'CALL IN' OF DECISIONS OF THE CABINET

This form is to be used for the 'calling in' of decisions of the above bodies, in accordance with the procedure set out in Part 4 Section H.2 of the Constitution.

TITLE OF MEETING	Cabinet
DATE OF MEETING	13 th November 2018
MINUTE No. AND TITLE OF ITEM	9 – Broadwater Farm

1. Reason for Call-In/Is it claimed to be outside the policy or budget framework?

2.

Outside budget and ppolicy framework

The decision by the Cabinet to reject a pre-demolition ballot of residents of Broadwater Farm falls outside the financial and policy framework.

It does not appear that at the time the Cabinet took its decision, the Council had yet secured an exemption from the GLA's requirement to hold a ballot. The GLA capital funding guide states in order to apply for an exemption on the grounds that a demolition is "required to address concerns about the safety of residents", the applicant authority must demonstrate there are "safety issues that cannot reasonably be resolved through other means." As the Cabinet report from July 2018 demonstrates this was not the case, as strengthening was actively considered as an alternative. Given this, the risk of having to repay GLA capital funding needs to be considered and the fact that this was not, places the decision outside the budget framework.

Section 8.4 of the Housing Strategy says that the Council "will work with residents at all times to make sure we are offering something that people genuinely want and that will make a real difference." The failure to hold a predemolition ballot represents a failure to fulfil this obligation.

In addition, expectations of resident engagement and empowerment have been raised to a new and higher level by the Mayor of London's ballot requirement for estate regeneration schemes. Ballots have been introduced because softer methods of consultation have been perceived to be inadequate when making decisions to demolish people's homes and to transform neighbourhoods. Therefore, the decision is out of line with the aspirations described in paragraph 4.3 of the Housing Strategy, 'Engaging and Enabling People'.

Finally, the Broadwater Farm Rehousing and Payments Policy does not comply with Paragraph 4.2 of the Housing strategy, 'Supporting the development of strong mixed communities', because:

a) There is no guaranteed right to return for resident leaseholders who 'no longer reside in the borough'. Many of these leaseholders may need to move out of the borough due to reasons of cost.
