1.5 Recommendation

In considering the representations received and what is appropriate for the promotion of the licensing objectives, the steps the Sub-Committee can take are:

- Grant the application as requested
- Grant the application whilst imposing additional conditions and/or altering in any way the proposed operating schedule.
- Exclude any licensable activities to which the application relates
- Reject the whole or part of the application

Members of the licensing sub committee are asked to note that they may not modify the conditions or reject the whole or part of the application merely

because it considers it desirable to do so. It must be appropriate in order to promote the licensing objectives.

2 Background

- 2.1 The premises is situated behind McDonalds on Hig Road Tottenham N17. It consist of a large hall located upstairs on the first floor. The premises was previously a snooker hall but is now being operated as a entertainment venue and restaurant. We are advised that there is Planning permission in place for this use and the applicant has been provided with details to engage with Planning on this matter.
- 2.2 The premises has come to the attention of the Council and Police due to unauthorised activity found to be taking place onsite. These matters are now subject to enforcement/prosecution action.
- 2.3 Mr Mandachi continues to operate the venue without a valid licence or Temporary Event Notice in place even though he has been made aware of the consequences of doing so. The application is opposed as Mr Mandachi has not demonstrated that he would comply with relevant law or conditions placed upon him with regards to promoting or upholding the licensing objectives.
- 2.4 Mr Mandachi was put forward as the proposed DPS on the licence application. We were informed by the then Licensing Agent that Mr Mandachi had been 'let go' by the company director after it was brought to her attention the various unlicensed events that had been permitted to take place at the premises. The notification from Ms Congolat proved to be false. The Licensing Authority representation shows various fliers for unlicensed events continuing to be promoted at Clasic Restaurant 502-508 High Road Tottenham N17.
- 2.5 The venue continued to be operated providing licesable activities without authorisations.The Licensing Officer RA representation speaks to an unlicensed event in February 2022, where a patron received a serious facial injury.
- 2.6 Mr Manadchi continued to operate in the mindset of blocking and obstructing officers including Police officers from entering the venue to investigate the unlicensed activity taking place or incidents.

3 Licensing Policy

- 3.1 The committee will also wish to be aware of the guidance issued under section 182 of the Licensing Act 2003. Licensing is about regulating the provision of licensable activities on licensed premises, by qualifying clubs and at temporary events within the terms of the Licensing Act 2003. The terms and conditions attached to various permissions are focused on matters which are within the control of individual licensees and others granted relevant permissions. Accordingly, these matters will centre on the premises and places being used for licensable activities and the vicinity of those premises and places.
- 3.2 The objective of the licensing process is to allow for the carrying on of retail sales of alcohol and the prevention of public nuisance, prevention of crime and disorder, public safety and protection of children from harm. It is the Licensing Authority's wish to facilitate well run and managed premises with licence holders displaying sensitivity to the impact of the premises on local residents.
- 3.3 In considering licence applications, where relevant representations are made, this Licensing Authority will consider the adequacy of measures proposed to deal

with the potential for public nuisance and/or public disorder having regard to all the circumstances of the case.

- 3.4 Where relevant representations are made, this authority will demand stricter conditions with regard to noise control in areas that have denser residential accommodation, but this will not limit opening hours without regard for the individual merits of any application. This authority will consider each application and work with the parties concerned to ensure that adequate noise control measures are in place. Any action taken to promote the licensing objectives will be appropriate and proportionate.
- 3.5 This Licensing Authority in determining what action to take will seek to establish the cause of concern and any action taken will be directed at these causes. Any action taken to promote the licensing objectives will be appropriate and proportionate.
- 3.6 Where relevant representations are made, this authority will demand stricter conditions with regard to noise control in areas that have denser residential accommodation, but this will not limit opening hours without regard for the individual merits of any application. This authority will consider each application and work with the parties concerned to ensure that adequate noise control measures are in place
- 3.7 Also The Licensing Authority may not impose conditions unless its discretion has been exercised following receipt of relevant representations and it is satisfied as a result of the hearing that it is appropriate to impose conditions to promote one or more of the four licensing objectives. Therefore conditions may not be imposed for the purpose other than promoting the licensing objectives and in some cases no additional conditions will be required.
- 3.8 In cases Members should make their decisions on the civil burden of proof, that is the balance of probability.
- 3.9 Members should consider in all cases whether or not primary legislation is the appropriate method of regulation and should only consider licence conditions when the circumstances in their view are not already adequately covered elsewhere.
- 3.10 The Government has advised that conditions must be tailored to the individual type, location and characteristics of the premises and events concerned. Conditions cannot seek to manage the behaviour of customers once they are beyond the direct management of the licence holder and their staff.
The Councils Licensing policy generally expects applicants to address the licensing objectives and discuss how to do this with the relevant responsible authorities.

4 Licensing hours

- 4.2 Where relevant representations are made, the Council will consider the proposed hours on their individual merits. Notwithstanding this, the Council may require stricter conditions in areas that have denser residential accommodation to prevent public nuisance. The Council will endeavour to work with all parties concerned in such instances to ensure that adequate conditions are in place. The Council may restrict the hours that certain premises can offer alcohol for sale for consumption off the premises for preventing crime, disorder and nuisance.

