Good Evening Mahir

I am one of the Police licensing offices for Enfield and Haringey .I have been forwarded your email dated 21<sup>st</sup> February 2022 by your client Mr Alin Mandache that you sent to the licensing department at Haringey and the licensing Lead Daliah Barrett .

I read with interest your advice you provided to Mr Mandache and the information you provided to the LA regarding activities at the Premises of Clasic Restaurant where you stated that the premises would not carry out the sale of alcohol and would not carry out any licensable activity without having either a premises licence or a Temporary event notice authorising such activity .

I have this evening along with a colleague attended the premises in order to carry out a licensing inspection .During this inspection I found that the licensable activity of the provision of regulated entertainment namely live music by way of a singer and musicians ,Provision of Dance floor and dancing at a wedding reception was being carried out .

Mr Mandache could not provide me with a Temporary event notice nor a premises licence for these activities ,nor could he produce to me a personal licence upon request .He has been therefore issued with a notification of alleged offences under the Licensing Act 2003 as follows

Section 57 (7) Failure to produce a premises Licence or a certified copy

Section 109 (8) Failure to produce a TEN to a Police Officer

Section 136(1) carrying on or attempting to carry on a licensable activity on or from any premises otherwise and in accordance with an authorisation or knowingly allowing a licensable activity to be carried out .

The licensing authority will also be made aware of this .Further enforcement action may follow

Kindest Regards

Derek

Good evening Daliah,

I would like to confirm that I've been instructed by Soffi & Co Ltd to take over the Premise Licence application which was submitted by Stewart Gibson. Please forward us all the future communications.

May I please ask for an meeting at the applicants' premises with you on Friday or next Monday? Could you also please let us know if a new committee meeting scheduled yet?

The premises will continue to host the events for the wedding parties up to 499 capacity. There will be no licensiable activities carried out such as sale of alcohol etc.

Turkish/Kurdish wedding parties very much similar to Romanian weddings are generally organised by the caterers who provides the food at the premises during the event. The alcohols are generally brought in by the family of groom or bride and offered for free to all

guests. Catering companies are the responsible individuals for serving the drinks together with the meal. As there is no sale of alcohol there will be no licensable activity.

The premises also used by holding events which requires a Premises Licence. I have advised the owners strictly not to hold any further events until a Premises Licence or TEN's in place.

I look forward to hear back from you soon.

Kind regards as always...

Mahir

Hi Daliah,

Thank you for the email. I've not said to them that they can do weddings because of planning permission. I've said that the planning permission is valid to hold wedding parties etc.

I understand your email. In which case we will apply for TENs if they have wedding bookings.

I will call him now and speak to him...  
Mahir

> Hello Mahir,  
To be clear , your client cannot offer wedding receptions if there is music and dancing taking place with a view to entertaining people in attendance at the venue.

You'll also need a licence if you provide the following types of entertainment:

- theatrical performance
- showing a film
- indoor sporting event
- boxing or wrestling (indoor or outdoor)
- live music
- recorded music
- dance
- facilities for making music
- dancing facilities

You still need a licence even if the activities are for charity

It matters not that there is no alcohol sale taking place.

I am concerned about what you have informed your client as they seem to believe that they can do weddings because their Planning permission allows them to do so. That is not the case and such activity is covered under the LA03.

With a view to achieving/discussing what exactly Mahir?  
Mr Mandachi has shown that he has no intention of complying with the law and has gone out of his way to deny and obstruct both Police and the LA enforcement from entering the premises.  
The director has sent emails claiming Mr Mandachi was no longer involved at the venue and this has now been proven to be misleading at best and untrustworthy.

All parties have been issued with a pre-warning letter to a potential Closure Order being applied for the premises.  
The prosecution for unlicensed activity is being followed up also.

Hello,

Per request from NA Licensing and Haringey Council, we attended and documented breaches. The owner insisted he had a Late TEN approved, submitted on the 7<sup>th</sup> however Haringey have said on the 11<sup>th</sup>, he doesn't. We have attached photos of his TEN Request unsigned on the CRIMINT. We have documented the breaches if the license is not active on body worn cameras. NA400L and NA2L were aware and authorised all actions, NA400N to monitor over the night duty. Owner was fairly obstructive towards Officers however was insistent it was the councils fault. Owner also stated plain clothes officers attended earlier in the day and spoke to him saying his license was fine however NA Licensing have asked Ops Room at 1445 today to assign a unit, and we have no record of any units attending.

CRIMINT Number is: YRRT00413963

Please let me know if you need any more information regarding this (such as BWV clips).

Kind regards,

Hi Kayleigh,

So, as I was saying before, my colleague and I attended the premise and by looking at the dining hall and at the presence of numerous staff members, it became apparent that a party was about to take place at the venue. This was then confirmed by a person that identified himself as the venue's manager: Mr. Alin MADACHE.

When asked if there was a valid licence for the event to take place, Mr. MADACHE showed us a request for a Temporary Event Notice addressed to the Haringey Council, this was however missing the council reply/approval. I pointed this out to Mr. MADACHE, who however seemed to remain positive on his right to proceed with the party, and he then stated to be happy to attend Court if needed to.

To sum it up, **Tonight, the 14<sup>th</sup> of February 2022 there is an event taking place at CLASIC RESTAURANT 502-508 High Road N17.**

Hey Gian,

Yes, just intel gathering. Preferably entering to speak to the manager (if worried re entry powers you can enter under S179 Licensing Act – see below) if able and capturing anything on body worn. They have no license and currently aren't allowed to be issued a Temporary Event Notice due to previous breaches.

