Title: Independent Advisor's Draft Report on Review of Member's Allowances 2020/21

Ward(s) affected: N/A

Report for Key/

Non Key Decision: Non Key

1. Describe the issue under consideration

1.1 This Committee has responsibility for considering and recommending changes to the Member's Allowance scheme, to full Council for adoption.

1.2 The Committee agreed previously to instigate a review of the Member's Allowance scheme focusing on the functions and responsibilities of Council Committees together with the volume and complexity of their decision making to ascertain whether the SRA's provided to the Leader, Cabinet Members, Committee chairs, Vice -Chairs and Scrutiny Panel Chair's reflects the allocated allowance. It was agreed that the review would be supported by an independent adviser to the Committee and Richard Penn, an LGA associate agreed to provide independent advice and support to the review.

1.3 Since the Committee meeting in October, a Member questionnaire was circulated to obtain Member views on the current SRA scheme and 29 councillors responded with their views and comments. In addition, the Independent Advisor, Richard Penn met with 12 councillors who provided further detailed views on the scheme. This information, along with comparative data from other Local Authorities, the IRP report on Member's Allowances 2018 and the Independent Advisors experience in compiling and implementing remuneration arrangements for other authorities has informed the attached draft report and recommendations for Member's Basic Allowance and Special Responsibility Allowances for 2020/21.

1.4 The Independent Advisor, Richard Penn will be attending the meeting to discuss his draft report and seeking Committee member's comments.

1.5 Further to comments on the report, there will be a further final report for consideration by Standards Committee on the 2nd of March which will be for onward submission to Full Council on March 16th 2020.

2. Cabinet Member Introduction

Not applicable

3. Recommendations

3.1. To consider and comment on the attached draft report.

4. Reasons for decision

The Council has a legal duty under the Local Authorities (Members Allowances) (England) Regulations 2003 to adopt a Members' Allowances Scheme before the end of each year to cover the following year. The Council can amend a scheme any time during the year but can only revoke a scheme with effect from the beginning of the year. The scheme must make provision for basic allowances and, if they are to be paid, special responsibility, dependents' carers, travelling and subsistence and co-optees' allowances.

The Committee agreed in January 2019 that an independent review of Members Allowances be taken forward

5. Alternative options considered

To not review the scheme which would be contrary to previous resolutions of the Committee.

6. Background information

6.1 The Committee agreed the scoping document attached at their meeting in June.

6.2 Since this meeting, Richard Penn, an LGA Senior Associate, has been commissioned to provide independent support and advice to the Committee. Richard has completed a number of reviews of Members Allowances in the recent past and also chairs the Independent Remuneration Panel for South Derbyshire Council. In January 2008 he was appointed by the Minister for Local Government as the Chair of the Independent Remuneration Panel for Wales, a post he held until the end of 2015. The Panel was responsible for setting the remuneration arrangements for all 22 unitary councils in Wales, for also the four Fire and Rescue Authorities and the three National Parks in Wales. It was also responsible for setting remuneration for the 750 plus Town and Community Councils in Wales.

6.3 Richard Penn has been provided with information on the Council in the form of the boundary commission review submission on council size, and previous Standards and Full Council reports on the members allowance scheme.

6.4 Following Richard's advice, Democratic Services have compiled a questionnaire which is proposed for distribution to all Councillors. The purpose

of the questionnaire was to obtain the views of Councillors regarding the Council's current Member's Allowance Scheme. The questionnaire was revised following the Committee's comments at their meeting in October and distributed to all councillors to respond to within a 4 week window. The Independent Advisor was available to meet with councillors over a two day period and met with 12 councillors. In addition he met with both Political Leaders and Chief Whips, to obtain their views and respond to questions about the review. Information was also collated on the work of committee chairs outside of chairing meetings as well as information on the work of Leader and Cabinet Members.

- 6.5 Following consideration of this information and comparative data on Member's Allowances, the attached draft report has been compiled by the Independent Advisor for consideration and comment by the Standards Committee.

7. Contribution to strategic outcomes

Members of the Council are directly responsible for the setting and oversight of all strategic priorities.

8. Statutory Officers comments (Chief Finance Officer (including procurement), Assistant Director of Corporate Governance, Equalities)

8.1 Finance

The recommendations put forward various proposed increases to SRA's and if these were to all be accepted it would require making available a minimum addition of £29,962 in the budget for Local Democracy and Member services to support this. There is not currently any additional funding in the 2020/21 budget allocation for this increase in this service area. Therefore, this would need to be met within the allocated budget for Local Democracy and Member Services.

8.3 Legal

8.4 Legal services comments are contained within this cover report.

Review of the Members Allowances Scheme

London Borough of Haringey

**Richard Penn
Senior LGA Associate**

January 2020

1 Introduction

- 1.1 I was commissioned in September 2019 by LB Haringey through the Local Government Association to review the Council's Members Allowance Scheme. The Council has a legal duty under the Local Authorities (Members Allowances) (England) Regulations 2003 to adopt a Members' Allowances Scheme before the end of each year to cover the following year. The Council can amend a scheme any time during the year but can only revoke a scheme with effect from the beginning of the year. The Scheme must make provision for Basic Allowances and, if they are to be paid, Special Responsibility, Dependents' Carers, Travelling and Subsistence and Co-optees' Allowances.
- 1.2 At LB Haringey the Council's Standards Committee has the responsibility for considering and recommending changes to the Members Allowance Scheme to full Council for adoption. The Standards Committee agreed in January 2019 that an independent review of the Members Allowance Scheme should be carried out, focusing on the functions and responsibilities of Council Committees together with the volume and complexity of their decision making to ascertain whether the SRAs currently provided to the Leader, Cabinet Members, Committee Chairs, Vice-Chairs and Scrutiny Panel Chairs reflected the responsibilities and demands placed on the SRA holders. It was agreed that the review would be supported by an independent adviser to the Committee and, as a Senior LGA Associate, I have provided independent advice and support to the review. I have undertaken a number of reviews of Members Allowances in the recent past and I also chair the Independent Remuneration Panel for South Derbyshire Council. In January 2008 I was appointed by the Minister for Local Government as the Chair of the Independent Remuneration Panel for Wales, a post held until the end of 2015. That Panel is responsible for setting the remuneration arrangements for all 22 unitary councils in Wales, for also the four Fire and Rescue Authorities and the three National Parks in Wales. It is also responsible for setting remuneration for the 750 plus Town and Community Councils in Wales.

2 Terms of reference for the review

2.1 The Standards Committee commissioned the review of the current Members Allowance Scheme with the following terms of reference:

- an independent review of the Members Allowance Scheme to be undertaken between July 2019 and March 2020 for implementation in the 2020/21 municipal year
- the review should include an analysis of roles and responsibilities with a 'benchmarking exercise' to ensure that the Borough is in line with comparator Boroughs in its provision of SRAs
- the key purpose of the review was to ensure that members are appropriately remunerated and to address any inequalities and disparities in the allocation of SRAs. Differences had been noted in the Leader's allowance in proportion to Cabinet Member allowances, the perceived higher number of Committee meetings chaired and attended by some members in comparison to other committees where an SRA was payable
- whether an annual percentage uplift of Allowances to correlate with the equivalent annual cost of living award for local government staff should be introduced
- whether the Mayoral Allowances should remain as separate statutory provisions in the Members Allowance Scheme (under Section 3 and 5 of the Local Government Act 1972)
- the review should have regard to the recommendations of the Independent Remuneration Panel. The Local Authorities (Members' Allowances) (England) Regulations 2003 ('the Regulations') authorise the establishment by the Association of London Government (now London Councils) of an independent remuneration panel to make recommendations in respect of the members' allowances payable by London Boroughs. The Regulations require a review of the scheme every four years as a minimum and the Panel published its most recent report in 2018
- the review would operate under the principle that any changes proposed must be evidence based.

2.2 The Standards Committee required a draft report on the review to be considered at its meeting in January 2020, and a final report to its March 2020 meeting with recommendations for any changes to the current Scheme to be made to the full Council at its meeting in March 2020 for implementation in the 2020/21 municipal year.

2.3 The review was to be publicised in the 'Members Area' web page and the Members Newsletter. The outcome of the review will be published on the Council's website once completed.

3 Process and methodology for the review

3.1 It was made clear when I was commissioned to undertake the review that the review had to be genuinely independent with no presumptions about the outcome. It was also clear that any findings and resulting recommendations for any changes to the current Scheme had to be evidence based and that all members of the Council needed to be given the opportunity to contribute their own views in the review process.

3.2 The evidence sources used for the review included:

- data on the number of meetings attended by members
- the Council's submission to the Boundary Commission setting out the business case for maintaining 57 councillors
- the recent review of Scrutiny Functions
- the Independent Panel Report 2018 – '*The Remuneration of Councillors in London*'
- the review of Members Allowances carried out in 2017-18
- the responses to an all member questionnaire. Democratic Services produced a questionnaire (Appendix 3) that was distributed to all Councillors. The purpose of the questionnaire was to obtain the views of Councillors regarding the Council's current Members Allowance Scheme, particularly in relation to SRAs. Councillors were able to indicate the level of appropriateness of the SRAs for each of the roles under the current Scheme, and also set out their views on the current scheme. The first two questions were designed to give a quantifiable summary of the roles, duties and workload of Councillors to assess the appropriateness of the current Allowance Scheme. 30 members of the Council completed and returned the questionnaire, a participation rate of over 50%. Appendix 4 provides a summary of the key results of the questionnaire survey.
- I attended a meeting of the Standards Committee on 14 October 2019 to discuss the review and to obtain the views of Standards Committee members on the draft questionnaire of members
- I held one to one meetings with the Chair of Standards Committee, the Leader of the Council and the Leader of the Opposition
- all members of the Council were offered the opportunity to meet with me on a one to one and confidential basis. A range of alternative times including in the evening period was offered for these meetings and in the event I met with a further 12 members additional to my meetings with the Chair of Standards Committee, the Leader of the Council and the Leader of the Opposition. A number of members also sent emails setting out their views.

