibility for the administration of those affairs.**' The framework comprises:
 - **Constitution:** The principal rules governing the Council's affairs, including financial affairs, and the delegation of authority to **Councillors** and **Officers**;

 - The **Scheme of Financial Delegation** and specific delegations by **Directors** to officers in their service area;
 - **Contract Standing Orders**;
 - **Guide to Procurement**;
 - **Medium Term Financial Strategy (MTFS).**

4. Devolution of Financial Management and Accounting

- 4.1. The Council seeks to unite operational and financial responsibility to empower managers to give them the tools to deliver high quality services. Part of that empowerment is to give them control of the resources needed to deliver the service so that they can plan and use these resources to obtain the maximum benefit for the service.
- 4.2. The Council also needs to balance responsibilities with accountability and protection for Officers so that they know their authorisation levels and the limit to those authorities.

Part 2 – Financial Management

5. Financial Management (including virement rules)

Introduction

5.1. Financial management covers all financial accountabilities in relation to the running of the Council, including the policy framework and budget. The Full Council and the Cabinet

5.2. The **full Council** is responsible for adopting the Council's Constitution and Members' code of conduct and for approving the policy framework and budget within which the **Cabinet** operates. The **full Council** is also responsible for monitoring compliance with the agreed policy and related **Cabinet** decisions.

5.3. The **Leader** has powers to take any decision, including a key decision, which the **Cabinet** could have taken. This is set out in Part 3 Section C of the Council Constitution. When **Members** take decisions on reports, the reports must comply with the Protocol for Decision-making in Part 5 Section D and this must include the provision of the **Section 151 Officer's** comments on the financial implications.

5.4. The **Cabinet** is responsible for proposing the policy framework and budget to the **full Council** and for discharging Executive functions in accordance with the policy framework and budget.

- 0.8 No Member of the Council shall enter into any contract on the Council's behalf.
- 0.9 No Member of the Council shall be permitted to become security under any agreement between the Council and a contractor employed by it.

CONTRACT STANDING ORDERS

1. Introduction

- 1.01. Procurement decisions are among the most important decisions a manager will make because the money involved is public money and the Council is required to ensure that Best Value is obtained when procuring works, goods and services. Efficient use of resources to achieve Best Value is therefore an imperative. The Council's reputation is equally important and should be safeguarded from any imputation of dishonesty or corruption.
- 1.02. For these reasons it is a disciplinary offence to fail to comply with Contract Standing Orders and the Procurement Code of Practice when letting contracts and raising orders with suppliers. Employees have a duty to report breaches of Contract Standing Orders to an appropriate senior manager and the Head of Audit & Risk Management.
- 1.03. Unless otherwise provided within these Contract Standing Orders or the Procurement Code of Practice or with the express approval of the Head of Procurement, all procurement should be conducted via the Corporate Procurement Systems, regardless of value.
- 1.04. Reference should be made to the Procurement Code of Practice for more detailed procurement procedures.

PART 5, SECTION A
 PROTOCOL – COMPLAINTS AGAINST MEMBERS

Arrangements for dealing with allegations that a member or co-opted member of Haringey Council has failed to comply with the Members' Code of Conduct

1. Introduction

- 1.1 These arrangements set out how an allegation may be made that an elected member or a co-opted member of Haringey Council has failed to comply with the Members' Code of Conduct and how the Council will deal with such allegations.
- 1.2 Under Section 28 of the Localism Act 2011 the Council must have arrangements in place whereby allegations can be investigated and decisions upon them can be made. In addition the arrangements must provide for the Council to appoint at least one Independent Person whose views must be sought and taken into account by the Council before it makes a decision and who may be consulted by the Council at other stages in the process or by the member or co-opted member against whom an allegation has been made. These arrangements fulfil the Council's statutory obligations.
- 1.3 In these Arrangements a number of terms are used which have the following meanings:

Member	An elected Councillor
Co-opted Member	A person who is not an elected member of the Council but has been appointed to a committee or sub-committee of the Council.
Monitoring Officer	A officer of the Council designated under section 5 of the Local Government and Housing Act 1989 to undertake the statutory duties prescribed which include ensuring that the Council and its members and officers act lawfully at all times. Under Section 29 of the Localism Act 2011 the Monitoring Officer must establish and maintain a register of interests of members and co-opted members.
Investigating Officer	An appropriate person appointed by the Monitoring Officer to conduct an investigation into an allegation.
Independent Person	A person appointed by the Council pursuant to Section 28 of the

PART 5, SECTION A
 PROTOCOL – COMPLAINTS AGAINST MEMBERS

Localism Act 2011, whose views are sought and taken into account before decisions upon allegations against members are taken and who may be consulted by a member who is the subject of allegations or the Council, generally.

Standards Committee A committee of members responsible for promoting and maintaining high standards of member conduct within the Council.

Assessment Sub-Committee A Sub-Committee of Standards Committee established to decide whether allegations against members are worthy of being investigated.

Hearing Sub-Committee A Sub-Committee of Standards Committee established to conduct hearings into allegations against members and to determine such allegations following a hearing.

2. The Members’ Code of Conduct

2.1 The Council has adopted a Members’ Code of Conduct which is available for inspection on the Council’s website and on request from the Monitoring Officer.

3. The Independent Person

3.1 Pursuant to Section 28 of the Localism Act 2011, the Council shall appoint an Independent Person. Additional wording as follows A person may not be appointed (i) if they are currently a Member or co-opted Member or employee of the Council, or they are a relative or close friend of such a person and or, (ii) they have been a Member, co-opted Member or employee of the Council in the five years prior to appointment,

3.2 The Council appoints two Independent Persons. The persons appointed shall have responded to a public advertisement for the vacancies and submitted an application for the posts. The appointment of the successful applicants shall be approved by a majority of the members of the Council.

3.3 The views of an Independent Person shall be sought and taken into account by:

PART 5, SECTION A
PROTOCOL – COMPLAINTS AGAINST MEMBERS

- (i) the Monitoring Officer when deciding whether to undertake a formal investigation on an allegation.
- (ii) the Hearing Sub-Committee before it makes its decision on an allegation it has been asked to investigate.

3.4 The views of an Independent Person may be sought:

- (i) by the Standards Committee/Assessment Sub-Committee/Hearing Sub-Committee or by the Monitoring Officer/Investigating Officer in relation to an allegation in circumstances not within paragraph 3.2, above.
- (ii) by a member or co-opted member of the Council if that person's behaviour is the subject of an allegation.

4. Making an allegation

4.1 An allegation that a member or a co-opted member of Haringey Council has failed to comply with the Members' Code of Conduct should be made in writing, wherever possible, using the Complaint Form on the Council's website to:

Fiona Alderman
Monitoring Officer
Haringey Council
7th Floor
Alexandra House
10 Station Road
London
N22 7TR

Tel: 0208 489 3974

or email:

fiona.alderman@haringey.gov.uk

4.2 The Monitoring Officer plays a key role in promoting and maintaining ethical standards and standards investigations. The role is broad and is particularly varied. Paragraph 12 below sets out the procedure in place to address any conflicts of interest when undertaking a standards investigation, including the Deputy Monitoring Officer or a Monitoring Officer from another Council to oversee and undertake the investigation as set out in these arrangements.

4.3 It is important that a person making an allegation provides his/her name and a contact address or email address, so that the Council can acknowledge receipt of the allegation and keep the person informed of

PART 5, SECTION A
PROTOCOL – COMPLAINTS AGAINST MEMBERS

its progress. The person must indicate if he/she wants to keep his/her name and address confidential and the Monitoring Officer will consider any such requests.

- 4.4 The Council does not normally investigate anonymous allegations unless there is a clear public interest in doing so.
- 4.5 The Monitoring Officer will acknowledge receipt of an allegation within five clear working days of receiving it and will keep the person making the allegation informed of progress.
- 4.6 The Monitoring officer will inform the councillor against whom an allegation has been made and will give the details of the complaint and remedy sought to them. In exceptional circumstances the Monitoring Officer has the discretion not to inform the Councillor if, in his opinion, to do so would risk an investigation being frustrated or prejudiced in some other way.

5. Assessment of an allegation

- 5.1 The Monitoring Officer will review every allegation received and will consult an Independent Person before taking a decision as to whether or not it merits reference to the Assessment Sub-Committee of the Standards Committee.
- 5.2 If the Monitoring Officer requires additional information in order to reach a decision, he/she may revert to the person making the allegation for such information and may request information from the member against whom the complaint is directed. If the person making the allegation fails to provide the additional information requested the allegation may be dismissed by the Monitoring Officer pursuant to paragraph 5.3 (c), below.
- 5.3 The Monitoring Officer will use a number of criteria for assessing complaints, and will consult with an Independent Person and if necessary the appropriate party group whips and party leaders. The decision whether to investigate a complaint will be a proportionate response to the issues raised and likely outcomes. The Monitoring Officer may determine that an allegation does not merit any further action, where:
 - (a) The allegation does not demonstrate a breach of the Members' Code of Conduct; for example it relates to a member's private life to which the Code does not apply or it is about dissatisfaction with a Council decision or service, or
 - (b) It is about someone who is no longer a member or a co-opted member of the Council, or

PART 5, SECTION A
PROTOCOL – COMPLAINTS AGAINST MEMBERS

- (c) There is insufficient evidence upon which to investigate and/or the person making the allegation has failed to co-operate with the Monitoring Officer to specify the allegation sufficiently, or
 - (d) The same or a similar allegation has been investigated and determined, or
 - (e) It is an anonymous allegation which does not include sufficient documentary evidence to indicate a significant breach of the Member's Code of Conduct, or
 - (f) The Monitoring Officer facilitates an informal resolution without the need for a formal investigation. This may involve the member accepting that his/her conduct was unacceptable and offering an apology or other remedial action by the Council. If the Monitoring Officer considers an offer of informal resolution is reasonable but the person making the allegation is not willing to accept it, the allegation will be referred to the Standards Committee for determination, or
 - (g) the complaint is considered to be frivolous or vexatious, or
 - (h) The matters to which the allegation refers took place longer than three months before the date of receipt of the allegation and there are no exceptional circumstances which merit the investigation of matters outside that timescale, nor is it otherwise appropriate to investigate the allegation.
- 5.4 If the complaint is dealt with under 5.3 above, the Monitoring Officer will promptly notify the complainant and the member of the outcome, giving reasons for the decision. The Monitoring Officer will also provide an annual report to the Standards Committee on complaints dealt with under 5.3 above, to help provide a view to expanding the powers available to the Monitoring Officer as appropriate. Except as provided for in Paragraph 5.3 above, the Monitoring Officer shall refer all allegations to the Assessment Sub-Committee for consideration.
- 5.5 The Assessment Sub-Committee shall determine whether the allegation:
- (a) merits no further investigation and is dismissed, or
 - (b) merits further investigation.
- 5.6 The Assessment Sub-Committee will take into account the view of the Independent Person as provided to the Monitoring Officer under 5.1 and/or 5.3 above. It may determine that an allegation merits no further investigation for whatever reasons it thinks fit, but it may have regard to the criteria set out in Paragraph 5.3 above and to the following additional criteria:

PART 5, SECTION A
PROTOCOL – COMPLAINTS AGAINST MEMBERS

- (a) The allegation is not considered sufficiently serious to warrant investigation, or
 - (b) The allegation appears to be motivated by malice or is ‘tit-for-tat’, or
 - (c) The allegation appears to be politically motivated.
- 5.7 Where the Assessment Sub-Committee considers that an allegation merits further investigation, the Monitoring Officer shall undertake such investigation.
- 5.8 The decision as to whether or not an allegation should be investigated will normally be taken within thirty clear working days from receipt. The Monitoring Officer will inform the person making the allegation of that decision and if the allegation is to be investigated, an indication of the timescale for the investigation. The Monitoring Officer will keep the person informed if the initial timetable changes substantially,

6. The Investigation

- 6.1 The Monitoring Officer may conduct the investigation personally or may appoint an Investigating Officer, who may be another senior officer of the Council, an officer of another authority or an external investigator.
- 6.2 The Monitoring Officer/Investigating Officer will decide if he/she needs to meet or speak to the person making the allegation to understand the nature of the allegation and so that the person can explain his/her understanding of events and identify what documents he/she considers the Monitoring Officer/Investigating Officer needs to see and who he/she considers the Monitoring Officer/Investigating Officer needs to interview.
- 6.3 The Monitoring Officer/Investigating Officer will normally write to the member against whom the complaint is made and provide him/her with a copy of the complaint and ask the member to provide his/her explanation of events and to identify what documents he/she considers the Monitoring Officer/Investigating Officer needs to see and who he/she considers the Monitoring Officer/Investigating Officer needs to interview. Where it is appropriate to keep confidential the identity of the person making the allegation the Monitoring Officer/Investigating Officer will delete the person’s name and address from the papers given to the member. Where disclosure of details of the allegation to the member might prejudice the investigation, the Monitoring Officer/Investigating Officer may delay notifying the member until the investigation has progressed sufficiently.

PART 5, SECTION A
PROTOCOL – COMPLAINTS AGAINST MEMBERS

- 6.4 The Monitoring Officer/Investigating Officer has absolute discretion about which are the appropriate witnesses to interview and documents to consider but will follow best practice in conducting investigations. Having considered all relevant documentation identified and having interviewed all relevant witnesses, at the end of the investigation the Monitoring Officer/Investigating Officer will produce a draft report and may where appropriate send copies of that draft report, in confidence, to the person making the allegation and to the member concerned, to give them an opportunity to identify any matter in that report with which there is disagreement or which is considered to require more consideration.
- 6.5 Where an Investigating Officer has been appointed, having received and taken account of any comments which the person making the allegation and/or the member have made on the draft report, the Investigating Officer will send his/her final report (the Investigation Report) to the Monitoring Officer for the latter's consideration prior to onward transmission to the Hearing Sub-Committee where appropriate. If the Monitoring Officer is not satisfied that the investigation has been conducted properly, he/she may ask the Investigating Officer to reconsider the report or may appoint a new Investigating Officer.
- 6.6 Where the Monitoring Officer has undertaken the investigation personally, having received and taken account of any comments which the person making the allegation and/or the member have made on the draft report, and, where appropriate, having sought to achieve an informal resolution pursuant to paragraph 8.1 below, the Monitoring Officer shall submit the Investigation Report to the Hearing Sub-Committee and an Independent Person.
7. **Where the Monitoring Officer/Investigating Officer concludes that there is no evidence of a failure to comply with the Code of Conduct.**
- 7.1 In these circumstances the Monitoring Officer will refer the matter to the Standards Committee. When the Standards Committee receives an Investigation report which recommends that there is no evidence of failure to comply with the Members' Code of Conduct, the Committee may:
- (a) accept the recommendation resolve that no further action is required and dismiss the allegation, or
 - (b) remit the report to the Monitoring Officer for further consideration, or
 - (b) remit the complaint to the Hearing Sub-Committee to conduct a hearing for the consideration of the allegation and the Investigation Report and determine the allegation.