5 Powers of a Licensing Authority

5.1 The decision should be made with regard to the Secretary of the State's guidance and the Council's Statement of Licensing Policy under the Licensing Act 2003. Where the decision departs from either the Guidance or the Policy clear and cogent reasons must be given. Members should be aware that if such a departure is made the risk of appeal / challenge is increased.

5.2 The licensing authority's determination of this application is subject to a 21 day appeal period or if the decision is appealed the date of the appeal is determined and /or disposed of.

6. Other considerations

Section 17 of the Crime and Disorder Act 1998 states:

"Without prejudice to any other obligation imposed on it, it shall be the duty of each authority to which this section applies to exercise its various functions with due regard to the likely effect of the exercise of those function on, and the need to do all that it reasonably can to prevent crime and disorder in its area".

6.1 Human Rights

While all Convention Rights must be considered, those which are of particular relevance to the application are:

- Article 8 – Right to respect for private and family life.
- Article 1 of the First Protocol – Protection of Property
- Article 6(1) – Right to a fair hearing.
- Article 10 – Freedom of Expression

NOTES ON DEMONSTRATING ENTITLEMENT TO WORK IN THE UK

Continued from previous page...

Entitlement to work/immigration status for individual applicants and applications from partnerships which are not limited liability partnerships:

A licence may not be held by an individual or an individual in a partnership who is resident in the UK who:

- does not have the right to live and work in the UK; or
- is subject to a condition preventing him or her from doing work relating to the carrying on of a licensable activity.

Any premises licence issued in respect of an application made on or after 6 April 2017 will become invalid if the holder ceases to be entitled to work in the UK.

Applicants must demonstrate that they have an entitlement to work in the UK and are not subject to a condition preventing them from doing work relating to the carrying on of a licensable activity. They do this in one of two ways: 1) by providing with this application copies or scanned copies of the documents listed below (which do not need to be certified), or 2) by providing their 'share code' to enable the licensing authority to carry out a check using the Home Office online right to work checking service (see below).

Documents which demonstrate entitlement to work in the UK

- A **current** Immigration Status Document issued by the Home Office to the holder with an endorsement indicating that the named person is allowed to stay indefinitely in the UK or has no time limit on their stay in the UK, **when produced in combination with** an official document giving the person's permanent National Insurance number and their name issued by a Government agency or a previous employer.
- A birth or adoption certificate issued in the UK, **when produced in combination with** an official document giving the person's permanent National Insurance number and their name issued by a Government agency or a previous employer.
- A birth or adoption certificate issued in the Channel Islands, the Isle of Man or Ireland **when produced in combination with** an official document giving the person's permanent National Insurance number and their name issued by a Government agency or a previous employer.
- A certificate of registration or naturalisation as a British citizen, **when produced in combination with** an official document giving the person's permanent National Insurance number and their name issued by a Government agency or a previous employer.

Continued from previous page...

- A **current** passport endorsed to show that the holder is allowed to stay in the UK and is currently allowed to work and is not subject to a condition preventing the holder from doing work relating to the carrying on of a licensable activity.
- A **current** Biometric Immigration Document (Biometric Residence Permit) issued by the Home Office to the holder which indicates that the named person can currently stay in the UK and is allowed to work relation to the carrying on of a licensable activity.
- A **current** Residence Card issued by the Home Office to a person who is not a national of a European Economic Area state or Switzerland but who is a family member of such a national or who has derivative rights or residence.
- A **current** Immigration Status Document containing a photograph issued by the Home Office to the holder with an endorsement indicating that the named person may stay in the UK, and is allowed to work and is not subject to a condition preventing the holder from doing work relating to the carrying on of a licensable activity **when produced in combination with** an official document giving the person's permanent National Insurance number and their name issued by a Government agency or a previous employer.
- A Certificate of Application, **less than 6 months old**, issued by the Home Office under regulation 18(3) or 20(2) of the Immigration (European Economic Area) Regulations 2016, to a person who is not a national of a European Economic Area state or Switzerland but who is a family member of such a national or who has derivative rights of residence.
- Reasonable evidence that the person has an outstanding application to vary their permission to be in the UK with the Home Office such as the Home Office acknowledgement letter or proof of postage evidence, or reasonable evidence that the person has an appeal or administrative review pending on an immigration decision, such as an appeal or administrative review reference number.
- Reasonable evidence that a person who is not a national of a European Economic Area state or Switzerland but who is a family member of such a national or who has derivative rights of residence in exercising treaty rights in the UK including:-
 - evidence of the applicant's own identity – such as a passport,
 - evidence of their relationship with the European Economic Area family member – e.g. a marriage certificate, civil partnership certificate or birth certificate, and
 - evidence that the European Economic Area national has a right of permanent residence in the UK or is one of the following if they have been in the UK for more than 3 months:
 - (i) working e.g. employment contract, wage slips, letter from the employer,
 - (ii) self-employed e.g. contracts, invoices, or audited accounts with a bank,
 - (iii) studying e.g. letter from the school, college or university and evidence of sufficient funds; or
 - (iv) self-sufficient e.g. bank statements.

