6. North Central London Joint Health Overview and Scrutiny Committee

6.1 Haringey is a member of the North Central London Joint Health Overview and Scrutiny Committee (JHOSC), along with Barnet, Camden, Enfield and Islington.

6.2 The revised terms of reference, agreed by the JHOSC at its meeting on 29 January 2016, and by Haringey Council on 16 May 2016, are as follows:

- To engage with relevant NHS bodies on strategic area wide issues in respect of the co-ordination, commissioning and provision of NHS health services across the whole of the area of Barnet, Camden, Enfield, Haringey and Islington;
- To respond, where appropriate, to any proposals for change to specialised NHS services that are commissioned on a cross borough basis and where there are comparatively small numbers of patients in each of the participating boroughs;
- To respond to any formal consultations on proposals for substantial developments or variations in health services across affecting the area of Barnet, Camden, Enfield, Haringey and Islington;

- The joint committee will work independently of both the Cabinet and health overview and scrutiny committees (HOSCs) of its parent authorities, although evidence collected by individual HOSCs may be submitted as evidence to the joint committee and considered at its discretion;
- The joint committee will seek to promote joint working where it may provide more effective use of health scrutiny and NHS resources and will endeavour to avoid duplicating the work of individual HOSCs. As part of this, the joint committee may establish sub and working groups as appropriate to consider issues of mutual concern provided that this does not duplicate work by individual HOSCs; and
- The joint committee will aim work together in a spirit of co-operation, striving to work to a consensual view to the benefit of local people.

6.3 Haringey's OSC is entitled to appoint two representatives to the JHOSC. The power to make this appointment was delegated to OSC by Council at its meeting on 22 March 2010.

6.4 A small change to these terms of reference is being considered by the Overview and Scrutiny Committee at a different agenda item.

7. Contribution to strategic outcomes

7.1 The contribution scrutiny can make to strategic outcomes will be considered as part of its routine work.

8. Statutory Officers Comments

Finance and Procurement

8.1 The Chief Finance Officer has confirmed the Haringey representatives on the JHOSC are not entitled to any remuneration. As a result, there are no direct financial implications arising from the recommendations set out in this report.

8.2 Should any of the work undertaken by Overview and Scrutiny generate recommendations with financial implications then these will be highlighted at that time.

Legal

8.3 The Assistant Director for Corporate Governance has been consulted on the contents of this report.

8.4 Under Section 21 (6) of the Local Government Act 2000, an Overview and Scrutiny Committee has the power to appoint one or more sub-committee to discharge any of its functions. The establishment of Scrutiny Panels by the Committee falls within this power and is in accordance with the requirements of the Council's Constitution.

- 8.5 Scrutiny Panels are non-decision making bodies and the work programme and any subsequent reports and recommendations that each scrutiny panel produces must be approved by the OSC. Such reports can then be referred to Cabinet or Council under agreed protocols.
- 8.6 The OSC can appoint two representatives to the North Central London Joint Health Overview and Scrutiny Committee. This is in accordance with the decision made by full Council on 22 March 2010 that the making of nominations to the Joint Health Committee be delegated to the Committee.

Equality

- 8.7 The Council has a public sector equality duty under the Equalities Act (2010) to have due regard to:
- Tackle discrimination and victimisation of persons that share the characteristics protected under S4 of the Act. These include the characteristics of age, disability, gender reassignment, marriage and civil partnership, pregnancy and maternity, race, religion or belief, sex (formerly gender) and sexual orientation;
 - Advance equality of opportunity between people who share those protected characteristics and people who do not;
 - Foster good relations between people who share those characteristics and people who do not.
- 8.8 The proposals outlined in this report relate to the membership and terms of reference for the OSC and carry no direct implications for the Council's general equality duty. However, the Committee should ensure that it addresses these duties by considering them within its work programme and those of its panels, as well as individual pieces of work. This should include considering and clearly stating;
- How policy issues impact on different groups within the community, particularly those that share the nine protected characteristics;
 - Whether the impact on particular groups is fair and proportionate;
 - Whether there is equality of access to services and fair representation of all groups within Haringey;
 - Whether any positive opportunities to advance equality of opportunity and/or good relations between people, are being realised.
- 8.9 The Committee should ensure that equalities comments are based on evidence. Wherever possible this should include demographic and service level data and evidence of residents/service-users views gathered through consultation.

