

- Reject the whole or part of the application

2.1 Members of the licensing sub committee are asked to note that they may not modify the conditions or reject the whole or part of the application merely because it considers it desirable to do so. It must be appropriate in order to promote the licensing objectives.

### 3. Background

3.1 The premises has operated as a newsagent but now seeks the ability to sell alcohol. The premises first came to the attention of the Licensing Authority in October 2016 when reports of unauthorised sales of alcohol were taking place. Enforcement Officers visited the premises and spoke with the retailer who was advised of the offence of selling alcohol without a licence. A subsequent warning letter was sent to the premises and a follow up visit found no alcohol being sold from the premises. The application was later submitted in November.

3.2 During the consultation period letters of representation were received from Public Health and the Metropolitan Police.

3.3 Under the Act representations can be received from responsible authorities or other persons. Representations must be relevant and, in the case of another person, must not be frivolous or vexatious. There was a further representation from another business who are also the freeholders to 271 Park Lane but this representation was not upheld.

3.4 The Licensing Authority considers that restrictions may be made to the proposed hours of use where, after receiving relevant representations, the council considers it appropriate for the promotion of the licensing objectives to do so. The council will take into account the existing pattern of licensed premises in an area when considering what is appropriate to promote the objectives. Applications which are significantly out of character for a locality will need to demonstrate that granting the hours sought will not impact on the licensing objectives, given the potential for neighbouring premises to be adversely impacted.

### 4. Policy Implications

4.1 The decision should be made with regard to the Secretary of the State's guidance and the Council's Statement of Licensing Policy under the Licensing Act 2003. Where the decision departs from either the Guidance or the Policy clear and cogent reasons must be given. Members should be aware that if such a departure is made the risk of appeal / challenge is increased.

#### 4.2 Equalities impact

At the time of writing this report there were no implications for equality and diversity. Any decision taken by the Licensing Sub-Committee will be in accordance with the four licensing objectives as prescribed by the Licensing Act 2003.

### 5. Other considerations

#### 5.1 Human Rights

While all Convention Rights must be considered, those which are of particular relevance to the application are:

- Article 8 – Right to respect for private and family life.
- Article 1 of the First Protocol – Protection of Property
- Article 6(1) – Right to a fair hearing.
- Article 10 – Freedom of Expression

Premises: Shop, 271 Park Lane, Tottenham, London, N17 0HU

Type of application: New

---

I would like to confirm that I have considered the above proposal with regard to the prevention of public nuisance on behalf of the Enforcement Response (Noise) Team & would like to make representations to the Application

The operating schedule does not address the prevention of public nuisance from:

- Noise generated from deliveries
- Noise generated from refuse collections
- Noise from plant and machinery
- Light nuisance
- Litter nuisance

Deliveries and collections.

Deliveries and collections associated with the premises will be arranged between the hours 08:00-20:00 so as to minimise the disturbance caused to the neighbours, this will include refuse collections.

Non-degradable refuse will remain in the premises at the end of trading hours and taken out to the refuse point at the start of the working day rather than at the end of trading when neighbours might be unduly disturbed

## Plant and machinery

All plant and machinery is correctly maintained and regularly serviced to ensure that it is operating efficiently and with minimal disturbance to neighbours arising from noise.

## Prevention of nuisance from litter

Adequate receptacles for use by patrons will be provided.

## Prevention of nuisance from light

Illuminated external signage shall be switched off when the premises is closed.

I as a representative of the Director of Public Health act as the responsible authority under the Licensing Act 2003 and would like to make a representation against the application from Sotils Green LTD.

Tackling alcohol misuse is key to achieving the outcomes in Haringey's Health and Wellbeing Strategy: giving every child the best start in life, reducing the gap in life expectancy between the east and west of the borough and improving mental health and well being. We want to create a culture that prevents problem drinking from starting and provides help for people early on should they be struggling.

The representation is made under the following licensing objectives:

- Crime and Disorder
- Public Safety
- Protecting Children From Harm

After reviewing the application, I believe that the premises have not given enough careful consideration as to how they will uphold the licensing objectives, particularly relating to the prevention of crime and disorder, public safety, and protecting children from harm.

