**Report for:** Licensing Sub Committee 29<sup>th</sup> October 2021

**Item number:**

**Title:** Application for a Variation of an existing Premises Licence – OZ Tottenham Supermarket, 467-469 High Road, Tottenham, London N17 6QA.

**Report authorised by :** Daliah Barrett-Licensing Team Leader – Regulatory Services.

**Ward(s) affected:** BG

**Report for Key/  
Non Key Decision:** Not applicable

**1. Describe the issue under consideration**

1.1 This report relates to an application for a new premises licence by Mr Mehmet Temur.

1.2 The application seeks the following:

**To remove**

Condition 17: The Premises shall not stock High strength beers in excess of 6.5%ABV and no single cans of alcohol are to be sold at the premises.

1.3 The application can be found at - **Appendix A.**

**1.4 Representations have been received from:**

**Responsible Authorities- Licensing Authority - App B**

**1.5 Recommendation**

In considering the representations received and what is appropriate for the promotion of the licensing objectives, the steps the Sub-Committee can take are:

- Grant the application as requested
- Grant the application whilst imposing additional conditions and/or altering in any way the proposed operating schedule.
- Exclude any licensable activities to which the application relates
- Reject the whole or part of the application

Members of the licensing sub committee are asked to note that they may not modify the conditions or reject the whole or part of the application merely because it considers it desirable to do so. It must be appropriate in order to promote the licensing objectives.

**2 Background**

2.1 The premises is situated along High Road Tottenham N17 at the junction with St Loys Road. The area has ongoing anti social behaviour from street drinkers that congregate in this location. The Premises has had previous problems with stocking illicit tobacco and alcohol. As a result the Trading Standards officer requested a Minor Variation was applied for in order for additional conditions to be added to the licence to promote the licensing objective of the prevention of crime disorder.

The area continues to have issues with street drinkers who are visible throughout the day and night in the location. The location is currently a point of focus for partnership working between the Regeneration Town Centre Manager, the Tottenham Safer Partnership and the Police to combat the problems associated with the street drinking and anti social behaviour taking place.

### 3 Licensing Policy

- 3.1 The committee will also wish to be aware of the guidance issued under section 182 of the Licensing Act 2003. Licensing is about regulating the provision of licensable activities on licensed premises, by qualifying clubs and at temporary events within the terms of the Licensing Act 2003. The terms and conditions attached to various permissions are focused on matters which are within the control of individual licensees and others granted relevant permissions. Accordingly, these matters will centre on the premises and places being used for licensable activities and the vicinity of those premises and places.
- 3.2 The objective of the licensing process is to allow for the carrying on of retail sales of alcohol and the prevention of public nuisance, prevention of crime and disorder, public safety and protection of children from harm. It is the Licensing Authority's wish to facilitate well run and managed premises with licence holders displaying sensitivity to the impact of the premises on local residents.
- 3.3 In considering licence applications, where relevant representations are made, this Licensing Authority will consider the adequacy of measures proposed to deal with the potential for public nuisance and/or public disorder having regard to all the circumstances of the case.
- 3.4 (19.15) Applications shall only be granted where the licensing authority is satisfied the grant of the licence would not harm the Licensing Objectives following a hearing. Where relevant representations are made, the licensing authority will also have particular consideration to the hours requested for sales of alcohol. Persons who are alcohol-dependant may be drawn to particular premises if they are licensed to sell alcohol at earlier or later times than other premises. Additionally, if there are issues related to late-night disorder, the hours for alcohol sales from the premises may be restricted. Other conditions may be imposed directed at avoiding problematic street drinking in the vicinity of the premises. Another particular concern will be irresponsible drink promotions that do not follow best practice, would appeal to underage drinkers or street drinkers, or encourage excessive consumption.
- 3.5 Where relevant representations are made, this authority will demand stricter conditions with regard to noise control in areas that have denser residential accommodation, but this will not limit opening hours without regard for the individual merits of any application. This authority will consider each application and work with the parties concerned to ensure that adequate noise control measures are in place. Any action taken to promote the licensing objectives will be appropriate and proportionate.
- 3.6 This Licensing Authority in determining what action to take will seek to establish the cause of concern and any action taken will be directed at these causes. Any action taken to promote the licensing objectives will be appropriate and proportionate.
- 3.7 Where relevant representations are made, this authority will demand stricter conditions with regard to noise control in areas that have denser residential accommodation, but this will not limit opening hours without regard for the

individual merits of any application. This authority will consider each application and work with the parties concerned to ensure that adequate noise control measures are in place

