Dear Licensing Committee,

Thank you for allowing me to address you today.

I am here to respond to the representation made by the Chief Police Officer regarding our Temporary Event Notice (TEN) under the Licensing Act 2003. The concern, as outlined in the letter dated 26th September 2024, suggests that allowing our event to proceed would undermine a licensing objective. I would like to clarify that this event is an invitation-only engagement party, and we have a strong track record of managing similar events without issue.

Our previous TEN, held on 6th May 2024, was successful after we followed the advice of PC Pantelitsa Yianni regarding the finishing time. That event went ahead without any incidents or violations of licensing objectives, and we received no complaints neither from the licensing nor from the public. Since then we had few TENs has been refused and , we had to cancel an events because there wasn't enough time to appeal the refusal. We are serious about our business and believe our proven track record should be considered in this appeal.

We have taken every possible step to ensure that this event complies with the four key licensing objectives:

1. **Prevention of crime and disorder** – We have CCTV, door supervisors, and four SIA-certified security officers to manage entry, exit, and crowd control. No entry will be allowed after midnight to maintain control and prevent disturbances.
2. **Prevention of public nuisance** – We understand the council's concerns about potential noise. Since taking ownership, we've invested in soundproofing the premises to address noise issues. We have strict limits on the number of patrons outside for smoking, and our staff will implement a dispersal policy to ensure attendees leave quietly at the end of the event.
3. **Public safety** – All necessary security measures are in place, with SIA-certified officers managing the crowd and ensuring the safety of all participants.
4. **Protection of children from harm** – We have consistently operated in line with our licensing conditions, even during high-traffic events such as Tottenham Hotspur home games, without encountering any problems.

This event is crucial for us to continue operating, especially in this challenging economic climate. We have cooperated fully with local authorities in the past, and our events have had a positive impact on the community. We respectfully request the committee and the Chief Police Officer reconsider their stance and allow the event to go ahead, including the proposed closing time of 2:30 a.m., which is essential for the cultural significance and enjoyment of our community's celebration.

We are fully committed to ensuring a safe and successful event and are open to discussing any concerns or implementing additional measures if necessary.

I would like to mention that previously I have sent you a **Response to Warning Letter Under Licensing Act 2003**, the police came to my premises took all the video evidence for the alleged dates, but I did not get any reply.

Thank you for your time and consideration.

Sincerely

Tekleweni Ghebreselassie

**Subject: Response to Warning Letter Under Licensing Act 2003**

**Dear Sir/Madam,**

I am writing in response to the warning letter issued to me under the Licensing Act 2003, which was based on complaints from certain individuals alleging that my business has been operating outside of permitted hours on several occasions. Firstly, I would like to state unequivocally that these allegations are false. I am fully aware of the conditions stipulated in my licence and have strictly adhered to these conditions at all times. To support my compliance, I have kept video recordings that clearly show there was no activity outside permitted hours on the dates mentioned in June and July. I am more than willing to provide these recordings to the council for review. I find it deeply concerning that these complaints have been made knowingly and recklessly by certain individuals with the intent to harm my business reputation. As per Section 158 of the Licensing Act 2003, it is an offence to knowingly or recklessly make a false statement in connection with a licensing application or a related matter. I urge the council to take this matter seriously and consider appropriate actions against those who are deliberately providing false information. Furthermore, I would like to meet with these individuals to discuss their complaints and request that they provide any evidence they have to substantiate their claims. I believe that an open dialogue might help resolve this issue amicably and prevent further unwarranted complaints. In a similar situation in May 2024, a complaint was made against my business, and I requested the council to conduct a check. Unfortunately, no follow-up inspection was carried out. I respectfully request that the council take a more proactive approach in investigating such complaints to ensure fairness and accuracy. As a responsible business owner, I am committed to operating within the legal framework and contributing positively to the local economy by creating jobs and supporting my family. I am open to feedback and willing to learn, but I cannot accept being repeatedly accused based on false complaints. I hope the council will consider my concerns and take appropriate measures to address the issue. Please let me know if there are any further steps I need to take or if additional information is required. Thank you for your attention to this matter.

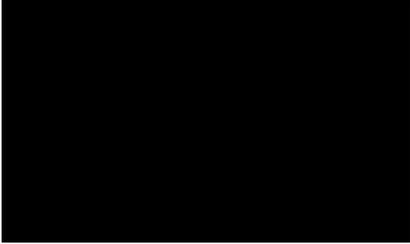

Yours sincerely,

Dear Tekleweni Ghebreselassie,

**Re: LICENSING ACT 2003:  
REJECTION ON A LATE TENS NOTICE – STADIUM LOUNGE RESTAURANT &  
WINE BAR, 783 HIGH ROAD, TOTTENHAM, LONDON N17 8AH.**

On 1<sup>st</sup> July 2024 the Licensing Authority received from you Tekleweni Ghebreselassie, a notification in respect of proposed temporary licensable activities due to take place on 13<sup>th</sup> to 14<sup>th</sup> July 2024 at Stadium Lounge Restaurant & Wine Bar, 783 High Road, Tottenham, London N17 8AH. The licensing authority has received an objection under section 104(2) of the Licensing Act 2003 (“the Act”).

The objection which applies is indicated by an “X” in the following table.

Objection	Insert “X” as applicable
A chief officer of police for any police area in which the premises are situated is satisfied that allowing the premises to be used in accordance with the notice would undermine a licensing objective.	X
A local authority exercising environmental health functions for the area in which the premises are situated is satisfied that allowing the premises to be used in accordance with the notice would undermine a licensing objective.	

A copy of this notice will be sent to the chief of police and the local authority exercising environmental health functions for the area in which the premises specified in the temporary event notice you gave is situated.