PART 5, SECTION A
PROTOCOL – COMPLAINTS AGAINST MEMBERS

- 7.2 Prior to making a determination under Paragraph 7.1 above, the Standards Committee shall seek and shall take into account the views of an Independent Person.
8. Where the Monitoring Officer/Investigating Officer concludes that there is evidence of failure to comply with the Code of Conduct.
- 8.1 Where an Investigation Report concludes that there is evidence of failure to comply with the Code of Conduct the Monitoring Officer may consider that the matter can reasonably be resolved without the need for a hearing. In such a case, he/she will consult an Independent Person and the person making the allegation and seek to agree what the person considers to be a fair resolution which also helps to ensure higher standards of conduct for the future. Such resolution may include the member accepting that his/her conduct was unacceptable and offering an apology, and/or other remedial action by the Council. If the member complies with the suggested resolution, the Monitoring Officer will report the matter to the Standards Committee which will note the outcome but take no further action.
- 8.2 If the Monitoring Officer considers that an informal resolution is not appropriate, or the member concerned is not prepared to undertake any proposed remedial action, such as giving an apology, then the Monitoring Officer will submit the Investigation Report to the Hearing Sub-Committee to conduct a hearing for the consideration of the allegation and the Investigation Report and to determine the allegation.

9. The Pre Hearing Process and Hearing

- 9.1 In advance of the Hearing the Monitoring Officer (and/or his nominees) will:
- (a) agree a date for the hearing with all the relevant parties;
 - (b) provide a timetable for the member to provide details about whether they wish to give evidence (and whether orally or in writing) at the hearing and any witnesses they intend to call, and additional papers they may wish to provide in time for inclusion in the committee papers;
 - (c) establish whether the member will be represented or accompanied at the hearing;
 - (d) establish whether the member wishes any part of the Investigation Report to be kept confidential or the Hearing itself to be held in private, and the reasons for this;
 - (e) provide information about the procedure to be used at the hearing;
 - (f) establish whether the member disagrees with any of the findings of fact in the Investigation Report;

PART 5, SECTION A
PROTOCOL – COMPLAINTS AGAINST MEMBERS

- (g) establish whether the Investigating Officer intends to call any witnesses.
- 9.2 Wherever possible hearings conducted by the Hearing Sub-Committee shall take place within three calendar months of the referral to the Hearing Sub-Committee.
- 9.3 At the hearing, the Monitoring Officer/Investigating Officer will present the Investigation Report, call such witnesses as he/she considers necessary and make representations to substantiate his/her conclusion that the member has failed to comply with the Code of Conduct. For this purpose, the Monitoring Officer/Investigating Officer may request the person making the allegation to attend and give evidence to the Standards Committee.
- 9.4 The member will then have an opportunity to give his/her evidence, to call witnesses and to make representations to the Standards Committee as to why he/she considers that he/she did not fail to comply with the Members' Code of Conduct.
- 9.5 If a member fails to attend the hearing, the Hearing Sub-Committee may decide to proceed in the member's absence and make a determination, or to adjourn the hearing to a later date
- 9.6 Full details of the process to be undertaken at the hearing are contained in the Hearing Procedure note comprising Appendix A to these arrangements.
- 9.7 The Hearing Sub-Committee, having sought and taken into account the views of an Independent Person may conclude:
 - (a) that the member did not fail to comply with the Members' Code of Conduct, and dismiss the complaint, or
 - (b) that the member did fail to comply with the Members' Code of Conduct.
- 9.8 In the event of a finding under Paragraph 9.7 (b) above, the Chair will inform the member of this finding and the Hearing Sub-Committee will then consider what action, if any, it should take as a result of the member's failure to comply with the Members' Code of Conduct. In doing this, the Hearing Sub-Committee will give the member an opportunity to make representations to the Sub-Committee as to whether any action should be taken and what form any action should take and will seek and take into account the views of an Independent Person. It will then decide what action, if any, to take in respect of the matter.

PART 5, SECTION A
PROTOCOL – COMPLAINTS AGAINST MEMBERS

10. Action which may be taken where a member has failed to comply with the Code of Conduct

10.1 Having determined that a member has failed to comply with the Members' Code of Conduct, the Hearing Sub-Committee may:

- (a) Publish its findings in respect of the member's conduct;
- (b) Report its findings to Council for information;
- (c) Issue the member with a formal censure or be reprimanded, a report of which may be submitted to Council

1. Introduction

- 1.1 The relationship between elected members and officers is fundamental to the successful working of the Council. This relationship is based on honesty, mutual respect and trust, and this protocol is intended to support that relationship by giving guidance on roles and relationships to build a common understanding and set of expectations. The protocol also sets out what should happen on the rare occasions when things go wrong. All Members and officers should abide by this protocol. Political group leaders in respect of members, and the Chief Executive and Monitoring Officer in respect of officers, are responsible for ensuring the protocol is upheld.
- 1.2 This protocol should be read and understood alongside relevant legislation and the respective Codes of Conduct.¹ If any questions arise from this protocol, advice should be sought from the Chief Executive or Monitoring Officer.
- 1.3 The Council operates a zero tolerance policy to bullying and harassment.

2. Role of Members and Officers

- 2.1 The respective roles of members and officers can be summarised as follows:
- Both members and officers are servants of the public and are indispensable to one another, but their responsibilities are distinct from one another. Members are democratically elected, operate politically, are accountable directly to the public and serve as long as their term of office lasts. Officers are politically impartial and are responsible to the Council as their employer. Their role is to give advice to members and the authority and carry out the work of the authority under the direction and control of the full Council, Cabinet and their committees. Officers are accountable to the Chief Executive as Head of Paid Service.

Members

- 2.2 Members have four main areas of responsibility:
- a) Determining the Council's policies and giving political leadership
 - b) Monitoring and reviewing the performance of the authority in implementing policy and delivering services
 - c) Representing the authority externally
 - d) Acting as advocates on behalf of their constituents.
- 2.3 It is not the responsibility of members to involve themselves in the day-to-day management of the Council or its services. They should not seek to give instructions outside their areas of responsibility or terms of reference of their respective Committee.

¹ This would include the Members' Code of Conduct, the Employee Code of Conduct, Social media policy etc.

PART FIVE – CODES AND PROTOCOLS
Section B – Protocol on Member/Officer Relations

- 2.4 All members, including members of the Opposition or of Scrutiny Committees or Panels, have the same rights and obligations as individual members in their relationships with officers and should be treated equally.

Members of the Cabinet, Chairs and Vice Chairs

- 2.5 Members of the Cabinet, Chairs and Vice Chairs have additional responsibilities, entailing different relationships and more regular contact with officers. They still must respect the impartiality of officers, and must not ask them to undertake work of a party political nature or that could prejudice their impartiality.

Officers

- 2.6 The role of officers is to give advice and information to members and to implement the policies determined by the Council, the Cabinet and their committees.
- 2.7 Certain officers have responsibilities in law over and above their obligations to the authority and members. These are known as statutory officers and include the Chief Executive/Head of Paid Service, Monitoring Officer and Chief Finance Officer (s151 officer). Members must respect these responsibilities and not obstruct or victimise officers in the discharge of them.

Communications

- 2.8 The Council's Communications team are able to support the Cabinet and Chairs of Committees – including Scrutiny Panels – when they act as spokespeople for the Council. There are specific statutory restrictions on the use of public resources for the Council's communications, which are followed by officers and must be respected by members.

Children's Services

- 2.9 It is recognised that the Director of Children's Services has a close working relationship with the statutory Lead Member for Children's Services (the Cabinet Member for Children and Families) and will regularly report to them in relation to the DCS role. The Director of Children's Services and the Cabinet Member for Children and Families must work together to provide a clear and unambiguous line of local accountability.

Arms-Length Organisations

- 2.10 When the Council establishes arms-length organisations to exercise its functions, for example Homes for Haringey, the employees of the organisation should be considered as officers for the purposes of this protocol.

3. Expectations

- 3.1 Members and officers can expect the following from each other:
- (a) A working partnership;
 - (b) An understanding of and support for respective roles, workloads and pressures;

PART FIVE – CODES AND PROTOCOLS
Section B – Protocol on Member/Officer Relations

- (c) Respect, dignity and courtesy;
- (d) Integrity, mutual support and appropriate confidentiality;

3.2 Members can expect from officers:

- (a) A commitment to the authority as a whole, and not to any political group;
- (b) Timely response to enquiries and complaints in accordance with agreed procedures;
- (c) Professional, accurate, honest and impartial advice, not influenced by political views or preference;
- (d) Regular, up-to-date information on matters that can reasonably be considered appropriate and relevant to their needs, having regard to any individual responsibilities that they have and positions that they hold;
- (e) Awareness of and sensitivity to the political environment;
- (f) Training and development [from officers] in order to carry out their roles effectively;
- (g) Not to have personal issues raised with them by officers outside of the Council's agreed policies and procedures;
- (h) That officers will at all times comply with the relevant Code of Conduct;
- (i) Support for the role of members as the local representatives of the authority.

3.3 Officers can expect from members:

- (a) Political leadership and direction;
- (b) Not to be subject to bullying or harassment. Members should have regard to the seniority and experience of officers in determining what are reasonable requests, having regard to the powerful relationship between members and officers, and the potential vulnerability of officers, particularly at junior levels;
- (c) That members will not use their position or relationship with officers to advance their personal interests or those of others or to influence decisions improperly;
- (d) That members will not publicly name officers or make detrimental remarks about officers during public meetings. Where members are chairing or otherwise in a position of authority on committees they will do their best to ensure that meetings are conducted in such a way that officers are not subjected to bullying or harassment by members of the public attending meetings;
- (e) That members will not draw officers into political or group discussions;
- (f) That members will at all times comply with the relevant Code of Conduct.

Limitations upon behaviour

3.4 The distinct roles of members and officers necessarily impose limitations upon behaviour. By way of illustration, and not as an exclusive list:

- (a) Close personal relationships between members and officers can confuse these separate roles and get in the way of the proper discharge of the authority's functions, not least in creating the perception by others that a particular member or officer may secure advantageous treatment. They should therefore be avoided;

PART FIVE – CODES AND PROTOCOLS
Section B – Protocol on Member/Officer Relations

- (b) The need to maintain the separation of roles means that there are limits to the matters on which they may seek the advice of officers, both in relation to personal matters and party political issues;
- (c) Relationships with particular individuals or party groups should not be such as to create public suspicion that an employee favours that member or group above others.

4. Provision of information

- 4.1 Members should be provided with adequate information about services or functions upon which they may be called upon to make or scrutinise decisions, or which affect their constituents. In the normal course of events, this information will be made routinely available by officers in the form of reports, departmental plans, updates etc. Members are encouraged to make use of existing sources of information wherever possible.

Members of the Cabinet, Chairs and Vice Chairs

- 4.2 Members of the Cabinet, Chairs and Vice Chairs have additional responsibilities, entailing different relationships and more regular contact with officers.
- 4.3 In order for them to discharge their responsibilities as Cabinet members, administration portfolio holders will be briefed by Directors² on service issues, proposals and policy development. Directors may from time to time nominate other officers to attend these meetings. Directors may also brief committee Chairs on matters relevant to the terms of reference of the committee. These informal meetings may be on a one off or regular basis, in accordance with the requirements of the member concerned.

Ward Councillors

- 4.4 Officers should keep members apprised of developments that are relevant to their role as a ward councillor. Ward councillors should be kept up to date with all major policy developments, public consultations and proposed changes to service delivery affecting their ward.

Major Incidents and Emergencies

- 4.5 A separate guidance document on *The Role of Elected Members in Major Incidents Affecting the London Borough of Haringey* is available to members and sets out arrangements and communications during a major incident.

Members' Enquiries

- 4.6 Any member may ask the relevant Director to provide him or her with such factual information, explanation and advice about the Department's functions as he or she may reasonably need in order to assist him/her in discharging his

² The term 'Director' has the meaning as set out at Part 3 Section E Section 1 of this Constitution and shall include the following officers: the Chief Executive, members of the Corporate Board, all Directors and Assistant Directors and the Chief Executive of Alexandra Palace & Park (as appropriate)

PART FIVE – CODES AND PROTOCOLS
Section B – Protocol on Member/Officer Relations

or her role as a member of the Council or acting for and on behalf of the Council as an appointed representative to another body. These requests will be met where the member has a legal right to the information. If that right arises under the Freedom of Information Act, the Member shall not be required to make a formal FOI request.

- 4.7 All such information should be provided in accordance with the Member Enquiry Process. Where there are established alternative procedures, the enquiry will be put through those procedures and not dealt with as a Member Enquiry.
- 4.8 Where a member requests a service on behalf of a constituent that will be dealt with as a 'service request' by the appropriate service team.
- 4.9 Any requests for information made by political group assistants on behalf of members of their group should be treated in exactly the same way as if those members had made the request themselves. The political group assistants, when making such requests should clearly indicate on which member's behalf they are acting.

Briefings to political groups

- 4.10 The Leader of the Council or the Leader of any other political group may request the Chief Executive or relevant Director to prepare a briefing or written report on any matter relating to the authority for consideration by the group. Such requests must be reasonable and should not seek confidential or personal information. In considering such a request, officers should be mindful of the need to support members by providing factual information. However if an officer deems the nature of the request to be unreasonable the request will be referred to the Chief Executive for determination, were necessary in consultation with the Leader(s) of the political group(s).
- 4.11 Officer reports to political groups will be limited to a statement of material facts and identification of options and the merits and demerits of such options for the authority. Reports will not deal with any political implications of the matter or any option and officers will not make any recommendation to a political group.
- 4.12 Any briefing offered to or requested by a party group will be offered to any other party groups. Where possible such briefings should be to all or a combination of party groups.

Officer attendance at political group meetings

- 4.13 The Leader of the Council or the Leader of any other political group may request the Chief Executive or relevant Director to attend a meeting of the group to advise on any matter relating to the authority.
- 4.14 Attendance at a meeting of a political group should be on the basis of equality of access, and members and officers should avoid officers being exposed to

PART FIVE – CODES AND PROTOCOLS
Section B – Protocol on Member/Officer Relations

political discussions when delivering a briefing. Officers may decline to attend or provide a representative where they are of the opinion that the particular issue is of such a political nature that it would be inappropriate to attend.

- 4.15 Any briefing offered to or requested by a party group will be offered to any other party groups. Where possible such briefings should be to all or a combination of party groups. No officer of the Council shall attend any political group meeting which includes non-Council members.
- 4.16 Officers' advice to political groups will be limited to a statement of material facts and identification of options and the merits and demerits of such options for the authority. Advice will not deal with any political implications of the matter or any option and officers will not make any recommendation to a political group.
- 4.17 Officers will request the confidentiality of any matter which they are privy to in the course of attending a political group meeting.

