Report for: Standards Committee 10th of March 2025

Title: Members Allowances Scheme for 2025-2026

Report authorised by : Assistant Director of Legal and Governance Fiona Alderman

Lead Officer: Ayshe Simsek - Democratic Services and Scrutiny Manager

Ward(s) affected: N/A

**Report for Key/
Non-Key Decision:** Non key decision

1. Describe the issue under consideration.

- 1.1 Each year before 31st March, full Council is required by the Local Authorities (Members Allowances) (England) Regulations 2003 to adopt a Members Allowances Scheme for the following financial year.

2. Cabinet Member Introduction

N/A

3. Recommendations

- 3.1 To consider the changes to the Members' Allowances Scheme set out at section 6 and reflected at Appendix 2 to the report.
- 3.2 To recommend that the Members' Allowances Scheme 2025/26 attached at Appendix 2, and any further changes agreed by the Committee be adopted by Full Council on 24 March 2025.

4. Reasons for decision

- 4.1 The Council has a legal duty to approve a Members Allowances Scheme before the end of each year to cover the following year. The Council can amend a scheme any time during the year but can only revoke a scheme with effect from the beginning of the year. The scheme must make provision for basic allowances and, if they are to be paid, special responsibility, dependents' carers, travelling and subsistence and co-optees allowances.

5. Alternative options considered.

- 5.1 No alternative options were considered as there is a duty to adopt a members' allowance scheme annually.

6. Background information

- 6.1 This report asks Standards Committee to consider the scheme proposed for 2025/26 municipal year and recommend the final scheme for approval by full Council on the 24 of March 2025, in accordance with Article 14.03 of the Council's Constitution.
- 6.2 Before it can adopt a Members Allowances Scheme the Council has a duty to consider the recommendations of an Independent Remuneration Panel in relation to the payment of Members Allowances. As of the 28th of February, there had been no further update to the report of the Independent Remuneration Panel and the 2023 report continues to be appended for consideration.
- 6.3 The Local Authorities (Members Allowances) (England) Regulations 2003 allow London Boroughs to use an Independent Remuneration Panel set up for the purpose of making recommendations across London. London Councils set up a panel for this purpose in 2001 and its most recent report was published on 5th of January 2024 following a detailed review, with recommendations on the remuneration of Councillors in London.
- 6.4 The 2023 report was considered by the Standards Committee in January 2024 and they noted that it highlighted the increasing challenges and complex role of councillors and how in London this is becoming more seismic with inclusion of national and international changes are directly impacting communities. The report reiterated the wide-ranging responsibilities of local councillors, the time commitment needed and ensuring that the role remained attractive to local residents that have skills, knowledge of the communities and who also reflected the demographics of the borough. The report made some strong recommendations for changes to the basic allowance of councillors, and to the SRA for the Leader and Mayors of Councils. The report recommendations were supported by research, which has been compiled from canvassing members and holding focus groups with the public to provide Councils with some assurance that the recommendations have been tested and to limit the anxiety around reputational risk.
- 6.5 The report argued strongly that the salaries for councillors are considerably lower than those in Scotland, Wales and Northern Ireland and workers in London. The Panel are recommending that the basic allowance should be **£15,960** and the approach and calculations are listed at paragraph 7.9 of the attached report. The Panel had included comments from their research and focus groups to help to provide assurance on how this may not be negatively perceived.
- 6.6 Although the IRP 2023 makes recommendations, it is for each individual Council to decide the level of remuneration and for which roles. As a reminder in March 2024, the Standards Committee considered the 2023 report and did not put forward recommended changes to the SRA's.
- 6.7 To note that previous Haringey independent review of Members Allowance commissioned by the Standards Committee in 2019/20 indicated that the Members Basic Allowance percentage increase be index linked to the local

government officer pay percentage increase, capped at 2% to be reduced if a lesser percentage is agreed. In March 2024, there had been a local government officer pay percentage increase award and the Standards Committee recommended, and Council agreed, a 2% increase in the basic allowance and saw this as a reasonable adjustment for the increase in volume of casework, increased communications through emails and taking account that Councillor colleagues were spending on additional resources.

- 6.8 To note that in March 2024, the Committee discussed that going forward, there should be a regularisation of increases to the Basic Allowance to link with the local government pay increase, capped at 2% but noted the legal requirement to consider the Members' Allowance Scheme on an annual basis. In November 2024, there was a local government pay award of an increase of £1290 on all NJC pay points 2 – 43 and an increase of 2.5 % on all pay points above the maximum of the pay spine but graded below deputy chief officer.
- 6.9 There was discussion at the Standards Committee in February on continuing with the 2% increase and Committee noted that this would be an £13,338 additional budget cost. There was a need to consider the increases of the officer pay awards and noting that the reasoning applied to increases to officer pay could be applied to councillor basic pay, however, there was also a need to consider the financial situation of the Council. It was agreed that these issues were discussed further at political group meetings later in the month.
- 6.10 There was further consideration of the presentation of the Member Allowances SRA's at Appendix 1 Table A and it was noted that the Chair of General Purposes was also noted in the table to be Vice Chair of Appointments Panel and the Vice Chair of Disciplinary, Grievance and Dismissal Panel. There was comment made that this provided the impression that SRA's were applicable to vice Chair roles and agreed that this be deleted from the table and added as a separate note in the scheme
- 6.11 The Chair of Standards also indicated at the February meeting having a light touch consideration of the SRAs in 2025/2026, keeping within the allocated budget envelope and prior to the forthcoming local elections in 2026. There would need to be a wider consultation with members if any changes were proposed and reasoning provided. There is provision in the 2003 legislation for the Council to amend the Member's Allowance scheme any time during the year and changes would not need to be completed by March 2026.
- 6.12 Since this meeting, it has been noted that neighbouring boroughs and some other London boroughs have taken forward a 2.5% increase to councillor basic allowance in line with the local government pay award and further to feed back an updated Member's Allowances Scheme with this consideration is attached at Appendix 2. To note that the cost has been worked out as follows:

$\pounds 11,701/100 \times 2.5 (\pounds 292.52 \text{ rounded to } \pounds 293)$ with new basic Allowance as $\pounds 11,994$

$\pounds 293 \times 57 = \pounds 16,701$ additional budget cost.

7. Contribution to strategic outcomes

- 7.1 Members of the Council are directly responsible for the setting and oversight of all strategic priorities.

8. Statutory Officers comments (Chief Finance Officer (including procurement), Assistant Director of Corporate Governance, Equalities)

8.1 Finance

The cost of increasing the Members Basic Allowance by £293 per councillor is £16, 701. A budget pressure of £16,701 is not a significant sum in the context of the Council's overall budget and will have to be managed through the in-year monitoring process for 2025/26 and addressed formally in the next MTFS round and considered earlier by the Committee in November 2025 and Feb 2026.

8.2 Assistant Director of Legal and Governance

The proposed Members' Allowance Scheme complies with the relevant provisions of the Local Authorities (Members' Allowances) (England) Regulations 2003; the Local Government and Housing Act 1989 and the Local Government Act 2000.

In addition, there are separate provisions, namely sections 3 and 5 of the Local Government Act 1972 for the payment of allowances to the Mayor and the Deputy Mayor.

8.3 Equality

The decision to approve allowances to members does not have a direct impact on the equality duty of the council, other than that the scheme includes provision for payment for parent/carers allowances to facilitate the attendance or parents and carers at meetings and in relation to carrying out the general responsibilities of councillors.

10. CLAIMS AND PAYMENTS

- 10.01 Where a Councillor is also a Councillor of another authority, that Councillor may not receive allowances from more than one authority in respect of the same duties.
- 10.02 The Basic Allowance and Special Responsibility Allowances will be paid in equal monthly instalments.
- 10.03 The Co-optees' Allowance must be claimed by, and will be paid at, the end of the municipal year, subject to paragraphs 2.02 above and 10.05 below.
- 10.04 All claims for Travelling and Subsistence Allowance and Babysitting and Dependents Allowance must be made within two months of the relevant meeting or the costs being incurred by the Councillor or non-elected member, subject to paragraph 10.05 below.
- 10.05 If any Allowance under paragraphs 10.03 or 10.04 is not claimed within the prescribed time limit, the Democratic Services Manager shall have a discretion to make the payment nonetheless.
- 10.06 Any Councillor or non-elected member may elect to forego his/her entitlement to all or part of any allowance by giving written notice at any time to the Democratic Services Manager.

11 MATERNITY, ADOPTION, SHARED PARENTAL, PATERNITY AND SICKNESS PAY

- 11.01 Subject to this paragraph 11, all Members shall continue to receive their Basic Allowance in full in the case of maternity, adoption, shared parental, paternity and sickness leave, as long as they remain a Councillor. This includes Members becoming parents through surrogacy arrangements.
- 11.02 Members entitled to a Special Responsibility Allowance shall continue to receive their allowance in full in the case of maternity, adoption, shared parental, paternity and sickness leave for a six month period. Extension of this period of leave will require prior 2 months' written notice to be given to the Political Leader of the respective political group. If the extended leave is agreed by that Political Leader, a report will be compiled to seek executive approval from before the point of the 6 months' leave expiry, for the extension of this leave. The Council (or Leader in case of Cabinet Members) may, depending on the circumstances, appoint a replacement to cover the period of absence who will be entitled to the SRA pro rata for the period of the temporary appointment.

11.03 The Democratic and Scrutiny Services Manager will write to the Member to confirm the continuation of allowances and until what date they will continue.