- 3.8 Also The Licensing Authority may not impose conditions unless its discretion has been exercised following receipt of relevant representations and it is satisfied as a result of the hearing that it is appropriate to impose conditions to promote one or more of the four licensing objectives. Therefore conditions may not be imposed for the purpose other than promoting the licensing objectives and in some cases no additional conditions will be required.
- 3.9 In cases Members should make their decisions on the civil burden of proof, that is the balance of probability.
- 3.10 Members should consider in all cases whether or not primary legislation is the appropriate method of regulation and should only consider licence conditions when the circumstances in their view are not already adequately covered elsewhere.
- 3.11 The Government has advised that conditions must be tailored to the individual type, location and characteristics of the premises and events concerned. Conditions cannot seek to manage the behaviour of customers once they are beyond the direct management of the licence holder and their staff.  
The Councils Licensing policy generally expects applicants to address the licensing objectives and discuss how to do this with the relevant responsible authorities.

#### 4 Licensing hours

- 4.2 Where relevant representations are made, the Council will consider the proposed hours on their individual merits. Notwithstanding this, the Council may require stricter conditions in areas that have denser residential accommodation to prevent public nuisance. The Council will endeavour to work with all parties concerned in such instances to ensure that adequate conditions are in place. The Council may restrict the hours that certain premises can offer alcohol for sale for consumption off the premises for preventing crime, disorder and nuisance.

#### 5 Powers of a Licensing Authority

- 5.1 The decision should be made with regard to the Secretary of the State's guidance and the Council's Statement of Licensing Policy under the Licensing Act 2003. Where the decision departs from either the Guidance or the Policy clear and cogent reasons must be given. Members should be aware that if such a departure is made the risk of appeal / challenge is increased.
- 5.2 The licensing authority's determination of this application is subject to a 21 day appeal period or if the decision is appealed the date of the appeal is determined and /or disposed of.

#### 6. Other considerations

**Section 17 of the Crime and Disorder Act 1998** states:

"Without prejudice to any other obligation imposed on it, it shall be the duty of each authority to which this section applies to exercise its various functions with due regard to the likely effect of the exercise of those function on, and the need to do all that it reasonably can to prevent crime and disorder in its area".

## 6.1 Human Rights

While all Convention Rights must be considered, those which are of particular relevance to the application are:

- Article 8 – Right to respect for private and family life.
- Article 1 of the First Protocol – Protection of Property
- Article 6(1) – Right to a fair hearing.
- Article 10 – Freedom of Expression

## REPRESENTATION LETTER

Dear Sir/Madam,

**LICENSING ACT 2003 – Application for a Variation to an existing Premises Licence- OZ Tottenham Supermarket, 467-469 High Road, Tottenham, London N17 6QA.**

The application seeks the removal of conditions that were placed on the licence due to the problems associated in the area with street drinking and its effects on the community.

Anti-social drinking in the streets can intimidate members of the public, cause disorder and nuisance, and generally degrade a public space. This can range from groups of street drinkers, to general drunken or rowdy behaviour as part of the day to day 'culture' of the shopping area.

The impact of anti-social drinking causes crime and anti-social behaviour linked to alcohol misuse. Alcohol misuse shows strong links to violence.

Street drinking can be perceived as intimidating by others. Alcohol misuse is linked to disorder and contributes to an increase in people's fear of crime; there is a perception that alcohol-related violence on the streets is increasing, and some members of the public see drinking on the street as a problem. Many people are therefore less, rather than more, likely to want to spend time in an area that is perceived to have such issues linked to alcohol misuse.

Where someone is causing alarm and distress through their drunken behaviour, it may be necessary to protect the community, one of the ways that business seeking to sell alcohol in areas affected by this behaviour is to ensure that reasonable and proportionate conditions are placed on Premises licence, thereby ensuring that measures are in place to adequately uphold and promote the licensing objectives.

Essentially, the anti social behaviour situation is taking place and in the immediate vicinity to this location. We understand that the Town centre Manager has engaged with Mr Temur due to these matters. We understand that Mr Temur has agreed to complete an ASB audit for the BCRP (Borough Crime Reduction Partnership) in order to help inform the problems arising and thereby enable a targeted response to the matters raised.

We are pleased that Mr Temur has shown an interest to join the BCRP and become an active member of such. In doing so he will participate by reporting any crime and therefore helping to reduce the problem.

To this end we cannot support the removal of the conditions and are proposing the following wording to the conditions as well as a further condition to be added to the licence:

- Beers, lagers, stout and ciders sold at the premises should not exceed 6.5% alcohol volume.
- No single cans of beers lagers, stout and ciders are to be sold at the premises.
- No miniature bottles of spirits to be sold