Family members of European Economic Area nationals who are studying or financially independent must also provide evidence that the European Economic Area national and any family members hold comprehensive sickness insurance in the UK. This can include a private medical insurance policy, an EHIC card or an S1, S2 or S3 form.

Original documents must not be sent to licensing authorities. If the document copied is a passport, a copy of the following pages should be provided:-

- (i) any page containing the holder's personal details including nationality;
- (ii) any page containing the holder's photograph;
- (iii) any page containing the holder's signature;
- (iv) any page containing the date of expiry; and
- (v) any page containing information indicating the holder has permission to enter or remain in the UK and is permitted to work.

Continued from previous page...

If the document is not a passport, a copy of the whole document should be provided.

Your right to work will be checked as part of your licensing application and this could involve us checking your immigration status with the Home Office. We may otherwise share information with the Home Office. Your licence application will not be determined until you have complied with this guidance.

Home Office online right to work checking service

As an alternative to providing a copy of the documents listed above, applicants may demonstrate their right to work by allowing the licensing authority to carry out a check with the Home Office online right to work checking service.

To demonstrate their right to work via the Home Office online right to work checking service, applicants should include in this application their 9-digit share code (provided to them upon accessing the service at <https://www.gov.uk/prove-right-to-work>) which, along with the applicant's date of birth (provided within this application), will allow the licensing authority to carry out the check.

In order to establish the applicant's right to work, the check will need to indicate that the applicant is allowed to work in the United Kingdom and is not subject to a condition preventing them from doing work relating to the carrying on of a licensable activity.

An online check will not be possible in all circumstances because not all applicants will have an immigration status that can be checked online. The Home Office online right to work checking service sets out what information and/or documentation applicants will need in order to access the service. Applicants who are unable to obtain a share code from the service should submit copy documents as set out above.

WARNING LETTER

Dear Sir,

LICENSING ACT 2003- NOTIFICATION OF OFFENCE UNDER SECTION 179 /180 OBSTRUCTION OF AUTHORISED OFFICERS & POLICE OFFICERS AT CLASSICS RESTAURANT, 502-508 HIGH ROAD LONDON N17

We are aware that you took deliberate steps on Friday 26th November 2021 to obstruct Police officers and authorised officers from entering the premises. You were previously advised by email that it was an offence to obstruct an authorised officer from entering your premises from establishing if licensable activities were taking place. You had taken steps to obstruct an authorised officer the previous week on 20th November 2021.

You are notified that the Licensing Authority will not permit unlicensed activity to go unchecked in Haringey and neither will it allow for staff to be obstructed in the execution of their duties.

Your wilful and deliberate action to obstruct will be prosecuted against. The Licensing Act makes the following clear:

179 Rights of entry to investigate licensable activities

(1) Where a constable or an authorised person has reason to believe that any premises are being, or are about to be, used for a licensable activity, he may enter the premises with a view to seeing whether the activity is being, or is to be, carried on under and in accordance with an authorisation.

(2) An authorised person or an immigration officer exercising a power conferred by this section must, if so requested, produce evidence of his authority to exercise the power.

(3) A person exercising a power conferred by this section may, if necessary, use reasonable force.

(4) A person commits an offence if he intentionally obstructs an authorised person or an immigration officer exercising a power conferred by this section.

(5) A person guilty of an offence under subsection (4) is liable on summary conviction to a fine not exceeding level 3 on the standard scale.

s180 of the Licensing Act 2003: Enables a constable to enter and search the premises where there is reasonable cause to believe that an offence under the Act has been, is being or is about to be committed. A constable exercising a power conferred by this section may, if necessary, use reasonable force.

All matters will be placed before the Court.

The onus is upon you as the person in control of the business to ensure compliance with the law. Officers will attend the premises this weekend and you are instructed to ensure that there is no obstruction to them gaining entry to carry out their duties.

Please contact me if you wish to discuss the content of this letter 020 8489 8232.

WARNING LETTER

Dear Sir,

**LICENSING ACT 2003 – CLASSICS RESTAURANT, 502-508 HIGH ROAD
LONDON N17**

We have today received information and evidence that you are the owner / manager of the above mentioned address. We are aware that you have knowingly permitted the use of the premises for unauthorised licensable activity in contravention of section 136 of the Licensing Act 2003.

You have permitted the following to take without authorisation:

- The sale or supply of alcohol
- Regulated entertainment
- Late night refreshment - which is the sale of hot food and hot drink after 23:00pm.

Please note that claiming an event is a 'Private function' does not negate the need for a Premises Licence, particularly when alcohol sales is taking place without the required authorisation.

We understand that the Police found an event taking place on the preceding weekend where alcohol was being sold.

The Council will be seeking a prosecution against you for this unauthorised activity under the Licensing Act 2003.

The onus is upon you as the person in control of the business to ensure compliance with the law.