11.04 Leave arrangements are unaffected by the number of children born from a single pregnancy or placed as part of a single adoption.

Maternity Leave

11.05 A Member is entitled to take up to 52 weeks' maternity leave starting no earlier than the 11th week before the expected week of childbirth, except following a premature birth, and no later than the day following the actual date of birth.

11.06 The Member must notify the Democratic Services and Scrutiny Manager of their intention to take maternity leave in writing no later than 4 weeks before the date they wish the period of maternity leave to start and:

i) Confirm the expected week of childbirth; ii) Provide a copy of the MATB1 (available from a doctor or midwife); iii) Confirm the date on which the Member intends her maternity leave to start.

Adoption Leave

11.07 A Member is entitled to take up to 52 weeks of adoption leave starting no earlier than 14 days before the child is expected to be placed and no later than the expected placement date, or if the child is adopted from overseas, no later than 28 days after the date on which the child enters Great Britain,

11.08 The Member must notify the Democratic Services and Scrutiny Manager in the case of a UK adoption of their intention to take adoption leave in writing no more than seven days after the date on which the Member is notified of having been matched with the child for adoption or, where that is not reasonably practicable, as soon as is reasonably practicable thereafter. In the case of an overseas adoption, the Member must notify the Democratic Services and Scrutiny Manager of their intention to take adoption leave in writing, no more than 28 days after s/he received the official notification and:

i) Confirm the date the child is expected to be placed with him/her for adoption (UK Adoption) or the date on which the Member received an official notification and the date on which the child is expected to enter Great Britain (overseas adoption); ii) Provide a copy of the matching certificate/official notification. The matching certificate must be issued by the adoption agency that matched the Member to the child and must contain the name and address of the agency, the date on which the Member was notified that s/he had been matched to the child, and the date on which the agency expects to place the child with the Member.; (iii) in the case of an overseas adoption, the date of entry of the child into Great

Britain iv) Confirm the date which the Member has chosen his/her adoption leave to start.

Shared Parental Leave

11.09 A Member is entitled to Shared Parental Leave if they are :-

- (i) the mother, or expectant mother, of a child, or the father of the child, or at the date of the child's birth the spouse, civil partner or partner of the mother/expectant mother, and at the date of birth the mother and the father/spouse/civil partner/partner share the main caring responsibility for the child; or
- (ii) the adopter of a child, or at the date that the child is placed for adoption the person who is the spouse, civil partner or partner of the adopter, and at the date of the placement of the child for adoption the adopter and the spouse/civil partner/partner share the main caring responsibility for the child. Where two people have been matched jointly, the adopter is whoever has elected to be the child's adopter.

11.10 A Member may share up to 50 weeks' leave if the mother/ adopter curtails their maternity/adoption leave before using their full entitlement of 52 weeks. The number of weeks available as Shared Parental Leave will be reduced by the number of weeks maternity or adoption leave that has already been taken by the mother or adopter.

11.11 Shared Parental Leave can be taken as one continuous block or in multiples of complete weeks, but must end no later than one year after the birth/placement for adoption of the child.

11.12 The Member must notify the Democratic Services and Scrutiny Manager of their intention to take shared parental leave in writing no later than 8 weeks before the date they wish the period of shared parental leave to start, and must in writing provide the following information

(i) in the case of the birth of a child:-

- the names of the mother and of the father/spouse/civil partner/partner,
- the start and end dates of any period of maternity leave to be taken by the Member,
- the total amount of Shared Parental Leave available,
- the expected week of birth
- the date of birth (where the child is not yet born, this information must be provided as soon as reasonably practicable after the birth and, in any event, before the first period of Shared Parental Leave to be taken by the Member)
- how much Shared Parental Leave the mother and the father/spouse/civil partner/partner each intend to take
- an indication as to when the Member intends to take Shared Parental Leave. Including the start and end dates for each period of leave.

(ii) in the case of the adoption of a child:-

- the names of the adopter and of the spouse/civil partner/partner,
- the date that the adopter was notified of having been matched for adoption with the child
- the date that the child is expected to be placed for adoption
- the date of the placement (where the child has yet to be placed for adoption, this information must be provided as soon as reasonably practicable after the placement and, in any event, before the first period of Shared Parental Leave to be taken by the Member)
- the start and end dates of any period of adoption leave to be taken by the adopter,
- the total amount of Shared Parental Leave available,
- how much Shared Parental Leave the adopter and the spouse/civil partner/partner each intend to take
- an indication as to when the Member intends to take Shared Parental Leave. Including the start and end dates for each period of leave.

Paternity Leave

11.13 A Member is entitled to take up to two weeks' paternity leave to help care for the child, or to support the child's mother/adopter, if they are either: the father of the child (whether or not they are the biological father); the spouse, civil partner or partner of the mother/adopter.

11.14 The Member may take one week or two consecutive weeks of paternity leave, but not single days or less than a week's duration. Paternity leave must be taken within 56 days of the birth or adoption.

11.15 The Member must notify the Democratic Services and Scrutiny Manager of their intention to take paternity leave in writing no later than 4 weeks before they wish the period of paternity leave to start (childbirth) or no more than seven days after the date on which the adopter is notified of having been matched with the child or, where that is not reasonably practicable, as soon as is reasonably practicable; and:

- i) Confirm the expected week of childbirth; or the dates on which the adopter was notified that s/he had been matched with the child and on which the child is expected to be placed for adoption with the adopter(UK Adoption); or the dates on which the adopter received official notification and on which the child is expected to enter Great Britain (Overseas Adoption);
- ii) or matching certificate/official notification;
- iii) Confirm the length of the absence and the date on which the Member has chosen to begin his/her leave

11.16 If the Member wishes to change the start date of a period of leave, they should write to the Democratic Services and Scrutiny Manager no later than 4 weeks before either the original start date 'or' the new start date

(whichever is earlier). The Democratic Services and Scrutiny Manager will ensure that HR Services are informed within 2 working days of receipt of the details.

11.17 If the Member wishes to change the end date of a period of leave they should write to the Democratic Services and Scrutiny Manager at least 4 weeks before either the original end date or the new end date (whichever is earlier). The Democratic Services and Scrutiny Manager will ensure that HR Services are informed within 2 working days of receipt of the details.

11.18 HR Services will provide confirmation that the information on revised dates has been received and that relevant re-instatement or adjustment of any SRA has taken place, with a copy to Democratic Services, within 10 working days.

Sickness Leave

11.19 A Member who is sick will continue to receive the basic allowance as long as they remain a Councillor. They will also continue to receive any SRA for a six month period. Extension of this period of leave will require prior 2 months' written notice to be given to the Political Leader of the respective political group. If the extended leave is agreed by that Political Leader, a report will be compiled to seek *executive* approval before the point of the 6 months' leave expiry, for the extension of this leave. This is in accordance with section 85 of the 1972 Local Government Act.

11.20 If a Member decides not to return to office following either during or on their expiry of maternity, adoption, shared parental, paternity or sickness leave, the Chief Executive must be notified. HR Services must then be informed within two working days of receiving notification. Allowances will cease from the effective resignation date.

11.21 If an election is held during the Member's maternity, adoption, shared parental, paternity or sickness leave and they are not re-elected, or decide not to stand for re-election, their basic allowance and SRA, if appropriate will cease from the Monday after the election date when they would technically leave office.

Remuneration of councillors in London 2023

1. Introduction

- 1.1 The Independent Panel on Members' Remuneration last published a report on member allowances in early 2022. In that report the Panel did not recommend substantial changes to Member allowances, it noted that the challenges facing councils and councillors appeared to be increasing and becoming more complex. Therefore, the Panel also recommended that it undertake a more detailed review in 2023.
- 1.2 For the 2023 review, the Panel has undertaken a detailed review of member allowances with the aim of providing up to date advice on appropriate levels of reward for the work of elected members in London over the next four years. The intention was to seek a wider consultation than previously, using qualitative and quantitative research to underpin its findings and recommendations. The Panel canvassed members and officers in all London boroughs through surveys, focus groups and interviews, in order to consider whether and how the role of councillors has changed in recent years and what the main issues that may have an effect on the recruitment and retention of councillors are currently. It also carried out a considerable benchmarking exercise of allowances paid in other parts of England as well as in Scotland, Wales and Northern Ireland, and undertook an in-depth review of the methodology used by Independent Remuneration Panels across the UK.
- 1.3 The research showed that basic allowances per annum in London are significantly lower than those paid in Scotland, Wales and Northern Ireland. The assessment of members' allowances in the home nations is carried out by independent bodies whereas in England, the level of allowances is determined by the local authority members themselves. It has also become clear that allowances in many boroughs are considerably lower than remuneration received by workers in London with comparative levels of responsibilities and skills. This comparative contrast in remuneration is juxtaposed against increased workloads, time pressures, accountability, and financial pressures that councillors are presently having to manage. The Panel takes the view that it is important that there is a system of support in place that recognises the vital role that elected representatives play in local government and the full scale of their responsibilities. This support includes appropriate remuneration levels.

2.0 Background

- 2.1 Local authorities are required by the Local Authorities (Members' Allowances) (England) Regulations 2003¹ to establish and maintain an independent remuneration panel to make recommendations on the level of the basic and special responsibility allowances. In London the regulations authorise the establishment of an independent panel (the Panel) by the Association of London Government (now London Councils)

¹ [The Local Authorities \(Members' Allowances\) \(England\) Regulations 2003 \(legislation.gov.uk\)](https://www.legislation.gov.uk/uksi/2003/1448/contents/make)

panel to make recommendations in respect of the members' allowances payable by London boroughs. The Regulations require a review of the scheme every four years as a minimum. Whilst the Panel makes recommendations, each council determines its own remuneration scheme for its own councillors, having regard to the Panel's recommendations.