#### Background:

Haringey experiences some of the greatest levels of alcohol-related problems in London and the harm due to alcohol is a growing concern. In the five year period of 2009/10 – 2014/15, alcohol related hospital admissions increased by 38% with the local cost of these admissions now estimated to be £7.5 million annually. During the same time period, the (DSR) rate of admissions per Haringey person also increased for both men and women, 31% and 26% respectively. Across

the borough, there are currently over 800 licensed premises for the sale and supply of alcohol and this figure continues to rise, with some areas of high level clustering. Increasingly, evidence shows us that an increased number of alcohol outlets results in significant increases in both alcohol consumption and alcohol-related harm, including injury, violence and medical harm. Many factors are known to influence this including density of licensed premises and trading hours.

The premise is located on the Park Lane area of Northumberland Park, one of the most deprived areas in Haringey and the UK. Haringey's alcohol treatment service HAGA is also situated just 300m away from the premise (a few mins walking distance). The application for alcohol as well as opening hours to 0100 could not only contribute to public disorder, crime and nuisance but also undermine treatment effectiveness of the alcohol service.

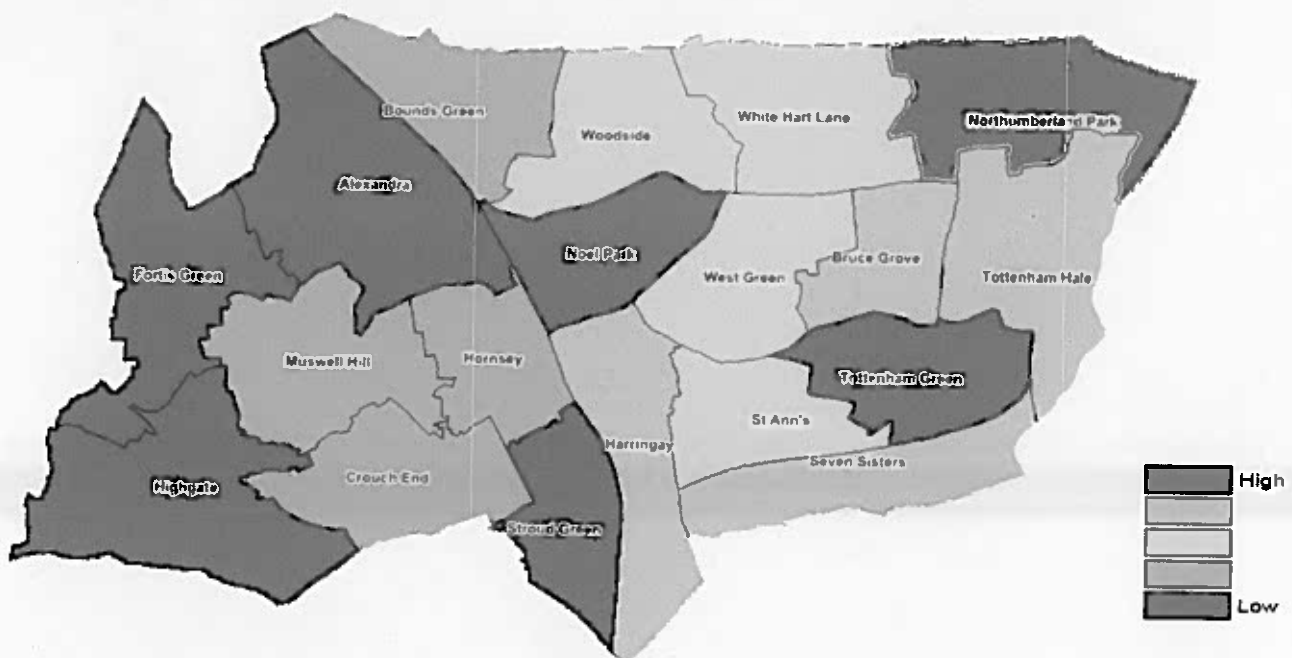

**Crime and disorder:**

Northumberland Park is also among the 2-3% most deprived wards in the UK (out of a total of 7,669). Looking at a smaller geography, the LSOA in which the premises is located is among the 3% most deprived in the UK, ranking 931<sup>st</sup> out of 32,884 LSOAs in the UK. Northumberland Park therefore ranks 1<sup>st</sup> out of 19 wards in Haringey for income and employment deprivation which both have proven links to alcoholism.

