**7<sup>th</sup> November 2011**

I would like to object to the following licensing application:

**Crocodile Bar & Café, 155 Lordship Lane, London N17 6XE**

The grounds upon which I would like to object are as follows, based on the 4 criteria outlined in The Licensing Act 2003:

**1. The prevention of crime and disorder**

- The premises in question recently converted from a hairdressers shop to a café. However, there have been instances where alcohol has either been on site or stored for sale, despite there being no existing licence in place. The premises have been visited by the Bruce Grove Safer Neighbourhoods Team, as well as Enforcement from Haringey Council, and it is on record alcohol has been found for sale on site.

**2. The prevention of public nuisance**

- There has been ongoing noise and public nuisance, as reported by a number of residents to the Bruce Grove Safer Neighbourhoods Team, as well as the Noise Team at Haringey Council. There have also been large numbers of cars parked on double yellow lines and in disabled spaces by patrons on the corner of Lordsmead Road and Lordship Lane.
- There have been numerous occasions when people have been congregating and making lots of noise in the rear garden area of the premises, usually well after the 9pm café closure time, and often until the early hours of the morning. There have been numerous occasions when small crowds of patrons of the premises congregate on the corner of Lordsmead Road.

- There have been a number of occasions when some of the patrons have been seen urinating against the walls of houses in Lordsmead Road, what with the applicant premises having only one unisex toilet.

### 3. Public safety at licensed premises

- The area in front of the premises, as well as on Lordsmead Road to the side of the premises, can be quite an intimidating place for local children who live in houses and flats above, beside and nearby, what with the regular flow of people entering and leaving the premises, often late at night.
- The situation with such a large and frequent amount of inconsiderate, anti-social behaviour being suffered by neighbours of this premises shows that the applicant is not a trustworthy licensee and that the situation would be at serious risk of harming public safety in this heavily populated location were an alcohol license to be granted.

### 4. The protection of children from harm

- The area in front of the premises, as well as on Lordsmead Road to the side of the premises, can be quite an intimidating place for local children who live in houses and flats above, beside and nearby, what with the regular flow of people entering and leaving the premises, often quite noisily, and late at night.

**My details are as follows:**

**Name:** ADIL SIDDIQUI

**Address:** 73 LORDSMEAD ROAD

**Contact Phone Number:** 0793 9451107

I would like my letter of objection to be placed on file in order that it can be taken into account when this application is heard by the Licensing Committee. I would also like information on how I can request to speak at the application hearing.

**Yours sincerely,**