- 2.2 The Independent Panel for London Councils currently comprises Mike Cooke (Chair), Sir Rodney Brooke CBE DL and Anne Watts CBE. It reported in 2022 and at that time recommended very few changes on the basis that more time was needed for a more detailed review during 2023, given that the Panel had received feedback that the work of councillors and the demands upon them had increased significantly.

3.0 Research

- 3.1 This review has provided the Panel with an opportunity to consider the roles undertaken by councillors in London, and to examine more deeply how the demands, responsibilities and scope of duties of councillors have evolved in recent years. This review also provided the Panel with an opportunity to review the methodology used by other Independent Remuneration Panels and to carry out benchmarking with other local authorities across England, Scotland, Wales and Northern Ireland.
- 3.2 The Panel has expanded on the approaches used in previous reviews. In addition to carrying out a survey of London borough Leaders to gauge their views on the operation of the existing remuneration scheme, the Panel has held a series of feedback meetings with groups of elected councillors, conducted a survey of the London branch of the Association of Democratic Services Officers (ADSO), and held meetings with officers from the London Borough Legal Alliance (LBLA), and the South London Legal Partnership (SLLP), in order to get a more complete picture of the challenges facing London's councillors today. The Panel also commissioned Ipsos to carry out a small number of focus groups to gauge the public perception of councillors' roles, responsibilities and levels of allowances.
- 3.3 The member engagement focus groups consisted of a range of participants from the three major political parties – Labour, Conservative, and Liberal Democrat, and included a range of members from inner and outer boroughs, and with different levels of responsibility (e.g. newly elected backbench councillors, Cabinet Members and borough Leaders).
- 3.4 The Panel is grateful both to everyone who participated in the consultation process and thank them for their contributions as well and to London Councils for its support to the review.

4.0 The crucial role of elected councillors

The role of the councillor has fundamentally changed in recent times. There is now more reliance from the public on their local council due to challenges such as the cost of living crisis, the effects of the pandemic and the resettlement of refugees. (Borough Leader)

- 4.1 Councillors in London oversee multi-million pound budgets and employ thousands of people; all are responsible for the delivery of a wide range of crucial services. The health and wellbeing of residents and communities are at the heart of the work of London boroughs who also at one end of the age spectrum are endeavoring to give children the best start in life, whilst at the other are helping to support older people to live as independently as possible. Local councils are at the heart of developing their boroughs and working with businesses to bring local economic benefits. The building of new homes and the improvement in the standards of existing houses are crucial to their work as is their local leadership on climate change.
- 4.2 A key aspect of the responsibility of councillors is managing the complex financial pressures involved in addressing increases in the demand for services with reductions in budgets. The scale of a London council's annual expenditure budget and other financial activities are in many instances comparable with those of large publicly quoted companies.

"The budgets that borough Leaders are managing are huge, as is their level of responsibility when something goes wrong. A borough Leader's role is now similar to that of a non-executive director of a large company" (Borough Leader)

- 4.3 At the same time Councillors are integral to the effectiveness of the local democratic process. As well as representing them, they stand ready to be approached by their residents to take up matters on their behalf where appropriate. The voice of democratically elected councillors in the development of the policies and strategies of their councils is absolutely essential. Councillors also play an important role in the oversight and scrutiny of services.
- 4.4 Some Councillors have additional and burdensome responsibilities, including Leaders of Councils, Elected Mayors and council portfolio holders. Some roles have specific statutory responsibilities (e.g. in the case of elected Mayors/statutory children's and adults cabinet members).
- 4.5 The needs of Londoners and of London's communities are becoming arguably more complex, given the seismic national and international changes ranging from the

global energy crisis, climate change, patterns of migration and housing shortages. The national economic challenges directly affect households and communities as well as businesses and councils themselves.

5.0 The role of Member Allowances

- 5.1 It is important to reflect on the purpose of the allowances, payments and related arrangements for councillors.
- 5.2 The Panel draws the reader's attention to the report of the 2007 Independent Commission on the Role of Local Councillors, chaired by Dame Jane Roberts which was commissioned to consider the incentives and barriers for encouraging people who are able, qualified and representative to be candidates to serve as councillors; retaining and developing them once they are elected and enabling them to secure public interest and recognition for the work they carry out for their communities.
- 5.3 The Roberts commission considered a wide range of issues but at its heart were the key questions of: 1) how best to ensure that people from a wide range of backgrounds and with a wide range of skills are encouraged to serve as local councillors; and 2) how to ensure those who participate in and contribute to the democratic process should not suffer unreasonable financial disadvantage.
- 5.4 Within these broad considerations there can be no doubt that financial compensation or a system of allowances plays a crucial part in making it financially possible for local people to put themselves forward to take on the onerous responsibilities involved in being a councillor and indeed to continue to serve as one.
- 5.5 For this reason it is crucial that allowances for councillors across London are pitched at an appropriate level such that they make a major contribution in ensuring diverse and effective local representation. This 2023 review of Member allowances has aimed to take a step back and ensure that the recommended allowances are pitched such that they serve this crucial purpose.
- 5.6 We are clear that the Panel can only make recommendations and that each council must determine its own system and rates of allowances. However each council must have regard to our recommendations. We are concerned that a wide variation in the level of allowances between councils across London has evolved over the years. **Given that this year's Panel review has been a significant stocktake and that we have made clear recommendations, with a clear rationale and for the important purpose described in this section, we strongly recommend that the findings of our review and the Panel's position are adopted across London. This is at the heart of ensuring a healthy, vibrant and representative local government in the capital.**

6.0 Time commitment and demands on councillors

6.1 Fulfilling the responsibilities of councillors in the many and various roles within a council has, arguably, always been demanding. In 2022 the Panel received anecdotal feedback that the workload and the time involved had increased significantly and so in this review we wanted to explore this in more detail.

6.2 The feedback from elected members and officers was that in the view of almost all the people we spoke to workloads, demands and pressures had increased. There appear to be a number of contributory factors:

- A wide range of recent events had added additional work; some examples given were: the demands of the pandemic years and the post-pandemic recovery work; sometimes given was the level of work in the resettlement of refugees; and the work to support residents through the very significant economic challenges of recent years, including during the energy crisis but also linked to the impact of food inflation and increased risks of homelessness.
- There has been a noticeable increase in the expectation that leading councillors work in closer partnership with other public services. The Health and Care Act 2022 in particular brings an expectation that councils will work in formal partnership with NHS organisations including NHS providers and Integrated Health Boards.
- The feedback confirmed the views we were given in 2002 that public expectations of councillors has increased especially linked to the societal changes that social media has brought about. Although most of the councillors we spoke to welcomed the flexibility that now exists for increased levels of remote meetings, the downside appears to be that there are more meetings. The representations which have been made to the Panel also suggest a picture of councillors being expected to be almost instantly available, with heavy constituency case loads and often with ever more complex responsibilities for the running of the council and overseeing its services.

***“ One resident submitted a formal complaint because they had messaged me on Friday evening and I hadn’t replied to them until the following Monday morning.”
(Backbench councillor)***

As well as these issues adding complexity, they make additional time demands.

“There are now many more meetings than pre-Covid. There are also numerous social media groups councillors are expected to be involved in, case work, and other commitments. I have worked out that on average I work 54 hours a week” (Cabinet Member)

- 6.3 Members have told the Panel that it is increasingly difficult to maintain a full-time job alongside their role as councillors, and this is particularly true for Cabinet Members and Leaders. The implication of this would be that it is more likely that people who are already financially secure who can carry out these roles, which may prevent younger candidates, people with lower incomes or those with young families, from standing or taking on special responsibilities. Taking up a role in local government could also hinder councillors’ career progression in their day job, and in most cases the special responsibility allowances do not compensate for the reduced salary people receive as a result of not being able to dedicate themselves fully to their day job. The time pressures involved in the role, particularly councillors with special responsibilities can make it difficult to combine the role with a job and caring responsibilities.
- 6.4 One borough Leader told the Panel that at the 2022 election, there were so few candidates that in some wards residents did not have a choice of councillors to vote for.
- 6.5 Councillors also expressed concern that appointments to positions carrying special responsibilities could be uncertain and not in most cases for a set term. Consequently, councillors have significant concerns about giving up full-time work to undertake more senior roles in their councils.

7.0 The Basic Allowance

- 7.1 As a result of the economic climate over the last decade and ongoing financial challenges, our recent reports have made no recommendations for increasing the levels of members’ allowances other than continuing provision for annual adjustments in accordance with the annual local government pay settlement for staff agreed by the National Joint Council for Local Government Staff.
- 7.2 As part of the research for this 2023 review, the Panel carried out benchmarking of recommendations on allowances and those paid by local authorities within the UK to see how current London allowances compare.
- 7.3 From the Panel’s benchmarking research, it is evident that the previous Panel’s recommendations for the basic allowance in London, lags behind Scotland, Wales and Northern Ireland. This issue was identified in the last two Panel reports, however, the Panel reluctantly decided at the time that given the financial climate it would have been inappropriate to recommend a general increase in member allowances.

