**Report for Key/
Non-Key Decision:** Non-Key Decision

1. Describe the issue under consideration.

- 1.1 This report concerns the appointment of councillors to serve on Committees during the municipal year 2023/24. The Council is required to ensure that appointments to which the statutory political balance rules apply are made in accordance with those rules. The relevant rules are summarised below (see paragraph 4.4). This report also sets out the membership of the Cabinet (which is excluded from the statutory rules about political balance), for the Council to note.
- 1.2 A schedule of Committees is attached at Appendix 1 to this report. This details the number of seats available on each Committee and the proportional split between the parties (reflecting the political balance of the authority, in accordance with the rules summarised at paragraph 4.4).

2. Cabinet Member Introduction

N/A

3. Recommendations

- 3.1 Council is asked to:
1. Note the changes to the political composition set out at paragraph 4.2.
 2. Appoint to the Committees on the "slate" basis.
 3. To agree the allocation of seats on Committees and appointments in accordance with paragraph 4.6.
 4. To agree the membership of Committees and the appointment of Chairs as detailed at Appendix 1 giving effect to the wishes of the political groups.
 5. To note the proposed membership of the Cabinet as detailed at Appendix 2 appointed by the Leader in accordance with Article 7 paragraph 7.05 ii of the Council Constitution.

4. Background information

4.1 On the 27th of April 2023, the Chief Executive was advised of the sad passing of Cllr Julie Davies and this means that there is one councillor vacancy for Hermitage Gardens ward.

4.2 The political balance of the Council of 57 councillors is now as follows:

Labour	48 councillors (84.2%)
Liberal Democrats	7 councillors (12.3%)
Independent	1 Councillor (1.75%)
Vacant	1 Councillor(1.75%)

4.3 The Council is required to ensure that appointments to which the statutory political balance rules apply are made in accordance with those rules. The relevant rules are summarised below (see paragraph 4.4).The Annual Meeting of the Council appoints Committees of the Council in accordance with Article 4.02(k) of the Constitution. The Council is required to comply with the provisions of the Local Government and Housing Act 1989 and the Local Government (Committees and Political Groups) Regulations 1990 in terms of political balance when appointing 'ordinary' committees – that is, committees appointed under section 102(1)(a) of the Local Government Act 1972.

4.4 These rules provide that seats on 'ordinary' committees must be allocated in line with the following principles, so far as reasonably practicable:

- (a) that not all the seats on a body are allocated to the same political group;
- (b) that the majority of the seats on the body are allocated to the political group which has the majority of the Council's membership;
- (c) that, subject to principles (a) and (b) above, the proportion of seats allocated to each political group out of the total number of seats across all the ordinary committees of the Council shall be in the same proportion as their share of membership of the Council as a whole; and
- (d) that, subject to paragraphs (a) to (c) above, the number of seats on each individual body shall be allocated to each political group in the same proportion as their share of membership of the Council as a whole.

4.5 Full Council agreed changes to the committee structure at their meeting on the 27th March 2023 which were the deletion of the Corporate Committee and Staffing and Remuneration Committee and the establishment of Audit Committee, General Purposes Committee, Appointments Panel and Disciplinary, Grievance and Dismissal Panel. These changes were to take effect from the 2023/24 Municipal year. The number of seats now currently available on Ordinary Committees is 61.

Alexandra Park and Palace Board - 6 seats

Audit Committee	7 seats
General Purposes Committee	5 seats
Licensing Committee	11 seats
Pensions Committee and Board	6 seats
Strategic Planning Committee	11 seats
Standards Committee	5 seats
Appointments Panel	5 seats
Disciplinary, Grievance and Dismissal Panel	5 seats
 Total	 61 seats

- 4.6 Of this number **52 seats or 85.2% are allocated to the Labour Group and 9 or 14.8%** to the Liberal Democrat Group. This meets the requirements of the 1989 Act on proportionality as closely as possible. Although the Liberal Democrat group have a 2.5 % higher allocation this is to ensure that principle (a) set out at paragraph 4.4 is met and that not all seats on a committee are allocated to the Majority group.
- 4.7 In calculating the allocation of seats on ordinary committees, the following bodies were excluded because these bodies are excluded from the statutory rules on political balance:
- The Cabinet.
 - The disciplinary pool.
 - Licensing Sub-Committees (Licensing Act 2003 and Gambling Committee).
 - The Health and Wellbeing Board.
 - Overview and Scrutiny Committee

The Cabinet

- 4.8 The Cabinet is appointed by the Leader and may only comprise councillors from the majority party. It must have between 2 and 9 members in addition to the Leader.

Licensing Sub-Committees (Licensing Act 2003 and Gambling Committee).

- 4.9 The Licensing Committee establishes the Licensing Sub-Committee of 3 members which will be appointed from a pool of members from the Licensing Committee. The Sub-Committee conducts the same type of business which includes the Gambling Act 2005 applications. The political balance rules do not apply to the Licensing Sub-Committees because they are appointed under the Licensing Act 2003 and so are not ordinary committees appointed under section 102 of the Local Government Act 1972. However, it is normal practice to establish the Licensing Sub-Committee in accordance with political balance

(that is, two Labour and one Liberal Democrat Member) so far as reasonably practicable.