Please contact me if you wish to discuss the content of this letter 020 8489 8232.

Our Ref: Licensing

Date: 08th November 2021**WARNING LETTER**

Dear Sir,

**LICENSING ACT 2003 – CLASSICS RESTAURANT, 502-508 HIGH ROAD
LONDON N17**

We have previously issued you with a written warning on 19th October 2021 regarding the use of the premises named above to offer licensable activity without the correct authorisations from the Licensing Authority.

The Authority received a Temporary Events Notice for an event on the weekend on 30th October 2021. The TENs was refused by the Metropolitan Police for the following reasons:

"It has recently been brought to our attention that the venue held an event on Saturday 16th October, which appeared to still be taking place at 0800 hours on Sunday 17th October 2021.

Officers had reason to attend the location for an unrelated matter, however on doing so were met with loud music being played through an amplifier, and so due to the unknown risk had to request for a further police unit to join them.

On entering the premises officers' state there were around thirty (30) people inside, sat at table and drinking. A male by the name of Alin Mandache, who also smelt strongly of alcohol, spoke with Police and stated he was "in charge" and that there had been a wedding the previous night, of which no license was needed and people were there to clean up.

The bar area was clearly seen to be open and there were receipts for drinks on the bar and tables with price lists. There were also seen to be ashtrays on each table and a cigarette bin in the foyer area was overflowing with cigarettes.

Due to this I do not believe the premises is showing they are capable of following and upholding the licensing objectives and with signs of smoking taking place inside the venue and loud music being played, it proves the Licensing objective of Public Safety and Prevention of Public Nuisance have not been upheld"

Council Enforcement Officers attended the venue on 6th November 2021 an event was taking place.

Staff onsite attempted to show officers that a TENS had been applied for this particular event which was misleading and knowingly incorrect.

It is clear that the premises is being used to host events and offer licensable activity. It is also clear that you are aware of the need for the correct permissions and authorisations to be in place for these activities but are prepared to take the chance to operate outside of the law as it relates to this matter.

It is also clear that you have permitted smoking to take place onsite at the venue in breach of the Health Act 2006. This was witnessed by the Police in October and again by officers in attendance on 6th November 2021.

We are aware that you have knowingly permitted the use of the premises for unauthorised licensable activity in contravention of section 136 of the Licensing Act 2003.

You have permitted the following to take place without authorisation:

- The sale or supply of alcohol
- Regulated entertainment
- Late night refreshment - which is the sale of hot food and hot drink after 23:00pm.

Please note that claiming an event is a 'Private function' does not negate the need for a Premises Licence, particularly when alcohol sales is taking place without the required authorisation.

The Council will be seeking a prosecution against you for this unauthorised activity under the Licensing Act 2003 and the Health Act 2006.

The onus is upon you as the person in control of the business to ensure compliance with the law.

Please contact me if you wish to discuss the content of this letter 020 8489 8232.

Yours sincerely

Good evening

It's come to my attention that there has been objections to the companie's premises licence application from the police and licensing authorities because of the unacceptable actions of the proposed DPS Alin Mandache, I decided to remove him from having any involvement with the company and the running of the business.

I would like to replace Alin as the DPS with Fanica Mosescu, licence number: Z01N0477HA/1, Waltham Forest Council.

I would like to apologise for the problems that my proposed DPS has caused in the past.

Thanks.

REPRESENTATION LETTER

Dear Sir/Madam,

LICENSING ACT 2003 – Application for a New Premises Licence – CLASIC RESTAURANT- 502-508 HIGH ROAD, London N17

The Licensing Authority are making representation against this application submitted by Mr Alin Mandachi.

Mr Mandachi has shown in the past few weeks that he does not understand the licensing laws or have regard for upholding the law at any given opportunity. There is a degree of trust that is required from a licence holder to ensure that they will undertake to promote the licensing objectives and manage a licensed venue with a sense of understanding and responsibility. Mr Mandachi has knowingly breached the Licensing Act 2003 and also The Health Act 2006.

The applicant has on a number of occasion provided licensable activity without any authorisations in place. Mr Mandachi has been warned on a number of occasions to not permit unauthorised activity, he has ignored all warnings and operated regardless. Mr Manadchi has no problem with non compliance and in this regard has shown that he cannot be trusted to be a responsible licence holder.

Timeline of events:

Met Police carried out visit on 17th October 2021- they witnessed alcohol on sale and regulated entertainment being provided. Evidence of alcohol sales was gathered, Body worn camera also captured images of patrons smoking inside the premises.

The Police Licensing Team referred the matter to the Licensing Authority for further investigation.

October 20th 2021 – warning letter issued to Mr Mandachi – attached at NS1 & NS1A.

October 21st 2021- A TENs was submitted for a proposed event on 30th October 2021- The TENs was refused due to the Police not having confidence in the management of the venue to uphold the licensing objectives. We understand that the event was still held at the venue.