- 7.4 In our last report the Panel recommended that there should be a Basic Allowance paid to every councillor of £12,014. Updated for the local government staff pay awards since then, the figure is now £12,499.
- 7.5 This allowance continues to be substantially lower than the allowance paid by all local authorities in Scotland which is presently £20,099² and similarly in Wales³ where the government-appointed commission has set the basic allowance at £17,600 for members of local authorities with populations which are generally substantially lower than those of London boroughs. Furthermore, the basic allowance in Northern Ireland from 1 April 2023 is £16,394⁴ per annum. The Panel's research has established that there are some parts of England that have similar basic allowances to those currently recommended for London boroughs. However, there are other English local authorities, where the roles and responsibilities of councillors are broadly the same to those of councillors serving in London boroughs, that pay significantly more. For example, in Birmingham⁵, in 2022-23 the basic allowance was £18,876, and in Manchester⁶ it was £18,841.
- 7.6 The Panel is of the view that when taking everything into account that the rate of the basic allowance should now be addressed.
- 7.7 As part of the 2023 review, the Panel has reviewed the methodologies used by other Panels and has identified that Independent Panels across the UK use a variety of approaches for determining how to set the member allowances. The Panel has also re-examined the methodology used in calculating allowances in the original London panel report and updated it to reflect current circumstances. The original calculation in the Panel's first report in 2001 was based on a proportion of the average 'white collar worker' wage in London.
- 7.8 Although making the comparisons with Scotland, Wales, NI and other UK cities was useful in terms of gaining a comparative perspective, the Panel has reached the view that it needed to both determine a method for London and recommend a level of allowance that was achievable, bearing in mind the historic challenges for some councils in agreeing to previous recommended allowances.
- 7.9 Having looked at various options, the Panel has concluded that the most appropriate approach is to determine the basic allowance as a proportion to the remuneration of the people councillors represent and has used the Annual Survey of Hours and Earnings (ASHE) data, published by the Office for National Statistics as a basis of its calculation. The Panel has used the median wage for all London workers for this purpose. In 2022-23, this is £38,936.73 per annum. Based on a 37 hour week, and taking into account a 30% public service discount, (as has been the custom and practice) **the Panel has determined that the recommended basic allowance should be £15,960.**

⁵ [Independent Remuneration Panel Reports | Birmingham City Council](#)

⁶ [Microsoft Word - MCC IRP Final Report \(manchester.gov.uk\)](#)

- 7.10 The Panel considers that this allowance better reflects the high cost of living in London, than the previous recommendations.
- 7.11 It is the Panel's view that it is pressing that boroughs should implement these changes in 2024, as part of the contribution to recruiting and retaining a diverse range of good quality candidates to stand for office in London.

8.0 Special Responsibility Allowances

- 8.1 The reasons for payment of special responsibility allowances, additional to the basic allowance, should be clearly set out in local allowances schemes. Special allowances should come into play only in positions where there are significant differences in the time requirements and levels of responsibility from those generally expected of a councillor.

8.2 Categories of special allowances:

The regulations specify the following categories of responsibility for which special responsibility allowances may be paid:

- Members of the executive where the authority is operating "executive arrangements"
- Acting as leader or deputy leader of a political group within the authority
- Presiding at meetings of a committee or sub-committee of the authority, or a joint committee of the authority and one or more other authorities, or a sub-committee of such a joint committee
- Representing the authority at meetings of, or arranged by, any other body
- Membership of a committee or sub-committee of the authority which meets with exceptional frequency or for exceptionally long periods
- Acting as spokesperson of a political group on a committee or sub-committee of the authority
- Membership of an adoption panel
- Membership of a licensing or regulatory committee
- Such other activities in relation to the discharge of the authority's functions as require of the member an amount of time and effort equal to or greater than would be required of him by any one of the activities mentioned above, whether or not that activity is specified in the scheme.

- 8.3 The Panel's research shows that the categories of SRAs recommended by the London Panel are comparable with those recommended by Independent Panels in other cities in the UK and in Scotland and Wales.

- 8.4 However, the Panel's previous recommendations have not consistently been adopted within London, and the resulting situation is that whilst there is some convergence

across London boroughs on the basic allowance, there remain substantial differences in the amounts of SRAs for similar roles in boroughs.

- 8.5 Given the extent of the responsibilities of Leaders of London boroughs, the Panel's first report in 2001 recommended that their remuneration should equate to that of a Member of Parliament. Our recommendations for other special responsibility allowances were historically determined as a sliding scale (pro-rata) proportion of the remuneration package for a council Leader. Since then, the increase in the remuneration of Members of Parliament has substantially exceeded the annual local government pay increase which was tied to the special responsibility allowance for the leader of a London borough, and the current MP salary is now £86,584
- 8.6 The Panel has taken the opportunity to review this historic link, and following feedback, we sense strong support for our own view that an MP's salary is no longer an appropriate comparator to set the Leader's allowance, as the roles are substantially different and indeed almost impossible to compare.
- 8.7 We received feedback that some members believe that the Leaders of London boroughs warrant a higher remuneration than an MP, because they have greater financial responsibility and legal burdens, and especially given the differential pension arrangements. Indeed, some respondent authorities suggested that the direct responsibilities of a Leader should command the salary of a junior minister.

"An MP does not undertake an executive role (strategic leadership, management & accountability of a complex public service operationally managed by highly paid officials) and so not a comparator to a Leader or elected Mayor"

(Borough Leader)

9.0 Leader's SRA

- 9.1 This is often a full-time role, involving a high level of responsibility. It is right that it should be remunerated on a basis which compares with roles with similar levels of responsibility, while still retaining a reflection of the voluntary character of public service.
- 9.2 For the Leader's SRA, the Panel has decided that a more appropriate comparator would be the Annual Survey of Hours and Earnings (ASHE) data for Corporate Managers and Directors as the level of responsibilities most closely align to those of a borough Leader. For 2022-23, the average gross annual salary for full time workers in London within this category was £108,242. After applying a 30% public service discount (as has been the custom and practice) this would provide for a Leader's total

package of £75,773. The 2022 Panel report recommended that the Leader's SRA should be £62,090. Taking into account this figure, when combined with the new recommended basic allowance, the total package for a Leader would be £78,050. As this figure is greater than that based on the ASHE calculation, the Panel is not recommending any changes to the existing Leader's SRA at this time.

10.0 Other SRAs

- 10.1 The Panel has previously determined that all other SRAs are calculated as a proportion of the Leader's SRA. Since its inception, the Panel has recommended using bands rather than fixed amounts, in order to allow flexibility and recognise local variations on how the roles are performed. The Panel has decided to continue using this methodology. However, as part of the review, the Panel has benchmarked the sliding scale recommended by other Panels and used by local authorities and has adjusted the percentages historically used in order to more closely align with the average used by other local authorities outside of London. **The recommended bands and levels of allowance are attached as Annex A.**

11.0 Bridging the Gap and public perception

- 11.1 When considering a members' allowances scheme, boroughs are obliged to have to a report by an independent panel, but it is a matter for boroughs themselves to decide whether to adopt its recommendations.
- 11.2 However, in view of the evidence obtained over the past 18 months, the Panel strongly recommends that all authorities implement the recommendations in their boroughs in the next year. On average, the total annual budget for members allowances in a London Borough is between 0.4-0.5% of the council's general fund net budget. Notwithstanding this, the Panel acknowledges the challenges that increasing allowances may present to boroughs, both financially and reputationally; however, the Panel is concerned that if member allowances do not keep up with its recommendations, there is a risk that they will fall significantly further behind their comparators and that councils will consequently face even greater challenges in recruiting and retaining a good calibre of councillors in the future.
- 11.3 The Panel perceived that there was some concern from councillors about the public acceptability of increasing allowances. As a result the Panel sought to test the public view and therefore commissioned Ipsos to undertake qualitative research, through a number of focus groups, on the public's perception on councillors remuneration. The Ipsos research was small scale but provides indicative evidence of public views.
- 11.4 Ipsos held three discussion groups with a representative sample of the general public in June 2023 using a deliberative approach to enable participants to reach an informed perspective. The stimulus material included pen portraits of councillors based on information received from London Councils' members on their working hours and

levels of responsibility. The information given to participants also included typical allowances received in London, in Essex, and in Wales for councillors receiving a basic allowance and average SRAs paid to Cabinet Members, and council Leaders.

- 11.5 The research found that the Londoners in focus groups felt that allowances in London needed to increase to provide a more accurate reflection of councillors' responsibilities and hours.

"I thought at least [the Council Leader's remuneration] would be about a £100,000 plus for the amount of work that she does because she's taken on casework as well... and that's time-consuming."

When exposed to allowance comparisons in different parts of the country, participants thought the current allowances did not reflect the fact that the cost of living in London was higher than elsewhere in the country.

"Councillors' pay should take into account that living in London is more expensive, so they should immediately just be paid more in general."

In addition, they recognised that the level of allowances can have a detrimental effect on the diversity of councillors and would deter those from a lower income background from becoming councillors.

