**To:** Licensing  
**Subject:** Re: EROS GROCERS. 120A Alexandra Park Road LONDON N10 2AE.

**Attn: Kendra Olsen, Licensing Administrator.**

I write to state my objection to a 24 hours 7 days a week Licence to sell Alcohol at the above premises.

Next door to the premises there is already an Off Licence "Capitol" and opposite is a Public House so there is no shortage of outlets for alcohol.

At Capitol I have witnessed disturbances caused by unruly behaviour and this will only be upgraded and aggravated should alcohol be available 24/7 at these premises.

The area is not one that lends itself to late night usage as for instance near a rail station or busy night spot. This is a residential area and a shop selling alcohol 24/7 has no place as its clientele will cause a public nuisance at unsocial hours to residents.

Children live in the flats that are integral to and immediately above premises, indeed the front door of the flats is next to the shop entrance, and it would be harmful to the children's good upbringing for them to live on top of a shop selling alcohol 24/7.

It is for these reasons I ask that the change to 24/7 licensing hours is not granted.

Yours faithfully,

*John Leach,*

10, Wellfield Avenue,  
LONDON. N10 2EA.

**Subject:** Eros Grocers

Dear Sir

Re: Eros Grocers: 120A Alexandra Park Road, Muswell Hill, London, N10 2AE

I understand that Eros Grocers are applying to have a 24hr licence for selling alcohol. Although I wish them the best with their business and wish to support local shops, I feel that I have to voice my concerns.

This is a residential area and normally very pleasant, but that corner of Grove Avenue and Alexander Park Road has in the past been a hang-out for groups of teenagers (I'm not referring to local school children here, but older youths). It fell victim to vandalism, namely the destruction of the library wall.

The sale of alcohol 24hrs a day can only serve to attract back that kind of activity. I really don't think that it would be good for the community.

Many thanks for your time.

Yours sincerely

Alice Beaven

**To:** Licensing  
**Subject:** Eros Mini Mart, 120A Alexandra Park Road

Dear Sirs,

I have been informed that the Eros Mini Mart at 120A Alexandra Park Road has applied for a round-the-clock licence to sell alcohol.

I object to planning permission for this on the grounds that it is likely to increase crime and public disorder in the area.

This is not a town centre, where residents and visitors might expect groups of people to be socialising at any time of the night, this is a quiet suburban neighbourhood where the local pub and wine bar close at manageable times. A 24-hour off-licence will change the nature of that and the problems will extend beyond a matter of disturbance of residents. It will also distract the police who are going to be called out more frequently to deal with noise and order issues in an area about which they otherwise do not have to worry too much.

**Subject:** Eros mini mart

Dear Sir/ Madam,

I wish to object to the 24hr licensing application that Eros mini market has applied for.

This is a highly residential area, with a couple of primary schools within walking distance. there is already a problem with anti-social behaviour in this area and it seems this problem can only grow by giving young people the opportunity to buy alcohol throughout the day and night. I object on the grounds of protection of children from harm, public safety, prevention of crime and disorder and public nuisance.

I look forward to your response.

**To:** Licensing  
**Subject:** Eros mini market

I strongly object to the above being granted a 24 hour alcohol licence. We already have problems with youths hanging around that corner drinking. I personally have had my car vandalised and am aware of neighbours who have encountered similar problems.

When I have asked the youths to pick up their rubbish that they openly discard on the ground I have faced angry and aggressive responses. This can only get worse if they have 24 hour access to alcohol.

This is a residential family community which will be blighted if Eros Mini Mart is granted a 24 hour alcohol licence.

Please do not grant this licence.

**Subject:** Licensing application Eros Mini Mart Alexandra Park Rd

To whom it may concern

I am emailing to object to the granting of this licence. As a resident of nearby Grosvenor Rd I am concerned that the granting of this licence will exacerbate a problem that already exists outside this particular store. The pavement outside the store is already a gathering place for teenage kids loitering in a way that from time to time can be quite intimidating. There have been a number of street crimes in the area and several incidents of threatening behaviour. I believe Eros itself has been the victim of a number of break-ins and burglaries. The opportunity to purchase alcohol 24 hours a day, 7 days a week will only make this situation worse, and is quite inappropriate in a residential area of this nature.

Regards

Steve Cox  
47 Grosvenor Road

**From:** [redacted]@btinternet.com]  
**Sent:** [redacted]  
**To:** Licensing  
**Subject:** Representation against EROS GROCERS 120a Alexandra Park Road

Dear Sir/Madam,

I wish to make a representation against the licence application for EROS GROCERS at 120a Alexandra Park Road, Muswell Hill, N10 2AE.

I wish to object against the application for a 24 hour Licence to retail alcohol for the following reasons under each Licensing objective.