On Saturday 6th November 2021, officers carried out licensing visits, at 20:25, they attended Clasic Restaurant, 502 – 508 High Road, Tottenham, N17 9JF. At the entrance of the premises, they observed two male SIA security Officers standing in front of the main entrance. As they walked up the stairs towards the reception area, they could smell smoke coming from inside the premises. The reception area was filled with smoke and group of men were observed smoking cigarettes in the reception area, located around the reception were several bins with ashtrays on top.

Officers counted that there were over 250 places set out and approximately 30 people in the room sitting at tables..

Two people working at the premises had a checklist, and were seen to be ticking customer's names off the checklist, they handed a wrist band and allowed them to go into the event. Mr Mandachi claimed that there was TENs in place for this event, but that was not the case, no TENs had been applied for.

On 8th November a further TENs was submitted for a proposed event on 13th - 14th November 2021. This was refused due to concerns of the licensing being undermined.

Friday 12th November an application for a Premises licence was submitted for the premises. The initial application did not request regulated entertainment. The Authority queried this with the agent and provided information from the venues own website which showed that the premises was offering alcohol for sale as well as provided regulated entertainment – NS2.

Friday 19th November 2021, at approximately 19:50hrs, officers attended Clasic Restaurant, as part of late-night licensing visits across the borough. Before entering the premises loud music could be heard from Tottenham High Road, which is approximately 15 metres away.

A live band was performing in the middle of the floor, there were three people performing in the band and all had instruments, being played, one of the band members was singing. Over 50 people sitting inside and tables laid out for over 200 people.

On Saturday 20th November 2021, Enforcement officers were tasked to visit Clasic Restaurant, as an application for a Temporary Event Notice for that evening had been refused. Mr Mandachi obstructed the officer and refused him right of entry to the premise which is a breach of section 179 of the Licensing Act 2003.

A further TENs was submitted by Mr Mandachi agent for 27th-29th November 2021 which was refused due to concerns of non-compliance with the licensing objectives..

Mr Mandachi requested the right to appeal the refusal of this TENs to the LSC.

A subsequent LATE TENS was submitted by a Mr Vishan for 27th November, this late TENs was refused.

The hearing for the TENs submitted on Mr Mandachi was arranged for 26th November but we were informed by the agent on 25th November to withdraw the request for a hearing. He advised that the applicant had hired out the venue to a third party who was responsible for the late TEN that had been submitted for the proposed event on the 27th. The agent advised his client no longer wished to run an event from the premises on the 27th.

On Saturday 27th November 2021 authorised officers of the Council and Met Police Officers attended the venue but Mr Mandachi had employed a number of SIA guards at the front of the venue to deny access to the premises to the officers. This is a clear breach of Section 179/180 Licensing Act 2003. A further warning was issued to Mr Mandachi regarding his direct steps to obstruct officers. NS3

Further events took place throughout the festive season and into the new year.

The premises has continued to operate without authorisation in 2022 also.

At one particular event on 14th Feb 2022 Police were flagged down by a man in the High Road with facial injuries. The person in question had been at an event taking place at Clasic Restaurant. There are two redacted Police statements relating to this matter at appendix NS 4 and NS 5.

As a result of this serious incident Haringey sent a warning letter to the traders and landlord of the property advising of the intention to apply for a Closure order if the next advertised event for 19th Feb 2022 was to take place at the premises. The letter is attached at NS 6. The event planned for the 19th Feb was moved to another venue.

There are certainly more fliers for events being advertised by Clasis Restaurant and providing the venue address or 502-508 High Road London N17. NS7

The Licensing Authority RA has no confidence in Mr Mandachi and doubt that he has any intention to comply with conditions placed on any licence. The existing breaches are subject to prosecution procedure. Mr Mandachi felt it was his right to tell officers to prosecute him when he took action to obstruct officers from entering the premises. Mr Mandachi has shown again from the officers statements in February that he will actively take steps to obstruct and block entry from any enforcement, be it the Met Police or local authority.

Mr Mandchi and his part Ms Congolut have shown poor judgement in his management of the venue and his willingness to disregard the law and obstruct officers.

The application should be refused as the applicant does not understand the gravity of the responsibility that would be placed on them and the trust that the Licensing Authority would need to have in their ability to comply with the law.

The LA objection speaks to Mr Mandachis' inability to promote the licensing objectives of the prevention of crime and disorder, public safety and public nuisance. He has shown no regard to the fact that he requires a Premises licence in order to offer licensable activity at the venue, he is content to continue operating with no regard to the law.

Yours sincerely
Licensing Authority RA

Dear Sir,

**LICENSING ACT 2003 – CLASSICS RESTAURANT, 502-508 HIGH ROAD
LONDON N17**

We have today received information and evidence that you are the owner / manager of the above mentioned address. We are aware that you have knowingly permitted the use of the premises for unauthorised licensable activity in contravention of section 136 of the Licensing Act 2003.

You have permitted the following to take without authorisation:

- The sale or supply of alcohol
- Regulated entertainment
- Late night refreshment - which is the sale of hot food and hot drink after 23:00pm.

Please note that claiming an event is a 'Private function' does not negate the need for a Premises Licence, particularly when alcohol sales is taking place without the required authorisation.