4 The Haringey context

- Haringey is a Borough in the north of metropolitan London and has a total resident population of 270,600 residents
- 22.3% of the population are aged under 18, and 10.1% of the population are aged 65 and over. In England overall, 21.4% of the population are aged under 18 and 18.2% are aged 65 and over
- 39.5 % of the population are from a black or minority ethnic (BME) population, and 65.3% of the population described themselves as non-white UK (i.e. not white British, English, Northern Irish, Scottish, or Welsh) at the last Census (2011). This compares to a BME population of 14.6% and a non-white UK population of 20.3% for England as a whole. 7.2% of the population report that they cannot speak English well or at all
- the Indices of Deprivation (IMD, 2015) combine a range of economic, social and housing indicators to provide a measure of relative deprivation, i.e. they measure the position of areas against each other within different domains. A rank of 1 indicates highest deprivation. Haringey is ranked 24 out of 152 local authorities in England on overall deprivation and is ranked 25 out of 152 local authorities on income deprivation
- Haringey has an Income Deprivation Affecting Children Index (IDACI) score of 0.287 (2015). This measures the proportion of all children aged 0 to 15 living in income deprived families. The average for All London Boroughs (excluding the City) is 0.241
- Furthermore, Haringey has an Income Deprivation Affecting Older People Index (IDAOPI) score of 0.318 (2015). This measures the proportion of all those aged 60 or
- the median gross weekly wage for employees living in Haringey is £654.1. This compares with an England wage of £574.9. Furthermore, 5.5% of working age people in Haringey are unemployed, compared with 4.2% nationally
- 3.6% of 16 to 18 year olds in Haringey are not in education, employment or training. This compares to an average of 3.0% for All London Boroughs (excluding the City)
- 59% of children in Haringey achieved 5 or more GCSEs at grades A* to C in 2014/15 including English and Maths. This compares with 57.7% for England. Among pupils eligible for free school meals, 41.5% achieved 5 or more GCSEs at grades A* to C including English and Maths in 2013/14, compared to 33.3% nationally. 75.6% of pupils in Haringey achieve a good level of development at the end of the academic year in which they turn five years old. This compares with 71.5% for England
- there are 98.30 total recorded offences (excluding fraud) per 1,000 population in over who experience income deprivation. The average for All London Boroughs (excluding the City) is 0.240

- 16.4 % of pupils attending nursery and primary schools and 20.3% of pupils attending secondary school in Haringey are eligible for and claiming free school meals. This compares with 15.7% of pupils attending nursery and primary schools and 14.1% of pupils attending secondary school for England as a whole
- there are **98.30 total recorded offences** (excluding fraud) per 1,000 population in Haringey. This compares to an average of 82.32 for All London Boroughs (excluding the City).

5 Principles and purpose of a Members Allowances Scheme

5.1 The principles of a remuneration scheme

'Upholding trust and confidence'

Citizens rightly expect that all those who choose to serve in public authorities uphold the public trust by embracing the values and ethics implicit in such public service. The Principles underpin the contribution that the Scheme makes towards upholding public trust and confidence.

'Simplicity'

The Scheme should be clear and understandable. This is essential for all those who are affected by, or who have an interest in, the Scheme as well as the wider community

'Remuneration'

The Scheme provides for payment to members of the local authority who carry a responsibility for serving their identified communities of geography and of interest. The level of remuneration should not act as a barrier to taking up or continuing in post. There should be no requirement that resources necessary to enable the discharge of duties are funded from the payment. The Scheme should provide additional recompense for those who are given greater levels of responsibility.

'Diversity'

Democracy is strengthened when the membership of public authorities adequately reflects the demographic and cultural make-up of the communities served. The Scheme should encourage the participation of those who are significantly under-represented.

'Accountability'

Taxpayers and citizens have the right to receive value for money from public funds committed to the remuneration of those who are elected, appointed or co-opted to serve in the public interest. The Council should make information readily available about the Scheme and the activities of its members.

'Fairness'

As an essential test of the framework's fairness, the Scheme for the remuneration of members should have regard to the earnings of the electorate in the community. The Scheme should be capable of being applied consistently as a means of ensuring that levels of remuneration are fair, affordable and generally acceptable.

'Quality'

The complex mix of governance, scrutiny and regulatory duties incumbent upon members requires them to engage with a process of continuous quality improvement. Members should be prepared to undertake such training and personal development opportunities as are required by the Council to properly discharge the duties for which they are remunerated.

'Transparency'

Transparency of members' remuneration is in the public interest. The Scheme serves to ensure that knowledge of members' remuneration is made easily available to the public.

5.2 **The purpose of a Members Allowances Scheme**

The policy intention behind the requirement for a bespoke Members' Allowances scheme for each local authority is to enable and facilitate members' roles and responsibilities as far as practically possible while taking into account such factors as the nature of the Council, local economic conditions and good practice. The Scheme should seek to minimise financial barriers to public service so as to enable a wide range of people to become a councillor without incurring undue personal financial cost, and the Scheme should as far as possible recompense members for the time they devote to their role and to the responsibilities they carry.

5.3 **The role and work of councillors**

The Report in 2018 by the Independent Panel – *'Remuneration of Councillors in London'* referred to the independent review by the Local Governance Research Unit based at Leicester Business School of the role and work of councillors. That review pointed out that councillors oversee multi million pound budgets, balancing complex financial pressures at a time of severe cutbacks in local authority spending, making decisions which will affect their areas for decades to come. In London each Borough Council is responsible for services crucial to its residents. Each has a revenue budget of up to £1.4bn as well as a substantial capital programme. The scale of their turnover and other financial activities are in many instances comparable with those of large publicly quoted companies. Councillors are faced with unenviable choices. Demand for local authority services continues to grow. In particular, there is rapid growth in the number of old people with a corresponding increase in demand for social care. London itself faces acute housing problems. Councillors have an increased responsibility for health. Thus the strain on and competition for resources increase the demands made on elected members. The responsibilities and accountabilities are made clear after a tragedy like the Grenfell Tower fire. The Independent Panel commented in its report that the evidence confirms that the workload and responsibilities of councillors continue to increase and that their role has become more complex, and not only in the areas of social care, housing and health. There has been growth in the number of sub-regional meetings, partnerships and joint bodies (such as Boards for Health & Wellbeing and Safer Neighbourhoods) which require the commitment and time of leaders, cabinet members and front-line councillors. Partnership engagement makes great demands on councillors. There has been a marked increase in informal meetings, such as working groups, forums and community gatherings as well as

formal meetings like local authority companies. The expectations of the public continue to rise. While valuable to democracy, the use of social media adds to the pressure on councillors by increasing demands from their constituents in several different ways. Communication with councillors is not only easier but immediate. The public expects a speedy response, so that it is now more difficult for councillors in employment to deal with concerns as quickly as voters expect. Not only do social media make it easier for their constituents to get hold of councillors, but they also enable an isolated concern to become an organised campaign. Appendix 4 to this report is a 'profile' for a Councillor in London produced by the Independent Panel and included as an Appendix to its 2018 Report. It is a concise summary of the purposes and key tasks that are part of the role of the elected member in a London Borough.

5.4 During my meetings with members as part of this Review it was mentioned on more than one occasion that the allowances payable under the current Members Allowance Scheme are insufficient to encourage a wider range of people to stand for Council. Allowance Schemes are not designed for this purpose as they would need to be at levels so high that this would not be publically acceptable. Some interviewees were not comfortable with the concept of the Allowances scheme having this objective as it would be contrary to the public service ethos if individuals were standing for and remaining on the Council for income reasons. The desire to serve local communities and residents should be the prime motivation for being a councillor. However, it is increasingly difficult to recruit people representative of the local demography with the necessary experience who are prepared to stand for office as councillors. Though the low level of allowances was mentioned as a reason for this, a major disincentive is the time commitment required of a councillor. That time commitment (as well as finance) can make it difficult to combine the role with a job and a family life. As one councillor commented '*Serving on outside bodies means that I am working every day of the week, weekends too*'. The problem is exacerbated in London, where councillors are on the whole younger than in other parts of the country and often in employment. They also face substantially higher costs of living. Though the time commitment may be the main disincentive to service as a councillor, it is important that, as far as reasonably possible, financial loss does not prevent people from becoming councillors. Member allowances are not shown by polls to be something which influences councillors to take on the role, though they are instrumental in making it possible for some people to do so. Allowances should be set at a level that enables people to undertake the role of councillor, while not acting as an incentive to do so. If it is important that there are no financial incentives to being a councillor, it is equally important that there should not be a financial disincentive. It is clearly desirable that service as a councillor is not confined to those with independent means.

5.5 **The consequences of taking on additional responsibilities**

For those who take on the responsibilities for which a Special Responsibility Allowance is paid the additional time commitment is significant. The time commitment for what is sometimes described as a 'backbench' role is generally agreed to be the equivalent of up to 2 days a week. For those who accept roles as Chairs of Council Committees and Panels the additional time commitment is at least one day a week. Cabinet Members are required to commit at least an additional two days a week to manage their Cabinet and portfolio responsibilities, while the role of Leader of a Council like Haringey requires a full time commitment. The reality is that for Cabinet Members and the Leader of the Council

the role is more of less full-time and it would be impossible for the Leader in particular to have paid employment. So the allowances that are paid represent for many elected members the only source of income during the time they serve as councillors. Apart from the impact that the commitment to a senior Council role has on career development and lost opportunities for promotion for those who are in paid employment, there is no provision for 'parachute payments' to soften the financial blow for those who lose their paid positions, either as a result of losing their Council seat in a local election, a change of political control or because for one reason or another an SRA is no longer available to them. For many, there is also the loss of occupational pension during the time they are not able to have paid employment outside their Council role. The Local Government Pension Scheme is no longer available to elected members.

