She had held a DPS licence for five years and not had any issues in managing premises. The applicant was happy to agree to any conditions put forward.

All parties summed up and the Committee retired to consider their decision.

RESOLVED

The Licensing Sub Committee carefully considered the application for a new premises licence for Asabache, Seven Sisters Road, London N15. In considering the application, the Committee took account of the London Borough of Haringey's

Statement of Licensing Policy, the Licensing Act 2003, the Licensing Act 2003 section 182 Guidance, the report pack and the applicant's and objectors' representations.

Having considered the application, the Committee decided to grant the application for a new premises licence with the conditions set out below as follows.

Hours open to the public:

Monday to Sunday 1100 to 0030 hours

Supply of Alcohol

Monday to Sunday 1100 to 0000 hours

Late Night Refreshment

Monday to Sunday 2300 to 0000 hours

Supply of alcohol for consumption ON the premises only

The following conditions are imposed in addition to those contained within the operating schedule:

1. The licence holder is only to permit 5 patrons to smoke outside at any one time.
2. No patrons shall be permitted to take drinking receptacles, bottles or other containers outside when smoking.
3. The licence holder is to prevent patrons from congregating directly outside the residential front entrance door on the ground floor and to erect signage advising patrons not to congregate there.

Reasons

The Committee gave serious consideration to the submissions by the applicant and to the concerns raised by the objectors. The Committee was satisfied that the licence should be granted and that the above conditions were appropriate and proportionate and would ensure that the licensing objectives were promoted.

The premises are in a parade of shops with residential accommodation above and the Committee was satisfied that the operating hours and the hours for the licensable activities were in keeping with nature of the area within which the premises are located.

However, the Committee was keen to ensure that public nuisance was not caused to nearby residents by noise or obstruction from customers and appropriate additional conditions have therefore have been added to the licence to promote the licensing objective of the prevention of public nuisance.

The Committee noted the conditions proposed in the operating schedule and felt that they, combined with the additional conditions above, were appropriate and proportionate in promoting the licensing objectives.

The applicant made clear that the sale of alcohol would be limited for consumption on the premises only and that is reflected on the licence.

Appeal Rights

This decision is open to appeal to the Magistrates Court within the period of 21 days beginning on the day upon which the appellant is notified of the decision. This decision does not take effect until the end of the appeal period or, in the event that an appeal has been lodged, until the appeal is dispensed with.
