RE: New premises license (Croscombe 155 Lordship Lane N17 6XE)

DATE: 01/11/2011

Dear Sir or Madam

We are writing to make valid representation in support of the above application. We do believe that the new Croscombe will be a real asset to our local area and of benefit of the residents. Given that we live close to the establishment we have been very assured by the applicant and his associates in their efforts to work with the local community and consult us on any aspect of the proposal. This is something we find lacking in the area and we are highly positive that the Croscombe will be able to fill this gap. We trust that this clearly shows our support for Croscombe application for premises license.

RE: New premises licence (Crocodile, 155 Lordship Lane, Tottenham N17 6XE)

Dear, Sir or Madam

I have lived at the above address for... one month.....

I am writing to voice my support for the application made by Crocodile 155 Lordship Lane.

I am of the opinion that the Crocodile situated within these premises would be perfectly located. It is my feeling that a well-run, professionally administrated ~~of the~~ premises will enhance the living quality of Lordship Lane residents and offer increased leisure and social facilities to the community. I am sure that the licence applicant and his associates will be entirely consistent with the quality of these notable premises.

Yours truly