5.6 The Haringey Members Allowance Scheme

The current Scheme was approved by full Council on 18 March 2019. As well as an increase of 2% in the Basic Allowance in line with the anticipated pay settlement to council staff there were a number of amendments to the previous Scheme. There are now explicit provisions for maternity, paternity and sickness leave, and also express provision for adoption and shared parental leave. There were no changes to the SRA provisions in the Scheme as it had been agreed previously that there was to be a review of SRAs during the ensuing municipal year.

The current Scheme is set out in full at Appendix 1 of this report. The Scheme provides for a Basic Allowance of £11,026 per annum (including all travel within the M25) to be paid to all members of the Council to fulfil those duties for which the Basic Allowance is predicated, including preparing for and attending meetings, addressing constituents concerns, engaging with local communities, external appointments and other associated work including telephone calls, emails and meetings with officers.

The Scheme provides for annual Special Responsibility Allowances (SRAs) in six 'Bands' to be paid to those Councillors who take on certain additional roles. These SRAs are paid in addition to the Basic Allowance. The Scheme also provides for the allowances for the Mayor and the Deputy Mayor to be paid under separate statutory provisions (Section 3 and 5 of the Local Government Act 1972)

As part of this Review the Council’s Democratic Services team carried out research on Members Allowances Schemes at a number of London Boroughs. The sources for this research included the Local Government Association website and the local authority websites, and in particular the Constitution of each of the local authorities and the information on Members’ Allowances Schemes and committees structure. The local authorities selected for the review had similar demographics to Haringey. And included Conservative controlled and Liberal Democrat controlled councils to ensure that there was a wide range of different types of councils for comparison. Additionally, a mixture of Leader & Cabinet and Committee forms of governance systems was chosen to ensure a wider comparison for the research.

Democratic Services compiled a comparative data table for allowances paid by the following London Boroughs:

- Leader and Cabinet governance model
 - Haringey Council (Labour majority)
 - Enfield Council (Labour majority)
 - Islington Council (Labour majority)
 - Camden Council (Labour majority)
 - Waltham Forest Council (Labour majority)
 - Southwark Council (Labour majority)
 - Westminster Council (Conservative majority)

- Committees governance model
 - Barnet Council (Conservative majority)
 - Richmond upon Thames Council (Liberal Democrat majority)
 - Sutton Council (Liberal Democrat majority)

The key findings of the research were:

- **Basic Allowance**
 - The current Haringey Scheme provides for a Basic Allowance of £11,026 per annum following an uplift of 2% in March 2019. The Independent Panel recommended a Basic Allowance of £11,045 in its 2018 Report and that this should be pegged to the annual increase for local government employees. The views of most of those members that I interviewed and/or who completed the

questionnaire is that the Basic Allowance should be index linked either to a relevant annual inflation figure or to the annual 'cost of living' award for local government employees, but that this is not the time for a major increase in Basic Allowance.

- **Leader of the Council**

- The Leader and Deputy Leader of Southwark Council have the highest SRAs in comparison to the other local authorities. The Leader of Southwark Council receives an SRA of £54,303, and the Deputy Leader of Southwark Council receives an SRA of £36,448.
- Waltham Forest Council provides the second highest SRA in comparison to the local authorities examined. The Leader of Waltham Forest Council receives an SRA of £51,000, and the Deputy Leader of Waltham Forest Council receives an SRA of £32,640.
- The Leader of Haringey Council receives an SRA of £33,926.
- Enfield Council provided the lowest SRA to the Leader (£26,364). However, Enfield Council provides the Deputy Leader an SRA of £15,828, whereas Haringey, Islington and Camden Council do not provide SRAs to the Deputy Leader.

- **Cabinet Members**

- Southwark Council has 9 Cabinet Members (similar to Haringey Council), and its Cabinet Members receive the highest SRA in comparison to the other local authorities examined as part of the review. The Cabinet Members at Southwark Council each receive an SRA of £36,448. Cabinet Members at Haringey each receive an SRA of £25,443
- In relation to the local authorities reviewed that follow the Leader and Cabinet model, the Cabinet Members of Westminster Council receive the lowest SRA of £11,000 for each of the 8 Cabinet members (excluding the Deputy Leader, who receives a higher SRA of £19,000).

- **Other SRAs**

- the Chief Whip of the Majority Group at Haringey Council receives the highest SRA (£16,965) in comparison to the local authorities selected. Not all of the comparator London Boroughs pay an SRA to the Chief Whip of the Opposition, and Haringey pays the highest (£8,482).
- the Chair of the Regulatory Committee at Haringey Council receives the highest SRA (£16,965) in comparison to the local authorities selected although any comparison is complicated as the majority of comparator Boroughs have Chairs of both Planning Committee and Licensing Committee. Of the selected Labour majority Councils, only Haringey Council and Waltham Forest Council

provide SRAs to the Regulatory Committee Vice-Chairs. However, Haringey Council provides almost double the SRA to the Regulatory Vice-Chair (£8,482) in comparison to Waltham Forest Council (£4,590)

- Haringey Council's Overview and Scrutiny Chair receives the second highest SRA (£23,134). The Overview and Scrutiny Chair at Southwark Council receives the highest SRA at £24,547, and Richmond upon Thames Council provides the OSC Chair equivalent (Chair of Policy & Performance Review Board) the lowest SRA at £5,100.
 - Only Islington (£3,255) and Southwark (£9,064) pay SRAs to those other than the Chair of the O&S Committee for scrutiny involvement so Haringey (£15,421) pays the highest SRAs to Scrutiny Panel Chairs.
 - The Leader of the Principal Opposition Group at Haringey receives the third highest SRA (£16,965) with the highest SRA paid to the Leader of the Opposition at Waltham Forest (£18,035) and the lowest (£9,000) at Westminster City Council.
 - The Deputy Leader of the Principal Opposition Group at Haringey receives an SRA of £8,482
 - The Chair of the Combined Pensions Committee and Board at Haringey receives an SRA of £8,482. Not every comparator Borough has a Pension Committee but of the 7 Boroughs that pay an SRA in connection with pension responsibilities only LB Barnet pays a higher SRA (£15,333) than Haringey with most paying significantly less.
 - The Chair of the Staffing and Remuneration Committee at Haringey receives an SRA of £8,482. None of the other comparator Boroughs pays an SRA to the Chair of a Staffing and Remuneration Committee as they do not have such a Committee or equivalent.
 - The Chair of the Standards Committee at Haringey receives an SRA of £8,482. Of the comparator Boroughs only Westminster (£3,060) other than Haringey has a stand-alone Standards Committee for which an SRA is paid.
 - The Chair of the Corporate Committee at Haringey receives an SRA of £8,482. Nearly all of the comparator Boroughs has a Committee with similar terms of reference to Haringey's Corporate Committee but this is normally described as an Audit/Risk Management Committee. Enfield (£8,442) and Westminster (£8,160) pay similar SRAs to Haringey while Sutton (£9,700), Waltham Forest (£10,200) and Barnet (£15,333) pay more.
- **Civic allowances**
 - The Scheme provides for an allowance of £16,965 to the Mayor of the Borough. This is the third highest mayoral allowance paid by the comparator authorities with only Southwark (£24,547) and Enfield (£17,788) paying more.

- The Scheme provides for an allowance of £4,328 for the Deputy Mayor. Again, this is the third highest mayoral allowance paid by the comparator authorities and only Southwark (£9,064) and Enfield (£5,876) pay more.

5.7 Research was also commissioned into the average cost of the Members Allowance Schemes in a number of neighbouring London Boroughs:

- the total Members Allowances paid in 2018/19 in Haringey was £1,106 million. There are 57 councillors so the average cost per councillor in Haringey was £19,403
- the total Members Allowances paid in 2018/19 in Waltham Forest was £1,205 million. There are 60 councillors so the average cost per councillor in Waltham Forest was £20,083.
- the total Members Allowances paid in 2018/19 in Islington was £889,000. There are 48 councillors so the average cost per councillor in Islington was £18,520
- the total Members Allowances paid in 2018/19 in Enfield was £1,000,000. There are 63 councillors so the average cost per councillor in Enfield was £15,873
- the total Members Allowances paid in 2018/19 in Camden was £832,000. There are 53 councillors so the average cost per councillor in Camden was £15,698

6 The findings from the review

- 6.1 It is widely accepted that the role and work of a councillor anywhere in England can be challenging and demanding, and that this is undeniably the case in London as the report of the Independent Panel referred to at paragraph 4.3 above makes clear. The evidence I have collected as part of this Review also shows that the role and work of a councillor in Haringey is particularly challenging and demanding given the demographics of the Borough as set out in paragraph 3 above.
- 6.2 It is undeniable that there is a strong case that councillors generally and in Haringey in particular deserve better remuneration to reflect both the workload and responsibilities that many of them carry for relatively little reward. However, it is also accepted that whilst the case may be strong there is insufficient justification for a major uplift of allowances across the board, not least at a time of continuing austerity and in a Borough which is ranked 24 out of 152 local authorities in England on overall deprivation and 25 out of 152 local authorities on income deprivation. It is also a relevant fact that Haringey already spends more per councillor on member allowances than most of the neighbouring London Boroughs.
- 6.3 Nevertheless, although it is not the right moment to revise the Member Allowance Scheme with a general uplift across the Board, it is clear from the review that there are a number of inequalities and disparities in the allocation of SRAs in the Haringey Scheme that need to be addressed. My conclusions and any recommendations for increasing specific SRAs in Section 7 of my report are based on all the evidence that I have collected including the comparator information from other Boroughs, interviews with members, the questionnaire survey results, the information about the roles and responsibilities of SRA holders and my judgements as the independent expert. They are also a reflection of the particular circumstances that apply in Haringey. I am also very conscious of the financial situation and the acceptability of increasing expenditure on members allowances at a time of continuing financial constraint, but the financial implications of my recommendations are very modest amounting to less than an additional £30,000 per annum on the current provision of £1,106,000 per annum – an increase of less than 3% per annum:

- **Basic Allowance**

The current Scheme provides for a Basic Allowance of £11,026 per annum following an uplift of 2% in March 2019. Three comparator London Boroughs pay a higher Basic Allowance – Southwark pays a Basic Allowance of £11,496, Waltham Forest pays £11,266 and Sutton pays £11,164. The Independent Panel recommended a Basic Allowance of £11,045 in its 2018 Report and that this should be pegged to the annual increase for local government employees. The views of most of those members that I interviewed and/or who completed the questionnaire is that the Basic Allowance should be index linked either to a relevant annual inflation figure or to the annual ‘cost of living’ award for local government employees, but I have concluded that this is not the right time for an increase in the Basic Allowance.