"It feels like [we're] paying them so little, it feels like there are some people who can't afford to be a councillor. And that has consequences on the democratic process"

- 11.6 Participants also suggested changes to remuneration for councillors: raising the basic allowance and increasing allowances to better reflect responsibilities and hours; and additional allowances provided to support councillors with childcare costs and saving for a pension.
- 11.7 Participants expressed surprise at the range of allowances paid across London, particularly at the cabinet member and council leader level and supported greater consistency in such remuneration levels across councils in London.
- 11.8 Although the sample of Londoners was only small, it indicates that with due briefing and deliberation there is likely to be support for the increase in allowances.
- 11.9 During the consultation process, a significant number of councillors told the Panel that they do not think that councillors should be responsible for setting their own allowances, and that this is perhaps one of the reasons why the basic allowance in London lags behind Scotland and Wales, where allowances are set by outside bodies and it is mandatory for local authorities to adopt the recommendations. The Panel is supportive of this view, but recognizes that this would need a change in legislation. The Panel intends to raise this issue with the Secretary of State.

12.0 Training and support

- 12.1 The responsibilities of councillors are substantial, extensive and complex, particularly since the Pandemic and its aftermath, which has seen a rapid increase of using digital technology, and flexible ways of working. The training and development of councillors is beyond the remit of this Panel. However, the feedback we received was that councillors require the logistical and clerical support and appropriate IT equipment which will help them carry out their roles efficiently. The Panel supports this view and recommends that boroughs undertake their own stock takes to ensure appropriate support is in place to enable members to fulfil their responsibilities.
- 12.2 Furthermore, we have heard from boroughs that councillors are experiencing increased levels of abuse on social media, and so we recommend that training in navigating the increasingly challenging world of social media is also provided.

13.0 Care Costs

- 13.1 It is important that obstacles to becoming a councillor should be removed wherever possible. Care costs could be a significant deterrent to service as a councillor. Our strong view is that in appropriate cases when they undertake their council duties, councillors should be entitled to claim an allowance for care of dependents. The dependents' carers' allowance should at least be set at the London living wage but payment should be made at a higher rate when specialist nursing skills are required or to reflect higher costs during non-standard working hours. We have had representation that the carers allowance should be payable to family members on the basis that it is preferable for family members to look after a dependent, especially in the evening but that the frequency is often such that it is unreasonable for this to be expected to be with no financial allowance.

The level of dependent carers allowance does not recognise the fact that babysitters tend to charge more for evening and weekend work. In addition, the carers allowance should be able to be claimed even if a family member was looking after the councillors' dependents" (Newly-elected Backbench Councillor)

- 13.2 The Panel recognises that allowance payments for family carers who are not members of a councillor's household would need to be designed with some careful consideration but is very sympathetic to this need and recommend that councils review their schemes to make this possible.
- 13.3 It's view is also that members' allowances schemes should allow the continuance of Special Responsibility Allowances in the case of sickness, maternity and paternity leave in the same terms that the council's employees enjoy such benefits (that is to say, they follow the same policies). To this end, London boroughs are recommended to adopt a related parental leave and sickness policy as an appendix to their allowances scheme.

13.4 The Panel has received feedback that there is a need to reform the legislation governing membership of the Cabinet/Executive and how this impacts Councillors who wish to take parental leave. Councils have a strict statutory limit of ten members of the cabinet/executive – including the Leader. Should one of those members wish to take parental leave for any significant period during their tenure as a cabinet member, and there is already a full complement of cabinet and leader up to the statutory limit they are faced with what is an entirely unfair dilemma. They either resign from the post so another councillor can be appointed or they leave their colleagues with an additional workload for their period of absence. While some Councils have sought to appoint deputy cabinet members or the like these are not proper answers to this issue as they are not cabinet members with the appropriate legal and constitutional authority. It is very easy to compare this to the position of an employee where a replacement can be appointed for the duration without prejudice to the individuals' rights to return. While self-evidently Councillors are not employees there should not be any additional hurdles to participation for any section of the population.

13.5 The Panel support the view that the legislation needs reviewing.

14.0 Travel and Subsistence allowances

14.1 The Basic Allowance should cover basic out-of-pocket expenses incurred by councillors, including intra-borough travel costs and expenses. The members' allowances scheme should, however, provide for special circumstances, such as travel after late meetings or travel by councillors with disabilities. The scheme should enable councillors to claim travel expenses when their duties take them out of their home borough, including a bicycle allowance.

15.0 Allowances for Civic Mayor or Civic Head

15.1 Many councils include the allowances for the mayor (or civic head) and deputy in their members' allowance scheme. However, these allowances do serve a rather different purpose from the 'ordinary' members' allowances, since they are intended to enable the civic heads to perform a ceremonial role. There are separate statutory provisions (ss 3 and 5 of the Local Government Act 1972) for such allowances and councils may find it convenient to use those provisions rather than to include the allowances in the members' allowance scheme.

16.0 Allowances that fall outside this scheme

16.1 Within the context of this review, the Panel has not looked at remuneration that councillors may receive for their roles on outside bodies, wholly owned companies or joint venture partnerships. However, in the interests of transparency, the Panel requests that councils consider how information on all members remuneration within their borough is made easily available to the public in the same place. The Panel recommends that where local authorities have set up companies which remunerate councillors who act as directors these allowance should be set out in the members allowances scheme.

17.0 Local discretion

- 17.1 It is for each borough to decide how to allocate their councillors between the different bands, having regard to our recommendations and how to set the specific remuneration within the band. The Panel believes these should have the merits of being easy to apply, easy to adapt, easy to explain and understand, and easy to administer.
- 17.2 The scheme should be able to be applied to different types of governance arrangements and interpreted flexibly. The Panel has received legal advice that suggests that in boroughs which operate through the Committee System, where a Committee Chair has identified responsibilities in a role profile for particular services, then in practice the duties and responsibilities of a Committee Chair are equivalent to the role of a Cabinet Member and that a similar system of allowances should be used. For example, in some boroughs which use a committee system, the Statutory Lead Member for Children's Services is the Chair of the Children and Community Services Committee. In this case, it would be reasonable to suggest that this Committee Chair should receive the SRA equivalent to that of a Cabinet Member. The Panel must emphasise that these decisions are dependent on the arrangements adopted by the authority in question and should be decided on a case by case basis.

18.0 Pensions

- 18.1 There is a widespread view amongst the councillors we spoke to in 2022 and this year that a disincentive to the recruitment and retention of councillors has been the Government's decision in 2014 to remove the right of councillors to join the local government pension scheme. This was keenly felt by those councillors the Panel heard from. The Panel notes that the rationale behind that decision was unclear and that councillors in Scotland, Wales and Northern Ireland continue to be entitled to a local government pension. The Panel is of the view that this inconsistency should be addressed. Although this issue is beyond the remit of the Panel, the Panel will nevertheless write a letter to the Secretary of State asking the government to look again at this important issue,

19.0 Annual uplifts

- 19.1 The Panel continues to recommend that all allowances should be updated annually in line with the percentage pay award agreed by the National Joint Council (NJC) for Local Government Services staff.
- 19.2 In some years the NJC national pay award is agreed as being in the form of a lump sum for all or the majority of staff or the rate of increase is different at different levels on the NJC pay spine. In such situations a method of deriving an appropriate increase in the Members' basic allowance (so it keeps in line with the staff pay award) is required. To achieve this the panel will have regard to any NJC guidance such as guidance on what any lump sum equates to as an average percentage pay increase, and guidance on the percentage increase to any staff allowances. The Panel will also consider the average (mean) percentage increase to the spinal column points,

but excluding any exceptional increases such as measures to rectify a low pay problem at the lowest level of the pay spine. For illustrative purposes, for April 2023 the figure was 3.88%“

20. Review of implementation

- 20.1 The Panel proposes to convene in the final quarter of 2024 to review how its recommendations have been implemented by boroughs across London and at the same time consider the most recently published ASHE data on median salaries of those working in the Greater London area, as well as any agreed NJC national pay award.

Appendix A

THE RECOMMENDED MEMBER ALLOWANCE SCHEME FOR LONDON

The Basic allowance: £15,960

Special responsibilities – beyond the basic allowance

Calculation of special allowances

The proposed amounts for each band are a percentage of the figure suggested for a council leader depending upon levels of responsibility of the roles undertaken and are explained below.

BAND ONE

The posts that the Panel envisages falling within band one, include:

- Vice chair of a service, regulatory or scrutiny committee
- Chair of sub-committee
- Leader of second or smaller opposition group
- Service spokesperson for first opposition group
- First opposition group whip (in respect of council business)
- Vice chair of council business
- Chairs, vice chairs, area committees and forums
- Cabinet assistant
- Acting as a member of a committee or sub-committee which meets with exceptional frequency or for exceptionally long periods
- Acting as a member of an adoption panel where membership requires attendance with exceptional frequency or for exceptionally long periods
- Leadership of a specific major project.

Remuneration

The Panel proposes that band one special responsibility allowances should be on a sliding scale of between 5-15% per cent of the Leader's SRA.

This would be made up as follows:

Basic allowance: £15,960

Band One allowance: £3,105 - £9,314

Total: £19,065 - £25,274

BAND TWO

The Panel considers that the types of office being within band two are:

- Lead member in scrutiny arrangements, such as chair of a scrutiny panel
- Representative on key outside body
- Chair of major regulatory committee e.g. planning
- Chair of council business (civic mayor)
- Leader of principal opposition group
- Majority party chief whip (in respect of council business).

Remuneration

The Panel proposes that band two allowances should be on a sliding scale between 25-50 per cent, pro rata of the remuneration package for a council leader.

This is made up as follows:

Basic allowance £15,960

Band two allowances: £15,523 - £31,046

Total: £31,483 - £47,006

BAND THREE

The Panel sees this band as appropriate to the following posts:

- Cabinet member
- Chair of the Health and Wellbeing Board
- Chair of the main overview or scrutiny committee
- Deputy leader of the council

Remuneration:

The Panel proposes that band three allowances should be between 60-75 per cent pro rata of the remuneration package for a council leader.

