Joining the sixth form for Year 13

Students wishing to join the Sixth Form after having completed their AS levels at another institution may be able to complete A2s in Year 13. To do so they must have secured satisfactory passes in their AS levels, and their course choice must be compatible with the school timetable.

Admission priorities

Where the number of eligible external applicants for a course of study exceeds the places available then admission will be determined in accordance with the following priority of admission criteria:

1. Students who have a statement of Special Educational Needs or Education Health and Care Plan specifically naming the school.

4. Students whose home address (i.e. their only or main residence) is closest to the school.

Distance will be measured in a straight line from the Ordnance Survey address point of the student's home to the Ordnance Survey address point of the school , calculated using a computerised mapping system.
