(*)Fees for Environmental Permitting, including fees for LAPPC, are set annually by Defra. Figures are in line with the "polluter pays" principle and the Council has no discretion as to the level of the fee charged. Defra is currently out to consultation on proposed fees for 2012/13. An announcement is expected from Defra in March as to the fees which will come into force 1 April 2012. It is anticipated that these will be the same, or very close to, the fees charged for 2011/12.