This is made up as follows:

Basic allowance: £15,960

Band three allowance: £37,255 - £46,569

Total: £53,215 - £62,529

BAND FOUR

Leader of the Council

This is often a full-time role, involving a high level of responsibility. It is right that it should be remunerated on a basis which compares with roles with similar levels of responsibility, while still retaining a reflection of the voluntary character of public service.

Remuneration:

The Panel proposes that the remuneration package for a council leader under band four of our scheme should be £78,052.

This is made up as follows:

Basic allowance: £15,960

Band four allowance: £62,092

Total: £78,052

BAND FIVE

Directly elected mayor

A directly elected mayor has a full-time job with a high level of responsibility and exercises executive responsibilities over a fixed electoral cycle. It is right that it should be remunerated on a basis which compares with similar positions in the public sector, while still retaining a reflection of the voluntary character of public service. However, the Panel believes that this post remains different to that of the strong leader with cabinet model. The directly elected mayor is directly elected by the electorate as a whole. The strong leader holds office at the pleasure of the council and can be removed by the council. The Panel believes that the distinction is paramount and this should be reflected in the salary level.

Remuneration:

The Panel proposes that a directly elected mayor should receive a remuneration of **£93,575**.

Appendix B

A Job Profile for councillors

In its previous reports, the Panel reflected on the importance of the role of elected members. The 'job profile' for councillors originally included in the Panel's 2010 report is repeated in as the Panel still considers it to be accurate and up to date.

On behalf of the community – a job profile for councillors

Title: Non Voting Co-opted Members Protocol and Subsequent Changes to the Council's Constitution

Report Authorised by: Ayshe Simsek – Democratic Services and Scrutiny Manager

Lead Officer: Ayshe Simsek, Democratic Services and Scrutiny Manager

**Report for Key/
Non Key Decision:** Non Key Decision

1. Describe the issue under consideration

To consider an updated protocol on non voting co-opted member appointments to ensure the process is robust and transparent as possible to maintain the integrity and core functions of scrutiny.

- 1.1 This is a need to update protocol to ensure that the recruitment process is as robust as possible given the access the non – voting co – opted roles offer to elected councillors and senior officers.
- 1.2 The protocol has been updated following consideration at Constitution Working Group and is attached for approval by the Standards Committee in accordance with their responsibilities for maintaining high standards of conduct and considering amendments to the Constitution and recommending proposals to full council for approval.
- 1.3 The updated protocol attached at Appendix 1 responds to observations and comments made by the Constitution Working Group at meetings between November and late February as outlined in paragraph 6.5.
- 1.4 There are also subsequent changes needed to the Overview and Scrutiny Procedure Rules, Part 4 Section G, outlined at Appendix 2 and Overview and Scrutiny Protocol outlined at Appendix 3.

2. Cabinet Member Introduction

Not applicable

3. Recommendations

- 3.1 To agree the Non – voting co-opted Member protocol at Appendix 1 for implementation and publication on the Council's website.

- 3.2 To consider the required changes to the Overview and Scrutiny Procedure Rules, Part 4 Section G, arising from the discussions at the Constitution Working Group in relation to the non voting co-optee protocol and specifically that the decision making is assigned to the Overview and Scrutiny Committee .To further recommend this change outlined at Appendix 2 to the Full Council meeting on the 24th of March 2025.
- 3.3 To note the required changes to the Overview and scrutiny Protocol outlined at Appendix 3.

4. Reasons for decision

The protocol was last updated in January 2021 and given the continuing increased profile of the Council in the community following Covid to fully ensure that access, via this role, to the democratic process has safeguards in place to maintain the principles of the scrutiny function.

5. Alternative options considered

None – to not update the protocol would not be in keeping with good governance principles.

6. Background information

- 6.1 To note that the Standards Committee, terms of reference includes promoting and maintaining high standards of conduct by Councillors, co-opted members and representatives of religious organisations and parent governor representatives; assisting the Leader, Councillors, co-opted members and representatives of religious organisations and parent governor representatives to observe the Members' Code of Conduct.
- 6.2 In relation to scrutiny, the Local Government Act 2000 made provision for the co- option of non-elected members to Overview and Scrutiny to bring additional expertise and skills to scrutiny work and to increase public engagement with scrutiny. This is also covered within the Council's Constitution under the Section G (3.1) of the Overview and Scrutiny Procedure Rules. The Panel meetings are not decision making meetings and will usually be compiling scrutiny reviews for agreement by Overview and Scrutiny and then for onward approval by the Cabinet. Agreement on issues in scrutiny panel is reached by consensus and there has not been an occasion where a vote was required to test this issue.
- 6.3 In January 2021 the Standards Committee agreed a protocol on non – voting co-opted members which put in place in the process for recruitment , completion of register of interest form and made clear adherence to the Member Code of Conduct.
- 6.4 In light of expressed need from Scrutiny members to increase the community voice on Panel meetings , there has been increased interest in the non – voting co-opted roles . The Panels can appoint up to 3 non-voting members and nominations can come forward from established

community groups or be individuals that provide additional expertise and skills.

6.5 The Constitution Working Group have considered and worked on the changes to the Protocol between November and late February and the document responds to the following observations and comments:

- Clarity that the Overview and Scrutiny Committee appoint the non – voting co-opted members and this seems in keeping with the provision that the parent committee makes these appointments as the Scrutiny Panels do not have any decision making abilities.
- Guarding against strong political or personal motivations overtaking discussions at meetings and maintaining the integrity of scrutiny.
- With regards to the term of office, adding in wording to include consultation with the chair of Overview and Scrutiny Committee in taking forward any recommendations on changes to membership during the year. Adding in wording make sure that the process is fair and noting the process for complaint about this.
- Important for individuals that have a conflict of interest or who are in litigation with the Council to not sit on Panels.
- The need for the protocol to protect council business from being taken over by individual issues, deter fixation on specific issues by individuals at Panel meetings, and for there to be a separation of the policy and service delivery.
- Need to include the Chair of Overview and Scrutiny in the recruitment process and decision making on the appointments.
- Providing the ability to Overview and Scrutiny Committee to review the criteria for participating in the Panel meetings.
- Checking if the Standards complaints process applies to non-voting co-opted members. (This does not and non voting members can only be requested to follow this)
- Ensuring this is an annual process and not a carryover of previous decisions on appointments.
- Providing the ability to the Scrutiny Panel to evaluate and advise if the appointment is not conducive and supporting scrutiny work plan and responsibilities.
- The 2000 Local Government Act does not prescribe a number of non-voting co-optees and subsequently noted that this number seems to be applied by other London boroughs.
- importance of advertising the roles and suggested that this could be done in the period between March and June each Municipal year

7. Contribution to strategic outcomes

The Council's Constitution supports the governance of the Council and its

Decision making thereby assisting the Council to meet its strategic outcomes.

8. Statutory Officers comments (Chief Finance Officer (including procurement), Assistant Director of Corporate Governance, Equalities)

Finance

- 8.1 There is no payments for non - voting co-opted members and no financial implications.

Legal

- 8.2 Legal comments are contained within the report

Equality

- 8.3 Equalities duties are adhered to in the recruitment process for co-opted members.

9. Use of Appendices

Appendix 1 – updated non voting co-optee protocol

Protocol for Non - Voting Co-opted Members – March 7, 2025

Introduction

- 1.1 The primary purpose of establishing a protocol for the co-option of non-statutory, non-voting Scrutiny members is as follows:
- To set out how the appointment and role of non- voting Scrutiny Panel members is taken forward.
- 1.2 Each Scrutiny Panel is entitled to have up to three non-voting co-optees to assist Scrutiny with its work, who will be approved by the Overview and Scrutiny Committee on an annual basis. Non-voting co-optees are intended to bring an additional element of external challenge to the work of the Scrutiny Panels. By bringing a diverse spectrum of experience and adding a different perspective to many items, they are expected to add value to Scrutiny by performing the following roles:
- To act as a non-party political voice for those who live and/or work in Haringey; and
 - To bring specialist knowledge and/or skills to the Overview and Scrutiny process and bring an element of external challenge by representing the public.
- 1.3 For the purposes of this protocol, the term ‘Co-opted members/Co-optees’ refers to Co-opted non-statutory, non-voting Scrutiny members. Sections 2.4, 3, 4 and 5 of this protocol could also be applicable to Standards Committee which is also able to appoint up to 6 non-voting co-opted members as set out in the Constitution at Article 9 - paragraph 9.02.

2. Non - Voting Co-opted members

- 2.1 Most members on Scrutiny Committees are elected members and voting co-opted members, although provision is available for Overview and Scrutiny to appoint up to three co-optees to each Scrutiny Panel. The decision making on appointment of non – voting co-opted members should take place at the start of the Municipal year.
- 2.2 Non-voting Co-opted members will be an integral part of Scrutiny Panels and are able to contribute to questioning of witnesses and analysis of evidence. Scrutiny Panel chairs are advised to invite individuals who have specific and detailed knowledge of a particular issue to act as expert witnesses or independent external advisers instead of being applicable to the appointment process at section 3.5 below, as this will provide them with greater scope to contribute to evidence received by panels.
- 2.3 It is expected that appointed non-voting co-optees will:
- Attend formal meetings of the Panel, which are usually held in the evening.
 - Attend additional meetings and evidence gathering sessions such as site visits.
 - Prepare for meetings by reading the agenda papers and additional information to familiarise themselves with the issues being scrutinised.