- **The SRA for the Leader of the Council**

The current Scheme provides for a Band 4 SRA of £33,926 for the Leader of the Council. A majority of those members (16) who completed the questionnaire considered this to be *'too low'* with 11 considering it to be *'fair'* - only one councillor considered the current SRA to be *'too high'*. The Leader of Southwark Council has the highest SRA - £54,303 - of the comparator local authorities, while Waltham Forest Council provides the second highest SRA of £51,000.

The Independent Panel in its 2018 Report commented that *'if anything, the Leaders of London boroughs warranted a higher remuneration than an MP, because they had greater financial responsibility and legal burdens, and especially given the differential pension arrangements. Indeed one respondent authority suggested that the direct responsibilities of a Leader should command the salary of a Junior Minister'*. The Report recognised that *'the current stringent economic circumstances made such remuneration impossible at the present time'* but that *'this is a full-time job, involving a high level of responsibility and includes the exercise of executive responsibilities. It is right that it should be remunerated on a basis which compares with similar positions in the public sector, while still retaining a reflection of the voluntary character of public service'*. The Panel recommended an SRA for Leaders of London Boroughs of £57,085, significantly greater than the current payment of £33,926 to the Leader in Haringey.

As was highlighted earlier in this report (paragraph 5.5) the reality is that for the Leader of a Council like Haringey a full time commitment is required. It would be impossible for the Leader to have paid employment, so the Basic Allowance and SRA that is paid is the only source of income. I am proposing a significant uplift in the SRA currently paid to the Leader of the Council.

For information, Appendix 6 to this report provides details of the role, workload and portfolio of responsibilities for the Leader of the Council.

- **The SRA for Cabinet Members**

The current Scheme provides for a Band 3B SRA of £25,4543 for each Cabinet Member. A majority of those members who completed the questionnaire considered this to be *'fair'* (17) , with 4 considering the payment to be *'too high'*, and 6 *'too low'*. There are a number of comparator London Boroughs that pay a higher SRA to Cabinet Members with an equal number that pay a lower SRA. The recommendation in the Independent Panel Report of 2018 is that the SRA for a Cabinet Member should be between £36,917 to £43,460, significantly greater than the current payment to Cabinet Members in Haringey.

A number of members commented to me about the variable workloads that Cabinet Members carried depending on their portfolio, and some suggested that the SRAs should be reduced for those Cabinet members with the least demanding portfolios. It is apparent that such comments are based on

misunderstandings about the commitments required of Cabinet members. As was highlighted earlier in this report (paragraph 5.5) Cabinet Members are required to commit at least an additional two days a week to manage their Cabinet and portfolio responsibilities. The reality is that for Cabinet Members this means that the role is more or less full-time and it would be difficult if not impossible for a Cabinet Member to have paid employment, so the Basic Allowance and SRA that is paid are for many the only source of income. Council's Constitution that describes the work of the Cabinet, and Appendix 6 provides details of the role, workload and portfolio of responsibilities for the members of Haringey Council's Cabinet.

However, I am not proposing any change in the SRA for Cabinet members.

(Appendix 7 to this report provides details of the roles and responsibilities of SRA holders other than members of the Cabinet)

- **The SRA for the Chair of the Overview and Scrutiny Committee**

The current Scheme provides for a Band 3A SRA of £23,134 for the Chair of the Overview and Scrutiny Committee. The SRA paid at Haringey is the second highest of the payments in the comparator Boroughs and most pay significantly less for this role. Of those members who completed the questionnaire 9 said the payment was '*too high*', 18 said '*fair*' and 2 said '*too low*'. A number of members pointed to the demanding role of the Chair of the O & S Committee and suggested that the SRA should be aligned with that of Cabinet members to reflect the workload and the responsibility of the role.

I agree that the current SRA does not reflect the considerable workload and responsibilities involved in chairing the Committee the post and I am proposing that the SRA for this role is increased accordingly.

- **The SRA for the Vice Chair of Overview and Scrutiny Committee**

The current Scheme provides for a Band 2A SRA of £15,421 for this role, the same as the SRA for the other three Chairs of the Scrutiny Panels. As well as chairing one of the Panels this postholder also acts as Vice Chair of the Overview and Scrutiny Committee with the additional responsibility that this entails. I am therefore recommending a small increase in the SRA for this role.

- **The SRA for the Chairs of Scrutiny Panels**

The current Scheme provides for a Band 2A SRA of £15,421 for the Chairs of Scrutiny Panels. Only Islington (£3,255) and Southwark (£9,064) pay SRAs to those other than the Chair of the O&S Committee for scrutiny involvement so Haringey pays the highest SRAs for this role. Of those members who completed

the questionnaire 11 said the payment was 'too high', 15 said it was 'fair' and 3 said it was 'too low'.

I am not proposing any change in the SRA for this role.

- **The SRA for the Chief Whip of the Majority Group**

The current Scheme provides for a Band 2B SRA of £16,965 for the Chief Whip. The Chief Whip of the Majority Group at Haringey Council receives the highest SRA for this role in comparison to the local authorities selected for comparison purposes. Of those members who completed the questionnaire 16 considered this payment to be 'fair', with 10 considering the payment to be 'too high', and 3. A number of members commented to me about the importance of this role in an authority like Haringey where there is an effective and active Opposition Group, and that, although the role is essentially political rather than functional in nature, it was very demanding with a significant time commitment.

I am not proposing any change in the SRA for this role.

- **The SRA for the Chair of the Regulatory Committee**

The current Scheme provides for a Band 2B SRA of £16,695 for the Chair of the Regulatory Committee. The Regulatory Committee Chair at Haringey Council receives the highest SRA in comparison to the local authorities selected although any comparison is complicated as the majority of comparator Boroughs have Chairs of both Planning Committee and Licensing Committee. Of those members who completed the questionnaire 5 said the payment was 'too high', 17 said it was 'fair' and 4 said it was 'too low'.

I am not proposing any change in the SRA for this role.

There seems to be consensus around the proposition that the Regulatory Committee should be formally reconstituted as two separate Committees – a Planning Committee and a Licensing Committee. It was also suggested that the SRA for the Planning Committee Chair should be in line with the current SRA for the Regulatory Committee and that the SRA for the Licensing Committee Chair should be in line with the SRA currently paid to the Vice Chair of the Regulatory Committee.

- **The SRA for the Chair of the Alexandra Palace and Park Board**

The current Scheme provides for a Band 2B SRA of £16,965 for the Chair of the Alexandra Palace and Park Board. There are no comparable Committees at any of the comparator Boroughs. Of those members who completed the questionnaire 13 Councillors said it was 'too high', 14 said it was 'fair' and 2 said it was 'too low'.

Even though a number of members both in their interviews with me and through the questionnaire survey indicated that they considered that the SRA paid for this role was too high, those directly involved with this Committee currently and historically are of the view that the workload and responsibility for this role is significant and that the current SRA reflects this appropriately. Appendix 7 to this report sets out the role of the Chair and supports the view that the role carries a significant workload and responsibility.

I am not proposing any change in the SRA for this role.

- **The SRA for the Leader of the Principal Opposition Group**

The current Scheme provides for a Band 2B SRA of £16,965 for the Leader of the Principal Opposition Group. A number of comparator London Boroughs pay a higher SRA to the Leader of the Opposition with Haringey paying the third highest SRA (£16,965) and the highest SRA is paid to the Leader of the Opposition at Waltham Forest (£18,035) and the lowest (£9,000) at Westminster City Council. Of those members who completed the questionnaire the majority consider the payment to be '*fair*' (20), with 5 considering the payment to be '*too high*', and 5 '*too low*'. There is no doubt that this is a demanding role in a local authority like Haringey where the Leader of the Opposition is expected to constantly scrutinise and challenge the work of the Majority Group and also to propose alternative policies and financial strategies particularly during the budgetary process. The SRA paid for this role was reduced from Band 3A to Band 2B in 2017.

I am proposing an increase in the SRA for this role to recognise the demands and responsibilities that are involved.

- **The SRA for the Chair of the Combined Pensions Committee & Board**

The current Scheme provides for a Band 1B SRA of £8,482 for the Chair of the Combined Pensions Committee and Board. Not every comparator Borough has a Pension Committee but of the 7 Boroughs that pay an SRA in connection with pension responsibilities only LB Barnet pays a higher SRA (£15,333) than Haringey with most paying significantly less. A majority (20) of those members who completed the questionnaire consider the payment to be '*fair*', 3 said it was '*too high*', and 5 said it was '*too low*'. There is a considerable workload for the postholder as well as significant financial responsibility and my conclusion is that the current SRA does not reflect this adequately.

I therefore propose an increased SRA for this post.

- **The SRA for the Chair of the Staffing & Remuneration Committee**

The current Scheme provides for a Band 1B SRA of £8,482 for the Chair of the Staffing and Remuneration Committee. None of the other comparator Boroughs pays an SRA for this role as they do not have a Staffing and Remuneration Committee or equivalent. Of those members who completed the questionnaire 3 said the payment was '*too high*', 21 said it was '*fair*' and 5 said it was '*too low*'.

I am not proposing any change in the SRA for this role.

- **The SRA for the Chair of the Standards Committee**

The current Scheme provides for a Band 1B SRA of £8,482 for the Chair of the Standards Committee. Of the Comparator Boroughs only Westminster (£3,060) has a stand- alone Standards Committee for which an SRA is paid. Of those members who completed the questionnaire 4 said the payment was '*too high*', 19 said it was '*fair*' and 6 said it was '*too low*'

I am not proposing any change in the SRA for this role.