#### THE PREVENTION OF CRIME AND DISORDER.

Currently there are no measures in place to cope with the prevention of crime and disorder. Any premises that retails Alcohol after 11pm should have a registered SIA doorman on duty to help prevent disorder when drunks who leave bars and clubs arrive at the shop to purchase more alcohol. There is no quality, colour, digital, CCTV to monitor sales for 30 days and to act as a deterrent against crime and underage sales.

The location of the shop is predominantly residential and the granting of a later licence at EROS Grocer will have a negative cumulative effect in the immediate surrounding area. The other shops will all wish to have the same hours permitted to retail alcohol. Eros grocers is located in a small parade of shops intended to serve the immediate neighbourhood. There is no demand to purchase alcohol later at night. How will Eros Grocers prevent domestic violence that is on the increase in the borough, I believe it cannot prevent domestic violence but it can fuel it by selling more alcohol. Alcohol consumption will increase and there shall be sales of alcohol to people who have already been drinking in the pubs, clubs and bars long after they have closed. Inevitably the drinking of the alcohol shall be in the parks and open spaces/golf club grounds that surround the Eros grocers store.

I wish to make a representation under the licensing objective prevention of public nuisance. Late night revellers will focus on making the journey to the area in order to purchase alcohol after the pubs and bars have closed.

Boisterous people who have already had enough to drink are then encouraged to drink even more as the alcohol is readily available. Boisterous people make noise, Car doors slamming as mini cabs & other vehicles arrive and leave. This will lead to more traffic and noise to the neighbourhood late at night.

People will be encouraged to drink the alcohol in the parks and open spaces/golf club grounds that surround the Eros grocers store this will lead to noise and disturbance in this residential area. There will be a greater strain on Police resources to combat street drinking and drinking in open spaces.

I wish to make a representation under The protection of children from harm.

The store is very close to major schools including the Alexandra Park Secondary School and Rhodes Avenue Primary Schools. Under 18's "hang out" outside the store. There is a history of underage sales to youths in this immediate vicinity. The pressure to sell alcohol to a group of youths who demand alcohol is very great when there is no adequate digital CCTV or SIA registered security guard on duty.

I wish to make a representation under the licensing objective of Public Safety.

I believe domestic violence will increase if more alcohol is available late at night. How will Eros Grocers prevent domestic violence that is on the increase in the borough, I believe it cannot prevent domestic violence but it can fuel it by selling more alcohol. Alcohol consumption will increase and

there shall be sales of alcohol to people who have already been drinking in the pubs, clubs and bars long after they have closed. I believe violence will increase in the surrounding parks, Alexandra Park + Durnsford sports and recreation ground due to an increase in alcohol consumption late at night.

This location is predominantly residential and the Eros Grocers store whose customers support it by shopping there should respect that.

kind regards

**Subject:** Objection to Eros (Alexander Park Road) application for 24hr license

I would like to object to the idea of Eros store having a 24 hour license to sell alcohol. There are already has many other shops that sell alcohol during normal hours and a pub. I believe that a 24 hour license in this row of shops would only encourage under-age drinking and anti-social behaviour during the night. The police and community groups have spent much effort in recent years to prevent loitering and deter anti social in this area and we should keep it that way.

**Eros Grocers**

120A Alexandra Park Road, Muswell Hill, London, N10 2AE  
Alexandra

We object to the application for a 24 hour licence for sales, including alcohol. This is a family area and alcohol is already easily available for a large part of the day at many outlets across the area. We are concerned that it would lead to increased attraction of rowdy and undesirable behaviour – the sort of behaviour that recently plagued Alexandra Park library.

Many thanks

Eveleen and Tony Sayers.

**Subject:** 'Eros' Licensing application

**Follow Up Flag:** Follow up  
**Flag Status:** Red

Dear Sir or Madam,

May I add my voice to those objecting to the licensing application by the 'Eros' grocery store on Alexander Park Road. The store itself has a poor record as regards its responsibility towards the community, for example the arbitrary attitude to 'Sell By' dates.

The immediate area surrounding the shop has only recently been cured of antisocial and threatening loitering, and the last thing needed is an excuse for a resurgence of this, only fueled by alcohol, and around the clock.

The area is served perfectly well by a pub and a wine bar, as well as off-licence facilities: there is now need for any more selling of alcohol in the area.

Yours faithfully,

Dan Shafran

**To:** Licensing  
**Subject:** Eros 24 Hour Opening Request - Alexandra Park Road  
**Follow Up Flag:** Follow up  
**Flag Status:** Completed

Dear Sirs

It is impossible to fill out and attach your objection form online, so I am sending you this email to object to the granting of 24 hour licence to the Eros store in the parade of shops on Alexandra Park Road opposite the Maid of Muswell Pub.