You are reminded that under section 136 of the Licensing Act 2003, a person commits an offence if he carries on a licensable activity on or from any premises otherwise than under and in accordance with an authorisation; or if he knowingly allows a licensable activity to be so carried on. A person convicted of such an offence is liable to imprisonment for a term not exceeding six months or to a fine not exceeding £20,000, or to both.

Address of Premises: STADIUM LOUNGE 783 HIGH ROAD TOTTENHAAM LONDON N17 8AH

**Date(s) requested** for LATE TENs:

**Licensable Activities** :The Sale by retail of Alcohol, The provision of Regulated Entertainment ,The provision of late night Refreshment and the **Giving of a late temporary event notice** . (THIS IS NOT TICKED)

This is in effect a late ten application intended to extend the current licensing hours and terminal times from 2300 hours Saturday till 0200 hours Sunday.

**Maximum number of people stated:** 50

**I wish to make representation on the following objective:**

Police are satisfied that the grant of this Temporary Event Notice (TEN) would undermine:

- Prevention of Crime & Disorder licensing objective.
- The prevention of Public Nuisance

The applicant's event is scheduled with a terminal time of 0200 hours, we feel if granted would likely promote a public Nuisance with patrons causing associated noise nuisance and ASB upon entry or exit or when patrons choose to smoke by way of noise and disturbance to residents in the early hours of the morning. Music from the venue in the form of a DJ likewise has a risk of causing noise nuisance to the local neighborhood.

The local authority have also received numerous complaints from local residents concerning noise nuisance and disorder. .

We therefore oppose the granting of this Temporary event notice as we hold no confidence in the premises management in upholding the licensing objectives in line with their normal premises license let alone an extended license on a temporary event notice basis for extended hours.

Dear Mr Ghebreselassie,

Further to my email below, you attended our office yesterday at about 12.00 hours and we provided you with the following advice regarding refusal of your Temporary Event Notices:

- That you must demonstrate to the Responsible Authority, in this case the Council and the Police, that you can and how you will act to uphold all the four licensing objectives.
- That you should submit your Temporary Event Notices at least 10 working days before the date of your planned events so that you can have the opportunity to appeal to the licensing committee in the event of refusal of your Temporary Event Notices.
- That holding a licensable event without getting an approved Temporary Event Notice can lead to a fine of up to £20,000 or a prison sentence of up to six months.
- That you enquire from the Council and the Police what you need to do to prevent further refusal of your TENS.
- In response to your enquiry about variation of your existing licence to extend your hours of operation, we advised you that you can apply for a variation of the licence and that the relevant parties will consider it under the four licensing objectives.
- That if our advice is unclear to you, you should seek an independent legal advice possibly from Citizen Advice Bureau.

Also, at the meeting yesterday, you were reminded that your Temporary Event Notice for the coming weekend has been refused, and you indicated that you understand the implications if you operate without the required authority in the future.

Please note that if you operate this weekend without the required authority, we will withdraw our Simple Caution offer and refer the matter to our legal to commence a legal proceeding against you. We will also apply for a review of your existing licence.

Dear Mr Ghebreselassie,

On the 21<sup>st</sup> of August 2024, Haringey Council offered you a Simple Caution for holding an unauthorised event and carrying out unlawful licensable activity.

On the 11th of September 2024, you attended our office and expressed your willingness to accept the Simple Caution but needed a month to pay our costs and sign the Simple Caution.

Please note that undertaking licensable activity when your Temporary Event Notice was refused is a serious offence that attracts maximum fine of £20000 and or 6 months

imprisonment. The Simple Caution in this case offers you the opportunity to discharge liability for prosecution for the alleged offence.

Please be advised that unless you come to our office at Alexandra House, Station Road, London N22 7TY on the 10th October 2024 at 13.00 hours to pay the costs in full, and sign the Simple Caution, the matter will be referred to our legal department for consideration to commence legal proceeding against you.

Hi Daliah,

I had a call regarding noise disturbance from the premises last night and attended at around midnight.

They were holding a large event and carrying out a number of licensable activities at the venue despite the TEN Counter Notice issued to the Mr Teklewweni Chebreslasie which you sent to him by email on the 3<sup>rd</sup> July.

In their TEN application that was objected to by the police, they put the maximum number of people they intend to allow to be present at the premises to be 50, whereas, there were about 200 people in the premises when I attended last night. The hall was packed full and no doubt there would have been casualties had stampede or fire occurred. To make the matter worse, the people in the hall were smoking anything and everything, including weed inside the hall.

When I informed Mr Teklewweni Chebreslasie that his TEN was refused and should not be holding the event, he feigned ignorance and said he only received an acknowledgment of his application. I asked him to show me the acknowledgment in his email, he scrolled past the email containing the refusal notice but I asked him to let me see it. He then said that the email must have gone to the junk folder. I was going to put the report on our OOH Noise Return at the end of tonight's shift.

Aside carrying out unlicensed event, they provided false statements in their TEN application when they stated that only 50 people will be allowed into the premises and I observed about 200 in the hall last night.

I intend to start a criminal investigation and request for their CCTV footage or do you want the police to handle it?

Best,

Dear Daliah,

I hope you are doing well.

Once again, residents in Brooklyn and Bergen apartments were subjected to loud music emanating from the stadium lounge until early Sunday morning. I have instructed residents to document the disturbance with evidence and send them to the council.

Living nearby stadium lounge, I am consistently exposed to heavy bass for 7 hours. This behaviour directly violates their license agreement, and such disruptive activity must be promptly stopped.

Thank you so much for your help in this matter.

Best wishes,