We understand that the Police found an event taking place on the preceding weekend where alcohol was being sold.

The Council will be seeking a prosecution against you for this unauthorised activity under the Licensing Act 2003.

The onus is upon you as the person in control of the business to ensure compliance with the law.

Dear Sir,

**LICENSING ACT 2003 – CLASSICS RESTAURANT, 502-508 HIGH ROAD
LONDON N17**

We have previously issued you with a written warning on 19th October 2021 regarding the use of the premises named above to offer licensable activity without the correct authorisations from the Licensing Authority.

The Authority received a Temporary Events Notice for an event on the weekend on 30th October 2021. The TENs was refused by the Metropolitan Police for the following reasons:

"It has recently been brought to our attention that the venue held an event on Saturday 16th October, which appeared to still be taking place at 0800 hours on Sunday 17th October 2021.

Officers had reason to attend the location for an unrelated matter, however on doing so were met with loud music being played through an amplifier, and so due to the unknown risk had to request for a further police unit to join them.

On entering the premises officers' state there were around thirty (30) people inside, sat at table and drinking. A male by the name of Alin Mandache, who also smelt strongly of alcohol, spoke with Police and stated he was "in charge" and that there had been a wedding the previous night, of which no license was needed and people were there to clean up.

The bar area was clearly seen to be open and there were receipts for drinks on the bar and tables with price lists. There were also seen to be ashtrays on each table and a cigarette bin in the foyer area was overflowing with cigarettes.

Due to this I do not believe the premises is showing they are capable of following and upholding the licensing objectives and with signs of smoking taking place inside the venue and loud music being played, it proves the Licensing objective of Public Safety and Prevention of Public Nuisance have not been upheld"

Council Enforcement Officers attended the venue on 6th November 2021 an event was taking place.

Staff onsite attempted to show officers that a TENS had been applied for this particular event which was misleading and knowingly incorrect.

It is clear that the premises is being used to host events and offer licensable activity. It is also clear that you are aware of the need for the correct permissions and authorisations to be in place for these activities but are prepared to take the chance to operate outside of the law as it relates to this matter.

It is also clear that you have permitted smoking to take place onsite at the venue in breach of the Health Act 2006. This was witnessed by the Police in October and again by officers in attendance on 6th November 2021.

We are aware that you have knowingly permitted the use of the premises for unauthorised licensable activity in contravention of section 136 of the Licensing Act 2003.

You have permitted the following to take place without authorisation:

- The sale or supply of alcohol
- Regulated entertainment
- Late night refreshment - which is the sale of hot food and hot drink after 23:00pm.

Please note that claiming an event is a 'Private function' does not negate the need for a Premises Licence, particularly when alcohol sales is taking place without the required authorisation.

The Council will be seeking a prosecution against you for this unauthorised activity under the Licensing Act 2003 and the Health Act 2006.

The onus is upon you as the person in control of the business to ensure compliance with the law.

LICENSING ACT 2003- NOTIFICATION OF OFFENCE UNDER SECTION 179 /180 OBSTRUCTION OF AUTHORISED OFFICERS & POLICE OFFICERS AT CLASSICS RESTAURANT, 502-508 HIGH ROAD LONDON N17

We are aware that you took deliberate steps on Friday 26th November 2021 to obstruct Police officers and authorised officers from entering the premises. You were previously advised by email that it was an offence to obstruct an authorised officer from entering your premises from establishing if licensable activities were taking place. You had taken steps to obstruct an authorised officer the previous week on 20th November 2021.

You are notified that the Licensing Authority will not permit unlicensed activity to go unchecked in Haringey and neither will it allow for staff to be obstructed in the execution of their duties.

Your wilful and deliberate action to obstruct will be prosecuted against. The Licensing Act makes the following clear:

I did not view my body worn before writing this statement.

On MONDAY 14 FEBRUARY 2022, I was posted to NA89N with PC RAMSHAW 1335NA on a night shift, commencing my shift at 21:00hrs. PC RAMSHAW received a briefing from MA'AM BULLAMORE NA2L indicating there may be a possible Unlicensed Music Event (UME) on 502-508 TOTTENHAM HIGH ROAD N17 CAD 6825/14FEB22 refers. PC RAMSHAW then briefed me, and we made our way to the location arriving at approximately 21:30 hrs.

Upon arrival, we were greeted by the security guard for the venue, whom was stood outside the gates between 502-508 TOTTENHAM HIGH ROAD N17. I spoke to the security guard who stated the venue manager was inside the premises. I requested for him to call the manager (Mr Andrei VISAN) so that we could understand what was happening and hear his account.

As the manager was being called, two neighbourhoods' officers also attended the scene, PC STONE 1820NA an PC BAJRAMI 1184NA. According to the officers, they had initially attended during the late turn shift as the Inspector for the Operations Room (NA400L) indicated that there were reports of a potential large gathering at the venue. Officers initially attended and reported that this was a Valentine's Day Dinner event with an expected turnout of approximately two hundred (200) prepaid guests. According to officers, on prior attendance, Mr VISAN was initially being obstructive and did not allow officers to enter as NA400L requested for officers to look inside the venue to gather evidence however, they were denied access.

