Dear Chair of the Adults Scrutiny Panel

**Re: Recommendation from the Adults and Health Scrutiny Panel – 27 September 2012**

Thank you for inviting me to your meeting on 27 September, the outcome of which was the recommendation that 'the minutes of the sHWB are published on the Haringey website to allow transparency of work undertaken'.

I am writing to update you on the work we are undertaking to respond to this and more generally to develop the public face of the sHWB. Officers are busy working on a Health and wellbeing Board webpage that will be on the Haringey council website. This will be ready for when the HWB takes on its statutory functions in April 2013 and will contain key information relating to the work of the Board, including all minutes which will be published as of April 2013.

Best wishes

Councillor Bernice Vanier