Members' Access to Reports and background papers

- 4.18 Access to Cabinet, Committee or Sub-Committee papers and other documents or information is governed by:-
- (i) Local Government Acts 1972-2000 (particularly Schedule 12A)
 - (ii) Relevant case law
 - (iii) Access to Information Procedure Rules (Part 4 Section D of the Constitution)
 - (iv) Freedom of Information legislation
- 4.19 The rights of members can be summarised as follows:
- (i) Councillors generally enjoy the same access rights as members of the public in respect of public papers;
 - (ii) Members of the appropriate Cabinet, Committee or Sub-Committees will have a good reason for access to all exempt information on the Cabinet, Committee, Sub-Committee agenda under the common law "Need to Know" principles;
 - (iii) Members of the Overview and Scrutiny Committee will have a prima facie "Need to Know" where they require access to exempt Cabinet agenda items as part of their scrutiny function provided the subject matter relates to an action or decision that the member is reviewing or scrutinising as part of the agreed scrutiny work programme;
 - (iv) All other Members who require access to confidential/exempt Cabinet/Committee/Sub-Committee documentation will need to request disclosure under the Freedom of Information Act 2000 or demonstrate a "Need to Know".
- 4.20 It is important to note that these rights only apply where members are clearly carrying out their role as elected representatives. Where any member has a disclosable pecuniary interest or a personal and prejudicial interest in a matter

PART FIVE – CODES AND PROTOCOLS
Section B – Protocol on Member/Officer Relations

the member will only be entitled to the same access as would be the case for a private individual, i.e. to inspect the reports, minutes and background papers relating to the public part of the Cabinet/Committee/Sub-Committee Agenda. In these circumstances, the member must make it clear that s/he is acting in his/her private capacity and not as a member of the Council.

- 4.21 More information can be found in the Access to Information Procedure Rules at Part 4 Section D of this Constitution.

Confidential/Exempt Information

- 4.22 Whilst members of the Council have the same rights as the public in seeking and obtaining public documents or information under Freedom of Information legislation, this is not the case in relation to exempt and confidential information.

- 4.23 Confidential information is information:
- (i) furnished to the Council by a Government Department on terms which forbid the disclosure of the information to the public, or
 - (ii) which may not be disclosed by or under any enactment or by a Court Order.

- 4.24 Exempt information is information to which the public may be excluded subject to certain qualifications. The categories of exempt information are set out in Schedule 12A to the Local Government Act 1972 and are reproduced in section 10 of the Access to Information Procedure Rules at Part 4 Section D of this Constitution. There may be some occasions when information may fall within one or more of the categories, but it is nevertheless in the public interest to disclose it under Freedom of Information legislation, without infringing personal rights or damaging the Council's position. If there is doubt in relation to individual items then they should be kept confidential until the Cabinet/Committee/Sub-Committee has taken a view as to whether they should be treated as exempt or not.

More information can be found in the Access to Information Procedure Rules at Part 4 Section D of this Constitution.

Use of Council Information – Confidentiality

- 4.25 Procedure Rules and specific local procedures (e.g. on contracts) require members and officers to maintain confidentiality in certain circumstances. Officers are bound by their contracts of employment and any breach of confidentiality will almost certainly lead to disciplinary action. Officers must distinguish between assisting an elected representative in the course of the member's Council business and dealing with the same person as a client or customer, e.g. a Housing Benefit claimant. In the latter case, officers will treat the member with the same degree of helpfulness, courtesy and confidentiality as would be afforded to any other member of the public in the same situation, and interpret the relevant rules and procedures as they would for any other client or customer.

PART FIVE – CODES AND PROTOCOLS
Section B – Protocol on Member/Officer Relations

- 4.26 Equally, any Council information provided to a member on the basis of a 'Need to Know' must only be used by the member for the purpose for which it was provided, i.e. in connection with the proper performance of the member's duties as an elected representative of the Council. Confidential or exempt information provided to members may be discussed in the private session of Committee meetings or in private meetings of appropriate members and officers. However, it should not be discussed with, or released to, any other persons. Any information that is provided should be clearly marked as confidential before it is released to members.
- 4.27 Members abusing this trust may find themselves the subject of a complaint to the Standards Committee that they have contravened paragraph 3.3 of the Members' Code of Conduct which states that except in certain specified circumstances a member must not disclose information given to him/her in confidence by anyone, or information acquired by the member which he/she believes, or ought reasonably to be aware, is of a confidential nature.
- 4.28 Information disclosed privately or private discussions held during exempt Committee sessions, informal briefings or group meetings should not be disclosed by members or officers to any person not already privy to that information.

5. When Things Go Wrong

- 5.1 Rarely, the relationship between members and officers will fall short of expectations. In such instances, it would always be preferable to deal with matters at an early stage and informally through conciliation through a senior manager or political group leadership or whips. This may not always be possible, in which case the following procedures should be followed.

Procedure for officers

- 5.2 If conciliation via a senior manager is not possible, officers can have recourse to the Chief Executive, as appropriate to the circumstances. Officers also have recourse to the Council's Whistleblowing Procedure or can refer the matter under the arrangements for complaints under the Members' Code of Conduct, set out at Part 5 Section A of the Constitution.

Procedure for Members

- 5.3 In the event that a member is dissatisfied with the conduct, behaviour or performance of an officer, the matter should be raised with the appropriate Director. Where the officer concerned is a Director the matter should be raised with the Chief Executive. Where the employee concerned is the Chief Executive the matter should be raised with the Monitoring Officer. If a Member is unsure how to proceed, or would wish to discuss the conduct of another Member toward officers, they should discuss this with their group whip.

Part Five, Section C

Protocol for Key Decisions

1. The Council has adopted the statutory definition of key decisions as set out in Regulations. This is: an Executive decision which is likely:-
 - (a) to result in the local authority incurring expenditure which is, or the making of savings which are, significant having regard to the local authority's budget for the service or function to which the decision relates; or
 - (b) to be significant in terms of its effects on communities living or working in an area comprising two or more wards or electoral divisions in the area of the local authority.
2. The Council has not set thresholds of savings and expenditure for different services and budget heads where decisions on expenditure or savings above these limits would be key.
3. The reasons for defining a matter as a key decision is so that it will be included in the Forward Plan and that papers relating to that decision will be publicly available, in accordance with the Access to Information Procedure Rules at Part 4 of the Constitution. The meeting of the Executive at which that decision will be taken will also be public, subject to the Access to Information Procedure Rules.
4. In terms of the first part of the definition set out above, the following shall be key decisions:

 - (c) Virements between service area capital budgets.
5. In terms of the second part of the definition set out above, Directors are required to consider in respect of each decision whether it is likely to affect more than one ward. If it does, Directors are required to consider whether the impact on those wards is significant. The following factors should be taken into account:
 - (a) Extent of the impact (i.e. how many wards will be affected)
 - (b) Likely views of those affected (i.e. is the decision likely to result in substantial public interest)

PART FIVE – CODES AND PROTOCOLS

Section C– Protocol for Key Decisions

- (c) Where the decision may incur a significant social, economic or environmental risk
- 6. Where there is any doubt, Directors should refer the decision to the proper officer for the Leader to decide whether or not it is key.
- 7. Officers are prohibited from taking key decisions. Key decisions may only be taken in accordance with Part 4 Section F of this Constitution.

1.7. Urgent Decisions

- (a) In order for an executive decision to be deemed urgent, the “General Exception” or “Special Urgency” procedures set out in the Access to Information Procedure Rules must be followed.

PART FIVE – CODES AND PROTOCOLS
Section D–Protocol for Decision-Making

from the Council's Statutory Officers. In addition, the Monitoring Officer will provide advice on the decision making process to be followed as set out above and in accordance Part 4 Section D of the Council's Constitution.

Planning Protocol 2017

1. PURPOSE OF THE PROTOCOL

- 1.01. This Protocol has been adopted by Haringey Council to ensure the highest standards of probity in the performance of its planning function.
- 1.02. Consistency, fairness and openness are important qualities for any regulatory function in the public eye and they are vital to the conduct of a planning committee. Adherence to the Protocol is intended to build public confidence in the Council's planning system.
- 1.03. The purpose of the Protocol is:
 - (a) to state how the Members of the Planning Sub-Committee will exercise those functions, including behaviour in relation to applicants, residents and other third parties;
 - (b) to ensure a consistent and proper approach by all Members to the exercise of planning functions;
 - (c) to ensure applicants and their agents, residents and other third parties are dealt with by Members consistently, openly and fairly;
 - (d) to ensure the probity of planning transactions and the high standards expected in public office; and
 - (e) to ensure planning decisions are made openly, fairly and in the public interest, in accordance with legislation and guidance.
- 1.04. This Protocol relating to planning matters is intended to be supplementary to The Members' Code of Conduct (Part Five Section A of the Council's Constitution). The Localism Act 2011 sets out a duty for each local authority to promote and maintain high standards of conduct by councillors and to adopt a local code of conduct. The Council adopted a Code of Corporate Governance in July 2008 which was updated in July 2013 and contains 6 key principles based on the Nolan Committee on Standards in Public Life. The provisions of the Code of Conduct continue to have full force and effect. The purpose of this Protocol is to provide more detailed guidance on the application of the guidance in relation to planning matters.
- 1.05. Copies of this Protocol will be made publicly available online and will be kept under review.

2. BACKGROUND TO THE COUNCIL'S PLANNING FUNCTIONS

Determination of Applications

- 2.01. The planning process is governed by legislation, both primary and secondary, and in particular the Town and Country Planning Act 1990 (as amended) (“the 1990 Act”), the Planning and Compulsory Purchase Act 2004 (as amended) (“the 2004 Act”), the Planning Act 2008 and the Localism Act 2011. The National Planning Policy Framework (“NPPF”) together with Government guidance set out in the National Planning Practice Guidance provides a policy context for the preparation of statutory plans and the discharge of a Local Planning Authority’s functions. In addition, the Courts have also provided a large body of “case law” in respect of planning matters.
- 2.02. Planning law requires the Local Planning Authority (“LPA”) to determine all planning applications "in accordance with the development plan unless material planning considerations indicate otherwise" (Section 38(6) 2004 Act). The development plan in Haringey comprises the London Plan together with the Council’s local plan and when adopted further local plan documents (e.g. area action plans) and if applicable neighbourhood development plans (together “the Development Plan”). In cases of development involving works within a conservation area, or where the development is likely to affect the setting of a listed building, Section 66 of the Planning (Listed Buildings and Conservation Areas) Act 1990 contains a duty on the Council to the desirability of preserving the listed building or its setting and Section 72 of that Act requires LPAs to pay special attention to the desirability of preserving or enhancing the character or appearance of a conservation area. In accordance with paragraph 197 of the NPPF, in assessing and determining development proposals, LPAs should apply the presumption in favour of sustainable development.
- 2.03. The responsibilities of the LPA must be performed without undue influence or consideration of a personal interest. When determining planning applications Members must only take into account the Development Plan and any material planning considerations. The Members of the authority are elected to represent the interests of the whole community in planning matters. Views relating to material planning considerations expressed by neighbouring occupiers, local residents and any other third parties must be taken into account but local opposition or support for a proposal is not in itself a ground for refusing or granting planning permission.
- 2.04. The planning system does not exist to protect the private interests of one person against the activities of another. The basic question is not whether owners and occupiers of neighbouring properties would experience financial or other impacts as a result of a particular

PART FIVE – CODES AND PROTOCOLS
Section E – Planning Protocol

development, but whether the proposal would unacceptably affect amenities and the existing use of land and buildings which ought to be protected in the public interest.

Enforcement

- 2.05. The purpose of the planning enforcement provisions is to protect the integrity of the planning system and the development control process. Whether to take enforcement action in any particular case and what action to take in the circumstances are matters for the authority's discretion. The existence of a breach of planning control is not in itself grounds for the institution of enforcement action. Paragraph 207 of the NPPF provides that "Effective enforcement is important as a means of maintaining public confidence in the planning system. Enforcement action is discretionary, and LPAs should act proportionately in responding to suspected breaches of planning control. LPAs should consider publishing a local enforcement plan to manage enforcement proactively, in a way that is appropriate to their area. This should set out how they will monitor the implementation of planning permissions, investigate alleged cases of unauthorised development and take action where it is appropriate to do so".
- 2.06. Haringey Council has published a guide to planning enforcement (July 2012) which sets out the Council's approach to the enforcement of breaches of planning control. This will be regularly reviewed and used to guide decisions in respect of planning enforcement by officers and, where required, Members.

Appeals to the Secretary of State

- 2.07. An applicant who has not received a determination within the requisite period of time; has been refused planning permission or other approval; or who is unhappy with conditions attached to a permission granted, and those responsible for developments the subject of enforcement action, have a right of appeal to the Secretary of State for Communities and Local Government ("the Secretary of State"). If it is shown that the Council's conduct in dealing with the matter was unreasonable, the appellant's costs may be awarded against the Council. The most frequent example of unreasonable behaviour is a failure to substantiate an authority's decision on the relevant planning grounds in the particular case.

Other Powers of the Secretary of State

- 2.08. The Secretary of State possesses a range of powers which could be exercised where a LPA appears to be making inconsistent decisions or decisions which are seriously in conflict with national and Development Plan policies. This could involve use of the power to "call in" applications, so the application would be determined by the Secretary of State following a public inquiry. A permission granted by the Council

PART FIVE – CODES AND PROTOCOLS
Section E – Planning Protocol

can in special circumstances be revoked, modified or discontinued. Such decisions may be subject to compensation payable by the Council.

- 2.09. In addition, there is the power in Section 62A 1990 Act (inserted by Section 1 of the Growth and Infrastructure Act 2013) which allows certain applications to be made directly to the Secretary of State, where the LPA for the area has been designated for this purpose. Designation can occur in circumstances where the LPA's performance in terms of its decision making falls short of pre-determined criteria for the timeliness or quality of decisions in respect of major applications. These criteria will be kept under review by the Secretary of State and any changes thereto will be laid before Parliament.

Powers of the Mayor of London

- 2.10. The Mayor of London possesses a range of planning powers with regards to developments taking place in London. For strategic developments¹, the Mayor has the power to allow the LPA to determine the application itself, direct refusal of the planning application or to take over the application for determination. The London Plan sets out the Mayor's policies and guidance for development taking place within London, in particular major developments or those with London wide significance. The Mayor can in certain circumstances prevent developments going ahead that are inconsistent with the London Plan.

Administration of Planning Functions in Haringey

- 2.11. The performance of the Council's planning function is largely delegated to the Planning Sub-Committee, and to officers of the Council pursuant to arrangements made under Section 101 of the Local Government Act 1972. Approximately 9 out of 10 planning decisions in Haringey are made by officers, through authority delegated to them by the Council. This level of delegated decision making is consistent with other Councils across the Country and allows the majority of planning decisions to be determined promptly, allowing Members of the committee to focus on the most significant and controversial proposals.
- 2.12. Many decisions are made under delegated powers by the Assistant Director, Planning or Head of Development Management in accordance with a scheme of delegation. (See the Terms of Reference of the Planning Sub-Committee in the Constitution).