Mr VISAN attended and presented a contract to officers indicating that this is what he had applied to the council with in order to get permission to use the event. I noted the application was signed by Mr VISAN on 07/02/2022 however, it was not signed by the council. I then believed that the event was a UME and informed Mr VISAN that the event would have to close down and everyone inside would have to leave. Mr VISAN was becoming verbally agitated. I then explained that because the contract Mr VISAN possessed was not signed for by the council. The neighbourhoods' officers then told Mr VISAN that we would need to enter the venue.

I then entered the venue along with PC STONE 1820NA and PC BAJRAMI 1184NA and noted that there were approximately one hundred (100) people inside the venue, live music playing with a stage and speakers, and a small bar which was actively selling alcohol towards the back left corner of the venue.

I then left the venue along with my colleagues.

I exhibit my body worn as SEG/01 – 502-508 TOTTENHAM HIGH ROAD N17 – which depicts all interactions and the venue

On Monday 14th February 2022 I was in full uniform. I was posted as NA89N I was the driver and my operator was PC Gonen.

We attended CAD 6825/14FEB22. The CAD stated that there was an unlicensed music event that was due to take place at the venue 502-508 HIGH ROAD,N17. We were tasked to advise them to shut it down and to view inside the venue and report back to NA400.

We arrived on scene at approximately 2107hrs. On arrival there was a security guard at the gated entrance to the venue. I asked to speak to the organiser so he transmitted on his radio for him to attend to the gate.

As we were there waiting two SNT Officers arrived PC 1820NA stated to me that they had been earlier in the evening and spoke to the manager. The manager had shown them a TEN document and that he had applied for licencing. The manager came down and we asked to view the document again so he went to get it he was being argumentative about why we were there. The manager stated he was sick of us turning up we are the third unit to attend today and now it is the time that people are arriving. The manager stated that he was told he could go ahead with his event earlier so why do we keep turning up and making him look like a criminal. We explained why we were there to him to which he understood.

I looked at the Temporary licence document that he had filled in, it appeared to be an application that he had filled in 10 days ago it hadn't been counter signed by the council. The 10 days were including the day of the event so it was explained that the licence is invalid for this reason.

The manager stated that it is also valid if it is 5 days before the event. He also stated that the council never got back to him and told him that his event cannot take place so he understood it that if there are no objections the event is good to go ahead.

Two SNT officers and my colleague PC Gonen went up to the venue to view how it was being run whilst I was on a call relaying information back to NA2.

As I finished the call and started to make my way up the venue steps, my colleagues were walking out towards me. They stated that the event at that time was small there was approximately 40 people sitting at tables. The music wasn't excessively loud.

The manager told the officers that he is not closing down the Valentines event because people had paid for their tickets. He said they can fine me I don't care! Officers gave him words of advice to the manager and it was advised that we could indeed shut down his event if we were required to.

On Tuesday 15th February 2022 I was flagged down by the victim of an assault on The High Road N17 in relation to CAD 238/15.

I was the supervisor in attendance in the company of the ND Inspector- A/Insp Scott.

The victim flagged me down on Tottenham High Road, a short distance from CLASIC RESTRAUNT 502- 508 HIGH ROAD N17 9JF- his injury was severe with his cheek hanging off and exposing the underlying structures. Enquiries were made at the venue, initially door staff were obstructive and would not grant access, but after a stern warning they reluctantly allowed us in. They claimed that their CCTV system was not installed/ functioning and denied that there had been any altercation. It was noted that the victim had been using a distinctive red napkin to dress his wound, which was identical to those used on the dining tables inside the venue.

I was aware of an earlier CAD in relation to an unlicensed event that was dealt with by SNT.

I spoke to a male claiming to be the venue manager

He was initially not very helpful and denied that the incident took place, and it was he who explained that there was no operational CCTV. I spoke to one of the security staff who was very evasive, but once I had taken the details from his SIS ID he disclosed that he had been on the door when a male with a facial injury had exited the venue, suggesting that the assault had occurred inside. Upon check the male toilets I noted that the floor had been freshly mopped.

The security officer stated that he was not the supervisor and had not been responsible for checking that the CCTV and fire escapes prior to the event. At no point did any supervisor make himself known to any officer present.

Hello Stewart,

I have just seen the application submitted and have some queries.

Your client hires out the venue for events and it is advertised as such, I note that live and recorded music is not being applied for, is that correct?

Are they saying that the venue will just have alcohol sales and food on offer, no regulated entertainment (or at least none beyond 23:00)

This seems to be out of step with the matters found onsite by Police and LA officers who have visited the premises to investigation non compliance.

The venues website offers the following information and guidance to hirers on capacity figures and the availability of alcohol as well Bands available to play at events and corresponding prices:

The Classic Romanian Restaurant – located in Tottenham Bruce Grove Station was opened in the desire to remind the Romanians to spend Romanians even if they are far from home

The Classic Restaurant is located on two halls of 100 seats, respectively 450 seats.