- **The SRA for the Chair of the Corporate Committee**

The current Scheme provides for a Band 1B SRA of £8,482 for the Chair of the Corporate Committee. Nearly all of the comparator Boroughs has a Committee with similar terms of reference but normally described as an Audit/Risk Management Committee. Enfield (£8,442) and Westminster (£8,160) pay similar SRAs to Haringey while Sutton (£9,700), Waltham Forest (£10,200) and Barnet (£15,333) pay more. Of those members who completed the questionnaire 4 Councillors said the payment was '*too high*', 17 said it was '*fair*' and 8 said it was '*too low*'.

I am not proposing any change in the SRA for this role.

- **The SRA for the Vice Chair of the Regulatory Committee**

The current Scheme provides for a Band 1B SRA of £8,482 for the Vice Chair of the Regulatory Committee. Of the selected Labour majority Councils, only Haringey Council and Waltham Forest Council provide SRAs to the Regulatory Committee Vice-Chairs. Haringey Council pays almost double the SRA to the Regulatory Committee Vice-Chair in comparison to Waltham Forest Council (£4,590). Of those members who completed the questionnaire 10 said the payment was '*too high*', 14 said '*fair*' and 4 said '*too low*'.

I am not proposing any change in the SRA for this role.

- **The SRA for the Deputy Leader of the Principal Opposition Group**

The current Scheme provides for a Band 1B SRA of £8,482 for the Deputy Leader of the Principal Opposition Group.

I am not proposing any change in the SRA for this role.

- **The SRA for the Chief Whip of the Principal Opposition**

The current Scheme provides for a Band 1B SRA of £8,482 for the Chief Whip of the Principal Opposition. Not all of the comparator London Boroughs pay an SRA to the Chief Whip of the Opposition, and Haringey pays the highest. Of those members who completed the questionnaire 7 said the payment was 'too high', 19 said 'fair' and 1 said 'too low'

I am not proposing any change in the SRA for this role.

- **The Mayoral Allowance**

The current Scheme provides for an allowance of £16,965 to the Mayor of the Borough. This is the third highest mayoral allowance paid by the comparator authorities and only Southwark (£24,547) and Enfield (£17,788) pay more. 7 Councillors said 'too high', 19 said 'fair' and 1 said 'too low'. Of those members who completed the questionnaire 5 said the payment was 'too high', 21 said it was 'fair' and 3 said it was 'too low'.

I am not proposing any change in the allowance for this role.

- **The Deputy Mayoral Allowance**

The current Scheme provides for an allowance of £4,328 for the Deputy Mayor. Again, this is the third highest mayoral allowance paid by the comparator authorities and only Southwark (£9,064) and Enfield (£5,876) pay more. Of those members who completed the questionnaire 3 said the payment was 'too high', 17 said it was 'fair' and 8 said it was 'too low'.

I am not proposing any change in the SRA for this role.

- **Other matters**

A number of members made comments about the current Scheme:

- *"In general, the allowances should be reflective of the amount of work expected. Some committee chairs have relatively small workload for a large remuneration. It would be better if the rates were set at least on a London wide basis"*

- *“The SRAs may be fair but those holding them need to do work commensurate with receiving an SRA. That means work between meetings and putting the time in. That is an issue”*
- *“The council should review the regulatory committee. The committee should be split into two, planning and licensing, with two chairs (chair of planning committee and chair of licensing committee). The vice chair position will therefore not require an SRA. This will reduce the volume of meetings the respective chairs attend. The SRA for the overview and scrutiny chair should be in line with the scrutiny chairs as they appear to have similar number of meetings & responsibilities”*
- *“When setting SRAs, consideration should be given as to whether a Councillor can reasonably do the role, and maintain a full-time job as well. Councillors giving up full-time, or moving to part-time work, lose seniority in their day jobs, and it costs them (and hence their families) financially in the medium and long term. Furthermore, since Council allowances do not merit any payment towards pensions, SRA payments should seek to recompense recipients for this as well”*
- *“SRA should reflect time and commitment and not just responsibility”*
- *“Cabinet member and Leader are, by virtue of the level of work, almost required to be full-time. For those without external incomes or who are of working age - this is a huge risk if the positions only guaranteed for one year. I think we should move to full-time cabinet members appointed for four years if we're requiring full-time work. If it was for less, they should on leaving their office be given a golden goodbye like they do in Southwark to tie them over till they get a new job”*
- *“We need to ensure adequate and fair allowances are paid do that we can ensure a diverse range of councillors”*
- *“There is no justification for rises for the vast majority of roles”*
- *“I believe that many of these roles require work outside the set meetings that are not recognised hence the SRA”*
- *“Should be able to justify allowances by reference to other similar local authorities or London wide recommendations”*
- *“Concerns are how these all are used for political patronage”*
- *“The Chair of the Adults and Health Scrutiny sits on several other committees including JHOSC so they have a very heavy meeting schedule which should be reflected in a larger SRA”*
- Claiming for child care, babysitting etc

- A number of members raised the possibility of '*parachute payments*' being included in the Scheme as a way of compensating for the immediate loss of income for those who lose their seats at a local election or who no longer are awarded an SRA. Although this has been discussed in the past and was proposed by the Councillor Commission for introduction some years ago there is no provision for such payments in local government legislation.

7 Recommendations

- 7.1 The Standards Committee commissioned this review of the current Members Allowance Scheme with the following terms of reference:
- an independent Review of the Members Allowance Scheme to be undertaken between July 2019 and March 2020 for implementation in the 2020/21 municipal year
 - the Review should include an analysis of roles and responsibilities with a 'benchmarking exercise' to ensure that the Borough is in line with comparator Boroughs in its provision of SRAs
 - the key purpose of the Review was to ensure that members are appropriately remunerated and to address any inequalities and disparities in the allocation of SRAs. Differences had had been noted in the Leader's allowance in proportion to Cabinet Member allowances, the perceived higher number of Committee meetings chaired and attended by some members in comparison to other committees where an SRA was payable
 - whether an annual percentage uplift of all Allowances to correlate with the equivalent annual cost of living award for local government staff should be introduced
 - whether the Mayoral Allowances should remain as separate statutory provisions in the Members Allowance Scheme (under Section 3 and 5 of the Local Government Act 1972)
 - the Review should have regard to the recommendations of the Independent Remuneration Panel. The Local Authorities (Members' Allowances) (England) Regulations 2003 ('the Regulations') authorise the establishment by the Association of London Government (now London Councils) of an independent remuneration panel to make recommendations in respect of the members' allowances payable by London Boroughs. The Regulations require a review of the scheme every four years as a minimum and the Panel published its most recent report in 2018
 - the Review would operate under the principle that any changes proposed must be evidence based.
- 7.2 Based both on the research into the arrangements in comparator London Boroughs and on the results of the member questionnaire survey, the current London Borough of Haringey Member Allowance Scheme appears to be generally fit for purpose and an effective mechanism for remunerating those members of the Council who take on additional responsibilities through the allocation of Special Responsibility Allowances.
- 7.3 It is undeniable that there is a strong case that councillors generally and in Haringey in particular deserve better remuneration to reflect both the workload and responsibilities that many of them carry for relatively little reward. However, it is also accepted by most of those who participated in the Review that whilst the case may be strong there is insufficient justification for a major uplift of allowances across the board, not least at a time of continuing austerity and in a Borough which is ranked 24 out of 152 local authorities in England on overall deprivation and 25 out of 152 local authorities on income deprivation. It

is also a relevant fact that Haringey Council already spends more per councillor on member allowances than most of the neighbouring London Boroughs.

- 7.4 However, it is clear from the review that there are a number of inequalities and disparities in the allocation of SRAs in the Haringey Scheme that need to be addressed. My recommendations for increasing specific SRAs result from the findings of my review as set out in Section 6 of this report which summarises all the evidence that I have collected. The financial implication of my recommendations if they are all agreed is very modest amounting to less than an additional £30,000 per annum on the current provision of £1,106,000 per annum - an increase of less than 3% per annum.

Recommendation 1

- **The SRA for the Leader of the Council:**

It is generally accepted that the current SRA of £33,926 for the Leader of the Council is not adequate and should be increased. Based on the fact that this is a full-time and challenging role that inevitably represents the sole source of income for whoever takes on this role **my proposal is that the payment should either be at the level of £57,085 recommended in the 2018 Independent Panel Report, or should be aligned to the SRA paid to a neighbouring comparator London Borough with a similar demographic and political profile - for example, LB Waltham Forest pays its Leader an SRA of £51,000 - or it should be at a level that is appropriate, defensible and affordable of £45,000 per annum.**

Recommendation 2

- **Basic Allowance:**

I propose that the Basic Allowance payable in 2020/21 remains at £11,026 per annum, subject to index linking to the local government staff pay award when it is finalised later this year

- **The SRA for Cabinet Members:**

Despite the significant workload and responsibilities of Cabinet members I **propose that the SRA for Cabinet members remains at Band 3B (£25,443)**

- **The SRA for the Leader of the Principal Opposition Group:**

This is a demanding role in a local authority like Haringey where the Leader of the Opposition is expected to constantly scrutinise and challenge the work of the Majority Group and also to propose alternative policies and financial strategies particularly during the budgetary process and **I propose that the SRA for the Leader of the Principal Opposition Group is increased from Band 2B (£16,965) to a new Band 2C (£19,500)**

- **The SRA for the Deputy Leader of the Principal Opposition Group:**

I propose that the SRA for the Deputy Leader of the Principal Opposition Group remains at Band 1B (£8,482)

- **The SRA for the Chair of Overview and Scrutiny Committee:**

This is a demanding role and a number of members suggested that the SRA should be aligned with that of Cabinet members to reflect both the workload and the responsibility of the role. I agree with that view having reviewed the evidence about the workload and responsibilities of the post and **I propose that the SRA for the Chair of Overview and Scrutiny Committee is increased from Band 3A (£23,134) to Band 3B (£25,443)**