What we will mainly be looking for will be sales of alcohol, regulated entertainment (music/live band) and/or late night refreshments (hot food and/or drink), however that is after 11pm and I don't believe you'll be on still.

S179 - Where a constable or an authorised person has reason to believe that any premises are being, or are about to be, used for a licensable activity, he may enter the premises with a view to seeing whether the activity is being, or is to be, carried on under and in accordance with an authorisation.

Any help is very much appreciated.

Kind wishes,

## WARNING LETTER

Dear Sir,

### LICENSING ACT 2003- NOTIFICATION OF OFFENCE UNDER SECTION 179 /180 OBSTRUCTION OF AUTHORISED OFFICERS & POLICE OFFICERS AT CLASSICS RESTAURANT, 502-508 HIGH ROAD LONDON N17

We are aware that you took deliberate steps on Friday 26<sup>th</sup> November 2021 to obstruct Police officers and authorised officers from entering the premises. You were previously advised by email that it was an offence to obstruct an authorised officer from entering your premises from establishing if licensable activities were taking place. You had taken steps to obstruct an authorised officer the previous week on 20<sup>th</sup> November 2021.

You are notified that the Licensing Authority will not permit unlicensed activity to go unchecked in Haringey and neither will it allow for staff to be obstructed in the execution of their duties.

Your wilful and deliberate action to obstruct will be prosecuted against. The Licensing Act makes the following clear:

#### **179 Rights of entry to investigate licensable activities**

(1) Where a constable or an authorised person has reason to believe that any premises are being, or are about to be, used for a licensable activity, he may enter the premises with a view to seeing whether the activity is being, or is to be, carried on under and in accordance with an authorisation.

(2) An authorised person or an immigration officer exercising a power conferred by this section must, if so requested, produce evidence of his authority to exercise the power.

(3) A person exercising a power conferred by this section may, if necessary, use reasonable force.

(4) A person commits an offence if he intentionally obstructs an authorised person or an immigration officer exercising a power conferred by this section.

(5) A person guilty of an offence under subsection (4) is liable on summary conviction to a fine not exceeding level 3 on the standard scale.

**s180** of the Licensing Act 2003: Enables a constable to enter and search the premises where there is reasonable cause to believe that an offence under the Act has been, is being or is about to be committed. A constable exercising a power conferred by this section may, if necessary, use reasonable force.

All matters will be placed before the Court.

**The onus is upon you as the person in control of the business to ensure compliance with the law. Officers will attend the premises this weekend and you are instructed to ensure that there is no obstruction to them gaining entry to carry out their duties.**

Please contact me if you wish to discuss the content of this letter 020 8489 8232.

18<sup>th</sup> November 2021

**Representations to reject New Premises License Application at Clasic Restaurant, 502-508 High Road, Tottenham, London, N17 9JF.**

Dear Licensing Team,

This application is submitted on behalf of Soffi & Co Ltd by a Mr Alin Mandache and is made with regards to a large first floor venue, which trades as a wedding banquet hall and is located off of Tottenham High Road, N17 in the borough of Haringey. The premises is seeking the sale of alcohol by retail, late night refreshment and regulated entertainment by way of live and recorded music.

I write on behalf of the Commissioner of the Metropolitan Police. I wish to reject the application for a new premises license at Clasic Restaurant, 502-508 High Road, Tottenham, London N17 9JF on the grounds of the prevention of crime objective.

There have been two (2) recent incidents at the premises whereby the licensing objectives have not been upheld by the applicant, Mr Alin Mandache.

On Sunday 17<sup>th</sup> October 2021 officers had reason to attend the premises for an unrelated matter and found that a party was still ongoing at the premises. The party appeared to still be taking place at 0800 hours and amplified music was being played loudly from the premises, causing officers in attendance to request further units to attend to assist due to the unknown risk inside. When officers entered the premises they witnessed alcohol present on tables and being sold from the bar. It was also evident that patrons had been smoking inside the premises. Officers spoke with Mr Mandache on this occasion who stated he did not need a license for these activities and that those in attendance were simply there to clean, this however was not the case as witnessed by officers.

On Saturday 6<sup>th</sup> November 2021 officers from Haringey Local Authority attended the premises and again it was apparent that another event was underway with around 250 people in attendance. Again alcohol was being consumed by those present and smoking was taking place inside the venue. When Mr Mandache was spoken to on this occasion he attempted to mislead officers by stating that he had a Temporary Event Notice (TEN) in place, this was untrue.

Mr Mandache has since been spoken to by Haringey Local Authority and whilst doing so appeared to again try to mislead officers by providing them with false details in relation to the spelling of his name and the correct postcode of his address.

The Premises License Holder (PLH) and Designated Premises Supervisor (DPS) hold great responsibility, of which had been undermined by unauthorised licensable activity taking place on two (2) separate occasions at the premises. This directly undermines the licensing objective of the prevention of crime and disorder and also prevention of public nuisance due to the loud amplified music.

I do not deem it appropriate for a premises license to be issued or for Mr Mandache to be named as the DPS as he has shown to be unfit and dishonest, and it is in my opinion that he will not uphold the licensing objectives. Due to this police reject this application.

I reserve the right to provide further information to support this representation.

Regards,

PC Kayleigh Mitcham 1230NA  
North Area Licensing Officer