The 100-seat room is open daily a la carte, where we are waiting for you to enjoy our traditional Romanian and international dishes during a dinner for two or in the family, as well as during the parties organized by us.

Representations to reject New Premises License Application at Clasic Restaurant, 502-508 High Road, Tottenham, London, N17 9JF.

Dear Licensing Team,

On behalf of the Commissioner of the Metropolis, I wish to make a representation to reject the application of a New Premises License at Clasic Restaurant, 502 – 508 High Road, Tottenham, N17 9JF. This application is submitted on behalf of a Miss Cornelia Cotlogut, which will also show Miss Cotlogut as Designated Premises Supervisor.

The objection notice is submitted under the following licensing objectives;

1. Prevention of Crime & Disorder
2. Prevent Public Nuisance
3. Public Safety

The application for a new premises license is not supported by Police whom also wish to submit a representation to reflect this.

The application is made with regards to a large first floor venue, which trades as a wedding banquet hall and is located off of Tottenham High Road, N17 in the borough of Haringey. The premises is seeking the sale of alcohol by retail, late night refreshment and regulated entertainment by way of live and recorded music.

There have been a number of incidents at the premises whereby the licensing objectives have not been upheld and unauthorised licensable activity has taken place, all of which I believe the applicant to have been aware of.

On Sunday 17th October 2021 at 0800 hours, officers had reason to attend the premises for an unrelated matter and found that a party was still ongoing at the premises. The party appeared to still be taking place from the previous night and amplified music was being played loudly from the premises, causing officers in attendance to request further units to attend to assist due to the unknown risk inside. When officers entered the premises they witnessed alcohol present on tables and being sold from the bar. It was also evident that patrons had been smoking inside the premises. Officers spoke with a Mr Mandache on this

occasion who stated he did not need a license for these activities and that those in attendance were simply there to clean, this however was not the case as witnessed by officers.

On Saturday 6th November 2021 officers from Haringey Local Authority attended the premises and again it was apparent that another event was underway with around 250 people in attendance. Again alcohol was being sold and consumed by those present and smoking was taking place inside the venue. When a Mr Mandache was again spoken to on this occasion he attempted to mislead officers by stating that he had a Temporary Event Notice (TEN) in place, this was untrue.

Following this event, Mr Mandache was spoken to by Haringey Local Authority and whilst doing so appeared to again try to mislead officers by providing them with false details in relation to the spelling of his name and the correct postcode of his address.

On Friday 26th November 2021 Local Authority and Police Officers attended the premises, however were obstructed by security staff at the door from entering the premises.

On Tuesday 18th January 2022 police received a complaint stating that a party had taken place at the premises which had caused disruption on the High Road. This resulted in glass bottles being smashed, public intoxication and loud shouting caused by those coming from the premises.

On Monday 14th January 2022 police officers from safer neighbourhoods attended the premises as they believed a Valentine's Day Event was to take place at the venue. On arrival it was apparent that an event was due to take place, however a Mr Alin Mandache stated to officers that he had a Temporary Event Notice (TEN) in place and produced paperwork. This was not the correct paperwork stating a TEN had been acknowledged and issued. Mr Mandache was warned that the event should not go ahead as it would not be licensed, however it did.

On the evening of this event an incident took place whereby a member of public who had been inside the premises sustained serious GBH injuries. When officers initially attended the premises to carry out enquiries, they were again obstructed by security staff and again by staff inside. It was also apparent that the floors inside the venue had been recently mopped in an attempt to hide any evidence of disorder.

On Monday 28th February police had reason to attend due to a large scale fight taking place at the premises apparently involving knives. On arrival there was a wedding taking place, however no one wished to substantiate any allegations.

On Friday 4th March a wedding was held at the premises, along with regulated entertainment by way of a live singer and music. Mr Mandache was notified of the alleged breaches

The Premises License Holder and Designated Premises Supervisor hold great responsibility, of which had been undermined by unauthorised licensable activity taking place on a number of separate occasions at the premises. This directly undermines the licensing objective of the prevention of crime and disorder, prevention of public nuisance due to the loud amplified music and public safety due to ongoing disturbances spilling out onto the high road.

I do not deem it appropriate for a premises license to be issued to Miss Cotlogut. Miss Cotlogut is shown as the Director of the company and as such it seems there has been no direction about compliance with the law from the head of the company. I believe Miss Cotlogut has been very much aware of Mr Mandache, his actions at the premises and his constant disregard for the licensing objectives, however it appears no action was taken by Miss Cotlogut to have him removed and/or stopped from continuing. I also note that the email address given in Miss Cotloguts application is that of Mr Mandaches, which gives me reason to believe that Mr Mandache will still have involvement in the premises and how it is run. It is in my opinion that the licensing objectives will not be upheld and should a premises license

be issued there will continue to be disorder and disruption caused by this venue. Due to this police reject this application.

I reserve the right to provide further information to support this representation.

Regards,

PC Kayleigh Mitcham 1230NA
North Area Licensing Officer