¹ The Town and Country Planning (Mayor of London) Order 2008 sets out the range of applications on which the Mayor should be consulted. These include development of more than 150 dwellings, development of more than 15,000 square metres and buildings over 30 metres high

PART FIVE – CODES AND PROTOCOLS
Section E – Planning Protocol

Planning Applications by Councillors or Officers of the Council

- 2.13. When a planning application is submitted by a serving councillor; or more senior officers (tier 3 or above); or officers within the planning directorate; or by a close relative or a close friend of either an officer or Councillor; or by a councillor acting as agent for the applicant, the councillor or officer concerned will:
- take no part in the processing and determination of the application; and
 - advise the Monitoring Officer and the Assistant Director, Planning/Head of Development Management of the application.
- 2.14. All such applications will be reported to the Planning Sub-Committee and determined by the Sub-Committee and not by an officer under delegated powers.
- 2.15. The report of the Assistant Director, Planning/Head of Development Management will include confirmation from the Monitoring Officer that these requirements have been met.

Planning Applications by the Council

- 2.16. Subject to the provisions of the Town and Country Planning General Regulations 1992 planning applications made by or on behalf of the Council will be treated in the same way as those made by or on behalf of private applicants.

Delegation to Officers

- 2.17. All Planning applications can be decided under delegated powers save for those reserved in the Constitution for determination by Planning Sub-committee.
- 2.18. Where officers are determining applications under their delegated powers, an officer report will be completed which must record the material planning considerations that have been taken into account in the decision making process.
- 2.19. The Planning Sub-Committee will receive, for its information, a regular report identifying the planning applications which have been determined by officers under the scheme of delegation, and the decisions thereon.

Referring applications to the Planning Sub-Committee

- 2.20. All members of the Council receive copies of the weekly list detailing the applications that have been received.

PART FIVE – CODES AND PROTOCOLS
Section E – Planning Protocol

2.21. If a Member wishes an application to go before the Planning Sub-Committee rather than be determined through officer delegation, he/she should make this request as soon as possible (and within the 21 day neighbour notification period) and ensure that any such request states the planning grounds on which it is based. The Assistant Director, Planning/Head of Development Management in consultation with the Chair of the Sub-Committee will consider such requests and whether the application should be referred to the Sub-Committee. The criteria to be used for determining such requests will include:

- whether the proposal is a significant development which has caused substantial local interest;
- where the officer recommendation is for approval contrary to policy in the Development Plan or other adopted guidance; and
- whether the application is recommended for approval. Applications that are to be refused will not normally be determined at planning committee.

2.22. The Assistant Director, Planning is responsible and accountable to the Council for the Planning and Development Service which deals with the administration of all planning matters. The Head of Development Management is responsible and accountable to the Assistant Director, Planning for the immediate management of the Council's development management function.

3. APPLICATION OF THE PROTOCOL

3.01. The Protocol applies to the conduct of Members in relation to all applications for permission/approval under planning legislation. The Protocol also applies to decisions to take or not to take planning enforcement action. The principles (below) would also apply where consideration was to be given to the inclusion or otherwise of specific proposals within the statutory local plan even when the Sub-Committee was being consulted informally rather than making the final decision.

3.02. The Protocol also applies to any other item before the Sub-Committee. This can include the lists of major applications and delegated decisions. For these, as with all items, Members should ensure that all comments they make are appropriate for the Sub-Committee forum, and relate to a Council wide issue or concern that is not better dealt with by raising directly with officers outside of Sub-Committee.

3.03. In the following sections references to determination of planning applications should be taken as referring also to all these other matters.

PART FIVE – CODES AND PROTOCOLS
Section E – Planning Protocol

4. THE MEMBERS' CODE OF CONDUCT

4.01. The Members' Code of Conduct ("the Code of Conduct") applies to Members of the Planning Sub-Committee as to all Members of the Council. The parts of the Code of Conduct on personal and prejudicial interests, the register of those interests and receipt of gifts and hospitality are particularly relevant. Members of the Sub-Committee should also have regard to the general principles of conduct when exercising their planning functions.

5. CONDUCT OF MEMBERS OF PLANNING SUB-COMMITTEE

Training

5.01. The Council will ensure that all Members of the Planning Sub-Committee have undertaken appropriate training on planning legislation and relevant matters prior to their participation in the work of the Sub-Committee. The Council will make available regular updates/training for Planning Members, and will encourage all other Members of the Council to take part in planning training.

5.02. For Planning Sub-Committee Members and substitute Members of the Planning Sub-Committee there is a requirement to undertake training prior to sitting on the Committee. Ongoing training is required and each Member should undertake at least 5 hours of training per annum.

General Principles

5.03. This section of the protocol applies solely to Members of the Council's Planning Sub-Committee when determining planning applications or considering the inclusion of local plan proposals or resolving to take planning enforcement action. It is intended to ensure that the integrity of the decision making process is not impaired, either in reality or in perception, through a lack of openness in decision-making, or through the lobbying of those Members who will make decisions.

5.04. This part of the protocol is also designed to ensure that, wherever possible, representations made to Members form part of the public information leading to any decision.

5.05. The conduct of Members of the Council who are not Members of the Planning Sub-Committee is governed by the next section of the protocol, where greater flexibility is permitted, and where those Members are given greater freedom to discharge their role as representatives of the local community within a clear framework.

5.06. The Council (which unless otherwise stated means acting as LPA) has a responsibility to make decisions with knowledge of the relevant

PART FIVE – CODES AND PROTOCOLS
Section E – Planning Protocol

Development Plan policies, taking into account all other material considerations and any representations, applying the appropriate weight to each. In addition, it is important that elected Members receive open and impartial professional advice from their Planning Officers. Members should make planning decisions by reference to a written officers' report.

- 5.07. This can only be done at the Sub-Committee. Conclusions reached in advance of the Sub-Committee risk being on partial facts, without the relevant advice, and without the ability to view all the material considerations before applying appropriate weight. They are therefore open to misunderstanding, and possibly, to legal challenge on the grounds that the right things have not been taken into account, or immaterial things have been taken into account, or that the Members concerned have been subject to “bias” or “pre-determination”.
- 5.08. For these reasons Members should not reach or express any firm conclusion on an application prior to the relevant Sub-Committee meeting. If, for any reason a Member decides, in advance of the Sub-Committee meeting, to express a firm and final view on the development, he or she shall not take part in the deliberations of the Sub-Committee but may exercise the rights below.
- 5.09. Where any Member makes representations to the ‘Planning Service’, in writing or orally, in relation to any application, those representations will be recorded for inclusion in the officers’ report. Where these representations constitute a firm and final view on the development, the Member will not take part in the deliberations of the Sub-Committee but may exercise the rights below.

Open and fair decisions

- 5.10 At the London Borough of Haringey decisions on controversial planning applications are taken in public by the Planning Sub-Committee.

For a decision to be open and fair:

- Those taking the decision should not be biased or have pre-determined how they will decide;
- Those taking the decision should not have a disclosable pecuniary interest or prejudicial interest (see below for further information about these) in the outcome;
- The decision should be consistent with others taken previously unless there are good reasons to decide otherwise; and
- The reasons for the decisions should be clearly set out.

Bias or predetermination

PART FIVE – CODES AND PROTOCOLS
Section E – Planning Protocol

- 5.11 It is entirely permissible for Planning Sub-Committee Members, who are democratically accountable decision makers, to be predisposed towards a particular outcome. Nonetheless they must address the planning issues before them fairly and on their merits. That means they can have a view on the application or matter but must not make up their minds on how to vote before formally considering the application and any representations. Planning Sub-Committee Members must have an open mind to the merits of a proposal before it is formally considered at the Sub-Committee meeting and they must be prepared to be persuaded by a different view in the light of any detailed arguments or representations concerning the particular matter under consideration.
- 5.12. If the Sub-Committee’s decision on a planning application is challenged in the High Court by way of judicial review on the grounds that some of the Sub-Committee Members were biased, or had predetermined the application, the court will assess the case on the basis of what a fair-minded observer, knowing the relevant facts would think.
- 5.13. Section 25 of the Localism Act 2011 provides that a decision maker is not to be taken to have had, or appeared to have had, a closed mind when making the decision just because:
- the decision maker had previously done anything that directly or indirectly indicated what view the decision maker took, or would or might take, in relation to a matter; and
 - the matter was relevant to the decision.
- 5.14. This provision does not change the law on bias and pre-determination which means that Sub-Committee Members must still take planning decisions with an open mind and having taken into account all relevant material planning considerations. What s.25 does provide is that statements made by Members cannot be used in court as evidence that the Member in question had or appeared to have a closed mind. Other evidence or any evidence that a Member has taken into account irrelevant considerations, however, is not so restricted by s.25.
- 5.15. Notwithstanding the s.25 provisions, the safest course is for Sub-Committee Members to avoid making public statements (including expressing views in emails) as to their support for or opposition to any application which would indicate they had made up their minds before the formal consideration of the application at the meeting. If a Sub-Committee Member has made such a statement they must be satisfied that they can still consider the application with an open mind and are prepared to take into account any new matters or any new arguments in favour of or against the proposed development until the decision is made otherwise they should not take part in any decision on the application in question. In which case it is to be treated the same as any other prejudicial interest, as will cases of perceived bias, and the Member shall declare this interest and leave the room for the item in question as set out below.

Declaring an interest

5.16. It is important that Sub-Committee Members should not be influenced or perceived to be influenced by any interests that they, their family or close associates may have in a particular application. To this end at the start of every Sub-Committee meeting Sub-Committee Members will be asked to declare any interests they may have in relation to the matters before them. As outlined in the Code of Conduct, “disclosable pecuniary interests” are prescribed by law and are entered in the register of interests maintained by the Council’s Monitoring Officer. The Code of Conduct also provides for the disclosure of other interests at meetings in certain circumstances. It is not sufficient for a Member to only state they have ‘an interest’. When declaring an interest, the Member must describe what the interest in question actually entails.

Disclosable pecuniary interests

5.17. ‘Disclosable pecuniary interests’ are prescribed by the Relevant Authorities (Disclosable Pecuniary Interests) Regulations 2012 and are set out in Appendix A to the Code of Conduct. The categories of disclosable pecuniary interests include employment or office, interests in land in the Borough and contracts with the Council.

5.18. An interest is a ‘disclosable pecuniary interest’ if it is of a type described above and it is an interest of the Member or of their spouse or civil partner, a person with whom they are living as husband and wife or a person with whom they are living as if they were civil partners and the Member is aware of the interest. Members should note the criminal sanctions for failure to comply with these requirements (as outlined in Appendix B of the Code of Conduct).

Other interests

5.19. A Sub-Committee Member may have other interests such as ‘Personal’ or ‘Prejudicial’ interests which, whilst not falling within the legal definition of disclosable pecuniary interests should, it is strongly advised, be declared in the public interest. For example, such an interest may arise where the Sub-Committee Member resides near a development which is the subject of the planning application under consideration. While it is for the Sub-Committee Member to judge, a useful rule of thumb is “will my enjoyment of my property be affected either positively or negatively by this application?”. If the answer is in the affirmative, it would be advisable for the Sub-Committee Member to declare such an interest.

5.20. A prejudicial interest would also arise, for example, if the affected property were to be owned by a company of which the Sub-Committee Member is a director.

PART FIVE – CODES AND PROTOCOLS
Section E – Planning Protocol

- 5.21. Advice is given below regarding what Sub-Committee Members and non-Sub-Committee Members should do if they have a disclosable pecuniary interest or other interest in an application due to be considered at a Sub-Committee meeting.
- 5.22. It is important to note that the rules relating to declarations of interest apply equally to non-Sub-Committee Members who may from time to time wish to attend a Sub-Committee meeting and speak on a particular matter. Each Member who attends a meeting must make an assessment of whether they have an interest in the matters under discussion, whether they intend to participate in proceedings or not.

Consistency

- 5.23. Decisions will not be seen as fair if they are different from those taken on previous similar cases without good reason. The Sub-Committee report will set out the relevant considerations and will draw attention to decisions on any other similar cases where appropriate.

Reasons

- 5.24. Fair and open decision making requires the reasons for the decision to be clear. This is particularly important when the Sub-Committee's decision differs from that recommended in the report.
- 5.25. Members will want to actively and positively engage with planning decisions. All Members can:
- advise objectors/applicants/others on planning processes and how to get involved;
 - give advice about adopted planning policies and local priorities
 - direct lobbyists, applicants or objectors to the relevant planning officer so that their opinions can be included in the officer's report;
 - lead on local discussions in the preparation of the development plan documents, area action plans and supplementary planning documents;
 - provide input into the preparation of planning briefs and guidance;
 - receive and pass on information, for example weekly lists and briefings from officers on key proposals;
 - attend Development Management Forum meetings, ask questions there; and
 - raise issues important to local people and to the developers.
- 5.26. To ensure that Members and the Council are not open to challenge Members should:
- preface relevant discussions with a disclaimer; the nature of this will depend on their role within the authority in the context of planning;

PART FIVE – CODES AND PROTOCOLS
Section E – Planning Protocol

- clearly indicate that any discussions with them are not binding on the Council;
- be clear about the distinction between giving advice and engaging in negotiation so only engaging in the former;
- involve officers where this will help to safeguard transparency and the appearance of bias;
- be aware of relevant policies included in the Council’s adopted plans but give consideration to other matters relevant to planning; and
- seek the advice of the Monitoring Officer when they are unsure of what they are able to do and in relation to any potential “interest”.

5.27. Members should not:

- expect to lobby and actively support or resist an application/decision and subsequently vote at committee or Cabinet; or
- seek to put undue pressure on officers or Members of a deciding committee to support a particular course of action in relation to a planning application or other planning decision.

This does not mean that a Councillor may not question robustly or argue forcefully for a particular course of action.

Pre-Committee procedures

Developer’s briefings to Planning Sub-Committee

5.28. Enabling a Developer to brief and seek the views of elected Members about planning proposals at an early stage (usually pre-application or where this is not possible, very early in the formal application period) is important in ensuring that new development is responsive to and reflects local interests/concerns where possible. Early member engagement in the planning process is encouraged and supported by the NPPF. Haringey proposes to achieve this objective through formal briefings of the Planning Sub-Committee in accordance with procedures set out in this Protocol. No decision will be taken at such meetings and the final applications will be the subject of a report to a future meeting of the Sub-Committee. These meetings are held in public and are webcast although there are no public speaking rights.

5.29. The purpose of briefings are:

- To enable Members to provide feedback that supports the development of high quality development through the pre-application process, and avoid potential delays at later stages;
- To ensure Members are aware of significant applications prior to them being formally considered by the Planning Sub-Committee;
- To make subsequent Planning Sub-Committee consideration more informed and effective;

PART FIVE – CODES AND PROTOCOLS
Section E – Planning Protocol

- To ensure issues are identified early in the application process, and improve the quality of applications; and
- To ensure Members are aware when applications raise issues of corporate or strategic importance.