- **The SRA for the Vice Chair of the Overview and Scrutiny Committee**

To recognise the additional responsibility of acting as Vice Chair of the Committee as well as chairing one of the Scrutiny Panels **I propose that the SRA for the Vice Chair of Overview and Scrutiny Committee is increased from Band 2A (£15,421) to Band 2B (£16,965)**

- **The SRA for Chairs of Scrutiny Panels**

I propose that the SRA for the other Chairs of Scrutiny Panels remains at Band 2A (£15,421)

- **The SRA for the Chair of Regulatory Committee:**

I propose that the SRA for the Chair of Regulatory Committee remains at Band 2B (£16,965)

(Following the views expressed in interviews and the questionnaire, if consideration is given in the coming municipal year for a review of the Regulatory Committee and it is reconstituted as separate Planning and Licensing Committees, the SRA for the Chair of the Planning Committee should be Band 2B (£16,965) and the SRA for the Vice Chair of the Planning Committee should be Band 1B (£8,482)

- **The SRA for the Chair of Licensing Committee**

(Following the views expressed in the interviews and the questionnaire, if consideration is given in the coming municipal year for a review of the Regulatory Committee and it is reconstituted as separate Planning and Licensing Committees, the SRA for the Chair of the Licensing Committee

should be Band 1B (£8,482)

- **The SRA for the Chair of the Combined Pensions Committee and Board**

To recognise the considerable workload and the significant financial responsibilities involved in this role **I propose that the SRA for the Chair of the Combined Pensions Committee and Board is increased from a Band 1B (£8,482) to a new Band 1C (£12,500)**

- **The SRA for the Chair of Alexandra Park Committee:**

I propose that the SRA for the Chair of Alexandra Park Committee remains at Band 2B (£16,965)

- **The SRAs for the Chairs of Corporate, Standards, Staffing and Remuneration Committees**

I propose that the SRAs for the Chairs of these Committee remains at Band 1B (£8,482)

- **The Allowances for the Mayor and Deputy Mayor:**

I propose that the Mayoral Allowances should remain at their current levels as separate statutory provisions in the Members Allowance Scheme (under Section 3 and 5 of the Local Government Act 1972)

- **Index linking:**

I propose that the Basic Allowance, SRAs and Civic Allowances be increased by the same percentage applied annually to the pay of local government staff, implemented each April (linked to spinal column point 49 of the NJC scheme)

- **Implementation:**

I propose that that the recommendations contained in this report (with any amendments) be implemented from the date of the Council meeting at which the revised Allowances Scheme is adopted

(a) The mileage rate for travel by private car is 34.6 pence per mile. An extra 3 pence per mile is payable for each passenger for whom a travelling allowance would otherwise be payable. The cost of tolls, ferries and parking charges can be claimed.

(b) The mileage rate for travel by solo motor cycle is:

Not exceeding 150 cc 8.5 pence per mile

(c) 150 cc but not over 500 cc 12.3 pence per mile 500 cc 16.5 pence per mile

10.02 The Basic Allowance and Special Responsibility Allowances will be paid in equal monthly instalments.

10.03 The Co-optees' Allowance must be claimed by, and will be paid at, the end of the municipal year, subject to paragraphs 2.02 above and 10.05 below.

10.04 All claims for Travelling and Subsistence Allowance and Babysitting and Dependants Allowance must be made within two months of the relevant meeting or the costs being incurred by the Councillor or non-elected member, subject to paragraph 10.05 below.

10.05 If any Allowance under paragraphs 10.03 or 10.04 is not claimed within the prescribed time limit, the Democratic Services Manager shall have a discretion to make the payment nonetheless.

10.06 Any Councillor or non-elected member may elect to forego his/her entitlement to all or part of any allowance by giving written notice at any time to the Democratic Services Manager.

11 MATERNITY, ADOPTION, SHARED PARENTAL, PATERNITY AND SICKNESS PAY

11.01 Subject to this paragraph 11, all Members shall continue to receive their Basic Allowance in full in the case of maternity, adoption, shared parental, paternity and sickness leave, as long as they remain a Councillor. This includes Members becoming parents through surrogacy arrangements.

11.02 Members entitled to a Special Responsibility Allowance shall continue to receive their allowance in full in the case of maternity, adoption, shared parental, paternity and sickness leave for a six month period. Extension of this period of leave will require prior 2 months' written notice to be given to the Political Leader of the respective political group. If the extended leave is agreed by that Political Leader, a report will be compiled to seek approval from full Council before the point of the 6 months' leave expiry, for the extension of this leave. This is in accordance with section 85 of the 1972 Local Government Act. The Council (or Leader in case of Cabinet Members) may, depending on the circumstances, appoint a replacement to cover the period of absence who will be entitled to the SRA pro rata for the period of the temporary appointment.

11.03 The Democratic and Scrutiny Services Manager will write to the Member to confirm the continuation of allowances and until what date they will continue.

11.04 Leave arrangements are unaffected by the number of children born from a single pregnancy or placed as part of a single adoption.

Maternity Leave

- 11.08 The Member must notify the Democratic Services and Scrutiny Manager in the case of a UK adoption of their intention to take adoption leave in writing no more than seven days after the date on which the Member is notified of having been matched with the child for adoption or, where that is not reasonably practicable, as soon as is reasonably practicable thereafter. In the case of an overseas adoption, the Member must notify the Democratic Services and Scrutiny Manager of their intention to take adoption leave in writing, no more than 28 days after s/he received the official notification and:

The matching certificate must be issued by the adoption agency that matched the Member to the child and must contain the name and address of the agency, the date on which the Member was notified that s/he had been matched to the child, and the date on which the agency expects to place the child with the Member.;

11.10 A Member may share up to 50 weeks' leave if the mother/ adopter curtails their maternity/adoption leave before using their full entitlement of 52 weeks. The number of weeks available as Shared Parental Leave will be reduced by the number of weeks maternity or adoption leave that has already been taken by the mother or adopter.

11.11 Shared Parental Leave can be taken as one continuous block or in multiples of complete weeks, but must end no later than one year after the birth/placement for adoption of the child.

Including the start and end dates for each period of leave.

11.13 A Member is entitled to take up to two weeks' paternity leave to help care for the child, or to support the child's mother/adopter, if they are either: the father of the child (whether or not they are the biological father); the spouse, civil partner or partner of the mother/adopter.

11.14 The Member may take one week or two consecutive weeks of paternity leave, but not single days or less than a week's duration. Paternity leave must be taken within 56 days of the birth or adoption.

11.15 The Member must notify the Democratic Services and Scrutiny Manager of their intention to take paternity leave in writing no later than 4 weeks before they wish the period of paternity leave to start (childbirth) or no more than seven days after the date on which the adopter is notified of having been matched with the child or, where that is not reasonably practicable, as soon as is reasonably practicable; and:

ii) or matching certificate/official notification;

iii) Confirm the length of the absence and the date on which the Member has chosen to begin his/her leave

11.16 If the Member wishes to change the start date of a period of leave, they should write to the Democratic Services and Scrutiny Manager no later than 4 weeks before either the original start date 'or' the new start date (whichever is earlier). The Democratic Services and Scrutiny Manager will ensure that HR Services are informed within 2 working days of receipt of the details.

11.17 If the Member wishes to change the end date of a period of leave they should write to the Democratic Services and Scrutiny Manager at least 4 weeks before either the original end date or the new end date (whichever is earlier). The Democratic Services and Scrutiny Manager will ensure that HR Services are informed within 2 working days of receipt of the details.

11.18 HR Services will provide confirmation that the information on revised dates has been received and that relevant re-instatement or adjustment of any SRA has taken place, with a copy to Democratic Services, within 10 working days.

Sickness Leave

11.19 A Member who is sick will continue to receive the basic allowance as long as they remain a Councillor. They will also continue to receive any SRA for a six month period. Extension of this period of leave will require prior 2 months' written notice to be given to the Political Leader of the respective political group. If the extended leave is agreed by that Political Leader, a report will be compiled to seek approval from full Council, before the point of the 6 months' leave expiry, for the extension of this leave. This is in accordance with section 85 of the 1972 Local Government Act.

11.20 If a Member decides not to return to office following either during or on their expiry of maternity, adoption, shared parental, paternity or sickness leave, the Chief Executive must be notified. HR Services must then be informed within two working days of receiving notification. Allowances will cease from the resignation date.

11.21 If an election is held during the Member's maternity, adoption, shared parental, paternity or sickness leave and they are not re-elected, or decide not to stand for re-election, their basic allowance and SRA, if appropriate will cease from the Monday after the election

Q3 Special Responsibility Allowance (SRAs):

The current Members Allowances Scheme provides for Special Responsibility Allowances (SRAs) to be paid to those Councillors who take on certain additional roles. These payments are additional to the Basic Allowance and are designed to reflect the additional responsibilities involved for each post holder in six Bands.

If a Councillor does not serve as such for the whole period or becomes suspended or partially suspended, he/she will only be entitled to receive pro-rata additional

payment for the period(s) during which he/she actually was a serving Councillor and had any special responsibility.

Please indicate whether you consider that the different SRAs are appropriate or not in each case:

Appendix 3

Members' Allowance Scheme questionnaire summary of key results

Q6 - Indicate how many hours on average you spend each week on ward and political duties:

19 councillors worked 8 hours or more

5 councillors worked between 4 and 6 hours

4 councillors worked between 6 and 8 hours per week

Q6A - Additional information duties/responsibilities for consideration in relation to Q6 from councillors include the following comments:

Answering emails, reading papers/attending meetings

Ward Member role - attending local meetings including local groups and residents associations, walkabouts

Ward Organiser/ political group meetings

Leafleting

Surgeries

Comments:

"I work for 3.5 days and use 1.5 days for councillor duties. When I held a Chair position I worked fewer hours to accommodate the extra time required"

"This varies on a weekly basis. Some weeks I can spend 10 - 15 hours a week on councillor duties; this excludes reading committee/council papers. On quieter weeks I spend on average 4-8 hours a week on councillor duties again excluding reading committee papers"

Q6B - Time spent on decision making duties as a councillor including Cabinet, Committee and Chairing:

12 councillors spend 8 hours or more per week

7 councillors spend between 1 and 3 hours per week

7 councillors spent between 4 and 6 hours per week

3 councillors spent between 6 and 8 hours per week.

