To: Licensing Officer

From: Enforcement Response Officer (Noise)

Name of Officer preparing representation: Charles Buckle

Our Reference: WK338592

Date: 11th December 2015

Premises: Chidos Coffee (formerly Aksu), 98 West Green Road, N15 5NS

Type of application: Review

I would like to confirm that I wish to make representation to the application we have made for a review of the Premises Licence having regard in particular to the prevention of public nuisance and the prevention of crime and disorder on behalf of the Enforcement Response (Noise) Team.

It is our view that the operating hours are suitable for the type of venue but the conduct of the Premises Licence holder for the premises has not been appropriate.

Warnings were given on a number of occasions, both verbally and in writing, about operating beyond licensed times. This resulted in noise complaints from residents living nearby about people noise from patrons outside the premises and music from inside the premises. These issues would not have arisen if the premises had been managed well and operated within their licensed times and conditions.

We do not have confidence that the Premises Licence holder and designated premises supervisor has demonstrated through his actions that he will uphold the licensing objectives:

- The prevention of crime and disorder;
- Public safety;
- The prevention of public nuisance; and
- The protection of children from harm

Following a review, a licensing authority has the following options open to it

- Decide that no action is necessary to promote the licensing objectives
- Modify or add conditions to the licence
- Exclude a licensable activity from the licence
- Remove the designated premises supervisor
- Suspend the licence for a period (not exceeding 3 months)
- Revoke the licence

We would request that the sub-committee consider revoking the Premises Licence.

However, should the Committee decide that a suspension of the Licence is more appropriate, we would request that additional conditions be attached to the licence once the suspension is served as detailed below to further promote the licensing objectives once any suspension period expires, and/or to be applied in any case.

Dealing with complaints

A complaints book will be held on the premises to record details of any complaints received from neighbours. The information is to include, where disclosed, the complainant's name, location, date time and subsequent remedial action undertaken. This record must be made available at all times for inspection by council officers.

Regular liaison meetings will be held where specifically requested by residents to enable neighbours to raise concerns about any aspect of the licensed activities.

Plant and machinery

All plant and machinery is correctly maintained and regularly serviced to ensure that it is operating efficiently and with minimal disturbance to neighbours arising from noise.

Patrons entering/exiting premises.

Signs should be displayed requesting patrons to respect the neighbours and behave in a courteous manner.

Following on from the visit I made on 7th November 2015 at 0210 hrs the following was noted which is required under the conditions of the licence:

- Premises open beyond times permitted on the premises licence
- Fire escapes/escape routes were obstructed and should be clearly marked and kept free of obstruction at all times

Please note that this is a breach of the conditions on your licence and may result in enforcement action being taken.

You are therefore instructed to address these issues urgently as we will consider enforcement action or a review of your licence.

If you have any queries please do not hesitate to contact me on the above details.

Re: Environmental Protection Act 1990 - Section 80 - Noise Nuisance
Address: Chidos Coffee Shop and Wine Bar, Shop, 98 West Green Road,
Tottenham, London, N15 5NS
Type of noise: Loud Music + Shutter Noise + Shouting

The Council has a duty to investigate complaints regarding disturbance caused by excessive noise.

Investigation, in response to a complaint, has showed that noise coming from your premises on 7th November 2015 at 0210 hrs was excessive.

The Council does not wish to restrict any private and reasonable activities. However, it does have a duty to ensure that all residents can enjoy a reasonable degree of privacy and freedom from disturbance by noise within their own homes.

The Council must serve a Noise Abatement Notice under Section 80 of the Environmental Protection Act 1990 in cases of persistent or severe noise which in their assessment amounts to a nuisance.

The effect of a Noise Abatement Notice is to prohibit noise nuisance occurring or recurring, and it is an offence not to comply with such a Notice for which the maximum penalty on conviction is £20,000 in respect of commercial premises. Fixed penalty notices of £400 for commercial premises may be considered in appropriate circumstances.

We hope that you will co-operate in this matter by keeping the volume of sound produced in your premises at levels that do not cause noise nuisance in the future, and that formal action by the Council does not become necessary.

Yours sincerely,

George Roberts