- Prior to meetings, consider questions they may wish to put to Cabinet Members, officers, and external witnesses.
- Help the Panel to make practical suggestions for improvements to services.
- Contribute to the preparation of reviews and the formulation of recommendations.
- Contribute to the development of the annual Scrutiny work programme.
- Establish good relations with members, officers and other co-optees.
- Abide by the relevant sections of the Council's Constitution in terms of the rules and procedures for Overview and Scrutiny; and
- Keep abreast of key issues for the authority and bear these in mind when scrutinising services and making recommendations for improvement.
- Attend training sessions conducive to their Scrutiny role

2.4 Non-voting co-opted members should also note the following:

- Co-optees on Scrutiny Panels will have no voting rights.
 - Each co-opted member will be appointed for a period of one year by the Overview and Scrutiny Committee, at their first meeting of the Municipal year. Subject to there being no issues regarding their membership, this will be reviewed on an annual basis by the Overview and Scrutiny Committee.
 - Employees and existing Councillors of Haringey Council are excluded from applying to be Co-optees.
- Co-optees are expected to act in accordance with the Member Code of Conduct.

2.5 Scrutiny involves working with councillors and officers as a critical friend in an unbiased and collaborative manner maintaining the shared focus of the Scrutiny Work Programme and the Panel's terms of reference. The expectation is that all participants in the panel meetings approach the agenda and work items with an open mind and avoid being influenced by party political or personal motivations.

2.6 The Overview and Scrutiny will have the authority to review and amend the criteria set out at paragraphs 2.3 and 2.4 to meet the needs of the Scrutiny work plan and ensure the Committee meets its statutory role and responsibilities, which may impact on the eligibility of non – voting co – optees to sit on the Panels.

3. Appointment process

- 3.1 Primarily, Scrutiny will seek nominations from established community groups that have a working relationship with the Council for non-voting co-optee positions. Where the Panel identifies that a non-voting Co-opted member maybe beneficial to the work of the Panel and its work programme for the coming municipal year. The Chair of Scrutiny and Panel Chair, supported with advice from Scrutiny Officers, will identify the appropriate community organisation to invite nominations for this role. The community groups will be known through established contact with the Council.
- 3.2 To aid understanding of the requirements for this public facing role, community groups include constituted and un-constituted not-for-profit groups, community organisations and registered charities who provide support to local people in Haringey.

- 3.3 Alternatively, where a particular experience/ expertise is required to assist the Panel for the duration of the municipal year, consideration can also be given to advertising the position on Council's website and social media.
- 3.4 Community organisations will be sent:
- Information on the role of Overview and Scrutiny non -voting co-opted members.
 - Protocol for co-opted non-voting members
 - Information on the relevant Scrutiny Panel, the Scrutiny Work programme, and the skills and experience being sought to allow the community organisation to identify the appropriate individual to nominate.

OVERVIEW AND SCRUTINY COMMITTEE (OSC) PROTOCOL 2021**1 INTRODUCTION**

- 1.1 Overview and Scrutiny plays a fundamental role in the Council's governance arrangements through holding decision makers to account, policy review and development, acting as a community voice and ensuring the efficient delivery of public services. Effective scrutiny requires the commitment of the whole Council and partners, as well as creating the right culture, behaviours and attitude that sees scrutiny as a valuable contributor to the business of the Council.
- 1.2 This new protocol is a welcome opportunity for the whole Council to re-affirm its commitment to effective scrutiny, foster an effective and constructive working relationship with all stakeholders in the scrutiny process and refresh relevant policies and procedures so that they reflect best practice. It also takes into account learning from recent Haringey scrutiny work as well as the new Statutory Guidance on Overview and Scrutiny in Local and Combined Authorities that was published by the Ministry of Housing, Communities and Local Government (MHCLG) in May 2019.
- 1.3 The Protocol is intended to give effect to the provisions in the Constitution relating to Overview and Scrutiny. In the event of any apparent conflict that may arise between the provisions in the Protocol and the Constitution, the Constitution shall take precedence.

2 ROLE OF OVERVIEW AND SCRUTINY COMMITTEE

- 2.1 The Council is committed to creating an environment conducive to effective scrutiny. It is a statutory function and a requirement for all authorities operating executive arrangements. It is also an integral part of the Council's decision-making structure and provides essential checks and balances to the Council's Cabinet to ensure that its powers are used wisely. Whilst its legitimacy is beyond question, scrutiny should nonetheless be able to demonstrate clearly to the Council and its Cabinet, senior management team, partners and the public the value that it adds in its work and seek to make recommendations that improve the lives of local residents.
- 2.2 Effective Overview and Scrutiny should:
 - Provide constructive challenge;
 - Amplify the voices and concerns of the public;
 - Be led by independent minded Members who take responsibility for their role; and
 - Drive improvement in public services.

Challenge

- 2.3 For challenge to be effective, it needs to be sufficiently robust. It should nevertheless be constructive and focused on matters of timely relevance to the Council and the wider community. The role of scrutiny as a 'Critical Friend' should be undertaken in a courteous and professional manner, reflecting the Member's Code of Conduct. The aim of scrutiny should be to improve decision making and outcomes for residents, not scoring political points or providing a political opposition to those who make decisions.

Public and Community Involvement

- 2.4 Overview and Scrutiny has an important role in articulating the concerns of residents and community organisations. It will therefore strive to facilitate their involvement in its work and, in particular, the development of its work plan, providing evidence and asking questions.
- 2.5 Overview and scrutiny will seek to ensure that the feedback that it receives is representative of the local community. It will be proactive in seeking input and seek to involve individuals and groups within it that are best placed to inform specific pieces of work. It will use a range of methods and, where possible, locations in order to best to engage with diverse stakeholders and listen to their views and experience.

Independence

- 2.6 Overview and scrutiny shall be independent in both outlook and operation. The Cabinet should not seek to direct the areas that it focusses upon, although suggestions can be made for the work programme. Overview and scrutiny shall not be subject to undue party political influence, such as whipping. Members on scrutiny bodies shall also undertake their work with an open mind and make recommendations that are based on the evidence that they receive rather than pre-conceived ideas or pressure from within the political group. It should seek to be strategic and focused on the Council and its communities of interest.

Driving Improvement

- 2.7 It is important that scrutiny not only provides challenge but delivers outcomes. These should aim to make a difference to the lives of residents through improving public services. This should be achieved by the making of evidence-based recommendations to the Council's Cabinet and other organisations responsible for the commissioning and delivery of public services.

3 RESPONSIBILITIES

An extraordinary meeting of a Panel may be called in accordance with the Council's Constitution (Part 4 Section G). In addition, Scrutiny Panels may also hold evidence gathering meetings as part of in-depth scrutiny reviews on a specific issue as and when required.
- 5.5 The choice of venue for meetings may have regard to the business to be transacted and the circumstances of the time. This may include meeting online for remote working or to improve access to those providing evidence to the Committee or a Panel.

6 ENGAGING WITH THE CABINET

- 6.1 Legislation relating to local authority governance provides for the separation of the Executive and Non-executive Members of a Council in order to provide a check and balance on decision-making. The Overview and Scrutiny Committee therefore shall engage regularly with Cabinet, particularly regarding its future work programme and the Forward Plan. The first of such meetings should be arranged with Cabinet prior to the first meeting of the Committee. The Chairs of the Overview and Scrutiny Committee and the Scrutiny Panels shall seek to liaise on a regular basis with the relevant Cabinet Members covering relevant portfolios regarding the progress of the work programme, agenda setting and requests for reports, attendance and updates.
- 6.2 The Leader of the Council and Chief Executive shall be invited to the Overview and Scrutiny Committee as required, based upon the agenda of a meeting, but at least once a year at the meeting when the Overview and Scrutiny work programme is considered. This shall be an opportunity to discuss jointly, amongst other matters, the Council's priorities for the next year. Meetings between the Cabinet and scrutiny should focus on outcomes and be respectful and constructive, respecting the different but complementary nature of the roles and the value of scrutiny to the Council and its residents.
- 6.3 All Cabinet Members will be expected to attend either the Overview and Scrutiny Committee and/or Scrutiny Panels as required and with reasonable notice, based upon the agenda of a meeting, but at least twice a year. Cabinet Members will be expected to provide information specific to an agenda item, to provide updates on key areas within their portfolios and to answer questions.
- 6.4 The Leader and Cabinet Members attending an Overview and Scrutiny Committee or Scrutiny Panel meeting may be accompanied and assisted by any service officers they consider necessary. The Member may invite an officer attending to answer a question and provide information on their behalf.
- 6.5 Cabinet Members and senior officers attending formal meetings of scrutiny bodies shall strive to provide full answers to questions that are put to them. Where this is not possible due to the necessary information not being accessible at the meeting, a written answer will be provided within 7 working days of the date of the meeting. To better meet requests for information, members of the Committee

and its Panels will seek to provide advance notice of questions so that Cabinet Members and senior officers may prepare for their participation in the meeting.

7 RESPONDING TO SCRUTINY RECOMMENDATIONS

- 7.1 Overview and Scrutiny may make recommendations to the Cabinet or any other public service providers. Recommendations to Cabinet shall be introduced by either the Chair of the Overview and Scrutiny Committee or the relevant Scrutiny Panel. They shall be responded to by the appropriate body within two months of their receipt. Responses shall be circulated to Members of the relevant scrutiny body before the Cabinet meeting to approve the response. Where recommendations from Overview and Scrutiny are not accepted by Cabinet, an explanation will be given of the reasons why. Where a response is requested from NHS funded bodies, the response shall be made within 28 days.