5.30. What sort of presentations would be covered in the briefings?

- Presentations on proposed large-scale developments of more than 50 dwellings, or 5,000 sq m of commercial or other floorspace or which includes significant social, community, health or education facilities, or where the Assistant Director, Planning/Head of Development Management considers early discussion of the issues would be useful; and
- Presentations on other significant applications, such as those critical to the Council's regeneration programmes, significant Council developments, or those requested by the Chair of the Sub-Committee.

5.31. Frequency and timings of meetings

Once a month or by agreement with the Chair and Assistant Director, Planning/Head of Development for all Members of the Planning Sub-Committee plus Cabinet Members and Ward Members – supported by Assistant Director, Planning/Head of Development Management and other relevant officers.

5.32. Format of the meetings

- The meeting will be chaired by the Chair of the Planning Sub-Committee who will ask Members attending to disclose any relevant interests; and
- The Developer will supply all presentation materials including any models, and these will be displayed in the meeting room;
- Officers to introduce the proposal and advise of issues arising from the Development Management Forum (where this has taken place):
 - The Developer and agents will be invited to make a presentation of up to 15 minutes;
 - Ward Members will have the opportunity to give their views for a maximum of three minutes each.
 - The Cabinet Members will have the opportunity to give their views for three minutes.
 - Members of the Planning Sub-Committee will be able to ask questions to the Developer and officers. These questions will be restricted to points of fact or clarification and must be structured in a way that would not lead to a member being perceived as taking a fixed position on the proposals;
 - Comments of Members of the Planning Sub-Committee; and
 - Summary of the comments raised.

PART FIVE – CODES AND PROTOCOLS
Section E – Planning Protocol

5.33. A short note of the meeting summarising Members' comments would be made.

Other matters

5.34. Developer participation in the Developers' briefings would not normally happen prior to a Development Management Forum or other public meeting or public consultation being held relating to the site or prior to attendance at the Quality Review Panel subject to programming and scheduling pressures.

5.35. Comments and questions can be raised, and this can also include positive engagement about the proposed development. However, Members should ensure that they are not seen to pre-determine or close their mind to any such proposal as otherwise they may then be precluded from participating in determining the application.

Development Management Forum

5.37. The Council has established a Development Management Forum to facilitate the discussion of large-scale or contentious planning proposals. The forum does not reach a decision about a proposal. Its purpose is to allow participants to raise issues of concern and obtain answers to questions about the particular application. The aim is to allow early discussion by Members and members of the public on planning issues related to these planning proposals and to explore the scope for agreement between all parties in a positive and constructive way prior to the later decision being made at the Planning Sub-Committee. Forum meetings will usually take place prior to the submission of an application but can take place at an early stage of the formal process before the Planning Sub-Committee meeting. They do not remove the opportunity for objectors, supporters and applicants to address the Planning Sub-Committee when an application is to be determined or the holding of exhibitions and or public meetings where these are considered appropriate.

What applications does the forum consider?

5.38. Applications that may be considered by the forum include major applications and those of significant local interest. It is not possible to prescribe the exact type of proposals but they may include the following:

- Applications which involve more than 10 residential units or over 1,000 sq m of floor space;
- Those applications that involve a major departure from the Council's planning policy; or
- Those applications that involve high buildings i.e. over 5 storeys.

PART FIVE – CODES AND PROTOCOLS
Section E – Planning Protocol

5.39. Applications that will not generally be considered by the forum include:

- Minor planning applications to alter or extend houses;
- Applications to confirm whether a use of land or buildings needs planning permission (a 'lawful development certificate');
- Applications to put up advertisements;
- Amendments to applications or those which have already been the subject of a forum discussion; or
- Applications where there will be a recommendation for refusal.

5.40. A forum meeting will be held when:

The Assistant Director, Planning/Head of Development Management, in consultation with the Chair of the Planning Sub-Committee, considers that a forum would be beneficial in resolving issues on a particular planning proposal. For development management forum meetings held at the pre application stage site notices and emails to local groups and councillors will be sent advising them of a proposed meeting. For those meetings held following the submission of a planning application consultees will be advised in accordance with the Council's consultation policy as set out in the Council's SCI in force at the time as part of the consultation on the planning application.

Who can attend?

5.41. Meetings are open to all Members, local businesses and residents. Normally one application or proposal will be considered at each forum to allow for effective discussion. To assist the running of the meeting an agenda is prepared and a short briefing note on the proposal is available.

5.42. The format of the meeting is as follows:

- A senior planning officer chairs the forum. They ensure that all planning issues arising from the proposal are raised but that there is no discussion on the merits of the proposal. The applicant is invited to make a presentation of the proposal for a maximum of 15 minutes.
- Local residents and organisations have an opportunity to present their views either for or against the proposal.
- Planning officers provide information on the progress of the proposal.
- The applicant responds to questions from Members of the Planning Sub-Committee, ward councillors and local business and residents.

5.43. An attendance record is kept, the discussion is recorded and a note of the meeting is made which is reported to the Planning Sub-Committee when any subsequent proposal is submitted for determination.

PART FIVE – CODES AND PROTOCOLS
Section E – Planning Protocol

All Members: Haringey's Development Management Forum

- 5.44. All Members can attend Development Management Forum meetings which are called to promote early exploration of issues relevant to a particular development. They do not seek to reach any decision about the likely outcome of an application.
- 5.45. The particular role that Members can play at the meetings is dependent on whether or not they have a formal role within the planning system of the authority, for example are a member of Planning Sub-Committee or the Cabinet, but all Members will need to take account of the generic guidelines for example, publicly clarifying their particular role.
- 5.46. All Members can:
- use the meeting to understand the development, the issues important to local people and to the developers, and how the relevant policies are being applied by asking questions;
 - give advice about adopted planning policies and local priorities and clarify or seek clarification of policies and priorities;
 - give advice about planning processes or direct those present to relevant officers or other sources of advice and information both present or outside the meeting;
 - refer local objectors or supporters to ward colleagues who are in a position to take a wider role if theirs is limited and further Member assistance is required; and
 - seek advice from officers as to the process to be followed, issues being reviewed and the likely policy position.
- 5.47. Members should not use the forum to undertake negotiations or appear to put undue pressure on the officers in relation to any future decision on the scheme. Members are however entitled to robustly question developers and officers in order to fully understand issues before the forum.

Ward Members: Development Management Forum

- 5.48. Ward Members who are not on the Planning Sub-Committee can greatly assist this process by taking an active part in the forum meeting, asking questions, commenting on planning policies and local priorities, and advising on the planning process. They can usefully draw attention to local circumstances and issues, and comment on the appropriate weight to be given to those. It will be important that Ward Members ensure that their remarks and advice are based on adopted Council planning policies as far as possible. This is important to avoid creating any confusion in the minds of developers or local people about who speaks for the Council in negotiations or about the Council's negotiating position.

PART FIVE – CODES AND PROTOCOLS
Section E – Planning Protocol

Quality Review Panel

- 5.49. As part of the pre-application process for major and /or sensitive applications, the Council encourages applicants to present their proposals to the Quality Review Panel. The panel is a group of independent and objective experts, including experienced architects and other built environment professionals, who meet on a regular basis. The Panel's advice is provided for the benefit of the Planning Sub-Committee. The advice will also be used to help officers and the developer to improve upon the quality of the scheme as it evolves.
- 5.50. The best design outcomes generally occur when schemes are presented to the panel at the pre-application stage, as this allows applicants sufficient time to amend proposals following panel feedback.
- 5.51. Discussions and negotiations while the application is current but prior to determination:
- 5.52. Once an application has been submitted, officers are working to strict deadlines to ensure that the application can be efficiently and properly determined. They may, during that period, enter into discussions, and sometimes negotiations, with the applicant or their agent in order to clarify aspects of the scheme or to ensure that the applicant is aware of the council's policy requirements. Sometimes such discussions will also convey to an applicant the views of third parties or consultees.
- 5.54. At this stage it is not appropriate for Members, whether or not they are on the Planning Sub-Committee, to enter into direct discussions and /or negotiations with applicants or consultees. Members should recognise the clear distinction between negotiation and listening without prejudice to views which may be expressed to them (see the section on Lobbying below). For Members to enter into negotiations whilst an application is current at best sends a confused message to applicants and consultees about who is officially speaking on behalf of the Council, and at worst will without doubt result in the Member appearing to show bias or pre-disposition. However, this does not prevent Members at this stage asking officers for information about an application, or from passing on the views of constituents or others, indeed this would be a proper area of Member activity. Members should at the same time ensure that any requests for advice or interpretation are passed to officers.

Briefings/interim reports

- 5.55. An effective way of building a degree of certainty into pre-application or post submission discussions is for officers to engage with Members at an appropriate stage in negotiations. Officers may prepare a committee report, briefing note or a site visit in order to identify the key issues that have emerged during discussion, and, where necessary, seek member endorsement to the approach that is being pursued, or simply to

PART FIVE – CODES AND PROTOCOLS
Section E – Planning Protocol

present the scheme as an information item to Members. This provides the opportunity for committee Members to raise questions of their own or seek further information regarding the proposed development.

Approaches by applicants

- 5.56. Members of the Planning Sub-Committee will discourage any applicant or agent, or other interested party such as a landowner from approaching them directly in any way in relation to planning proposals. If an approach is received, the Member will take care not to give any commitment, or the impression of a commitment that he or she holds any particular view on the matter.
- 5.57. If an approach is received by a Member of the Planning Sub-Committee from an applicant or agent or other interested party in relation to a particular planning application, then the Member will:
- (a) Inform the applicant that such an approach should be made to Officers of the Council;
 - (b) Keep an adequate written record so as to enable the Member to disclose the fact of such an approach if and when the application or proposals is considered by the Planning Sub-Committee; and
 - (c) Disclose the fact and nature of such an approach at any relevant meeting of the Planning Sub-Committee.

In this context an approach should be noted where the discussion extends beyond simple information to the merits or demerits of the particular proposals.

- 5.58. Where a Member of the Planning Sub-Committee receives written representations directly in relation to a planning application, the Member will pass the correspondence to the Assistant Director, Planning/Head of Development Management in order that those representations may be taken into account in any report to the Planning Sub-Committee.

The Sub-Committee meeting

- 5.59. Planning sub-committee meetings generally start at 7.00pm and the Council's standing orders provide that they will end at 10.00pm except that discussion of the specific item or case in hand at 10.00pm may continue thereafter at the discretion of the Chair. There are 11 Members of the Sub-Committee. The quorum for making a decision as set out in the Council's constitution is at least one quarter of the whole number of voting Members are present. Where notified in advance to the Sub-Committee Clerk and subject to them having attended the mandatory training, substitute Members may attend in place of a Planning Sub-Committee member, pursuant to the Committee

PART FIVE – CODES AND PROTOCOLS
Section E – Planning Protocol

Procedure Rules. Substitutes will be from the same political party, to maintain the political balance at Sub-Committee and will be subject to clearance from the group's Chief Whip. The substitute will be for the duration of the entire agenda and will not be used for individual items.

Lobbying and representations

- 5.60. The proper place for objectors to raise their concerns is in writing in response to public consultation on a planning application or by making representations at a Sub-Committee meeting. Sub-Committee Members may nevertheless receive lobbying material through the post or by email from either the applicant or the objectors or be approached personally by interested parties. In dealing with such approaches, it is important for Sub-Committee Members not to do or say anything that could be construed as bias or pre-determination.
- 5.61. Where Sub-Committee Members receive lobby material through the post or by email they should forward it to the Assistant Director, Planning/Head of Development Management. If Sub-Committee Members feel it is necessary to acknowledge receipt of or comment on the correspondence, they should consider the advice on bias or predetermination in this Protocol and should send a copy of their response to the Assistant Director, Planning/Head of Development Management.
- 5.62. If a Sub-Committee Member is approached by an individual or an organisation in relation to a particular planning application, they may listen to what is said but they should explain that because they are a member of the Sub-Committee they must keep an open mind until they have seen all the material before the Sub-Committee. A Sub-Committee Member might suggest that the individual or organisation should:
- Where an application is not yet on a Sub-Committee agenda, write to the Planning Officer responsible for the particular case who will take into account any material planning considerations raised in the representations when preparing a report for the Sub-Committee; or
 - If the application is already on a Sub-Committee agenda, contact the Sub-Committee Clerk to make a request to speak at the Sub-Committee meeting.
- 5.63. In either case contact another Member who is not a Sub-Committee Member to seek their support. Generally speaking, this should be the Ward Councillor for the Ward within which the application is made.
- 5.64. If a Sub-Committee Member does decide to become involved in organising support for or opposition to a planning application or has offered an opinion on a planning application, then that Sub-Committee Member must take into account the advice on bias or predetermination

PART FIVE – CODES AND PROTOCOLS
Section E – Planning Protocol

in this Protocol. If after considering that advice the Sub-Committee Member comes to the view that on an objective assessment they cannot sit on the Sub-Committee and decide the application with an open mind, they should not be part of the Sub-Committee that decides the application. They can however attend the Sub-Committee meeting and speak on their constituent's behalf and adopt the role of local member rather than decision taker.

'Decision Maker' role

- 5.65. A Councillor who is a member of the Planning Sub-Committee or a suitably trained substitute and who takes part (or who intends to take part) at a meeting of the Planning Sub-Committee in the determination of particular Planning Application will for the purposes of this Protocol be a "Decision Maker" in relation to such Planning Application.
- 5.66. A Councillor who is a Decision Maker shall comply with the provisions of the Code of Conduct generally.

'Local Member' role of a Planning Sub-Committee member

- 5.67. Where a Planning Sub-Committee member wishes to make representations on behalf of his/her constituent(s), for the purposes of this Protocol he/she will be a "Local Member" in relation to that planning application. He/she may attend a meeting of the Planning Sub-Committee to make representations about the planning application on behalf of their constituents
- 5.68. A Councillor who is a Local Member shall comply with the Public Speaking Provisions and the Code of Conduct generally. Further provisions relating to the "Local Members" role are also contained in the next following section.

Non Planning Sub-Committee /Local Ward Member role

- 5.69. Subject to the provisions of the Code of Conduct generally a Councillor who is not a Member of the Planning Sub-Committee (whether or not he/she plays or intends to play the role of "Local Member") will be free to:
- discuss any planning application with the applicant / agent / objector / lobby group;
 - attend any locally organised meeting concerning the application;
 - attend any meeting concerning the application and speak about the application (including expressing a view either for or against the application relay relevant information about the application to a planning officer;
 - seek information/clarification about the application from a planning officer; and

PART FIVE – CODES AND PROTOCOLS
Section E – Planning Protocol

- should follow the rules on lobbying in accordance with this Protocol.

Effect of Prejudicial etc Interests

5.70. Where a Member of the Planning Sub-Committee has had any personal involvement with an applicant, agent or interested party, whether or not in connection with a particular application before the Planning Sub-Committee, or any other personal interest which an observer knowing the relevant facts would reasonably regard as so significant that it was likely to prejudice the member's judgement of the public interest, then the Member will declare a prejudicial interest in accordance with the provisions of the Code of Conduct (Part 5 Section A of the Council's Constitution). The Member must abstain from discussion and voting on the matter and leave the room while that application or other matter is under discussion except as provided below. The Member must also avoid any attempt to influence the decision improperly.