This is a residential area, and the Maid of Muswell pub serves alcohol to reasonable local people who wish to consume alcohol in a responsible fashion. As with the shops at Bounds Green underground station, all night opening and selling of alcohol encourages our young people to congregate in these places and the owners are all too happy to sell alcohol to underage children, despite requests from parents to the police to monitor the situation and issue warnings.

In such a quiet area as Alexandra Park, all night opening would only encourage young people to hang around this area and consume alcohol, which has been a problem in the past. It is unacceptable that this should start again, when it has been successfully stopped.

It is also threatening for local residents to have to pass such places as they return home at night, where there may be gangs of youths congregating. It is intimidating to many.

I thank you to consider this very strong objection and not to grant a 24 alcohol and opening licence to Eros.

Yours sincerely,

Martine Iland  
(Local Resident)

**Subject:** Licence Application, Eros Supermarket  
**Follow Up Flag:** Follow up  
**Flag Status:** Red

Dear Sir or Madam,

I would like to object to the 24 hour licence application from the Eros Grocery Store. My grounds for objection are that I understand that the sale and consumption of alcohol, particularly on the street, can easily lead, if not necessarily to crime and disorder, at the least to antisocial behaviour and public nuisance. For some time, in recent years, there was a problem of minor youth vandalism on this corner, which has, with the considerable help of the SNT, finally been dealt with. Making alcohol more freely available could easily lead to the resumption of this kind of behaviour.

The ample supply of alcohol for sale in the immediate vicinity, either in off sales or in bars and pubs, would seem to be sufficient for anyone except the most desperate and hardened drinkers (not people who we particularly wish to see hanging about in this residential area). As we live on the main road leading to the shop, it already causes a lot of disturbance to our children and ourselves, including being woken up by drunk people being very loud at night. Allowing the Eros Store to sell alcohol 24 hours would increase the problem. Could you therefore please pass on this letter to the relevant council officer? Thanks for taking time to read this letter and support us in this matter.

**To:** [redacted]  
**Subject:** License Application - Eros Supermarket  
**Follow Up Flag:** Follow up  
**Flag Status:** Red

I wish to object to the application for a 24 license by Eros Grocery Store.

The area around Eros is predominantly residential and largely populated by families. There is good provision for purchasing alcohol in the area both at the local bars and pubs and from existing off licenses until late into the evening already. The provision of a license to sell alcohol beyond pub closing times can only encourage excessive drinking – often on the street - which can lead to anti social behavior, crime and general public nuisance.

The area around Eros has suffered from antisocial behavior and vandalism in the past with young people congregating on the wall which used to surround the library. This problem has largely been eradicated with support from the local police but making alcohol available in this area throughout the night will only encourage a resumption of this behavior and possibly worse. I believe that there is already a problem in the area due to drinking on the street resulting from the opening of the Elementz bar.

I can see no justification in encouraging 24 hour street drinking in such a residential neighborhood. Granting this license can only benefit the finances of this one small business to the detriment of an entire community.

I certainly object to the Eros store in Alexandra Park Road having an extension of its license to sell alcohol. This is near the school and the recreation ground and therefore a place where young people already tend to congregate. An extension of hours will exacerbate the problem in this residential area. I hope permission will be refused.

I wish to OBJECT to the application made by Eros Grocery for a 24 hour licence to sell alcohol. Such provision is totally inappropriate and unnecessary for this residential area. There are establishments in the area providing for the taking of alcoholic beverage - pub, wine bar, off-licence - which enables adequate access to alcohol during acceptable social hours. Any extra facility to acquire alcohol after normally accepted hours could serve to encourage (excessive) consumption in the surrounding area, particularly the nearby park and may well lead to unsocial behaviour. Any such development would negate the sterling work done by the Safer Neighbourhood Team in dealing with unruly behaviour in the park and surrounding area in the recent past.

I would prefer that my personal details were not made public. I would be grateful to be told of the final decision.

**Sent:** 02 July 2010 23:28  
**To:** Licensing  
**Subject:** FAO: Ms Dale Barrett  
**Importance:** High

Dear Ms Barrett,

I write to object to the 24 hour licensing proposal put forward by the new management of the Eros Mini Mart at 120A Alexandra Park Road, N10.

I believe that this would have a disastrous effect on the local community as there have already been incidents with anti-social behaviour by youths outside this shop. Indeed, it is rumoured that underage selling is the reason that these youths gravitate towards this corner of Alexandra Park Road. I am therefore very concerned that a 24 hour alcohol license would not only mean rowdy behaviour all night, but also mean that underage drinking would be taking place without any constraints. After all, who would be monitoring this situation at 2.00 or 3.00 am when it can't be properly controlled during waking hours? Furthermore, when my daughter (15) and her friend (who lives in Finchley) were coming home last week, they had to pass a gang of boys outside Eros. My daughter reported that her friend felt so intimidated that she insisted on crossing the road in order to avoid them.