Q6C - time spent on external duties including partnership bodies, community group and external meetings:

5 councillors spent more than 8 hours per week,

9 councillors spent between 1 and 3 hours

9 councillors spent between 4 and 6 hours

3 councillors spent between 6 and 8 hours

And 1 councillor spent less than 1 hour per week

Q7 - Of the councillors who replied to this survey:

16 hold or have previously held a political group executive position.

11 councillors have not previously held a political group executive position and

2 councillors did not reply

Q8 - Please indicate if you agree that there should be increases to the Basic Allowance according to:

a) Inflation. 18 councillors agreed, 7 councillors did not agree

b) Council Staff pay increases. 16 councillors agreed, 5 councillors did not agree

c) Set rate of 1% pa. 4 councillors agreed, 7 councillors did not agree

Q8D - Other reasons to consider an increase or if you feel there should not be any increase, comments include:

“Set rate of 1% that is the maximum I suggest. We need to recognise the financial pressures so I am not convinced any rise is in order”

“Whilst the community suffers at the hands of austerity, I do not believe we should award ourselves pay rises”

“I think any increase would cause political damage and would in any case represent a negligible cash sum which anybody seeking public office should be able to forgo. Basic Allowance does not reflect the workload and responsibilities”

“I would like to see a fairer distribution of allowances, reducing the SRA but allowing for an increase in line with Council staff for the Basic Allowance”

“The work we do is much more involved and time-consuming - people have more pressing needs - austerity has caused more people to have more problems”

“The Basic Allowance should increase on an annual basis by the rate of inflation or in line with council staff increase”

“Amount of time answering e-mails, attending community groups invitations, case work, meetings”

Q9 - Please indicate whether you consider that the different SRAs are appropriate or not in each case:

Mayor: 5 Councillors said 'too high', 21 said 'fair' and 3 said 'too low'

Deputy Mayor: 3 Councillors said 'too high', 17 said 'fair' and 8 said 'too low'

Q10 - other appointments that councillors thought were not recognised in the current scheme that should attract an SRA:

- 2 councillors said Chair of Group
- Assistant Cabinet Members for Women's and Equalities. Suggested SRA £8000
- Chair of Budget Scrutiny
- Deputy Cabinet Member
- Reinstate Chair of Licensing

Q11 - appointments which presently attracts a SRA that should no longer exist:

- Deputy Mayor
- Vice Chair Regulatory Committee - mentioned by 3 councillors
- Chair Alexandra Palace
- Meeting with the elderly community?

Comment: *"I would like a thorough overhaul of all SRA's following collection of evidence"*

Comment: *"Opposition SRA's reduced in 2018 - don't believe this should have been voted on in Standards Committee as opposition is out voted by Labour Councillors"*

Other Comments:

- *"In general, the allowances should be reflective of the amount of work expected. Some committee chairs have relatively small workload for a large remuneration. It would be better if the rates were set at least on a London wide basis"*
- *"The SRAs may be fair but those holding them need to do work commensurate with receiving an SRA. That means work between meetings and putting the time in. That is an issue"*
- *"The council should review the regulatory committee. The committee should be split into two, planning and licensing, with two chairs (chair of planning committee and chair of licensing committee). The vice chair position will therefore not require an SRA. This will reduce the volume of meetings the respective chairs attend. The SRA for the overview and*

scrutiny chair should be in line with the scrutiny chairs as they appear to have similar number of meetings & responsibilities”

- *“When setting SRAs, consideration should be given as to whether a Councillor can reasonably do the role, and maintain a full-time job as well. Councillors giving up full-time, or moving to part-time work, lose seniority in their day jobs, and it costs them (and hence their families) financially in the medium and long term. Furthermore, since Council allowances do not merit any payment towards pensions, SRA payments should seek to recompense recipients for this as well”*
- *“SRA should reflect time and commitment and not just responsibility”*
- *“Cabinet member and Leader are, by virtue of the level of work, almost required to be full-time. For those without external incomes or who are of working age - this is a huge risk if the positions only guaranteed for one year. I think we should move to full-time cabinet members appointed for four years if we're requiring full-time work. If it was for less, they should on leaving their office be given a golden goodbye like they do in Southwark to tie them over till they get a new job”*
- *“We need to ensure adequate and fair allowances are paid do that we can ensure a diverse range of councillors”*
- *“There is no justification for rises for the vast majority of roles”*
- *“I believe that many of these roles require work outside the set meetings that are not recognised hence the SRA”*
- *“Should be able to justify allowances by reference to other similar local authorities or London wide recommendations”*
- *“Concerns are how these all are used for political patronage”*
- *“The Chair of the Adults and Health Scrutiny sits on several other committees including JHOSC so they have a very heavy meeting schedule which should be reflected in a larger SRA”*

Appendix 4

'On behalf of the community – a job profile for councillors'

Purposes:

1. To participate constructively in the good governance of the area
2. To contribute actively to the formation and scrutiny of the authority's policies, budget, strategies and service delivery
3. To represent effectively the interests of the ward for which the councillor was elected, and deal with constituents' enquiries and representations
4. To champion the causes which best relate to the interests and sustainability of the community and campaign for the improvement of the quality of life of the community in terms of equity, economy and environment
5. To represent the council on an outside body, such as a charitable trust or neighbourhood association.

Key Tasks:

1. To fulfil the statutory and local determined requirements of an elected member of a local authority and the authority itself, including compliance with all relevant codes of conduct, and participation in those decisions and activities reserved to the full council (for example, setting budgets, overall priorities, strategy)
2. Appendix 6

Haringey Council's Cabinet Members and their portfolios of responsibilities

The Cabinet is the group of Councillors who take most of the decisions about what the Council does. It is made up of a Leader and nine other Councillors. Each Cabinet Member looks after an individual area of responsibility or portfolio. They make decisions on how the Council's policies and services are delivered.

The workload of the Council's Cabinet is intense and multifaceted with increased responsibilities over the last 15 years for Public health, community safety, commissioning, and co-ordinator of public services. This has been coupled with decreasing budget, significant cuts in funding, a severe housing shortage, an increase in demand for Adults and Children's services. With increased pressure for Councils to deliver services and outcomes with a much smaller budget; the engagement with statutory partners and key stakeholders in the borough to ensure that the available resources and opportunities are co-ordinated are maximised has become significant part of the cabinet member role. This often means working closely with health partners in social care to pool funds and with partners to increase housing provision in the borough. The additional meetings attended by the leader and cabinet members below demonstrate the above points

Officer meetings on Alexandra Palace – 1 hour per month

Neighbouring North London Leader's - monthly meeting 2 hours.

Meetings with representatives of key religious groups in the borough - 1 hour per month

MP's meetings

The meetings attended by the Leader and Cabinet Members below demonstrate the above points:

Haringey Business Alliance - bi-monthly meetings

North London Waste Association – monthly meetings more than 2 hours

Borough Commander - monthly meeting

Weekly meetings on Youth and Risk

Housing and regeneration delivery meetings – 6 weekly

Separate additional Leader's advice surgery

Adhoc meetings with organisations / community groups in the borough

With less money and resources and more partnership working, comes more accountability to the electorate. Community engagement and establishing good community relations becomes a more paramount part of the Cabinet and Councillor role. This means ensuring that key decisions taken by the Cabinet are well researched and consulted with communities and stakeholders. This will also mean Councillors taking an active role in the compilation of reports and meeting with officers to ensure that the reports accord with the Corporate Plan and manifesto commitments. The Cabinet has 10 scheduled meetings per year.

The Cabinet Member and Councillor leadership and decision-making role in the community has become more recognised over the last few years with the development in social media and a 24 hour communications culture. There is now an expectation for Councillors to immediately communicate their decisions and the reasons for them. There are regular communication and policy development sessions to also be attended to ensure that clear information is provided to the community on policies and agreed key decisions. Therefore, although a Council meeting can be completed in 3 hours, the role of the Councillor as a communicator in the community continues with regular tweeting of Council decisions expected in today's 24 hour culture.

The Regulations approved in relation to the local government pension scheme (regulation 106(2) of the Local Government Pension Scheme (Amendment) (Governance) Regulations 2015) allow for pension committees and boards to be separate or combined. A combined committee and board has to be individually approved by the Secretary of State. Haringey applied for authority for a combined board and committee in 2015 and this was approved by the Secretary of State by letter, dated 6th January 2016.

In July 2016, the full Council approved the establishment of a combined Pensions Committee and Board. This was following consideration of the benefits of a combined committee and board to offer wider involvement and expertise of co-opted members.

This Committee has various functions to do with managing and monitoring the Council's pension fund and approving all relevant policies and statements. The Board element incorporates the scrutiny element of the Committee's responsibilities. This is a significant financial role undertaken by the chair who is responsible for leading the Committee and board, which contains both elected councillors and 4 voting co-opted members. They are responsible for exercising all the Council's functions as "Administering Authority" and being responsible for the management and monitoring of the Council's Pension Fund and the approval of all relevant policies and statements.

Every member of the Committee and Board must be conversant with

- The rules of the LGPS
- Any document recording policy about the administration of the LGPS which is for the time being adopted by the LB Haringey Pension Fund
- It is for individual Committee and Board members to be satisfied that they have the appropriate degree of knowledge and understanding to enable them to properly exercise their functions
- Committee and Board members are required to be able to demonstrate their knowledge and understanding and to keep these up to date and to maintain a written record of relevant training and development
- The Council will provide a training programme, which all Committee and Board members must attend. Training undertaken will be reported at each meeting

There are 5 meetings per municipal year of this Committee.