5.71. A Member declaring a prejudicial or any other interest that precludes their determination of an item may attend during that item but only for the purposes of making representations about the matter, answering questions or giving evidence about it and then only when the meeting is open to the public. Otherwise the Member must leave the room while that application or other matter is under consideration.

Social Contacts

5.72. Members of the Planning Sub-Committee will minimise their social contacts with known developers and agents and refrain altogether from such contacts when developments are known to be contemplated or applications are being proposed, or where controversial decisions are likely to be needed.

Hospitality

5.73. Members of the Planning Sub-Committee will reject any offers of gifts, hospitality or future favours made personally or by way of deals for the Council or the community, from lobbyists. Any such improper approach will be reported immediately to the Chief Executive.

Residents/Local Groups/ Other Occupiers

5.74. If a Member of the Planning Sub-Committee is approached by local residents, business or other occupiers in relation to an application, which the residents or others wish to object to or support, the Member will listen to the views but will take care not to give any commitment, or the impression of a commitment that they hold any particular final view on the application.

5.75. Members of the Planning Sub-Committee will:

PART FIVE – CODES AND PROTOCOLS
Section E – Planning Protocol

- (a) Encourage the interested party to contact another Ward Member or other elected Member who is not a Member of the Planning Sub-Committee;
- (b) In the case of significant meetings on planning matters keep an adequate written record so as to enable the Member to disclose the fact of such an approach if and when the application or proposals is considered by the Planning Sub-Committee; and
- (c) Disclose the fact and nature of significant discussions at and relevant meeting of the Planning Sub-Committee.

In this context "significant" would include any meetings or discussions which consider the merits or demerits of the particular proposals extended beyond simple information.

- 5.76. Meetings and discussions with constituents are an important part of a Ward Member's functions, and this Protocol is not intended to harm those contacts unnecessarily. Members of the Planning Sub-Committee should avoid taking an active role in meetings to promote residents' objections to applications. Nothing in this Protocol prevents Members from listening to local concerns, giving factual information about an application or the planning process, or from directing residents to other sources of information or assistance.
- 5.77. Where a Member of the Planning Sub-Committee receives written representations directly in relation to a planning application, the Member will pass the correspondence to the Assistant Director, Planning/Head of Development Management in order that those representations may be taken into account in any report to the Planning Sub-Committee.

At Committee

- 5.78. The responsibilities of Members of the Planning Sub-Committee in considering planning matters are set out above. At the Sub-Committee, Members will, in particular, avoid expressing any view on the matters under consideration until the report has been presented, any other relevant advice is given, and all oral representations have been heard. In order to participate and determine an item, Members must be present for the entire duration and not miss any part of that item.

Decisions contrary to officer recommendation and/or the Plan

- 5.79. Decisions on planning proposals have to be taken in accordance with the development plan unless material considerations indicate otherwise. In determining planning and other applications the Committee is entitled

PART FIVE – CODES AND PROTOCOLS
Section E – Planning Protocol

to decide the weight to be attached to the various planning considerations which are relevant to the application. This can lead to a decision which is contrary to the recommendation of the Officers. The Committee can for example decide:

- to refuse planning permission where officers have recommended approval;
- agree with officers that permission should be refused but for different reasons; or
- grant permission subject to different conditions or legal requirements than those recommended.

5.80. Where any Members are proposing to put forward a motion contrary to the officer recommendation, the Committee Chair will ensure that the planning reasons are apparent before a vote is taken. In order to do this the Chair will ensure that:

- The planning officer/legal officer is given an opportunity to explain to the Sub-Committee the implications of their decision; and
- Where the Sub-Committee wish to add or amend conditions the planning officer is given the opportunity to draft the condition(s) and refer to appropriate Members, for approval.

When the Planning Sub-Committee makes a decision which is contrary to the recommendation of the planning officers, whether the decision is one of approval or refusal, a detailed minute of the Sub-Committee's reasons for its decision will be made. A copy of the minute will be kept on the application file.

5.81. When a decision is made which is contrary to the Plan the material considerations which led to this decision and the reason(s) why they are considered to override the development plan will be clearly identified and minuted.

Council Owned Land

5.82. The Planning Sub-Committee from time to time considers applications involving land owned or recently owned by the Council. Members will consider carefully whether they should take part in the deliberations of the Sub-Committee on an application, involving that land, where they took part in any decision of the Cabinet or other Council body in relation to the land. They will take into account whether an observer with knowledge of all the relevant facts would suppose that there might be any possibility that the involvement in the decision on the land could amount to reaching prior conclusions on the planning issues, or otherwise adversely affect the Member's judgement in any way.

5.83. Any Member, whether or not a Member of the Cabinet, will take great care in the consideration of applications, or local plan proposals,

PART FIVE – CODES AND PROTOCOLS
Section E – Planning Protocol

affecting land owned or recently owned by the Council to ensure that the planning decision is made and seen to be made solely on planning grounds.

Legal Advice

- 5.84. The Assistant Director of Corporate Governance and Monitoring Officer will ensure that a suitably experienced legal officer is present at all Sub-Committee meetings to give legal, governance and procedural advice.
- 5.85. Members need to be mindful of the rules on declarations of interests and if Sub-Committee Members or other Members require advice about possible disclosable pecuniary interests or other interests or if Sub-Committee Members are in any doubt as to whether they have expressed a view that could give rise to the appearance of bias or that they have pre-determined a matter they may seek advice from the Monitoring Officer in advance of the Sub-Committee meeting. If that has not proved possible they should seek advice from the legal officer to the Sub-Committee before the meeting starts. Once advice has been given, it is up to the Member to make their own decision on whether or not they have a declarable interest and whether or not they can participate in the decision.

6. MEMBERS NOT ON PLANNING SUB-COMMITTEE

- 6.01. The Code of Conduct applies to all Members of Council. The parts of the Protocol which will be particularly kept in mind as a general context for the exercise of planning functions are set out above.
- 6.02. Where any Member submits representations in writing or orally in relation to any matter before the Sub-Committee those representations will be recorded for inclusion in the officer's report.
- 6.03. Councillors who are not Members of the Planning Sub-Committee may attend meetings of the Sub-Committee, and may address the Sub-Committee, the Committee Procedure Rules (Part 4 Section B of the Council's Constitution) will apply. This requires the Member to give written notice to the Chair of the Sub-Committee of his/her attendance, preferably before the meeting but in any event as soon as the Member arrives at the meeting. In order to promote efficient business of the Sub-Committee, and in order to give certainty to the applicant of the time available for speaking, Members are asked to register their intentions to speak by midday on the working day prior to committee with the Committee Clerk.
- 6.04. Where a Councillor who is not a Member of the Planning Sub-Committee has had any personal involvement with an applicant, agent or interested party, whether or not in connection with a particular application before the Planning Sub-Committee, or has any other personal interest which an observer knowing the relevant facts would

PART FIVE – CODES AND PROTOCOLS
Section E – Planning Protocol

reasonably regard as so significant that it was likely to prejudice the Member's judgement of the public interest then the Member will declare a prejudicial interest in accordance with the provisions of the Code of Conduct. The Member may only attend the meeting as provided in paragraph 6.05 below. The Member must also avoid any attempt to influence the decision improperly.

- 6.05. A Member declaring a prejudicial interest may attend the meeting but only for the purposes of making representations for or against the relevant application, answering questions or giving evidence about it and only when the meeting is open to the public. Otherwise the Member must leave the room while that application or other matter is under consideration.
- 6.06. Where an approach has been received by an elected Member (not being a Member of Planning Sub-Committee) from an applicant, agent or other interested party in relation to a planning application, that Member will, in any informal discussions with any Member of the Planning Sub-Committee, disclose the fact and nature of such an approach and have regard to the matters set out at paragraph 7.01 below.

7. OTHER CONDUCT OUTSIDE COMMITTEES

- 7.01. In discussions between Members generally and Members of the Planning Sub-Committee (at party group meetings or other informal occasions) Members will have regard to: -
- (a) the principles governing the conduct of Members set out in the Code of Conduct.
 - (b) the principles governing the conduct of Members of Planning Sub-Committee set out in this Protocol.
 - (c) the obligations placed on Members of the Planning Sub-Committee not to give commitments in relation to any planning application prior to consideration of the full officer report, advice and representations at the Sub-Committee meeting dealing therewith.

8. SANCTIONS

- 8.01. Please refer to the Complaints Against Members Protocol for the complaint procedure against Members and possible sanctions where there is an alleged breach of this Protocol and the Code of Conduct.

9. MEMBERS AND OFFICERS OF THE COUNCIL

The role of elected Members

9.01. In respect of any planning application Members will:

- declare any pecuniary or non-pecuniary interest and take no part or a restricted part, as appropriate, in the processing and determination of the planning application;
- act impartially and honestly;
- approach each application with an open mind;
- take into account and carefully weigh up all relevant issues;
- determine each application on its own merits and in accordance with the requirements of planning law and the guidance of planning policy;
- avoid inappropriate contact with interested parties (see also the section on lobbying); and
- ensure the reasons for their decision are recorded in writing.

The role of officers

9.02. Officers in their role of advising and assisting elected Members in their determination of planning applications will provide:

- impartial and professional advice;
- consistency of interpretation of the planning policies; and
- complete written reports which will include:
 - a clear and accurate analysis of the issues in the context of the relevant development plan policies and all other material considerations;
 - the substance of the representations, objections, and views of all those who have been consulted;
 - a clear written recommendation of action and where that recommendation is contrary to the development plan, the material considerations which justify the departure; and
 - all necessary information for the decision to be made.

9.03. Members should not put any pressure on officers for a particular recommendation and, as required by the Code of Conduct or the Protocol on Member/ Officer Relations (Part Five Section B of the Council's Constitution), should not do anything which compromises, or is likely to compromise, their impartiality. Members should recognise that officers are part of a management structure and should address any concerns which they may have about the handling of a planning application to a departmental manager at the appropriate level of seniority. In general, however, officers and Members should adopt a team approach to the determination of planning proposals, and should recognise and respect each other's different roles

PART FIVE – CODES AND PROTOCOLS
Section E – Planning Protocol

- 9.04. In common with Members generally, all Members of the Planning Sub-Committee may contact the relevant Planning Officer to seek information in relation to any planning application.
- 9.05. Members of Planning Sub-Committee will not attempt in any way to influence the contents of the Officer's report or the recommendation made on any matter. Representations made by Members whether or not in writing will be recorded by the relevant officer and included in the report.
- 9.06. Any criticism of Planning Officers by Members of the Planning Sub-Committee shall be made in writing, to the Director of Regeneration, Planning and Development or the Assistant Director, Planning and not to the Officer concerned. Members will endeavour to avoid any public criticism of officers but this does not prevent Members asking officers proper questions.

Contact between Members and officers

- 9.07. Involving Members early and throughout the application and determination process leads to better committee meetings, better decisions and better developments. Pre-committee meetings between officers and the Chair and other senior Members can enable strategic applications to be highlighted and procedural committee issues agreed. Other contact is described elsewhere in this protocol including planning committee briefings.

10. PROTOCOL FOR HEARING REPRESENTATIONS AT PLANNING SUB-COMMITTEE

General Principles

- 10.1. The Planning Sub-Committee will operate this Protocol with two particular aims regarding representations:
- (a) to allow those who have applied to make representations to be heard by the Sub-Committee on items on the agenda for the meeting; and
 - (b) to get through the agenda expeditiously to avoid delay to applications and wasted journeys by the public.
- 10.2. Objectors or supporters, including Ward or other Members where possible, should advise the Council by noon on the working day immediately prior to the Sub-Committee meeting (for a Monday meeting this would be by noon on the Friday prior to the Sub-Committee) in order to allow appropriate administrative arrangements to be put in place. The number of speakers will usually be limited to two speaking against the proposal with a time limit of 3 minutes each i.e. a maximum of 6 minutes. Members will have a time limit of 3 minutes each. Those

PART FIVE – CODES AND PROTOCOLS
Section E – Planning Protocol

supporting a proposal will be given the same time as those speaking against (including time taken by any Members objecting less any time by Members supporting).

- 10.3. Speaking should take place immediately before the Sub-Committee debates a particular application (see running order for the sub-committee) and after the planning officer has set the scene and updated the meeting on any late matters not dealt with in the published report.
- 10.4. The circulation of materials will not normally be accepted during the meeting. If new or further material is to be allowed following the publication of the Sub-Committee papers it should be received in advance of the meeting so that it can be circulated to Members of the Sub-Committee.
- 10.5. Speakers should not be allowed to engage in discussion with Members of the Sub-Committee during public speaking or the Sub-Committee deliberations, to avoid any risk of accusation of bias or personal interest.

The procedure for addressing the Sub-Committee

- 10.6. Although the Committee Procedure rules allow for Members not on the Planning Sub-Committee, or officers outside the Planning Service who wish to address the Sub-Committee, to give written notice of their attendance to the Chair of the Sub-Committee rather than inform the committee clerk by 12 noon on the working day prior to committee Members and Council Officers are asked to inform the committee clerk by 12 noon on the working day prior to committee where possible.
- 10.7. The Chair will allow those persons outside the Council completing the form to address the Sub-Committee except where there are several people applying to speak, in which case there will be a limit as shown below. The right to speak shall be on a first come first served basis.
- 10.8. For any issue which is within the Sub-Committee's terms of reference, but for which there is not a report on the agenda, members of the public may use the Deputations Procedure in accordance with the Committee Procedure Rules to make their representations to the Sub-Committee.
- 10.9. With respect to Petitions, for this Sub-Committee the requirement in the Council Procedure Rules for 5 days' notice will not apply so that members of the public may submit petitions (without addressing the meeting) on any issue which is within the Sub-Committee's terms of reference at any meeting without giving due notice.

Running order for planning applications

- 10.10. Declarations of interest will be taken at the start of the meeting (Members will be invited to *clearly state their interest in an item and*

PART FIVE – CODES AND PROTOCOLS
Section E – Planning Protocol

whether they believe it to be personal, prejudicial (including bias and predetermination) or pecuniary. To include whether they will leave, stay, refrain from debate and whether they will vote).