Also, there is a public house opposite this shop and it could encourage people to continue their drinking after the pub has closed. This is a family neighbourhood and I think that Haringey Council should not issue an 24 hour drinking license if it wants to continue its excellent reputation for good schools and family homes in this area.

Thank you for your attention.  
Yours sincerely,

ZDR

Subject: [mailto:barrett@beyond.co.uk]

Dear Ms Barrett,

We wish to lodge an objection to the application from Eros Grocers, 120A Alexandra Park Rd., Muswell Hill N1- 2EA for a licence to sell alcohol 24- hours a day.

This business is located in a quiet residential area where there is no demand or desire for alcohol to be sold around the clock. Our objection is based on the following four points: prevention of crime and disorder, public nuisance, public safety and the protection of children from harm.

Since the shop changed ownership recently it has become a magnet for anti-social youths. On June 29 our 12-year-old son was followed from the shop by an older youth who one of a group who haven taken to loitering outside. The youth demanded money and when our son refused asked him where he lived. Our son managed to get away and ran home in an extremely distressed state. The police were called and our son went with them to try to find and identify his would-be mugger. It did not take long. The youth had already returned to the shop to await his next potential victim. Unfortunately the police were unable to charge him as our son had refused to hand over his money and was lucky enough to escape unhurt. The next child may not be so lucky. We are happy to provide the CAD reference to confirm this incident if required.

The following day we spoke to the staff/owners of both the Eros Mini Mart and the Capital Supermarket next door. There may have been language issues, but the gentleman at Eros was initially dismissive and seemed more concerned that he was being accused of selling alcohol to the youths. However, both shops were aware of the youth and said that he was in the habit of asking adults entering the shops to purchase alcohol and cigarettes on his behalf. They also said they had caught him trying to steal from their shops.

We have since learnt of another, successful, mugging and an incident in which a younger child was bullied and threatened by youths outside the shop.

In the past, staff and management of both the Eros Mini Mart and Capital supermarket have worked together and with the local police to deter antisocial behaviour on this parade of shops. We believe the Capital Supermarket continues to do so but have no confidence that the management and staff of the Eros Mini Mart has either the commitment or capacity to deal with these troublemakers. The fact that both shops said these youths often ask adults to buy alcohol for them would suggest that on some occasions they are successful. If they were not, they would presumably give up and try elsewhere.

An extension of the alcohol licence will attract even more troublemakers and lead to a rise in crime, nuisance and public disorder. We implore you to refuse it.

Yours sincerely,

**Response- OBJECT**

Prevention of crime and disorder and Public Nuisance

Parade of shops is a local parade in a residential area, not in a high street. It is already attracting youth that congregate in the mews lanes behind and around the parade. There is a bar called Elementz which has late license, and this will mean another hotspot when youth finish there can go there to carry on drinking. For the Safer Neighbourhoods Team have to be consulted. The back alley ways behind this parade will invite this. SNT do not work after 7pm so this is really a bad idea. There is a sensitivity because there are many dwellings on top of that parade, block of flats, built upwards overlooking the road, and this will cause a noise nuisance after hours.

Further there are young girls lurking in the mews behind being seen after hours, this variation will exacerbate that problem, and help to create a nightlife in the early hours.

**From:** C  
**Sent:** 05  
**To:** Licensing  
**Subject:** re Application by Eros Grocers, 120A Alexandra Park Rd, London N10 2AE for 24 hour licence

Dear Sir/madam,

As a local resident, I wish to object to this application on the following grounds:

- This shop is surrounded by quiet residential areas on all sides. I do not think there is local demand for 24 hour access to an alcohol outlet. Alcohol is already available during reasonable opening hours from this shop and from the other 2 supermarkets in the same parade of shops, from the family friendly pub across the road in the Maid of Muswell and a new branch of Wine Rack which is also to open shortly
- a 24 hour licence could bring increased crime and disorder into what is a peaceful residential area
- As a local resident, an important part of this neighbourhood's appeal is that it feels quite safe to walk about at night. Any late night alcohol fuelled disruption could adversely affect public safety.
- This particular shop is much used by local teenagers from Alexandra Park School both during and after school hours

I hope that this application will be refused by the Council and would like to be informed of the outcome.

**I do not want my address to be included in any public documents associated with this application**

Yours faithfully

re: '24-hour alcohol licence' .

I do NOT object

We live at 68 The Avenue opposite and there is NO trouble from this shop

May I remind you there is the Super Market NEXT door which sells a far wider range of alcohol than Eros Mini Mart ever did under it's previous owner.

The 4 P's of 'Prevention of crime and disorder'  
'Public Safety'  
'Public nuisance'  
'Protection of children from harm'

Have NO relevance in this case unless the Super Market next door has its present licence revoked form with and the Maid of Muswell is also closed. Then and only then can this case be considered for a refusal.

Mr. Charles De Grussa