- (ii) Where any Member or officer is required to attend the Overview and Scrutiny Committee or Scrutiny Review Panel under this provision, the Chair of that body will inform the Member or proper officer. The proper officer shall inform the Member or officer in writing giving at least 10 working days notice of the meeting at which he/she is required to attend. The notice will state the nature of the item on which he/she is required to attend to give account and whether any papers are required to be produced for the Overview and Scrutiny Committee or Scrutiny Review Panel. Where the account to be given to Overview and Scrutiny Committee or Scrutiny Review Panel will require the production of a report, then the Member or officer concerned will be given sufficient notice to allow for preparation of that documentation.
- (iii) Where, in exceptional circumstances, the Member or officer is unable to attend on the required date, then the Overview and Scrutiny Committee or Scrutiny Review Panel shall in consultation with the Member or officer arrange an alternative date for attendance, to take place within a maximum of 10 days from the date of the original request.

14. Attendance by others

The Overview and Scrutiny Committee or Scrutiny Review Panel may invite people other than those people referred to in paragraph 13 above to address it, discuss issues of local concern and/or answer questions. It may for example wish to hear from residents, stakeholders and Members and officers in other parts of the public sector and may invite such people to attend. Attendance is optional.

15. Call-in

The call-in procedure is dealt with separately at Part 4 Section H of the Constitution, immediately following these Overview and Scrutiny Procedure Rules.

16. Councillor Call for Action (CCfA)

The Council has adopted a Protocol for handling requests by non-Committee Members that the Committee should consider any local government matter which is a matter of significant community concern. This procedure should only be a last resort once the other usual methods for resolving local concerns have failed. Certain matters such as individual complaints and planning or licensing decisions are excluded.

Requests for a CCfA referral should be made to the Democratic Services Manager. who will check with the Monitoring Officer that the request falls within the Protocol. The Councillor making the referral will be able to attend the relevant meeting of the Committee to explain the matter. Among other actions, the Committee may: (i) make recommendations to the Cabinet, Directors or partner agencies, (ii) ask officers for a further report, (iii) ask for further evidence from the Councillor making the referral, or (iv) decide to take no further action on the referral.

The Protocol is not included within this Constitution but will be subject to regular review by the Committee.

17. Procedure at Overview and Scrutiny Committee meetings and meetings of the Scrutiny Review Panels.

- (a) The Overview and Scrutiny Committee shall consider the following business as appropriate:
 - (i) apologies for absence;
 - (ii) urgent business;
 - (iii) declarations of interest;
 - (iv) minutes of the last meeting;
 - (v) deputations and petitions;

- (vi) consideration of any matter referred to the Committee for a decision in relation to call-in of a key decision;
 - (vii) responses of the Cabinet to reports of the Committee;
 - (viii) business arising from Area Committees;
 - (ix) the business otherwise set out on the agenda for the meeting.
- (b) A Scrutiny Review Panel shall consider the following business as appropriate:
- (i) minutes of the last meeting;
 - (ii) declarations of interest;
 - (iii) the business otherwise set out on the agenda for the meeting.
- (c) Where the Overview and Scrutiny Committee or Scrutiny Review Panel has asked people to attend to give evidence at meetings, these are to be conducted in accordance with the following principles:
- (i) that the investigation be conducted fairly and all members of the Overview and Scrutiny Committee and Scrutiny Review Panels be given the opportunity to ask questions of attendees, to contribute and to speak;
 - (ii) that those assisting the Overview and Scrutiny Committee or Scrutiny Review Panel by giving evidence be treated with respect and courtesy;
 - (iii) that the investigation be conducted so as to maximise the efficiency of the investigation or analysis; and
 - (iv) that reasonable effort be made to provide appropriate assistance with translation or alternative methods of communication to assist those giving evidence.
- (d) Following any investigation or review, the Overview and Scrutiny Committee or Scrutiny Review Panel shall prepare a report, for submission to the Cabinet and shall make its report and findings public.

17A. Declarations Of Interest Of Members

- (a) If a member of the Overview and Scrutiny Committee or Scrutiny Review Panel has a disclosable pecuniary interest or a prejudicial interest as referred to in Members' Code of Conduct in any matter under consideration, then the member shall declare his or her interest at the start of the meeting or as soon as the interest becomes apparent. The member may not participate or participate further in any

discussion of the matter or participate in any vote or further vote taken on the matter at the meeting and must withdraw from the meeting until discussion of the relevant matter is concluded unless that member has obtained a dispensation from the Council's Standards Committee.

- (b) If a member of the Overview and Scrutiny Committee or Scrutiny Review Panel has a personal interest which is not a disclosable pecuniary interest nor a prejudicial interest, the member is under no obligation to make a disclosure at the meeting but may do so if he/she wishes.

18. The Party Whip

Scrutiny is intended to operate outside the party whip system. However, when considering any matter in respect of which a Member of scrutiny is subject to a party whip the Member must declare the existence of the whip and the nature of it before the commencement of the Committee/Panel's deliberations on the matter. The Declaration, and the detail of the whipping arrangements, shall be recorded in the minutes of the meeting.

