School Place Planning

How the need for additional places is identified

- Place planning school rolls and projections are published in the yearly Haringey School Place Planning Report
- This includes birth and population data and information relating to new housing developments.
- Specific schools are identified for delivering additional places by applying the School Place Planning Principles relating to – popularity, school standards, space and value for money

How additional school places are delivered

‘One off’ additional classes

Agreed locally with governing bodies

Permanent Expansion

Subject to statutory consultation and member decision

New schools

- The Education Act 2011 changed the arrangements for establishing new schools and introduced section 6A (the academy/free school presumption) to the Education and Inspections Act 2006.

Current proposals to meet demand

Where we project we need more places, we have started to make plans.

Proposals to expand:

- St Mary's C of E Primary, Hornsey
- Bounds Green

We are also looking at how we can deliver new primary places in Muswell Hill