In 2015, the Northumberland Park ward in which the premises is located, ranked 2<sup>nd</sup> highest out of 19 wards for ambulance callouts to assaults, with 121 callouts; 2<sup>nd</sup> out of 19 wards for possession of drugs, with 134 crimes; 1<sup>st</sup> out of 19 wards for criminal damage, with 200 crimes reported; and 2<sup>nd</sup> out of 19 wards for rape, with 15 occurring in the area. Northumberland Park was also ranked 1<sup>st</sup> out of 19 wards for night time violent disorders, with 79 in 2015.

The above findings above are of significant concern from a public health perspective in terms of the prevention of crime and disorder. There is an increasing amount of evidence which shows that those under the influence of alcohol are more likely to commit crimes and engage in anti-social behaviour (ASB). They are also more likely to be the victim of crimes such as common assault and robbery which are significant issues in Haringey. Alcohol is known to exacerbate the likelihood of night time violence and domestic abuse offences (GLA datastore, 2016). ASB calls to Haringey Anti-Social Behaviour Action Team (ASBAT) and Police are in excess of 10,000 per year.

**Public Safety:**

The impact of alcohol on health in Haringey is particularly severe. In 2015, 44 alcohol-related ambulance callouts were reported within 500m of the premise. The levels of ambulance related callouts reflects the increased pressure and costs to the NHS as a result of alcohol in Haringey. These impacts are also felt across a range of groups including the council, policing and the community as a whole.

The impact of the sale of high strength beers, lagers and ciders is having an adverse effect within the wards to the east of borough, particularly the more deprived wards of Northumberland Park, Noel Park and Tottenham Green. These wards have seen an increase in street drinking and ASB as a result of the increase and easy availability of high strength cheap alcohol.

From a public safety perspective the findings are also of significant concern because of the close proximity of this premise to Haringey's alcohol treatment service. The granting of this licence could be detrimental to the work and efforts of the team who support those who have a problem with alcohol. Since 1981, HAGA have supported over 17,000 people to change their drinking for the better and we want to continue to encourage this trend.

**Protecting Children from Harm:**

There is one primary school within 500m of the premise. Beyond contributing to the normalisation of alcohol for school children visiting the premise, the applicant has not satisfactorily addressed how they intend to safeguard children and prevent underage sales in their application. Therefore Public Health believes that more stringent conditions need to be applied.

**Recommendation:**

In summary, Public Health believes that the area has sufficient premises to meet demand for alcohol with an off licence already situated opposite HAGA. Public Health are particularly concerned that the applicant has not adequately demonstrated their commitment to uphold the licensing objectives as they have provided the same response under each of the 4 licensing objectives (copy and paste). If this licence is to be granted Public Health recommend that the following conditions are to be attached to minimise any potential harm to our local residents, especially those who are seeking / receiving treatment for alcohol misuse at HAGA (171 Park Lane):

Licensing Objective:	Suggested condition:
<i>Protecting children from harm</i>	<i>Challenge 25 policy to be enforced</i>  <i>Challenge 25 posters are also displayed in areas of high visibility to customers throughout the premise</i>  <i>Proof of age - only a passport, photo-card driving licence, Armed Forces ID cards or a proof of age card bearing the official "PASS" accreditation hologram should to be accepted as proof of age</i>  <i>A clear and detailed record of any refusals is to be logged and be made available upon request</i>
<i>Public nuisance</i>	<i>Alcohol sales are restricted to midnight on Friday and Saturday as well as Sunday – Thursday in line with Haringey's Statement of Alcohol Licensing Policy 2016 – 2021</i>
<i>Public safety</i>	<i>The impact of alcohol on health in Haringey is particularly severe and is some of the worst experienced in London. The sale of high strength, low cost alcohol is a particular problem and is a contributing factor to</i>

*binge, high risk and street drinking. Therefore we ask for:*

- *Alcohol to be covered when it is not on sale*
- *Alcohol is to be displayed / stored at the back of the premise*
- *No promotional sales and materials*
- *No super strength alcohol above 6.5% ABV is to be sold .*