The expression "party whip" can be taken to mean: "Any instruction given by or on behalf of a political group to any Councillor who is a Member of that group as to how that Councillor shall speak or vote on any matter before the Council or any committee or sub-committee, or the application or threat to apply any sanction by the group in respect of that Councillor should he/she speak or vote in any particular manner."

19. Matters within the remit of more than one Scrutiny Review Panel

Should there be any overlap between the business of any Scrutiny Review Panels, the Overview and Scrutiny Committee is empowered to resolve the issue.

It is intended that the education representatives would also attend the Overview and Scrutiny Committee meetings where reports from a relevant Scrutiny Review Panel are considered.

5. MEETING FREQUENCY AND FORMAT

- 5.1 The intention is that OSC shall hold 6 scheduled meetings each year. One meeting, at the start of the civic year, shall agree the annual work programme of the OSC. One meeting, in January, shall consider the budget scrutiny reports from each Scrutiny Review Panel. 6. PROCESS FOR CABINET INVOLVEMENT

- 6.1 The OSC shall develop recommendations for arrangements to focus its resources and time available on effective scrutiny of the Cabinet, within the guidance of this protocol. It is not intended that this will include submitting written questions to Cabinet members, in advance of an OSC meeting. The recommended arrangements shall be jointly discussed with the Cabinet prior to the first meeting of OSC.
- 6.2 The Leader of the Council and Chief Executive shall be invited to OSC once a year, at the meeting when the Committee's work programme is set. This shall be an opportunity to jointly discuss the Council's priorities for the next year.
- 6.3 The Leader/ Cabinet Member attending an OSC or Scrutiny Review Panel meeting may be accompanied and assisted by any service officers they consider necessary. The Member may invite an officer attending to answer a question on their behalf.

- 7.2 Any partner, member or service user may suggest an item for scrutiny. The OSC shall have regard to all such suggestions when they decide their work programme.

- 7.4 In deciding their work programme for the year, the OSC and Scrutiny Review Panels shall determine how partnership bodies shall be scrutinised within the boundaries of scheduled meetings.

8. BUDGET SCRUTINY REVIEW

- 8.1 The budget shall be scrutinised by each Scrutiny Review Panel, in their respective areas. Their reports shall go to the OSC for approval. The areas of the budget which are not covered by the Scrutiny Review Panels shall be considered by the main OSC.
- 8.2 A lead OSC member from the largest opposition group shall be responsible for the co-ordination of the Budget Scrutiny process and recommendations made by respective Scrutiny Review Panels relating to the budget.
- 8.3 To allow the OSC to scrutinise the budget in advance of it formally being set and convey those recommendations to the Cabinet, the following timescale is suggested:
- **Scrutiny Review Panel Meetings: May to November**
Each Scrutiny Review Panel shall undertake budget scrutiny in their respective areas, to be overseen by the lead member referred to in paragraph 9.2. Between May and November, this shall involve scrutinising the 3-year Medium Term Financial Plan approved at the budget-setting full Council meeting in February.
 - **Cabinet report on the new 3-year Medium Term Financial Plan to members of the OSC: December**
The Cabinet shall release their report on the new 3-year Medium Term Financial Plan to members of the OSC, following their meeting to agree the proposals in December.

The Scrutiny Review Panels may request that the Cabinet Member for Finance and Sustainability and/or Senior Officers attend these meetings to answer questions.
 - **OSC Meeting: January**
Each Scrutiny Review Panel shall submit their final budget scrutiny report to the OSC meeting in January containing their recommendations/proposal in respect of the budget for ratification by the OSC.
 - **Cabinet Meeting: February**
The recommendations from the Budget Scrutiny process, ratified by the OSC, shall be fed back to Cabinet. As part of the budget setting process, the Cabinet will clearly set out its response to the recommendations/proposals made by the OSC in relation to the budget.

