Afternoon Daliah,

After considering the representations received my client is willing to offer the below further conditions:

- During the hours of operation of the premises, the licence holder shall ensure sufficient measures are in place to remove and prevent business waste arising or accumulating in the area immediately outside the premises (except at allocated collection times agreed with the Waste Management provider).
- The toilets will be available to customers at all times the premises is open to the public.
- Notices shall be prominently displayed at any area used for smoking requesting patrons to respect the needs of local residents and use the area quietly.

If the above could please be circulated to those that submitted a representation.

Many thanks

Chris
