If the sub-committee were to grant this application then we would recommend the following alterations/conditions to the operating schedule:

Operating hours

That regulated entertainment ceases at 20:30hrs.

Reason: to prevent noise breakout when the premises close.

Supply of Alcohol to stop at 20:30hrs to allow for a "cooling off" period prior to premises closing at 21:00hrs.

The last person to be admitted to the premises at 20:45hrs, and to only be able to purchase soft drinks.

Prevention of nuisance from noise / vibration

All doors and windows will remain closed during the licensed regulated entertainment activities. Where necessary adequate and suitable mechanical ventilation should be provided to public areas

Sound limits

The licensee shall ensure that no music played in the licensed premises is audible at or within the site boundary of any residential property

Outside Areas

No music will be played in, or for the benefit of patrons in external areas of the premises

No form of loudspeaker or sound amplification equipment is to be sited on or near the exterior premises or in or near any foyer, doorway, window or opening to the premises

Signs shall be displayed in the external areas/on the frontage requesting patrons to recognise the residential nature of the area and conduct their behaviour accordingly. The management must reserve the right to ask patrons to move inside the premises or leave if it is felt that they could be disturbing neighbours

The number of persons permitted to utilise the external area/frontage will be restricted to eight people. A sign to be erected advising customers in the external front forecourt area to keep noise to a minimum.

The external rear smoking area will be closed and patrons requested to come inside the main structure of the premises at 20:00hrs (8 pm). The front forecourt area to be used for smoking thereafter until the premises close.

Deliveries and collections.

Glasses will be collected from the external area at the beginning of the day rather than at closing time when neighbours in close proximity might be unduly disturbed

Empty bottles and non-degradable refuse will remain in the premises at the end of trading hours and taken out to the refuse point at the start of the working day rather than at the end of trading when neighbours might be unduly disturbed

Plant and machinery

All plant and machinery is correctly maintained and regularly serviced to ensure that it is operating efficiently and with minimal disturbance to neighbours arising from noise

Dealing with complaints

A complaints book will be held on the premises to record details of any complaints received from neighbours. The information is to include, where disclosed, the complainant's name, location, date time and subsequent remedial action undertaken. This record must be made available at all times for inspection by council officers

Patrons entering/exiting premises.

Signs should be displayed requesting patrons to respect the neighbours and behave in a courteous manner

Prevention of nuisance from light

Illuminated external signage shall be switched off when the premises is closed

Any Security lights will be positioned to minimise light intrusion to nearby residential premises