The Health and Wellbeing Board

- 4.10 The political balance rules are disapplied by the Local Authority (Public Health, Health and Wellbeing Boards and Health Scrutiny) Regulations 2013 (SI 2013/218). The membership of the Health and Wellbeing Board is prescribed at section 194 of the Health and Social Care Act 2012.

Overview and Scrutiny Committee

- 4.11 Principles (a), (b) and (d) of the rules apply to the Overview and Scrutiny Committee by virtue of section 9FA(6)(b) of the Local Government Act 2000. However, because the Committee is established under the Local Government Act 2000, it is not an ordinary committee appointed under section 102 of the Local Government Act 1972 and so it is not included in the political balance calculations for the total number of seats on ordinary committees (principle c). As such, the Overview and Scrutiny Committee must be balanced, but on an individual basis.
- 4.12 In view of the volume of appointments to be made it is expedient to approve the appointments on a "slate" basis, rather than on an individual basis, as set out in Appendix 1.
- 4.13 Changes to appointments can be made at any stage during the municipal Year with the changes being reported to the Council as appropriate.
- 4.14 As set out in paragraph 1.2 of Part Three Section C of the Council's Constitution, the Leader selects the Members of the Council's Cabinet. The Leader has made the appointments that are set out at Appendix 2 for the Council to note.

5. Statutory Officers comments (Chief Finance Officer (including procurement), Assistant Director of Corporate Governance, Equalities)

Finance and Procurement

- 5.1 There are no financial implications arising from the report.

Head of Legal and Governance & Monitoring Officer

- 5.2 The report sets out those Council bodies to which the political balance rules apply. The 1989 Act requires political balance in the distribution of seats on committees to be undertaken "so far as is reasonably practicable" thus recognising that a mathematically precise split between political parties cannot always be achieved.
- 5.3 In section 15 of the Local Government and Housing Act 1989, principle (b) states that a party with a majority on full Council shall have a majority of seats on each individual body. This principle takes precedence over principles (c) and (d) which require political groups to be represented on the ordinary committees taken as a whole and on the bodies individually in proportion to their representation on Full Council.

- 5.4 Principle (c) concerning proportionate allocation of seats across all the ordinary committees of the council takes precedence over the principle (d) concerning proportionate allocation on any individual body.
- 5.5 There is no requirement to offer a seat to a single member as they do not constitute a "political group" under the definition in the Local Government (Committees and Political Groups) Regulations 1990 (S.I. 1553) Regulation 8.

**Report for Key/
Non Key Decision:** Non Key Decisions

1. Describe the issue under consideration

- 1.1 To advise the Council of nominations of Council representatives to fill current vacancies on outside bodies and seek approval for appointments.

2. Cabinet Member Introduction

- 2.1 N/A

3. Recommendations

- 3.1 To note the appointments to the Partnership and Association bodies which mainly exercise 'executive' functions set out at Appendix 1 and in accordance with article 10.8b(i)
- 3.2 To approve the appointments to the remainder of outside bodies set out at Appendix 1.

4. Background information

- 4.1 Part 2 of the Constitution, Article 4, paragraph 4.02(o) indicates that full Council will appoint representatives to outside bodies unless the appointment is a Cabinet function or has been delegated by the Council.
- 4.2 Article 10.08 of the Constitution advises that the Council has nomination rights to a large number of different external bodies, referred to as 'organisations'. The practice of making nominations to organisations is a benefit to the Council and the links created contribute to the social well-being of the borough.

- 4.3 These organisations can be categorised as follows:
- A. Association bodies, such as the Local Government Association or Association of London Government joint committees and panels.
 - B. Community or voluntary bodies which cover a very wide spectrum of organisations serving the community , or community groups, in various ways.
 - C. Partnership bodies which will usually involve the Council working with other agencies on local issues or projects.
 - D. Statutory bodies, where the Borough of Haringey needs to be represented by law.
 - E. Trusts and Foundations which generally have more specific and prescribed objectives.
- 4.4 As set out in Article 10.08(b) the nominations to all outside bodies are made and confirmed at each Annual General Meeting. Where there is an association or partnership body exercising executive functions, then nominations of the Cabinet Member will be made by the Leader of the Council, or the Cabinet with the Leader’s agreement and recorded in the list approved at the AGM.
- 4.5 The attached appendices provide information on the capacity in which members have been nominated, the duration of the appointment and any other relevant terms and conditions. These will be recorded in the minutes and nominations will be stated as being made “at the request of the Council”.
- 4.6 The Constitution continues to advise that future nominations to voluntary or community bodies will generally be in a non – voting, “observer” capacity only, in order to avoid the greater potential for conflicts of interest. Nominated members will not participate in management or decision – making within the organisation. Their role will be to assist in the exchange of information and views between the organisation and the Council .
- 4.7 Nominations to other organisations will generally be in a full voting capacity, that is, the member should participate fully in management and decision making within the organisation.
- 4.8 Appointments to outside bodies are not covered by the political balance rules. Appointments to outside bodies are discretionary and should be made with regard to the suitability of the appointee for the role, taking into account the nature of the body concerned.
- 4.9 Officers will advise members on the type of representation required for different bodies. Where bodies have multiple representation and where the appointee(s) is not prescriptive (i.e. must be a Cabinet member) it for majority group to determine whether they wish to offer some places to the opposition.

4.10 To note that there is an All Member training session planned on Outside bodies for the 15th of June 7pm.
