**Report for:** Full Council 23 May 2022

**Title:** To receive the Calendar of meetings for the Municipal Year 2022/23

**Report**

**Authorised by:** Fiona Alderman

**Lead Officer:** Ayshe Simsek, Democratic Services and Scrutiny Manager

**Ward(s) affected:** N/A

**Report for Key/**

**Non Key Decision:** Non Key

**1. Describe the issue under consideration**

To note the outline schedule of meetings for the municipal year 2022/23. The schedule of meetings is submitted annually to the Council for approval and draft version considered on the 14<sup>th</sup> of March . To meet CSO 1.1xiv the programme of meetings is received at the Annual council in an election year.

To note that additional Licensing Sub Committee meetings have been added to allow a lesser number of special ad hoc meetings being arranged and to ensure that meetings are able to be added to members diaries in advance. Additional Planning Sub Committee meetings have been added to consider applications in June and July.

**2. Cabinet Member Introduction**

N/A

**3. Recommendations**

That the attached schedule of meetings for 2022/23 be agreed.

**4. Reasons for decision**

The early notification of the schedule of meetings for 2022/23 will allow for the effective planning of meetings and in turn decision making of the council.

Publication of forth coming committee meeting dates will further support residents, stakeholders and partners participation in council decision making.

**5. Alternative options considered**

The alternative was not to publish the council schedule of meetings which would not be keeping with transparency and openness objectives of the council.

**6. Background information**

A local authority needs a clear decision making framework to carry out its business effectively and lawfully. The Local Government Act 1972 permits a local authority to arrange for decisions about its functions to be made by a committee, subcommittee or an officer of the authority or by another local authority.

Appendix 1 sets out the committees that are expected to meet during the 2022/23 municipal year and provides councillors, residents, and partners of the dates and times of these committee meetings.

**7. Contribution to strategic outcomes**

Having an available and agreed schedule of committee meetings for 2022/23 will allow councillors and officers to plan, consult, and agree the required decisions to meet the objectives of the borough plan.

**8. Statutory Officers comments (Chief Finance Officer (including procurement), Assistant Director of Corporate Governance, Equalities)**

**Finance and Procurement**

There are no direct financial implications.

**Legal**

There are no perceived legal implications arising from this report.

**Equality**

There are no equalities implications arising from this report.

**Statement of attendance of Councillors at Council, committees, sub-committees and panel meetings: 27 May 2021 to 5 May 2022 inclusive**

These bodies have not been included:

- Disciplinary and Dismissal Appeals Panel
- Job Evaluation and Grievance Appeals Panels
- Outside bodies
- Single party meetings (with the exception of scheduled meetings of the Cabinet)
- Evidence gathering sessions for Scrutiny bodies

This list represents only the attendance at formal Council bodies as listed on the Appointments of Committees, Sub-Committees and Panels for 2021/22.

These figures do not include apologies for clashes of meetings which are noted as an absence.

These figures record member's attendance to quorum meetings and virtual meetings as Apologies. Full details of Member's attendance figures can be found on the Haringey website where specific notes on reasons for apologies is explained. These are:

- Apologies received (Attending virtually)
- Apologies received (Quorum only meeting)
- Apologies received (Maternity/Paternity leave)

Councillors attend numerous community meetings and are required to represent the Council on outside bodies. These meetings may sometimes clash with formal Council body meetings and the Councillor attendance figures set out in this report could be reduced as a result.

Where a member has a personal or prejudicial interest in a matter at a meeting they should absent themselves from the meeting during consultation of that matter. This may result in a reduction of their attendance figures.
