### **Annex 3 – Conditions attached after a hearing by the licensing authority**

**RESOLVED: 21<sup>st</sup> August 2023**

The Committee decided to GRANT the application for a new premises licence Subject to conditions proposed as part of the operating schedule.

#### **Reasons**

The Committee gave serious consideration to the submissions by the applicant and to the concerns raised by the objector. It was noted that early objections which had been raised by the Police and Local Authority Noise Team were withdrawn after the Applicant had engaged with them and agreed the suggested conditions. Thereafter there was one objection from a member of the public who did not attend the hearings but submitted written representations, which the Committee took appropriate and proportionate account of, taking note of the points made by the Applicant's representatives regarding any weight to be attached to an Objector who does not attend the hearing.

The Committee put the concerns raised by the Objector regarding a party which had taken place without license causing noise from patrons and alleged smells emanating from cooking. The Applicant was able to provide answers which the Committee accepted as being reasonable. The Applicant stated that once the warning was given about the party, the noise was immediately turned down. There have been no further complaints or statutory abatement notices. It was noted that the Applicant stated that a noise limiter would be installed. With regards to the smell it was noted there was no current evidence of such smells and in any event the extractor fans installed are of the highest specs and no concerns were raised by the noise team.

It was finally noted that the hours requested are minimal hours which allow the Applicant to demonstrate their ability to comply with the License conditions.