(a)	Announce application and give description.
(b)	Name the public speakers.
(c)	<i>Advise the meeting of the declarations of interest that have been made in relation to the item</i>
(d)	Local Member declaration to represent their constituents or vote (<i>Where a local Member sits on the Sub-Committee they should state whether they intend to vote on the application or instead to represent their constituents. If representing their constituents they should move to the area reserved for speakers and remain there as applicable e.g. until the end of their contribution subject to then leaving the room).</i>
(e)	Planning officer presents case including update of any late representations or new issues, with possible supplementary presentation from other officers.
(f)	Speaking arrangements Objectors - up to 2 speakers with a total time of 3 minutes each.
(g)	Any interested Councillors who have informed the committee clerk or the Chair in advance of the meeting may address the Sub-Committee for up to 3 minutes each.
(h)	The Applicant and any supporters of the proposal will have the right to speak if there are any speakers against the proposal and then will be allowed to speak for an equivalent length of time as given to those objecting to the application i.e. maximum of 6 minutes (subject to any Members' speaking time) the total time to be divided between them. For each speaker clarification questions from Members should be made through the Chair and should be points of fact relating to material planning considerations only. Questions regarding policy or guidance or law and its interpretation should only be dealt with by Council officers. It is expected that most speakers will require no clarification.
(i)	Debate – Members through Chair with support from officers / legal providing clarification. Sub-Committee Members debate the case and consider the recommendation including conditions.
(j)	Summing up – Chair brings discussion to conclusion and seeks a decision on the recommendation/alternative recommendation proposed.
(k)	Vote and explicitly record decision s), taking vote(s) as necessary. Following the vote, there will be no further discussion of the item.
(For certain cases the procedure may be varied to allow for adjournments for confidential legal advice.)	
The Sub-Committee will be aware that some parties listed as "objectors" can be overall in support of a development but be looking, for example, for some amendment or condition to protect their amenity.	

For applications which are considered but deferred

10.11 Normally, the Sub-Committee will hear representations on both / all sides before they make a decision to defer for any reason. When the application is re-submitted to the Sub-Committee, further representations will normally only be allowed if some fresh matter has arisen since the first Sub-Committee meeting. If this further submission is exceptionally allowed, the number of people speaking will be limited to one objector for a further 3 minutes. The applicant/supporter will have a right to reply of 3 minutes.

For larger or more contentious applications

10.12. (a) In relation to larger and/or more controversial applications (as agreed by the Sub-Committee), the Chair may allow double the number of speakers, with double the total length of time to be divided between them).

(b) For example: in relation to para. 10.2 above this would be four speakers with a total of 12 minutes divided between them.

(c) The applicant and any supporters will normally have a right to reply of the same length of time as taken by the objectors.

10.13. The Sub-Committee will aim to deal with all applications, except those of exceptional significance, within one hour, and the Chair will take active steps to keep to these time-scales in the interests of all participants. Members will also act to deal fairly and expeditiously and will therefore commit not to repeat questions. It is expected that there will be a maximum of 30 minutes of questions and comments for any one application.

Equal Opportunities

10.14. The adoption and publication of a Protocol giving clear information about planning procedures and getting involved in decisions would improve access to the system by all communities in the Borough, as well as potential investors. Arrangements will be put in place to make the policy principles within this protocol available in pamphlets in different languages and in larger print.

11. CODE OF CONDUCT FOR MEMBER SITE VISITS

Background

11.01. At the Sub-Committee meeting site maps, scheme drawings and sometimes photographs are on display and available. Officers' reports

PART FIVE – CODES AND PROTOCOLS
Section E – Planning Protocol

describe relevant site characteristics, following their own site visits. Officer visits are not routinely made to the homes / premises of objectors, as adequate technical assessments can usually be made from maps, drawings and by visiting the application site.

11.02. This site knowledge and information will usually be sufficient for the Sub-Committee to reach a decision on applications and accompanied Committee site visits will not automatically be required for all items. .

11.03. The Assistant Director, Planning/Head of Development Management, in consultation with the Chair of the Sub-Committee, will decide which cases require a site visit according to the criteria set out below: Examples where a site visit would not normally be appropriate include where:

1. purely policy matters or issues of principle are at issue;
2. the report, together with drawings, photographs and other material is sufficient to provide the context; or
3. where Councillors have already visited the site within the last 12 months.

11.04. Site visits where required will be normally be scheduled during daylight hours for the week before the Sub-Committee meeting at which the application is to be discussed.

The purpose of site visits

11.05. The purpose of such site visits is for the Members of the Sub-Committee to see the site in order to reach an informed decision. It is not intended to provide a separate opportunity for objectors, supporters, applicants or others to lobby the Members, to argue their case or discuss the merits of the application.

11.06. It is essential that fairness and probity are safeguarded in all the proceedings of the Planning Sub-Committee. This means preventing even the appearance of undue or unfair influence, or biased behaviour.

11.07. In accordance with the Protocol, Members must avoid being involved in lobbying for or against an application, or reaching a firm view on an application before final determination at Sub-Committee. The proper place for discussion and presentation of views is therefore at the Sub-Committee meeting itself.

11.08. On site, without some safeguards, there is a serious risk of breaching the principles of fair hearings. Individual Members can hear different arguments from different people, and all sides are not heard equally.

11.09. To ensure fairness and probity, therefore the Sub-Committee will observe the following Protocol for site visits. The on-site procedures are based on those followed by the national Planning Inspectorate.

Site Visit Protocol

- 11.10. Access to the site will be arranged with the site owners or their agent. In some cases arrangements will also have to be made with adjoining properties which have to be entered.
- 11.11. Procedure on Site: The planning officer(s) will show the Members round the site(s) / area, showing relevant scheme drawings, and pointing out significant features. Some practical assistance from the owner / agent may be necessary. Members may ask officers or others factual questions, but will not otherwise discuss the application. An attendance list of the site visit should be recorded.
- 11.12. In a few cases the Assistant Director, Planning/Head of Development Management, in consultation with the Chair of the Sub-Committee, may decide to invite particular local residents or objectors / supporters to attend a site visit for the purpose of ensuring access, pointing out specific matters or answering factual questions. Normally, neither objectors nor supporters will be invited to site visits.
- 11.13. If a site visit becomes the occasion for lobbying by numbers of people or for demonstrations, the visit may have to be adjourned and rearranged as a more private visit.
- 11.14. As a result of the visit, the Members of the Sub-Committee may ask the officers to address some specific issue in the presentation to the Sub-Committee.
- 11.15. Any Member of the Sub-Committee who is unable to attend the official site visit should endeavour to visit the site him / herself before the meeting and will avoid any discussion of the merits of the application while at the site.
- 11.16. Members of the Sub-Committee have to come to an independent view on an application, taking into account all relevant facts and views. If a Member of the Sub-Committee is unable to attend the site visit, this does not disqualify him / her from taking part in the final decision. The Member will, however, listen very carefully to the views of those Members who benefited from the visit. In some cases the Member may decide it would be better not to take part in the decision.

Site visits by individual Members of the Planning Sub Committee

- 11.17. Many Members will already be familiar with sites which are subject to applications but not in all cases. It is normal and proper for Members in these circumstances to visit a site themselves before the committee meeting. Where individual Members of the committee wish to undertake their own site inspection, prior to the committee meeting, these should be conducted unannounced and from a public vantage

PART FIVE – CODES AND PROTOCOLS
Section E – Planning Protocol

point. Members of the committee should not arrange to meet applicants/agents or third parties for the purpose of a site inspection

11.18. If a committee member is approached on site by any applicant/agent, objector or other third party interest they should seek to avoid discussion of the application and should ensure they do not give any indication of their views or the likely decision of committee. Where it is not practical to avoid some discussion the member should note that it took place and pass the information to the officers, so that it can be recorded at Sub-Committee.

12.0 REVIEW OF THE PROTOCOL

12.01. The protocol will be regularly reviewed to take account of:

- new planning legislation;
- changes to national codes of conduct; and
- emerging examples of good practice.

B. Scope and Application

2. These Rules apply to all applications and hearings made in accordance with the Acts, or Regulations made thereunder. These Rules should be read and interpreted in conjunction the Hearings Regulations and the Acts.
3. The Committee Procedure Rules contained in Part Four, Section B of the Constitution do not apply when the Licensing Sub-Committee is conducting a hearing except in so far as they relate to the appointment of Substitute Members (Rule 6).
4. All hearings will be held in person except for Licensing hearings which will be held remotely, unless the Chair of the Licensing Sub-Committee considers it in the interests of justice to hold the meeting in person e.g. if any of the parties do not have access to technology or would be disadvantaged if the hearing was held remotely.

C. Pre-Hearing Procedure

5. The Licensing Service will notify the relevant Ward Councillors of each application, notice or relevant representation relating to premises within their Ward within 2 working days of receiving such application, notice or relevant representation. This requirement is in addition to any requirement arising under the Hearings Regulations.
- 6.. The Licensing Service may seek to mediate between the parties to an application with a view to securing: -
 - (a) the withdrawal of any relevant representation or notice, or
 - (b) the agreement of the parties that a hearing is unnecessary.
7. If, in any case, the parties agree that a hearing is unnecessary, the Licensing representative, , shall decide whether the Council consider that a hearing is unnecessary to determine the application and shall give notice of that decision to the parties forthwith.
8. In any case where it has been decided that a hearing is necessary, the Sub-Committee shall consider the application_at a hearing in accordance with these Rules.
9. Subject to Rule 4, Licensing hearings will take place remotely via Microsoft Teams.
10. Prior to the remote hearing a link will be sent by the Committee Clerk to all parties to enable those parties to attend the virtual meeting.
11. The link will be posted on the Council's website to enable members of the public to observe the meeting, however they will not be allowed to speak at the meeting.

12. Parties may submit a written version of their oral representations by email at least 48 hours before the licensing hearing is due to start. Although voluntary, these written submissions will assist the Sub-Committee in the conduct of the hearing and decision making process.

13. Parties will be required to log in 10 minutes before the start of the meeting. The Committee Clerk can be contacted in case of technical difficulties and contact details will be provided to the parties.

D. Membership and Quorum for Hearings

14. Where an application relates to premises within a Ward, then a Ward Councillor shall not take part in the decision upon that application as a Member.

15. So far as practicable, hearings will be arranged so that the Sub-Committee determining the application does not include Members representing any Ward in which premises affected by the application are located.

16. A Councillor who has participated in a decision by the Council to make any application, or to support or assist an application made by another person, shall not participate in decision-making on the application in question as a Member of the relevant Sub-Committee.

17. The quorum for any hearing of a Sub-Committee shall be three Members.

18.

18. If any Member needs to leave during the hearing the Chair will adjourn the meeting until they return.

E. Attendance at Hearings

18A. Only applicants and Parties that have made a valid representation or their named representative/substitute or witness will be allowed by the Chair to speak at the hearing.

F. Non-Attendance at Hearings

19. Where a party has not notified the Council that he/she does not intend to attend or to be represented at a hearing, and that party fails to attend the hearing then the Sub-Committee may either: -

- (a) adjourn the hearing to a specified date where it considers this to be necessary in the public interest, or
- (b) hold the hearing in the party's absence.

20. Normally, a party who fails to attend a hearing in the circumstances described in Rule 19 above, will be allowed one further opportunity to attend the hearing adjourned to a specified date.
21. Where an adjournment is granted, the Licensing representative shall make every reasonable endeavour to contact the party who failed to attend by telephone or in person in order to warn them of the new date for the adjourned hearing and the likelihood that the application will be determined in that party's absence in the event of further failure to attend.

G. Calling Witnesses

22. Where a party wishes to call a witness to give evidence at a hearing that party must give written notice to the Licensing Service of this intention no later than ten working days before the date of the hearing stating: -
 - (a) the name of the witness, and
 - (b) a brief description of the point or points upon which the witness' evidence may assist the Sub-Committee in making its decision on the application.
23. Where a party has given notice under Rule 22, the Licensing Service shall forthwith communicate this notice to the other party/parties, if possible by electronic means or by the most rapid practicable alternative means.
24. Where a party has given notice under Rule 22, the Sub-Committee shall consider at the commencement of the hearing whether it will permit the party to call the witness for the purpose(s) notified. Such permission shall not be unreasonably withheld at a hearing where there has not been full compliance with Rule 22.

H. Documentary Evidence

25. Where a party wishes to rely upon documentary evidence at a hearing that party must give written notice to the Licensing Service of this intention no later than ten working days before the date of the hearing. This notice shall be accompanied by six copies for the Council and sufficient additional copies of all the relevant documentary evidence for each other party made known to the notifying party. Compliance with this Rule is especially important in relation to documents that are not easy to photocopy because, for example, they are coloured or not A4 size.
26. Where a party has given notice under Rule 25, the Licensing Service shall forthwith communicate all the relevant documentary evidence to the other party/parties if possible by electronic means or by the most rapid practicable alternative means.
27. Where a party has complied fully with Rule 25, that party shall have the right to have the relevant documentary evidence admitted and, subject to the provisions of the Hearings Regulations, the Sub-Committee shall take such evidence into account in making its decision.
28. In any case where a party wishes to rely upon documentary evidence but has not fully complied with Rule 25, then at the commencement of the hearing the Sub-Committee shall follow this procedure: -
 - (a) the Chair shall establish whether the other party/parties consent to the documentary evidence being admitted, and
 - (b) if all the other parties so consent, then the documentary evidence shall be treated as if Rule 27 applied to it, or
 - (c) if any party does not so consent, and the documentary evidence has only been made available to all the parties at the hearing, then the Sub-Committee shall generally refuse to admit it, or
 - (d) if any party does not so consent, and the documentary evidence has been made available to all the parties before the hearing but there has not been full compliance with Rule 25, then the Sub-Committee shall decide whether to admit the documentary evidence nonetheless, and
 - (e) in making its decision under Rule 28(d), the Sub-Committee shall have regard to any reasons given for the late production of the documentary evidence, or other non-compliance with Rule 25.
 - (f) in making its decision under Rule 28(d), the Sub-Committee shall consider how far any other party may be prejudiced by the late production of the documentary evidence, or other non-compliance with Rule 25, and also the extent of the prejudice to the party seeking to rely upon the evidence if its admission is refused.
 - (g) in making its decision under Rule 28(c) and/or 28(d), the Sub-Committee shall consider whether it would be desirable in the public interest to adjourn the hearing for any period of time, or to another date, in order to allow any other party a reasonable opportunity to consider the documentary evidence.

- (h) in making its decisions under Rules 28(d) and 28(g) above, the Sub-Committee shall consider any representations by the parties and the advice of its legal representative.
- 29. Where a party wishes to rely upon documentary evidence at a hearing but considers that any details of that evidence should be treated as confidential e.g. the name or address of the signatory of a letter, then the party may request that such details are redacted and the Licensing Authority will decide whether the information can be kept confidential or whether an application should be made under rule 30. Any notice given or relevant representation made to the Licensing Authority must state the originator's name and address in order for it to be valid.
- 30. In any case where there is a request for confidential details to be excluded under Rule 29, the Licensing Service must be informed whether a request will be made by the party under Rule 37. If permission is refused under Rule 38, the whole or part of the relevant documentary evidence may be excluded from consideration. If permission is granted to exclude any confidential details, this may affect the weight to be given to the rest of the related evidence under Rule 55.
- 31. Where a party wishes to rely upon a model, or any form of evidence that cannot be photocopied, at a hearing that party must give written notice to the Licensing Service of this intention no later than ten working days before the date of the hearing. The party seeking to rely upon such evidence shall indicate in the notice, so far as practicable, the nature of that evidence and the purpose(s) of producing it.
- 32. Where a party has given notice under Rule 31 the Licensing Service shall forthwith communicate all relevant information about the evidence to the other party/parties if possible by electronic means or the most rapid practicable alternative means.
- 33. Rules 25 to 28 shall be applied to evidence of the type described in Rule 31 with a presumption that such evidence will be admitted if it materially helps the Sub-Committee to understand relevant issues between the parties at the hearing.

