STATEMENT OF WITNESS

(Criminal Procedure Rules, r. 27.2;
Criminal Justice Act 1967, s. 9, Magistrates' Courts Act 1980, s.5B)

STATEMENT of HATEM KOC

Age of Witness (if over 18, enter "over 18"): Over 18,

This statement is true to the best of my knowledge and belief and I make it knowing that, if it is tendered in evidence, I shall be liable to prosecution if I have wilfully stated anything in which I know to be false or do not believe to be true.

I'm the licence holder of Grill kebabs House. I did have a problem with CCTV system. I had upgraded to a digital recording system back in December '13.

I have been asked by DC JUAN MARTIN and DC WILL VINES whom are working at WOOD GREEN CID to provide CCTV footage for an incident happened on 8th JAN '14.

I have provided the CCTV images on USB stick. This information can be confirmed by MARK GREAVES. I'm sorry for the interruption I may have caused to police in the past. But I have made sure this won't happen again by upgrading my systems. And providing CCTV on 8th JAN '14 is an evidence that I achieved this. I have trained my partner Beltas Temur about how to operate CCTV and all the conditions. I can confirm that Beltas Temur and myself are fully fully aware of our conditions.

I am also fully aware of our operating hours. There was only one occasion that we have gone beyond our permitted hours. This was before the Christmas. We had applied for Temporary Licence. We thought we can open but Police officer told us we can not. We therefore closed our shop and waited 10 days. This was a one of mistake. We already have many businesses closing in our vicinity. The area is not attractive to the young people anymore. We had a important venue closed, The Village.

If it goes like this hard we may have to close as all small local businesses closing down because they can not survive financially. Once again we are complying with all of our condition and CCTV is fully operational and myself and my partner knows how to operate and download images to USB or DVD

Thank you.
