Items still to be scoped / scheduled:

- Loneliness and isolation
 - o On 29 June 2015 the Adults and Health Scrutiny Panel discussed a number of suggestions in relation to loneliness and isolation. Following further discussion, with the Panel Chair and officers, it’s suggested the Panel carries out a “*deep dive*” on Neighbourhood Connects towards the end of 2015/16 (Q4) to ensure it is delivering agreed objectives / tackling issues associated with isolation and loneliness across the borough.
- Paediatric A&E attendances and admissions.
 - o Following the Adults and Health Scrutiny Panel meeting on 29 June 2015 it was confirmed that:
 - “A&E attendances and admissions” would be picked up by the NCL JHOSC at their meeting in September 2015.
 - Scrutiny members would have an opportunity to look at some of these issues as part of the briefings that have taken place (and are planned – see below) with North Middlesex University Hospital NHS Trust concerning their Quality Account.
 - o With this in mind it is suggested that any additional scrutiny work by Haringey should only be considered after the September NCL JHOSC meeting, if appropriate.
- Men’s Health Review – from 2011/12 – monitoring of previous recommendations
- Quality Accounts: North Middlesex University Hospital NHS Trust

- Following the joint briefing with LB Enfield in August 2015 the Trust suggested a follow up briefing could take place in January 2016 (TBC)

Items not to be taken forward:

- Obesity
 - Following an informal briefing on the panel's work programme, held on 9 September 2015, it was agreed that time and resources, at this stage, should be prioritised by scrutinising, and preparing for, other items listed on the work programme.