I. Petitions

- 34. Petitions shall on each page state their purpose and contain a warning to potential signatories that they are liable to be made public and that a copy will be supplied to other parties to the application. Each person signing should print their name and address legibly. At the end a petition must state the name(s) and address(es) of the persons circulating the petition and the dates on which this took place.
- 35. A petition must comply with Rule 34 unless the Sub-Committee decide to waive compliance with any requirement(s) for a good reason. A petition shall also be treated as documentary evidence and Rules 25 to 28 shall apply.

J Private Hearings and Confidential Evidence

36. In accordance with the Hearings Regulations, hearings shall take place in public unless a decision to the contrary is made under Rule 38 in any case.
37. Where a party or a witness consider that any giving of evidence, or part of any evidence, or part of a hearing, should be held in private, then the party or their witness shall make such request to the Chair at the commencement of the hearing.
38. The Sub-Committee may decide to exclude members of the public from any part of a hearing and/or treat any evidence as confidential where the Sub-Committee consider that the public interest in preserving the confidentiality of any evidence outweighs the public interest in that part of the hearing taking place in public.
39. For the purposes of Rule 38, a party, a witness and any person assisting or representing a party, may be excluded from any part of a hearing or from hearing or seeing any particular evidence. Where the Sub-Committee decide to hold part of a hearing in private, a party and/or his/her representative shall only be excluded in exceptional circumstances.
40. Where the Sub-Committee decide to hold part of a hearing in private, the officers of the Licensing Service shall only be excluded in exceptional circumstances. The Committee Clerk and legal representative shall not be excluded.
41. Before making any decision under Rules 38 or 40, the Sub-Committee shall consider the advice of its legal representative.
42. Where any part of a hearing takes place in private, the hearing will be adjourned immediately thereafter for a period of time sufficient to enable the Committee clerk to prepare a fair summary of the evidence and proceedings heard in private. This summary will exclude all details that the Sub-Committee, acting with the advice of its legal representative, consider should remain confidential. Upon the resumption of the hearing, the summary will be read out publicly in the presence of all the parties.
43. Rules 36 to 42 shall apply as nearly as may be practicable to documentary evidence where, with the consent of the Sub-Committee, confidential details may be disclosed to the Sub-Committee but excluded from disclosure to the public or persons mentioned in Rule 39.
44. Rules 36 to 42 shall apply, as nearly as may be practicable, where a witness wishes to disclose his/her name and/or address or other details only to the Sub-Committee and Council officers but not to the public or persons mentioned in Rule 39.

45. Whenever any evidence or information has been treated as confidential under Rules 36 to 44, the Sub-Committee shall consider whether to alter the weight given to that evidence in accordance with Rule 55.

K. Commencement of the Hearing

46. At the commencement of each hearing the Sub-Committee shall follow this procedure but may omit or abridge any step or Rule as appropriate -
- (a) The Chair will introduce him/herself and invite the Members and officers to introduce themselves
 - (b) The Chair will invite the parties to introduce themselves and their representatives (if any)
 - (c) The Chair will invite Members to disclose any contacts they may have had before the hearing with the parties or lobbyists for them which do not constitute a personal, prejudicial or disclosable pecuniary interest in accordance (see the guidance contained in section Q).
 - (d) If any party fails to attend the hearing, the Sub-Committee shall decide whether to proceed with the hearing in the absence of that party or whether to adjourn the hearing to another date. The Sub-Committee shall have regard to Rules 19 and 20 and Regulations 12 and 20 of the Hearings Regulations in making such decisions.
 - (e) The Chair will explain the procedure to be followed by reference to these Rules and the Summary procedure for that hearing.
 - (f) The Chair will suggest the order of the topic headings for discussion at the hearing and will then invite the comments of the parties. In the light of such comments the Sub-Committee will confirm the order of the topic headings or amend them.
 - (g) The Chair will ascertain whether there are any requests by any of the parties to call a witness and the Sub-Committee will then determine any such request under Rule 24.
 - (h) The Chair will ascertain whether there is likely to be a request from any of the parties to cross-examine a witness called by another party and, if so, the reasons given for seeking a cross-examination. The Sub-Committee will then determine whether to allow such cross-examination in the interests of establishing relevant facts.
 - (i) The Chair will ascertain whether there are any requests by any of the parties to produce documentary evidence, including models etc., and whether there has been full compliance with Rules 25 to 32. In the event of any non-compliance these Rules, the Sub-Committee shall decide whether to admit the evidence and/or adjourn the hearing under Rules 28 to 33.
 - (j) The Chair will ascertain whether there are any requests by any of the parties to treat any evidence as confidential or to hear any of the evidence, or hold any part of the hearing, in private. If so, the Sub-Committee shall decide the request under Rules 38 to 44.
 - (k) In any case where the Licensing Service has informed a party that there are particular points on which the Sub-Committee will need clarification, the Chair will then invite the party to provide such clarification.

L. Procedure and Evidence at Hearing

47. For remote hearings all Members and parties must have their cameras on for the duration of the hearing.
48. All Members and parties should mute their microphones until invited to speak by the Chair and only one person should speak at any one time. If anyone wishes to speak during the hearing they should press the raise my hand button on the menu bar and wait to be called by the Chair.
49. In accordance with Hearings Regulations, the hearing shall take the form of a discussion led by the Chair. With permission of the Chair the other Members of the Sub-Committee may ask questions of the parties, their representatives and witnesses and may lead the discussion on specific topics or points. When making their initial representation, each representative/party will be given 5 minutes to address the Sub-Committee with the Chair having the discretion to extend this time limit if appropriate, e.g. if the application is complex.
50. The hearing shall follow the order of the topic headings determined under Rule 46 (f) unless there is a good reason to depart from this agreed by the Sub-Committee.
51. The Chair, or Member leading the discussion, shall endeavour to ensure that each party has a reasonable opportunity to explain their case under each topic heading. The parties, their representatives and witnesses have a duty to make their evidence and comments succinct and relevant to the issues under discussion.
52. A party shall not be permitted to cross-examine another party or their witness unless this has been allowed under Rule 46 (h). If a party has concerns relating to the evidence or comments of another party or their witness, this should be explained to the Sub-Committee so that the Chair can question the other party/witness about these concerns before completing that topic heading.
53. Where permission has been given to a party to call a witness, that witness may give evidence in one or more stages when the discussion covers the appropriate topic heading(s). Normally, a witness will be invited by the Chair to make a statement. The witness will then be subject to cross-examination by the other party/parties if this has been allowed under Rule 46 (h). Then the Sub-Committee may question the witness. A party shall not re-examine his/her own witness except with the consent of the Chair to clarify a significant point in earlier evidence.
54. At the end of each topic heading the Chair shall invite the Licensing Service or legal representative to make any comments that they may consider necessary. With the consent of the Chair, these officers may question parties or witnesses directly or put their questions through the Chair.

55. Strict legal rules of evidence shall not apply. However, in considering what weight to place on the evidence or comments of any party or witness, the Sub-Committee shall have regard to the extent to which information was: -
 - (a) within a witness' direct knowledge, and
 - (b) clearly and specifically related to the points at issue in the hearing, and
 - (c) tested by questioning.
56. The Chair shall be responsible for the orderly conduct of the hearing. If any Member or a party loses their connection during a remote hearing, the meeting will be adjourned until they are able to rejoin and any evidence or representation they have missed will be rerun.
57. The Chair may require any person to be silent and if necessary may mute their microphone during a remote meeting. The Chair may regulate the order in which persons speak at the hearing. The Chair will endeavour to prevent remarks which are repetitious or irrelevant or which amount to unsubstantiated offensive allegations against any person, present or not.
58. After a warning the Chair may require any person at the hearing who is considered to be behaving in a disruptive manner to leave the meeting and may prohibit his/her return except on compliance with specified conditions. For a remote hearing the Chair may exclude a person from the hearing by muting their microphone or by removing them from the meeting. This can be for a period or for the remainder of the hearing. A person excluded from a hearing under this Rule may put in writing any information or submission they intended for the hearing. For a remote hearing this may be done by way of an e-mail to the Committee Clerk. The Sub-Committee must take any such information into account in reaching its decision.
- 59.. The Chair on his/her own motion may indicate the decision of the Sub-Committee on any procedural matter within the scope of these Rules notwithstanding that the decision is stated in these Rules to be that of the Sub-Committee. This is subject to the right of any Member, who makes an immediate request, to have the matter put to the vote of the Sub-Committee as a whole. Rules 69 will apply to such a vote.
60. In accordance with the Hearings Regulations, each party has the right to make a closing address to the Sub-Committee in order to summarise his/her case at the end of the hearing. Unless the applicant consents to a different order, the applicant shall have the right to make the final address.
61. Each party must be allowed an equal maximum period of time to make a closing address. Normally, the Chair will invite each party to state how much time that party will require. However, the Sub-Committee may fix a greater or lesser maximum time for each closing address provided that this is reasonable in relation to the weight and complexity of the issues at the hearing.

M. Time Limit for Hearings

62. At 9.30 p.m. the Chair must ask the Sub-Committee to agree –
 - (a) to continue the hearing in hand and, if necessary, to suspend these Rules so as to allow it to continue for a reasonably short time beyond 10.00 p.m. when this is necessary to complete the hearing and advisable in the interests of fairness, or
 - (b) to adjourn the hearing until a date to be fixed.
63. Hearings shall not normally continue later than 10.00 p.m. and no new hearing shall be commenced after 9.30 p.m. *unless the chair determines that it is urgent.*
64. To facilitate hearings concluding before 10.00 p.m. for all hearings the Chair may impose time limits for representations or closing addresses.

N. Decision Making

65. At the end of a hearing the Sub-Committee may confer publicly or in private and announce its decision on the application(s) immediately.
66. The decision(s) will be summarised in writing and the Sub-Committee will return to the public meeting so that the Committee clerk can read out the decision(s) in the presence of all the parties and their representatives.
67. The Sub Committee may give its decision at the end of the hearing. This is most likely where it relates to a TENS application, summary review or a hearing following a closure order.
68. Alternatively, the Sub-Committee may provide the decision in writing within 5 working days commencing with the day of the hearing.
69. In any case, and whether or not Rule 65 applies, the Sub-Committee may retire with the Committee clerk and legal representative to deliberate in private.
70. The Sub-Committee, if making a decision at that time, must reach their decision by a majority vote.
71. If the Sub-Committee require any clarification of matters of fact before reaching their decision(s), and the decision is being made immediately, the Sub-Committee shall return to the public meeting and put questions to the parties, their witnesses or the Licensing representative in the presence of all the parties and their representatives.
72. If the legal representative gives legal advice on any point(s) material to the Sub-Committee's decision(s), this advice will be summarised and read out by the

legal representative in public before the Committee Clerk reads out the decision(s).

O. Waivers and Irregularities

73. The Chair may agree to waive any of these Rules, including any time limit, in the case of any individual application where he/she considers that there is good reason to do so. Excepted from this power to waive are Rules 14 to 17 (inclusive). Any permanent variation of these Rules must be decided by the Licensing Committee.
74. Any irregularity arising from any failure to comply with any provision of these Rules before the Sub-Committee has made a determination shall not of itself render the proceedings void.
75. In any case of such an irregularity the Sub-Committee shall, if Members consider that any person may have been prejudiced as a result of the irregularity, take such steps as Members think fit to cure the irregularity before reaching a determination of the application(s). In any such case the Sub-Committee shall consult the legal representative before deciding upon any steps to cure the irregularity.
76. In any case where it appears after the Sub-Committee's determination that the decision has been vitiated by incorrect information or any procedural or legal error, the Legal Representative shall advise the Chair of this and of the steps necessary to remedy the problem. With the consent of the Chair, the Sub-Committee may reconvene to take the steps advised and/or to amend its decision. With the consent of the Chair in an appropriate case, the Members of the Sub-Committee may signify their consent to any steps advised and/or any amended decision without reconvening in person. When the legal representative so advises, the parties affected shall be invited to a reconvened hearing or, where appropriate, to signify their consent to any steps proposed without attending in person.

P. Councillors who are not Members of the Licensing Sub-Committee

77. A Councillor, who is not a Member of the Sub-Committee determining the application in question, may participate in the hearing but only if the Councillor is an objector who has made relevant representations in accordance with the Hearings Regulations and the Acts, or if the Councillor has been asked to attend by a party in order to act as a witness or a representative for that party.

Q. Cases Remitted by the Magistrates on Appeal

78. On an appeal to the Magistrates Court, the Court may remit the case to the Council for it to determine in accordance with the Direction of the Court. The Chair of the Licensing Committee on legal advice may wish the Council to contest that Direction by further legal proceedings. If not, the Chair will receive advice from the Head of Legal Services on how to comply with the Direction of the Court and will be requested to agree the appropriate

procedure. So far as possible, these Rules will apply to any further hearing with such modifications as are advised to secure compliance with the Direction of the Court.

R. Guidance: Councillors' Participation in Hearings and Members' Interests

1. It is the responsibility of individual Councillors to disclose any interest they may have when sitting as a Member of or participating in a Licensing Sub-Committee hearing.

The Council's Code of conduct for Members defines three categories of Members' interests:

- Disclosable pecuniary interests (DPI's)
- Prejudicial interests
- Personal interests

These are explained in detail at sections 4 to 6 and Appendix A of the Members' Code.

2. Whenever a Councillor, sits as a Member of the Sub-Committee, or intends to participate in a hearing in accordance with Rule 65, the Councillor must consider whether s/he has a personal interest or a prejudicial interest or a DPI and make any declaration and/or withdraw from the hearing as required.
3. If the Member has a DPI or a prejudicial interest in the application s/he must declare the existence and nature of that interest and withdraw from the meeting without discussing or voting on the application. Failure to disclose a DPI is a criminal offence (see Appendix B to the Members Code)
4. Where a Councillor has a personal interest in the decision on the application being determined by the Licensing Sub-Committee, although s/he is not obliged under the Member's Code to make a disclosure of that personal interest to the meeting, s/he should disclose the nature of the interest because of the quasi judicial functions of the sub-committee. If a Member has a personal interest (which does not constitute a DPI or prejudicial interest) s/he can participate in debate and vote on determination of the application. However, due to the quasi judicial functions of the sub-committee, a Councillor should avoid doing so where there is a real possibility of actual or perceived bias. The test is what a fair minded and informed observer would conclude and not the views of the Councillor concerned.
5. Any Councillor who has a prejudicial interest in an application (which does not constitute a DPI) may attend the hearing but only for the purpose of making representations, answering questions or giving evidence relating to the application and provided that the public have not been excluded from the hearing or that part of it. The Member must withdraw from the meeting immediately after the matters permitted above are completed and must not seek improperly to influence any decision about the application.