8 THE OVERVIEW AND SCRUTINY WORK PROGRAMME

- 8.1 Overview and Scrutiny will agree its own annual work programme and keep it under review over the course of a municipal year. It will have regard to corporate and strategic priorities and consult widely to inform the focus for scrutiny activity.
- 8.2 The Council's Democratic Services Team shall coordinate the development of the work programme for Overview and Scrutiny, covering the work of the Committee and of the Scrutiny Panels. The development process for this should include engagement with Members, Cabinet, senior officers, partners, voluntary and community organisations and residents, with specific opportunities provided for each of them to submit suggestions. Whilst safeguarding the independence of the scrutiny process, the Committee shall have regard to all such suggestions when they decide their work programme.
- 8.3 Decision makers should seek to involve scrutiny in the development of new policy at an early stage when proposals are being developed so that account can be taken of it when developing its work plan.
- 8.4 As part of the development of the work programme, the Committee will determine how external partners and public service providers shall be scrutinised and engage with key personnel to build the necessary relationships and awareness for this purpose.
- 8.5 The scrutiny work programme should reflect a balance of activities, including:
- Holding the Executive to account;
 - Policy review and development;
 - Performance management;
 - External scrutiny; and
 - Public and community engagement.
- 8.6 The work programme should;
- Reflect local needs and priorities. Issues should be of community concern as well as Borough Plan and Medium Term Financial Strategy priorities;
 - Prioritise issues that have most impact or benefit to residents;
 - Involve local stakeholders; and
 - Be flexible enough to respond to new or urgent issues.
- 8.7 Scrutiny work will be carried out in a variety of ways and use whatever format that is best suited to the issue being considered. This can include a variety of "one-off" reports as well as in-depth scrutiny

review projects that provide opportunities to thoroughly investigate a topic and recommend improvements.

- 8.8 In deciding its work programme, the Committee shall be mindful of the need to achieve meaningful outcomes by ensuring that plans are deliverable within the timescale set and with the resources available.
- 8.9 A template shall be maintained and shared by the Democratic Services Team to provide criteria to assist with the preparation and updating of the work programme. The Team also will assist the Committee and its Panels in tracking their decisions and requesting updates on progress from time to time, following which the Chair and officer will consider whether such matters need to form an agenda item.
- 8.10 A template shall be maintained for the use of the Chairs and Officers of the OSC and Panels to assist the Cabinet and senior officers in understanding the purpose of scrutiny activity relating to specific topics and to justify requests for information or reports. Agenda planning meetings shall be arranged between Chairs and senior officers ahead of scheduled meetings to ensure clarity on any reports that are requested. A detailed scope, terms of reference and project plan shall also be prepared for each in-depth scrutiny review project prior to it starting. This shall include consideration of resources, timescale for completion and aspired outcomes.

9 BUDGET SCRUTINY

- 9.1 The Council's budget shall be scrutinised by both the Overview and Scrutiny Committee and each of the Scrutiny Panels. The role of the Committee shall be to scrutinise the overall budgetary position and direction of the Council and strategic issues relating to this, whilst each Scrutiny Panel will scrutinise areas that come within their terms of reference. Any individual areas of the budget that are not covered by the Panels shall be considered by the Committee.
- 9.2 A lead Committee member from the largest opposition group shall be responsible for the co-ordination of the Budget Scrutiny process and recommendations made by respective Scrutiny Panels and the Committee relating to the budget.
- 9.3 To allow effective scrutiny of the budget in advance of it formally being set, the following timescale is suggested:
- **Scrutiny Panel Meetings: May to November**
The Overview and Scrutiny Committee will receive regular budget monitoring reports budget whilst each Scrutiny Panel shall monitor budgets within their respective areas. Between May and November, this shall involve scrutinising progress with the Medium Term Financial Strategy (MTFS) approved at the budget setting full Council meeting in February.
 - **Scrutiny Panel Meetings: December/January**
Each Scrutiny Panel shall hold a meeting following the release of the December Cabinet report on the new MTFS. The Committee will also meet to consider proposals relating to any areas within the MTFS that are not covered by individual scrutiny panels. Each Panel and the Committee shall consider the proposals in this report for their respective areas, in addition to their budget scrutiny already carried out. Relevant Cabinet Members will be expected to attend these meetings to answer questions relating to proposals affecting their portfolios as well as senior service officers.

Scrutiny Panels and the Committee may also request that the Cabinet Member for Finance and/or senior officers attend these meetings to answer questions.

- **Overview and Scrutiny Committee Meeting: January**

The Committee will consider and make recommendations on the overall budgetary position and direction of the Council and the MTFS. Each Scrutiny Panel and the Committee shall also submit their final budget scrutiny report to the meeting for ratification, containing their recommendations/proposals in respect of the budget for the areas within their terms of reference.

- **Cabinet Meeting: February**

The recommendations from the Budget Scrutiny process that have been approved by the Committee shall be referred to the Cabinet. As part of the budget setting process, the Cabinet will clearly set out its response to the recommendations/proposals.

10 ACCESS TO INFORMATION

- 10.1 Legislation and the Council's own Standing Orders provide for all Members to have access to information based upon their membership of Committees and on a need to know basis.
- 10.2 For Overview and Scrutiny to be effective, it needs access to relevant information and in a timely manner. In particular, it is imperative that it has the information necessary to provide effective challenge about the provision, quality and resourcing of services. It has a legal right to information and this includes enhanced power to access exempt or confidential information. This is in addition to existing rights that Councillors have to access information.
- 10.3 Overview and Scrutiny Members need access to key information about the management of the Council, particularly on performance, management, funding and risk. Members should also be given the support necessary to ensure that they understand such information. In seeking this information, they should be mindful of the capacity of the Council to resource activity and the value and outcomes likely to be gained through it.
- 10.4 Overview and Scrutiny should not rely purely on those who are directly responsible for services for information and should seek to supplement the evidence at its disposal from within the Council from other sources, including service users, other residents and partners.
- 10.5 A template shall be maintained for the use of the Chairs and Officers of the OSC and Panels to explain the basis for the request for information and to detail the information that is required and the purpose to which it will be put. Requests will be responded to positively and in a timely manner. To ensure that the information provided is relevant, officers should ensure that they have a clear understanding of the reasons why information is needed by seeking clarification if necessary.
- 10.6 It is recognised that there may be rare occasions when it may be legitimate for information to be withheld and a written statement setting out the reasons for this will be provided to the OSC and its lead officer should this occur. Cabinet Members and senior officers will nevertheless seek to avoid refusing requests or limiting the information they provide. Before a decision exceptionally is made not to share information, serious consideration will be given to whether the information can instead be shared in closed session and the reason for this stated.
- 10.7 Where a Cabinet Member or senior officer determine that information requested by the OSC should be withheld, the OSC may refer the matter to the Monitoring Officer for adjudication if it wishes to

challenge the decision. In considering the matter, the Monitoring Officer should have regard to the legitimacy of Overview and Scrutiny, the reason(s) given for withholding the information and the value to the Council and residents of scrutiny activity on this matter.

11 TRANSPARENCY AND OPENNESS

- 11.1 One of the key roles of Overview and Scrutiny is to promote transparency and openness. The presumption therefore will be that its meetings will take place in public and the need to hold closed sessions will be avoided. Meetings that take place as part of the evidence gathering process for in-depth scrutiny reviews will also take place in public.
- 11.2 However, it is accepted that there will be limited occasions when it will be appropriate to meet in closed session because of the nature of the business or the position of the witness giving evidence. Evidence gathering activities may therefore take place outside of formal meetings if necessary or appropriate.
- 11.3 The status of meetings in terms of public or closed sessions, recording and documentation should be made clear in advance to all individuals attending to provide evidence.

12 OFFICER ADVICE

- 12.1 The Code of Conduct for Officers is clear that all Members are entitled to receive impartial advice and have access to information by virtue of their membership of committees and on a need-to-know basis.
- 12.2 There is therefore an expectation that all Senior Officers will provide impartial advice to scrutiny bodies as and when required. The Statutory Scrutiny Officer and the Monitoring Officer have particular roles in ensuring that timely, relevant and high quality advice is provided.
- 12.3 There is a specific statutory requirement for the Council to designate a Statutory Scrutiny Officer. The role of this officer is:
- To promote the role of the authority's overview and scrutiny committee(s);
 - To provide support to the authority's overview and scrutiny function and to local Councillors;
 - To provide guidance to members and officers of the council in relation to overview and scrutiny's functions.
- 12.4 The Statutory Scrutiny Officer cannot be the Council's Head of Paid Service, the Monitoring Officer or the Chief Finance Officer.
- 12.5 The Monitoring Officer has three principal responsibilities:
- To report on matters they believe are, or may be, illegal or amount of maladministration;
 - To be responsible for the conduct of councillors and officers; and
 - To be responsible for the operation, review and updating of the constitution.
- 12.6 Where there are disagreements about Overview and Scrutiny's powers, role and remit, the role of the Statutory Scrutiny Officer will be to advocate on behalf of it and protect its independence. The role of the Monitoring Officer will be to adjudicate on such matters and, if need be, report to Full Council on any issues that may need addressing.
