

## **REPORT OF STANDARDS COMMITTEE**

### **FULL COUNCIL 24 JULY 2017**

Chair: Councillor Amin

#### **INTRODUCTION**

At our meeting of 6 July, we considered the report at Annex A, which recommended changes to the Council's constitution. The Council Constitution governs the organisation of Council decision-making. It is kept under review and when necessary, amendments are proposed to Standards Committee for consideration and recommendation on to full Council, in accordance with Article 14.03 (Changes to the Constitution).

This report was originally brought to the Standards Committee for consideration on 7th March 2017. Members were of the view that a briefing on the report would be beneficial and the report was deferred. A briefing for members was held on 4th May 2017. The briefing was well received and no objections were raised to the proposals put forward. An audio recording of the briefing of the session is available to all members on the FUSE training platform.

#### **MEMBERS' ALLOWANCES 2017/18**

We considered the report on the proposed changes to the Constitution, which were in four main areas:

- a) Noting the establishment of a joint sub-committee of the Health and Wellbeing Board (HWB) with Islington Council, and consequent changes to the terms of reference of the HWB at Part 3 Section B of the Constitution, together with clarifications within the Articles
- b) Removing the Council and Employees Joint Consultative sub-committee from the Constitution (to be replaced by an informal body by Staffing and Remuneration Committee) at Part 3 Section B
- c) Reviewing the Statutory, Proper and Specified Officer functions within the Officer Scheme of Delegation at Part 3 Section E
- d) Other minor amendments to the Constitution for clarification purposes

We agreed that the changes in the report should be recommended to Full Council for approval.

We also agreed that there should be a further review of the Member-Officer protocol at Part Five Section B of the Constitution, and the procedures of the Council, largely set out in Part 4 of the Council's constitution. This further work should report back to the Council by the end of the Municipal Year.

In addition to the recommendations in the report to the Committee, shown at Annex 1, we agreed that the threshold for registering gifts and hospitality should be set at £25, rather than the £50 threshold at present. We agreed that this should be inserted

into the Members' Code of Conduct and for the lower threshold to be reflected in the definition of Members' Personal Interests, in Part 2 section 5 of the Members' Code of Conduct.
