GENERAL INFORMATION

Documentary Evidence

All documentary evidence in support of the application or the representation (as the case may be) should have been served with the application or the relevant representation. Generally **the licensing authority will not**

consider documentary evidence which has been served late. However it **may** exercise its

discretion to consider late evidence depending upon the merits of the case, **provided that evidence has been served in advance and in sufficient time before the date of the hearing** on the Governance Services section of the Licensing Authority, the Applicant and any other parties to the application, of whom they are aware. The person serving the late evidence should ensure they

have sufficient extra copies of that evidence available for the hearing.

You may only produce additional documentary evidence at the hearing itself with **the consent of all parties** attending the hearing, in which case you should supply a sufficient number of copies of that evidence so that it can be circulated to all the other parties. Please be aware that there is a risk the other parties may not consent, in which case your additional documentary evidence may be inadmissible.

You should attempt to describe your case as fully as possible on paper because the time given for oral evidence at the hearing itself may be limited.

Failure to attend the Hearing

If you do not attend the hearing then the Licensing Sub-Committee has the discretion to proceed and to hear the application in your absence, in which case it will consider the application/ representations (as the case may be) and any papers you have submitted. The Licensing Sub-Committee may decide that it is in the public interest to adjourn the hearing to another date, in which case it will, without unreasonable delay, notify the parties of the date, time and place to which the hearing has been adjourned.

However, the Licensing Sub-Committee is only likely to adjourn the case if there are justified reasons for an adjournment. It will not be able to adjourn the hearing if to do so would prevent the application from being determined within the time limits prescribed by the Act or the Regulations.

Yours sincerely,
Licensing Service

RE: REPRESENTATION AGAINST THE APPLICATION FOR A VARIATION OF A PREMISES LICENCE FOR GINDUNGO RESTAURANT, 2A QUEENS PARADE, BROWNLOW ROAD LONDON N11 2DN

To the Licensing team,

I am writing to represent AGAINST the above application for a variation of the license for the above premises.

I, as well as my family, would strongly like to OBJECT to this variation by challenging the integrity of the agreement made by the applicant on several basis of the conditions presented to her in March 2018 (See '**Licence referenced**' attached dated 29.03.18).

To start I would like to bring to attention that this is indeed an application to extend the operational hours of a premises, described as a 'Restaurant' by the council themselves, to 0500hrs. This in itself defeats any logic and/or reason and should be enough to not grant any such license, nevertheless I will continue with my representation.

FYI: The above premises was granted a license on the 29th of March (REF: WK/401724 – attached to this email as '**Licence referenced**'), to which I will be referring to numerous times and to several different licensing conditions throughout this representation (as Reference 'X' and so on), along with any further material I deem relevant to support the representation (as Figure 'X' etc). The license REF: WK/401724, from my knowledge, is the only and final documentation given to us after the last hearing and verdict. Besides the newly pledged operating hours that were sent to us in August 2019, the license declared on 29th March 2018 is the CURRENT license to which they should be adhering to strictly in order to operate.

I would like to start by discussing the functioning hours stated in the license, which is the predominant factor of the variation proposed today.

Reference 1.0 (see attached copy of license titled 'License referenced' dated 29th March 2019)

Hours open to the public:

1200 to 2300 Sunday to Thursday

1200 to 0000 Friday to Saturday

Please refer to **Fig 1.0, 1.1, 1.2, 1.3, 1.4, 1.5**, (attached within email) showing numerous advertisements on social media on different occasions, promoting operating hours till 5am to the public and their patrons. Kindly note the dates of these are before the application of functioning till 5am. This clearly was not agreed upon at those moments in time.

Reference 1.1

Regulated entertainment: Recorded Music

Please see **Figure 1.6, 1.7, 1.8, 1.9** clearly showing live music being performed in the premises, clearly going against this condition. Advertising of live music is also presented on the 'Restaurant's' social media shown on **Figure 1.5**.

I would now like to draw your attention to the list of numerous noise nuisance complaints we have made to the council regarding the level of music and vibrations through our home, going against the license conditions that the Recorded music should be inaudible (**Reference 1.5**) and NO vibrations should be transmitted from the premises (**Reference 1.4**).

Reference 1.6

Reference 1.8

The above three conditions have been not been met on several occasions – please see attached **Figure 2.0, 2.1, 2.2, 2.3** clearly showing patrons sitting outside, blocking the pavement, and drinking outside the premises with opened drinking vessels.

Reference 1.7

The premises shall promptly display signage informing customers:- (a) To leave quietly and respect neighbours

No such signage has been placed.

An email (See attached document titled ‘**Proposed License Amendments email 22.03.18**’) was sent to myself before the hearing on 22nd March 2018., stating points of which the applicant wanted to amend her license appeal. One of which was to provide a telephone number given to any local resident in order to be able to contact her. This was done however the purpose unfulfilled. Numerous phone calls and texts have been made to the applicant in order to communicate with her in order to report inappropriate noise levels, however all of which are unanswered (see **Figure 2.4, 2.5**)

Another amendment was that the maximum capacity of customers shall be 50 – which can be easily disproved by looking at various event videos on the applicant’s social media.

To put things into perspective, over the last year my family and I have had numerous very stressful events occur, including several deaths in the family and more importantly the declining physical, and now mental health of my Father since December 2018. We have been on hospital runs through days and nights, needless to say he as well as ourselves have been exhausted and distressed, to put it lightly. Therefore coming home to or hearing loud music or antisocial behaviour is the last thing we want to deal with.

My father is currently under section 3 of the mental health act, after a major mental health episode in April 2019, and has also been classed as visually impaired and disabled. We are trying our best to transition him into home life again by having him visit home for the weekend to spend time with us, however while the unjust and if I may say so, illegal operation of this so called ‘restaurant’ continues to disrupt us causing us anxiety and distress, the recovery of my father is in jeopardy and this is highly unacceptable.

In particular, Sunday 27th October this year, our father was able to return home for the evening as it was Diwali. Instead of being able to peacefully celebrate in our own home , it had us waste several hours of the evening trying to contact the council due to loud music coming from the ‘restaurant’. This is not how we want to continue any weekend let alone a very special one for us.

We have been returning home between hours of 11pm to 2am from various visits with our father at his section residence/hospital visits, and at those times, we have encountered patrons of the ‘restaurant’ still active in and around the premises as well as experience loud music at ridiculous hours of the night (or morning I should say).

We should not have to resort to thinking of moving home from a community that we have been living in for over 34 years, because of the above. We are first and foremost a residential community. An environment that is safe, peaceful to live and sleep in is surely more of priority than that of an entertainment hub that serves alcohol and promotes antisocial behaviour in an environment that it clearly does NOT belong in. I am utterly disgusted that time and time again, with no regard to the history of the disruption these businesses cause, licenses are appointed to individuals who cannot follow simple conditions.

An entertainment hub/bar setting is not welcome in a residential environment – where there is loud music, and alcohol served there WILL be disruption and antisocial behaviour and this is a simple fact. This should be reason to not grant a license however here we stand trying to fight the nth applicant for exactly the same reasons decades on.

We have been preoccupied with helping our father recover physically and mentally the last year and we do not intend to regress with the progress he has made in his recovery due to unhealthy triggers, caused by the inability of the applicant to not adhere to the conditions she has agreed on.

We have several signatures petitioning for revoking the license she has been granted (See attached document titled '**Petition**'), as well as agreement and supporting statement by Councillor James Chiriyankandath (See attached document titled '**Letter of Support From J.Chiriyankandath**').

The petition has been signed by several different families, including a family with very young children who live directly above Gindungo.

Year after year we receive notice of another individual applying for an 'innocent' license to serve alcohol with food, masquerading a disruptive bar as a 'restaurant' so as to obtain a license from yourselves.

Please take all of this into consideration before granting and/or amending this license. I truly hope you can appreciate the disruption that this particular premises (2A Queens Parade) has had on our lives the last 2 decades, and to think twice before granting any such license to future applicants.

The Committee noted the request of the Responsible Authorities that the lock be removed at the main entrance door, and the acceptance of the Applicant to do so.

The Committee heard from local residents in regard to noise nuisance from the premises when under previous management, and the two incidents since the Applicant had taken over the premises. They considered that the combination of a reduction to the requested hours and the implementation of the above conditions would serve to reduce the impact of noise on the neighbouring residential properties.

Informative

The Committee noted the undertaking of the Applicant to install soundproofing once the business has been established.

The Committee approached its deliberations with an open mind and only took its decision after having heard all the parties' representations. The Committee considered that the decision was appropriate and proportionate.

You have the right of appeal against this decision. If you wish to appeal, you must file a notice of appeal at the Magistrates' Court within 21 days of notification of this Decision. The address of the Highbury Magistrates Court is: Highbury Magistrates' Court, 51 Holloway Road, London N7 8JA. The Chair, Members and Secretary
Licensing Sub Committee A
Haringey Council
River Park House
225 High Road
Wood Green
London N22 8HQ

Dear Sirs,

I am writing to support the objections submitted by Ms Sneha Raithatha, of Flat 1, Queens Parade Mansions, Brownlow Road, Bounds Green, London N11 2DL, and other residents of the same block, to the application made by Ms Micaela Faustino Da Silva, Gindungo Restaurant, 2A Queens Parade, Brownlow Road, Bounds Green, London N11 2DN, for an extension of the licensed hours of trade from 12.00-00.00 to 12.00-05.30 on Fridays, Saturdays, Bank Holiday Sundays, Christmas Eve and New Year's Eve (with the license to play recorded music extended from 12.00-23.30 to 12.00-05.00).

This is a completely inappropriate use of the premises, situated as it is in the middle of a residential block where several households reside including an elderly couple with health issues and small children. The restaurant/bar is practically invisible from the road, apart from a small sign and menu card on the wall, and accessed by customers via a dingy doorway with a buzzer at the side and a back entrance by the waste bins. According to the complaints made by the residents in their representation the licensee has frequently breached the conditions of the license issued on 22 March 2018, playing live - not recorded - music and continuing to operate well beyond the licensed hours, aggressively dismissing complaints that residents have had to make well past midnight up to shortly before dawn. The noise, the threatening and rowdy behaviour of some customers of the establishment, and the lack of consideration shown by the licensee appear to have become regarded as more than a nuisance by neighbours who now live in apprehension of their safety and the security of their property. These adversely relate to at least three licensing objectives: prevention of public nuisance; prevention of crime and disorder; and the protection of children from harm.

The Noise EHO has mentioned the possibility of a conditional increase in the hours of operation to 03.00 rather than 05.00. However, given the fact that the licensee is reported to have repeatedly breached the conditions of the existing license, there appears to be no reason to have confidence that they will faithfully observe any additional ones.

On this basis, I support the plea that the request for an extension of the licensed hours be rejected and that a review of the existing license be undertaken in the light of the reported breaches.

Regards,

Cllr. Dr James Chiriyankandath