There are 5 agenda clearing meetings held with Officers.

- There is a significant training requirement for the Chair, they will attend numerous training/conferences. The Chair is Haringey's representative on the London CIV, which holds formal shareholder meetings twice per annum, in addition to other less formal meetings, of which there are several per year. The Chair is also the representative of the fund for the Local Authority Pensions Fund Forum (LAPFF), and they often attend LAPFF meetings/events too.
- Besides the formal Committee meetings the Chair will often hold informal pensions meetings in between Committees, e.g. if we are doing a procurement exercise, or working on a change to the investment strategy.
- The Chair also spends time networking with his counterparts as Chairs of Pensions Committees at other London Boroughs which is obviously less formal but important to mention as building relationships with other boroughs is key now that the government has mandated pooling of investments.

The Committee Procedure Rules and Access to Information Rules apply to this Committee and Board except where this would be inconsistent with either these Terms of Reference or the legislation relating to the Committee and Board.

1. Describe the issue under consideration

This report proposes that guidance is issued to councillors to support councillors who use social media. The guidance provides a general overview and provides information on how the Code of Conduct and various laws may apply to use of social media by councillors.

Cabinet Member Introduction

N/A

2. Recommendations

2.1. That the Committee:

- a) Consider the Social Media Guidance for Councillors (Appendix 1).
- b) Note that the Guidance will be:
 - (i) posted on the Members Portal on the Council's intranet
 - (ii) incorporated into the Members Toolkit for new councillors

3. Reasons for decision

- 3.1. Local authorities are under a statutory duty to promote and maintain high standards of conduct for their elected and co-opted members. The Monitoring Officer is responsible for ensuring that appropriate training is given to elected members on the Ethical Standards Framework, the Councillors' Code of Conduct and any guidance and advice.

4. Alternative options considered

- 4.1. It would be open to the Committee to do nothing. However, this is not recommended.
- 4.2. This is because the Council is under a duty to promote and maintain high standards of conduct for its elected and co-opted members. The guidance will provide support to councillors who are subject to the Code of conduct when using social media in their official capacity.

5. Background information

- 5.1. Standards for England (formerly the Standards Board) was previously responsible for drawing up an England-wide code of conduct for councillors and previously provided guidance and advice note on matters related to the code of conduct such as use of social media by councillors.
- 5.2. Following the abolition of Standards for England in 2012 local authorities were required to adopt local codes of conduct. The provision of guidance and advice on standards issues is the responsibility of the Monitoring Officer.
- 5.3. Social media is used by the Council, and councillors now use it to inform and engage with the community who now expect this to be another communication channel. When using social media, councillors are subject to the Code of Conduct and relevant legislation. Therefore, there are risks to using social media which councillors need to be aware of.
- 5.4. The Social Media Guidance for Councillors (Appendix 1) aims to provide support to councillors in their use of social media. It aims to ensure that councillors understand and comply with the Member Code of Conduct, council policies and laws which are relevant to the use of social media, so they can actively take part in social networks whether the use is for official council business or personal.

6. Contribution to strategic outcomes

- 6.1. The guidance supports the governance of the Council and its decision-making, thereby assisting the Council to meet its strategic outcomes.

7. Statutory Officers comments (Chief Finance Officer (including procurement), Assistant Director of Corporate Governance, Equalities)

Finance

7.1. None

Procurement

7.2. None.

Legal

7.3. By virtue of section 27 of the Localism Act 2011, the Council is required to promote and maintain high standards of conduct by members and co-opted members and to adopt a code dealing with the conduct that is expected of members and co-opted members when they are acting in that capacity.

7.4. Councillors are subject to the Code of Conduct when using social media. The proposed guidance on social media for councillors provides an overview of the law and other considerations when using social media either as a Councillor or as an individual.

Equality

7.5. None.

Social Media Guidance For Councillors

Introduction

This guidance offers advice and tips to councillors to ensure that the public are clear at all times whether councillors are using social media on behalf of the Council or as an individual. It also aims to ensure that use of social media by councillors is effective, lawful and does not expose the council to security risks, reputational damage or breach the current data regulation legislation.

This guide covers the use of social media over the internet and by email, smart phones, social networking sites, blogging, and tweeting, and all social media platforms.

Social media includes (but not limited to) social networking and applications such as Facebook, Twitter, Instagram, WhatsApp, Snapchat, Flickr, YouTube, LinkedIn, blogs, discussion forums, wikis.

What to bear in mind

When you engage with people online it is important that a common sense approach is taken. The things that can get you into hot water anywhere else are just the same things to avoid in social media.

You are personally responsible for what you publish on social media. It is important that you think before you post online as words can't be unspoken. Even if you delete a statement, blog or tweet, it will probably already have been read, indexed or duplicated in places beyond your reach.

The law of defamation applies to social media in the same way as written or spoken communication. You can be sued for damages if a person or business considers their reputation has been or may be harmed because of your actions.

You need to be clear at all times whether you are posting in a personal or professional capacity, as an elected member or private individual. Including 'Cllr' or 'Councillor' in a name is taken to mean that the councillor is writing in the capacity as an elected member. Councillor profiles, websites and social media accounts should clearly be labelled as either private or personal or in your capacity as a councillor. This is particularly important as mixing these uses is likely to cause confusion to the public.

Anyone receiving threats, abuse or harassment via their use of social media should report it to their political group leader, members' services and/or the police. Complaints can also be made following the social media provider's own policies.

Using social media at council meetings

If you are using social media during an official council meeting or event, ensure that the use does not negatively impact on the proceedings or contravene the Constitution or other council protocol.

Remember you should not publish or report on meetings which are private or internal (where no members of the public are present, or it is of a confidential nature) the content of exempt or confidential business dealt with by the Council in private sessions.

It is important for you to show that sufficient attention is being given to the discussion at the meeting. If it is perceived that a decision is made without you having properly listened to the debate, it could lead to the relevant decision coming under challenge. It could also result in code of conduct complaints of a failure to treat others with respect or bringing the Council into disrepute.

The code of conduct

Your posts on social media are subject to the Code of conduct and various laws. You should apply the following guidelines to your online activity in the same way you would to other written or verbal communication.

- Show respect of others. The general principle is to avoid personal attacks, rude or offensive comments, however the right for an individual to express views is enshrined in law by the Human Rights Act 1998 and whilst the code of conduct requires councillors to treat others with respect, political expression may at times be considered disrespectful to a group of people.
- Not to bully or intimate others -repeated negative comments about individuals could be interpreted as bullying or intimidation.
- Avoid conducting yourself in a manner or behaving in such a way to give a reasonable person the impression you have brought your office or the council into disrepute.
- Comply with equality laws including the public-sector equality duty – do not publish any thing that might be seen, as racist, sexist, ageist, homophobic, anti-faith or offensive to any of the groups with the protective characteristics defined in the Equality Act 2010. Even as a joke or “tongue in cheek”
- Not disclose confidential information about people or the council
- Not to secure a benefit for yourself or disadvantage for others
- Ensure that readers are not misled into believing that any material published by you is on behalf of the council, authorised by the council or official council policy if it is not.

- Ensure all content that relates to the council or council business is accurate, fairly balanced, not misleading and complies with any relevant council policy.
- Comply with the terms and conditions of the social media site being used.

A complaint may be made against you if you contravene the code of conduct.

Personal social media accounts

Councillors should be aware and recognise that there is a risk of damage being caused to the council via their personal use of social media when they can be identified as an elected councillor.

Consider the name that you use online. Prefacing your Twitter account with Cllr lets people know exactly who you are and indicates the Code of Conduct will apply.

If in respect of any personal use of social media a councillor can be identified as associated with the council by the profile or content, then the following guidance should be complied with.

Setting up separate accounts can help you manage your home life and role as a councillor separate.

Best practice:

You can choose to set appropriate privacy settings to manage what the press or public can see and what your family and friends see.

Read the terms of service of any social media site accessed and make sure you understand their confidentiality and privacy settings.

You can expressly state through a prominent disclaimer on any profile or content that identifies you as a councillor (or otherwise refers to or implies a relationship with the council) that the stated views are your own personal views and not those of the council.

Keep your messages professional, polite and positive.

Exercise discretion when choosing who to follow on Twitter and befriend on Facebook. If you are Facebook friends with council employees, contractors on who have been procured to provide services to the council, company or a member of the public making a planning application or pressure groups, this might be construed as having a close personal association with them and therefore a personal interest

Ensure that readers are not misled into believing that any material published by you is on behalf of the council, authorised by the council or official council policy if it is not.

Ensure all content that relates to the council or council business is accurate, fairly balanced, not misleading and complies with any relevant council policy.

Comply with the terms and conditions of the social media site being used.

Things to avoid doing:

Make any comment or post material so as to give a reasonable person the impression that you have brought your office as councillor or the council into disrepute.

Present political or opinion as fact or as representative of the council.

Imply that you are authorised to speak as a representative of the council nor give the impression that the views you express are those of the council.

Post or publish any material that is harassing or bullying. Harassment may include personal attacks on officers or members of the public.

Use the council's logo, or any other council related material on a personal account or website.

Publish content in a way which appears as if the council has endorsed it.

Publish content in an abusive manner or in any way which can be seen as unacceptable behaviour.

Disclose confidential council information or matters.

Civil Law and other considerations

Harassment

It is an offence to pursue a campaign repeatedly against a person that is likely to cause them person alarm and distress.

Copyright

Placing the images, documents, photos, videos and music without the permission of the person who created them is likely to be a breach of copyright. Avoid publishing anything you are unsure about or seek permission in advance.

Predetermination

If you are involved in a decision making you should avoid publishing anything on social media that might suggest that you have already made up your mind about a matter you may be involved in determining. Otherwise the decision runs the risk of being invalidated.

Political comment and Electioneering

It is not acceptable to make political points or canvass votes using social media accounts via the Council supplied computer equipment, at any time, and in particular in the run up to elections.