Part Four, Section H

Call-In Procedure Rules

1. When a key decision is made by the Executive (that is, the Leader, Individual Cabinet Members or the Cabinet) or a committee of the Cabinet, the decision shall be published and shall be available for inspection at the Civic Centre and on the Council's website, normally within 2 working days of being made. The right to Call-In does not apply to a decision by way of an appeal hearing or a quasi-judicial procedure.
2. The notice of the key decision will be dated and will specify that the decision will come into force, and may then be implemented, on the expiry of 5 working days after the publication of the decision, unless a valid request has been received objecting to the decision and asking for it to be called-in. This does not apply to "urgent" decisions.
3. The Monitoring Officer will deem valid a request that fulfils all of the following 6 criteria:
 - (a) it is submitted by any five Members of the Council.
 - (b) it is received by the Democratic Services Manager by 10am on the fifth day following publication.
 - (c) it specifies the decision to which it objects.
 - (d) it specifies whether the decision is claimed to be outside the policy or budget framework.
 - (e) it gives reasons for the call-in and outlines an alternative course of action.
 - (f) it is not made in relation to a decision taken in accordance with the urgency procedures in paragraph 18 below.
4. The Democratic Services Manager will forward all timely and proper call-in requests, once deemed valid by the Monitoring Officer, to the Chair of the Overview and Scrutiny Committee and the Overview and Scrutiny Manager and will notify all Cabinet Members including the decision maker and the relevant Chief Officer.
5. A key decision will be implemented immediately after a call-in request is deemed invalid by the Monitoring Officer or after the expiry of ten working days following the receipt of a valid call-in request by the Chair of the Overview and Scrutiny Committee, unless a meeting of the

Overview and Scrutiny Committee takes place during the 10-day period.

6. If a call-in request is deemed valid, the Democratic Services Manager will forward the call-in request to the Monitoring Officer and/or Chief Financial Officer for a report to be prepared for the Overview and Scrutiny Committee advising whether the decision does fall inside or outside the policy or budget framework.
7. Unless a key decision is designated "urgent" pursuant to paragraph 18, when it shall be implemented immediately, no action shall be taken to implement the decision until 5 working days have elapsed after the date of the publication of the decision. In the event that a call-in request has been received, no action shall be taken until the Monitoring Officer has determined the validity of the request.
8. Subject to paragraph 5, when a request for call-in is deemed valid, all action to implement the key decision is suspended until the Overview and Scrutiny Committee has met to decide what action to take. The Committee must meet no later than 10 working days after the Chair has received a valid call-in request.
9. Discussion of any called-in decisions shall precede all other substantive items on the agenda of the Overview and Scrutiny Committee. Any reports of the Monitoring Officer and Chief Financial Officer shall be part of that agenda.
10. The Committee shall consider any report of the Monitoring Officer / Chief Finance Officer as to whether a called-in decision is inside or outside the policy / budget framework. The Overview and Scrutiny Committee shall have regard to that report and any advice but Members shall determine whether the decision is inside or outside the policy / budget framework. If the Overview and Scrutiny Committee determine that the decision was within the policy / budget framework, the Committee has three options:
 - (a) The Overview and Scrutiny Committee may decide not to take any further action, in which case the key decision is implemented immediately.
 - (b) The Overview and Scrutiny Committee may decide to refer the decision back to the decision maker, in which case the decision maker has 5 working days to reconsider the key decision before taking a final decision.
 - (c) The Overview and Scrutiny Committee may decide to refer the decision to Full Council.
11. When the Overview and Scrutiny Committee refers a decision to Council (when the decision is deemed to fall within the policy / budget

framework), any Council meeting must be held within 10 working days (with an extraordinary meeting being called if necessary) of the date of the Overview and Scrutiny Committee's referral.

12. When considering a called-in decision (when this decision is deemed to fall within the policy / budget framework) the Council has two options:
 - (a) The Council may decide not to take any further action, in which case the decision is implemented immediately.
 - (b) The Council may refer the decision back to the decision maker, in which case the decision maker has 5 working days to reconsider the decision before taking a final decision.
13. Once a final decision has been made there is no further right of call-in. This decision or any other key decision having the same effect may not be called-in again for a period of six months following the date at which the final decision was taken.
14. If the Overview and Scrutiny Committee determines that the decision is outside the policy / budget framework, the Committee shall refer the decision to the decision maker and with a request to reconsider it on the grounds that it is incompatible with the policy / budget framework. The decision maker shall have 5 working days in which to reconsider the decision.
15. The decision maker has two options:
 - (a) Amend the decision in line with the Overview and Scrutiny Committee's determination, in which case the decision is implemented immediately.
 - (b) Reaffirm the original decision, in which case the decision goes to a Council meeting which must convene within 10 working days of the reaffirmation of the original decision.
16. When considering a called-in decision where a decision maker fails to amend a decision in line with the Overview and Scrutiny Committee's determination, that it falls outside the policy / budget framework, the Council has two options:
 - (a) Amend the policy / budget framework to accommodate the called-in decision, in which case the decision is implemented immediately.
 - (b) Require the decision maker to reconsider the decision again and refer it to a meeting of the Cabinet to be held within 5 working days of the Council meeting. The Cabinet's decision is final.

17. Abuse of Call-in

- (a) Members are expected to ensure that call-in is not abused, or causes unreasonable delay to the functioning of the Cabinet.
- (b) The call-in procedure is to be reviewed annually (see paragraph 18 g), if such a review leads to the conclusion that the call-in procedure is being abused, the Constitution may be amended to include greater limitations.

18. Call-In and Urgency

- (a) The call-in procedure set out above shall not apply when the action being taken is urgent or time-critical in terms of (b) below.
- (b) A key decision will be urgent if any delay in implementation likely to be caused by the call-in procedure would seriously prejudice the Council's or the public's interests.
- (c) A key decision which has not been given the requisite publicity for a key decision or a private meeting and which the Chair of Overview and Scrutiny Committee has agreed is 'urgent and cannot reasonably be deferred' is not regarded as urgent for the purposes of call-in unless it fulfils the criteria of paragraph (b) above.
- (d) If a key decision is urgent and therefore not subject to call-in, this will be stated on the record.
- (e) In order for a key decision to be deemed urgent, the Chair of the Overview and Scrutiny Committee must agree that the decision is both reasonable in all circumstances and that it should be treated as a matter of urgency. In the absence or unavailability of the Chair the consent of the Mayor is required. In the absence of both, the consent of the Deputy Mayor shall be required.
- (f) Decisions taken as a matter of urgency must be reported to the next available meeting of the Council, together with the reasons for urgency.
- (g) The operation of the provisions relating to call-in and urgency shall be monitored annually and a report submitted to Council with proposals for review if necessary.

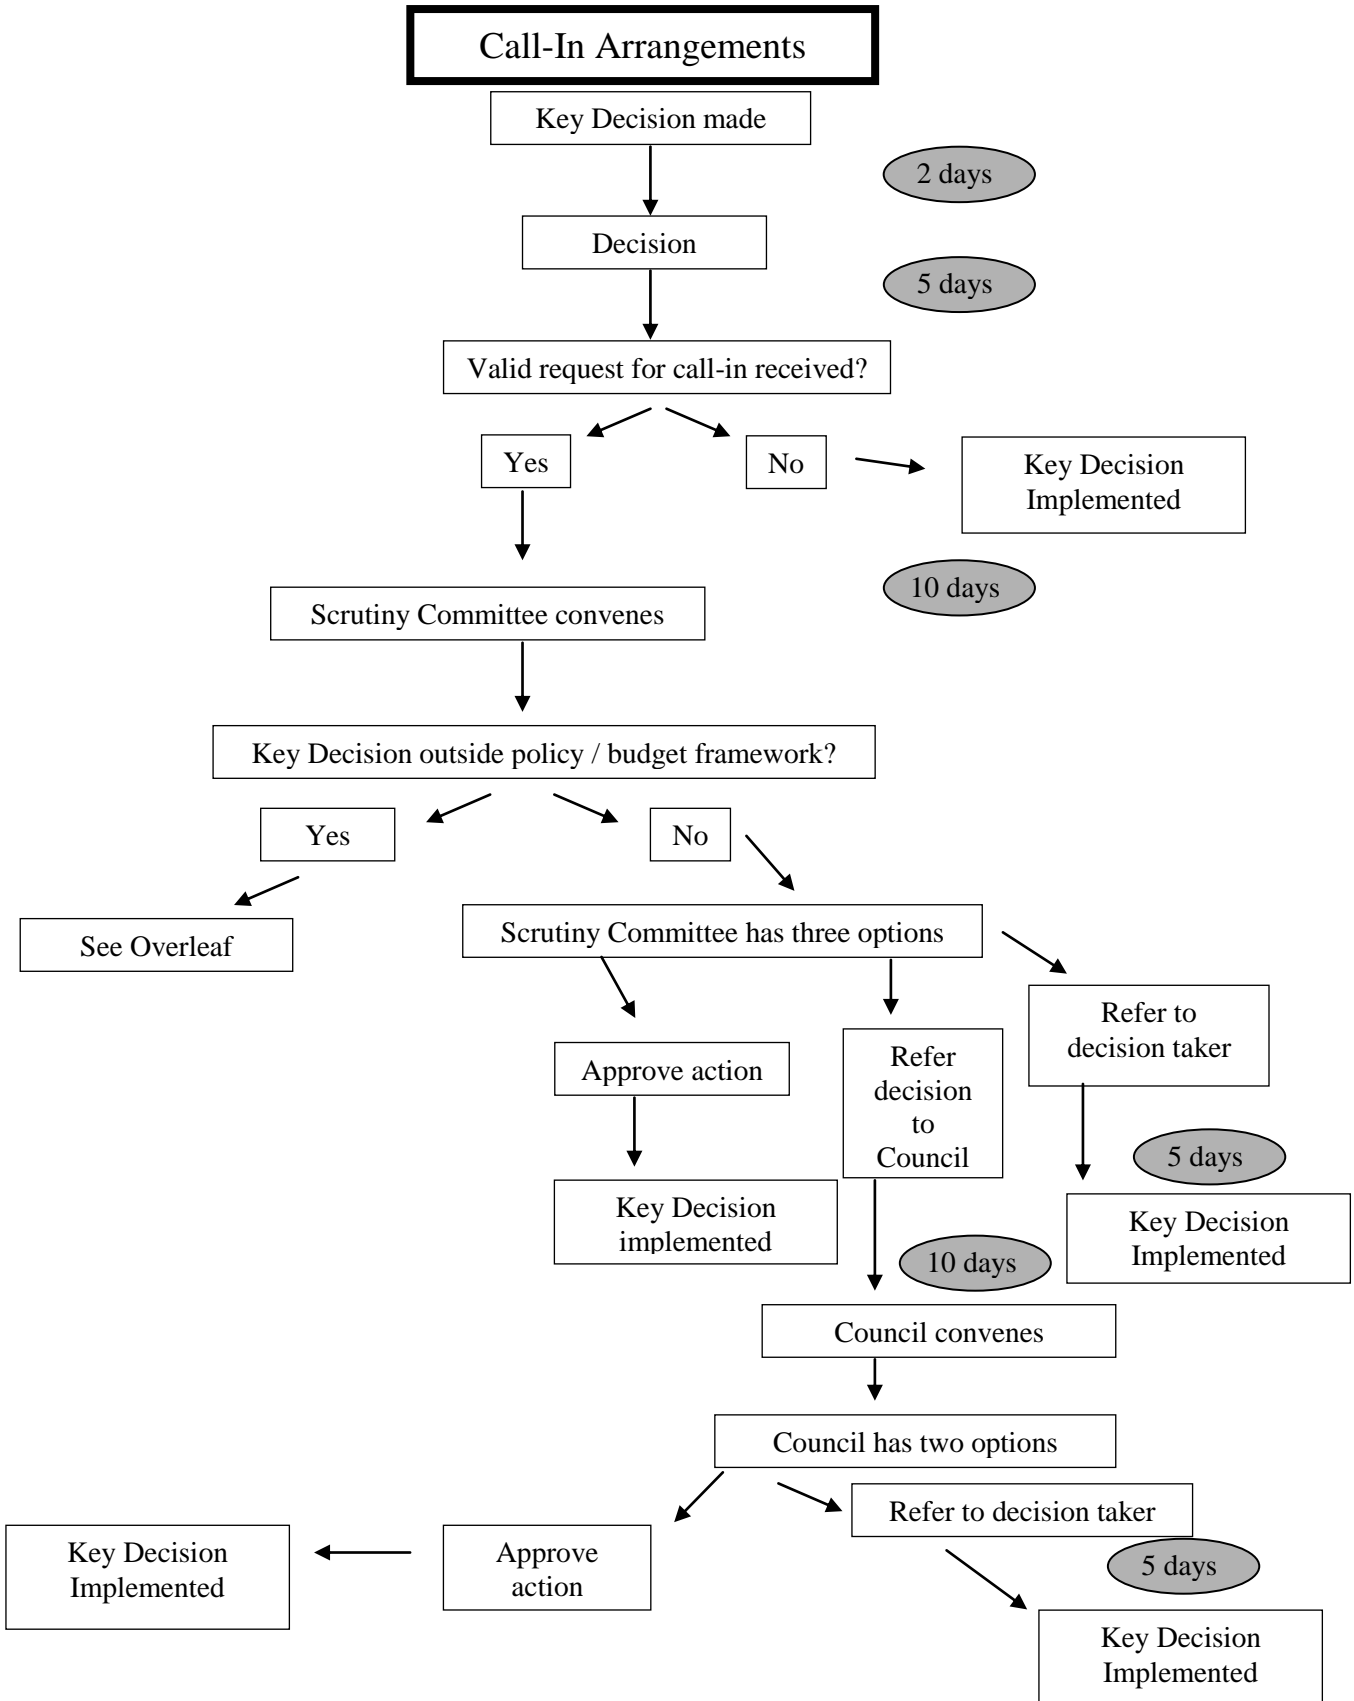

19. Call-In and the Forward Plan

- (a) The Overview and Scrutiny Committee should consider the Forward Plan as its chief source of information regarding forthcoming Cabinet decisions.

- (b) The Overview and Scrutiny Committee may select a forthcoming decision and examine the issues around it.
- (c) In order not to obstruct the Council in its business, the Overview and Scrutiny Committee may call-in a key decision in advance of its actually being taken. In such a situation all the time-limits apply as above, except that a key decision cannot actually be implemented any sooner than it would have been had the Overview and Scrutiny Committee not called it in.
- (d) Where the Overview and Scrutiny Committee has called-in a key decision from the Forward Plan before its due date, the decision cannot be called-in again after the final decision has been taken.

20. Monitoring Arrangements

The operation of the provisions relating to call-in and urgency shall be monitored by the Democratic Services Manager, and a report submitted to Council annually with proposals for review if necessary.

Report for: Overview and Scrutiny Committee, 4 June 2018

Title: Overview and Scrutiny Committee and Scrutiny Panel Work Programme

Report authorised by : Michael Kay, Democratic Services and Scrutiny Manager

Lead Officer: Philip Slawther, Principal Committee Coordinator
Tel: 020 8489 2933, Email: philip.slawther2@haringey.gov.uk

Ward(s) affected: N/A

**Report for Key/
Non Key Decision:** N/A

1. Describe the issue under consideration

1.1 This report sets out how the foundations will be laid for targeted, inclusive and timely work on issues of local importance where scrutiny can add value.

2. Recommendations

2.1 That the Committee:

- (i) Agree the approach outlined at section 4 for developing a work programme for Overview and Scrutiny for 2018-19 for agreement at the 19 July meeting, providing any further comment they wish;

3. Reasons for decision

3.1 The Overview and Scrutiny Committee (OSC) is responsible for developing an overall work plan, including work for its standing scrutiny panels. In putting this together, the Committee will need to have regard to their capacity to deliver the programme and officers' capacity to support them in that task.

4. Approach

4.1 Following the election, the new Overview and Scrutiny Committee has the opportunity to develop a work programme for itself and the Scrutiny Panels that ensure the Council's scrutiny function is well exercised, with suggestions for what is a successful work programme outlined at section 5 below. This would include ensuring there is openness to suggestions from external partners and local residents in what aspects of the Council's performance would best merit consideration.

4.2 The Council's Cabinet is also largely new to Cabinet, and the Council's executive is now looking to implement their manifesto from the recent election. This also gives opportunity for Scrutiny to consider both whether it would like to consider how the manifesto commitments can be implemented most effectively

and at the greatest benefit to residents – fulfilling the Overview and Scrutiny Committee’s role in supporting policy development, as well as how it wishes to monitor the Cabinet’s performance at implementing its manifesto.

- 4.3 In previous years, the Overview and Scrutiny Committee has held a “Scrutiny Café”, which brings together Council officers and community and stakeholder representatives to discuss what they believe would merit further consideration from the Overview and Scrutiny Committee, based on the concerns and views of the community and the expected areas of priority for the Council. This has also been helpful in developing a good level of engagement with key external representatives, cultivating relationships that allow on-going ad hoc communication.
- 4.4 A draw-back of the Scrutiny Café approach in the past is that representatives’ views can be difficult to fully incorporate into the work programme of the Committee and Panels. In addition, it would be helpful to ensure that Scrutiny Members hear from as diverse a range of viewpoints as possible, and there should be attempts at ensuring the Scrutiny Café includes representations from people who have not previously been involved in the work of Scrutiny.
- 4.5 It is recommended that there be a Scrutiny Café in early July, which can allow ideas for the scrutiny work programme to be presented to the Panels, before the work programme is formally agreed at the Committee’s July meeting. Panels will then be able to agree detailed scoping documents for their review work, for the Committee’s agreement before the panels proceed.
- 4.6 Alongside this work, it would be helpful if representatives also had opportunity to present their views direct to the Committee by writing direct to scrutiny officers with their proposals for Scrutiny work, or areas of Council performance that they have views about. If the Committee agree, officers will contact stakeholders and consult with communications colleagues on how we can draw attention to the call for responses, which will be presented to the Committee and relevant panels alongside the Scrutiny Café.
- 4.7 The Committee may also wish to consider how its work is undertaken, as it has been some time since there was a fundamental review of the Council’s Scrutiny function. The current protocol, included at item 7 of the current agenda, was agreed in 2012 and does not represent current practice in some areas, and could better reflect best practice. It is suggested that, as part of its work programme, the Committee include some time for a review of scrutiny procedures.
- 4.8 Given that it is likely that this process for creating a work programme will generate a large number of ideas, it is suggested that this process lead to a two-year work programme that can incorporate more of the ideas presented. This will provide a broad framework for the Committee and Panels to follow over the first two years of the current administration, leaving some room for any highly significant matters that arise. This process can be repeated in 2020, at the mid point of the current administration.
- 4.9 The proposed work programme will also include the more routine matters, for example budget scrutiny, budget monitoring and performance monitoring, that

the Committee and Panels carry out over the year. As usual, the OSC will use the Forward Plan of Key Decisions in identifying matters for consideration on a more immediate timescale.

5. Background – Good scrutiny practice

*“**Scrutiny** is based on the principle that someone who makes a decision...should not be the only one to review or challenge it. **Overview** is founded on the belief that an open, inclusive, member-led approach to policy review...results in better policies in the long run.”*

Jessica Crowe, former Executive Director, Centre for Public Scrutiny

- 5.1 Developing an effective work programme is the bedrock of an effective scrutiny function. The careful selection and prioritisation of work is essential if the scrutiny function is to be successful, achieve added value and retain credibility. A summary of what needs to be done to develop a successful work programme is provided below.

An effective scrutiny work programme should reflect a balance of activities:

- Holding the Executive to account
 - Policy review and development – reviews to assess the effectiveness of existing policies or to inform the development of new strategies
 - Performance management – identifying under-performing services, investigating and making recommendations for improvement
 - External scrutiny – scrutinising and holding to account partners and other local agencies providing key services to the public
 - Public and community engagement – engaging and involving local communities in scrutiny activities and scrutinising those issues which are of concern to the local community
- 5.2 Key features of an effective work programme:
- A member led process, short listing and prioritising topics – with support from officers – that:
 - reflects local needs and priorities – issues of community concern as well as Corporate Plan and Medium Term Financial Strategy priorities
 - prioritises topics for scrutiny that have most impact or benefit
 - involves local stakeholders
 - is flexible enough to respond to new or urgent issues

5.3 Depending on the selected topic, and planned outcomes, scrutiny work will be carried out in a variety of ways, using various formats. This will include a variety of one-off reports. In accordance with the scrutiny protocol, the OSC and Scrutiny Panels will draw from the following to inform their work:

- Performance Reports;
- One off reports on matters of national or local interest or concern (e.g. Casey Report);
- Issues arising out of internal and external assessment (e.g. Ofsted, Care Quality Commission);
- Reports on strategies and policies under development, or other issues on which the Cabinet or officers would like scrutiny views or support;
- Progress reports on implementing previous scrutiny recommendations accepted by the Cabinet or appropriate Executive body.

5.4 In addition, in-depth scrutiny work, including task and finish projects, are an important aspect of Overview and Scrutiny and provide opportunities to thoroughly investigate topics and to make improvements. Through the gathering and consideration of evidence from a wider range of sources, this type of work enables more robust and effective challenge as well as an increased likelihood of delivering positive outcomes. In depth reviews should also help engage the public, and provide greater transparency and accountability. It is nevertheless important that there is a balance between depth and breadth of work undertaken so that resources can be used to their greatest effect.

6. Contribution to strategic outcomes

6.1 The contribution of scrutiny to the corporate priorities will be considered routinely as part of the OSC's work.

7. Statutory Officers comments

Finance and Procurement

7.1 There are no financial implications arising from the recommendations set out in this report. Should any of the work undertaken by Overview and Scrutiny generate recommendations with financial implications these will be highlighted at that time.

Legal

7.2 There are no immediate legal implications arising from the report.

7.3 In accordance with the Council's Constitution, the approval of the future scrutiny work programme falls within the remit of the OSC.

7.4 Under Section 21 (6) of the Local Government Act 2000, an OSC has the power to appoint one or more sub-committees to discharge any of its functions. In accordance with the Constitution, the appointment of Scrutiny Panels (to assist the scrutiny function) falls within the remit of the OSC.

7.5 Scrutiny Panels are non-decision making bodies and the work programme and any subsequent reports and recommendations that each scrutiny panel produces must be approved by the Overview and Scrutiny Committee. Such reports can then be referred to Cabinet or Council under agreed protocols.

Equality

7.6 The Council has a public sector equality duty under the Equalities Act (2010) to have due regard to:

- Tackle discrimination and victimisation of persons that share the characteristics protected under S4 of the Act. These include the characteristics of age, disability, gender reassignment, marriage and civil partnership, pregnancy and maternity, race, religion or belief, sex (formerly gender) and sexual orientation;
- Advance equality of opportunity between people who share those protected characteristics and people who do not;
- Foster good relations between people who share those characteristics and people who do not.

7.7 The Committee should ensure that it addresses these duties by considering them within its work plan and those of its panels, as well as individual pieces of work. This should include considering and clearly stating;

- How policy issues impact on different groups within the community, particularly those that share the nine protected characteristics;
- Whether the impact on particular groups is fair and proportionate;
- Whether there is equality of access to services and fair representation of all groups within Haringey;
- Whether any positive opportunities to advance equality of opportunity and/or good relations between people, are being realised.

7.8 The Committee should ensure that equalities comments are based on evidence. Wherever possible this should include demographic and service level data and evidence of residents/service-users views gathered through consultation.
