

Briefing note for Area Forums: Site Allocations DPD and Tottenham Area Action Plans public consultation Jan-Feb 2014

The Council would like to hear your views on future development in the borough.

The Local Plan: Strategic Policies document was adopted in April 2013, and building on this, the council is bringing forward additional Local Plan documents to help shape the future of the borough. The aim of this consultation is to introduce two of these documents to local interested parties, and set out the anticipated issues they will address.

The documents are at an early stage, and this is your opportunity to influence what issues they should address in your area. The responses to this consultation will be included in the next version of these documents, which will come forward for another consultation in Autumn 2014. After being examined in public by a qualified planning inspector, the documents are anticipated to be adopted by the Council in 2015.

Site Allocations DPD

This document identifies 54 of the most strategic sites in the borough, and aims to establish the principals of any future development on these sites. When complete this document will strengthen our control over development on these sites, as well as strengthening the Council's hand in bringing forward development where necessary.

Tottenham Area Action Plans

In areas of large scale regeneration the best mechanism for delivering change is considered to be an Area Action Plan (AAP) as it sets forth a comprehensive spatial strategy for co-ordinated development. An AAP will address the existing social, physical, environmental and economical issues in an area and will set the parameters for positive development in order to unlock the full potential of a place susceptible to transformational change.

How to get in touch

The documents are available to be viewed at local libraries, Council Offices, online at www.haringey.gov.uk/ldf. The consultation is open from 17th Jan-28th Feb 2014, and there are a range of ways you can get involved:
