In considering the representations received and what is appropriate for the promotion of the licensing objectives, the steps the Sub-Committee can take are:

- Grant the application as requested
- Grant the application whilst imposing additional conditions and/or altering in any way the proposed operating schedule.
- Exclude any licensable activities to which the application relates
- Reject the whole or part of the application

Members of the licensing sub committee are asked to note that they may not modify the conditions or reject the whole or part of the application merely because it considers it desirable to do so. It must be appropriate in order to promote the licensing objectives.

## 2 Background

- 2.1 The premises is situated along the parade of commercial business in the High Road Tottenham N17 with residential above and to the rear of it. The premises has operated as a restaurant in the past and held a licence to allow alcohol and regulated entertainment previously but that licence has lapsed due to the company becoming dissolved. The premises was hired out for late night parties which led to noise nuisance and impacted nearby residents.
- 2.2 The premises has not been occupied for a period of time., since the late night 'lock-ins' were stopped. The new owner is seeking to operate a late night venue and also add a shisha lounge area to the rear of the venue where he intends to provide licensable activity also. No specific plans or Planning permission is in place for the proposed shisha lounge to the rear.
- 2.3 The applicant has been advised of the need for Planning permission.

## 3 Licensing Policy

- 3.1 The committee will also wish to be aware of the guidance issued under section 182 of the Licensing Act 2003. Licensing is about regulating the provision of licensable activities on licensed premises, by qualifying clubs and at temporary events within the terms of the Licensing Act 2003. The terms and conditions attached to various permissions are focused on matters which are within the control of individual licensees and others granted relevant permissions. Accordingly, these matters will centre on the premises and places being used for licensable activities and the vicinity of those premises and places.
- 3.2 The objective of the licensing process is to allow for the carrying on of retail sales of alcohol and the prevention of public nuisance, prevention of crime and disorder, public safety and protection of children from harm. It is the Licensing Authority's wish to facilitate well run and managed premises with licence holders displaying sensitivity to the impact of the premises on local residents.
- 3.3 In considering licence applications, where relevant representations are made, this Licensing Authority will consider the adequacy of measures proposed to deal with the potential for public nuisance and/or public disorder having regard to all the circumstances of the case.
- 3.4 Where relevant representations are made, this authority will demand stricter conditions with regard to noise control in areas that have denser residential accommodation, but this will not limit opening hours without regard for the individual merits of any application. This authority will consider each application and work with the parties concerned to ensure that adequate noise control measures are in place. Any action taken to promote the licensing objectives will be

appropriate and proportionate.

- 3.5 This Licensing Authority in determining what action to take will seek to establish the cause of concern and any action taken will be directed at these causes. Any action taken to promote the licensing objectives will be appropriate and proportionate.
- 3.6 Where relevant representations are made, this authority will demand stricter conditions with regard to noise control in areas that have denser residential accommodation, but this will not limit opening hours without regard for the individual merits of any application. This authority will consider each application and work with the parties concerned to ensure that adequate noise control measures are in place
- 3.7 Also The Licensing Authority may not impose conditions unless its discretion has been exercised following receipt of relevant representations and it is satisfied as a result of the hearing that it is appropriate to impose conditions to promote one or more of the four licensing objectives. Therefore conditions may not be imposed for the purpose other than promoting the licensing objectives and in some cases no additional conditions will be required.
- 3.8 In cases Members should make their decisions on the civil burden of proof, that is the balance of probability.
- 3.9 Members should consider in all cases whether or not primary legislation is the appropriate method of regulation and should only consider licence conditions when the circumstances in their view are not already adequately covered elsewhere.
- 3.10 The Government has advised that conditions must be tailored to the individual type, location and characteristics of the premises and events concerned. Conditions cannot seek to manage the behaviour of customers once they are beyond the direct management of the licence holder and their staff.  
The Councils Licensing policy generally expects applicants to address the licensing objectives and discuss how to do this with the relevant responsible authorities.

## 4 Licensing hours

- 4.2 Where relevant representations are made, the Council will consider the proposed hours on their individual merits. Notwithstanding this, the Council may require stricter conditions in areas that have denser residential accommodation to prevent public nuisance. The Council will endeavour to work with all parties concerned in such instances to ensure that adequate conditions are in place. The Council may restrict the hours that certain premises can offer alcohol for sale for consumption off the premises for preventing crime, disorder and nuisance.

## 5 Powers of a Licensing Authority

- 5.1 The decision should be made with regard to the Secretary of the State's guidance and the Council's Statement of Licensing Policy under the Licensing Act 2003. Where the decision departs from either the Guidance or the Policy clear and cogent reasons must be given. Members should be aware that if such a departure is made the risk of appeal / challenge is increased.
- 5.2 The licensing authority's determination of this application is subject to a 21 day appeal period or if the decision is appealed the date of the appeal is determined and /or

disposed of.

## **6. Other considerations**

**Section 17 of the Crime and Disorder Act 1998** states:

“Without prejudice to any other obligation imposed on it, it shall be the duty of each authority to which this section applies to exercise its various functions with due regard to the likely effect of the exercise of those function on, and the need to do all that it reasonably can to prevent crime and disorder in its area”.

### **6.1 Human Rights**

While all Convention Rights must be considered, those which are of particular relevance to the application are:

- Article 8 – Right to respect for private and family life.
- Article 1 of the First Protocol – Protection of Property
- Article 6(1) – Right to a fair hearing.

- (k) any other act or omission except an express written release by deed of the Guarantor by the Landlord.

**2.3** Any sum payable by the Guarantor must be paid without any set-off or counterclaim, deduction or withholding (other than any deduction or withholding of tax as required by law) against the Landlord or the Tenant.

### **3 Variations and supplemental documents**

**3.1** The Guarantor must, at the request of the Landlord, join in and give its consent to the terms of any consent, approval, variation or other document that may be entered into by the Tenant in connection with this Lease (or the AGA).

**3.2** The Guarantor shall not be released by any variation of the rents reserved by, or the tenant covenants in, this Lease (or the Tenant's obligations under the AGA) whether or not:

- (a) the variation is material or prejudicial to the Guarantor;
- (b) the variation is made in any document; or
- (c) the Guarantor has consented, in writing or otherwise, to the variation.

**3.3** The liability of the Guarantor shall apply to the rents reserved by and the tenant covenants in this Lease (and the Tenant's obligations under the AGA) as varied except to the extent that the liability of the Guarantor is affected by section 18 of the LTCA 1995.

### **4 Guarantor to take a new lease or make payment**

**4.1** If this Lease is forfeited or the liability of the Tenant under this Lease is disclaimed and the Landlord gives the Guarantor notice not later than six months after the forfeiture or the Landlord having received notice of the disclaimer, the Guarantor must enter into a new lease of the Property on the terms set out in paragraph 4.2 of this Schedule.

**4.2** The rights and obligations under the new lease shall take effect beginning on the date of the forfeiture or disclaimer and the new lease shall:

- (b) be for a term that expires on the same date as the end of the Contractual Term of this Lease had there been no forfeiture or disclaimer;
- (c) reserve as an initial annual rent an amount equal to the Annual Rent payable under this Lease at the date of the forfeiture or disclaimer or which would be payable but for any abatement or suspension of the Annual Rent or restriction on the right to collect it (subject to paragraph 5 of this Schedule) and which is subject to review on the same terms and dates provided by this Lease;

**4.3** The Guarantor must pay the Landlord's solicitors' costs and disbursements (on a full indemnity basis) and any VAT in respect of them in relation to the new lease and must execute and deliver to the Landlord a counterpart of the new lease within one month of service of the Landlord's notice.

**4.4** The grant of a new lease and its acceptance by the Guarantor shall be without prejudice to any other rights that the Landlord may have against the Guarantor or against any other person or in respect of any other security that the Landlord may have in connection with this Lease.

**4.5** The Landlord may, instead of giving the Guarantor notice pursuant to paragraph 4.1 of this Schedule but in the same circumstances and within the same time limit, require the Guarantor to pay an amount equal to twelve months' Annual Rent and the Guarantor must pay that amount on demand.

## **5 Rent at the date of forfeiture or disclaimer**

**5.1** If at the date of the forfeiture or disclaimer there is a rent review pending under this Lease, then the initial annual rent to be reserved by the new lease shall be subject to review on the date on which the term of the new lease commences on the same terms as those that apply to a review of the Annual Rent under this Lease, such review date to be included in the new lease.

**5.2** If paragraph 5.1 of this Schedule applies, then the review for which it provides shall be in addition to any rent reviews that are required under paragraph 4.2(c) of this Schedule.

## **6 Payments in gross and restrictions on the Guarantor**

**6.1** Any payment or dividend that the Landlord receives from the Tenant (or its estate) or any other person in connection with any insolvency proceedings or arrangement involving the Tenant shall be taken and applied as a payment in gross and shall not prejudice the right of the Landlord to recover from the Guarantor to the full extent of the obligations that are the subject of this guarantee and indemnity.

**6.2** The Guarantor must not claim in competition with the Landlord in any insolvency proceedings or arrangement of the Tenant in respect of any payment made by the Guarantor pursuant to this guarantee and indemnity. If it otherwise receives any money in

such proceedings or arrangement, it must hold that money on trust for the Landlord to the extent of its liability to the Landlord.

- 6.3** The Guarantor must not, without the consent of the Landlord, exercise any right or remedy that it may have (whether against the Tenant or any other person) in respect of any amount paid or other obligation performed by the Guarantor under this guarantee and indemnity unless and until all the obligations of the Guarantor under this guarantee and indemnity have been fully performed.

**7 Other securities**

- 7.1** The Guarantor warrants that it has not taken and covenants that it shall not take any security from or over the assets of the Tenant in respect of any liability of the Tenant to the Guarantor. If it does take or hold any such security it shall hold it for the benefit of the Landlord.
- 7.2** This guarantee and indemnity is in addition to and independent of any other security that the Landlord may from time to time hold from the Guarantor or the Tenant or any other person in respect of the liability of the Tenant to pay the Rents and to observe and perform the tenant covenants of this Lease. It shall not merge in or be affected by any other security.
- 7.3** The Guarantor shall not be entitled to claim or participate in any other security held by the Landlord in respect of the liability of the Tenant to pay the Rents or to observe and perform the tenant covenants of this Lease.

**Subject:** 783 HIGH ROAD TOTTENHAM N17 LA REP

Dear Sirs,

Thank you for your email and the attachment explaining the Licencing Teams proposals.

Please find responses to the following queries addressed below in red:

1. It is also unclear if the rear garden is solely for the use of the shop unit or it has a communal use also by the residents. Evidence of the lease plan as been requested from the applicant. **Please find attached a title plan, copy of the lease, floor plans and 3D renders/mock-ups of the garden areas. The garden area is for my sole use and is attached to the commercial unit, the tenants above do not have access or permitted use of the said garden.**
2. The Licensing Authority wish to propose the following conditions and amendments. **The following amendments proposed are rejected, the hours submitted on the application are the hours the business wishes to operate. The premises main purpose is to cater for parties of all occasions which may occur during these hours and the said clients usually would like to stay late. I would be able to compromise on the timing of the shisha lounge and I propose to change the timings to 12pm – 1am Monday – Sunday. Kindly confirm if this is acceptable?**
3. No Live music to be played in the proposed shisha area at any time. **Agreed**
4. No recorded music to be played in the proposed shisha area at any time. **This does not include low level background music. Low music recorded music will be played during the hours of the shisha being operated.**
5. The designated smoking area shall be monitored by door supervisors throughout its use to control the number and behaviour of patrons so as to not cause noise nuisance. **Agreed**
6. The above hours reflect the fact that there are residential properties and seek to address the potential for noise nuisance from music or people noise that could impact on residents. **Consent letters in relation to the noise and operational hours will be obtained from the residents who live above the premises and emailed to the Licencing team at least by next week.**
7. THE REFERENCE TO CONDITIONS FOR A SHISHA ARE A DOES NOT OVERRIDE THE REQUIREMENT FOR PLANNING PERMISSION TO BE APPLIED FOR AND GRANTED FOR THIS TYPE OF OPERATION. **Assistance to apply for the said planning permission is being currently sought out from the relevant professionals and proof of planning permission application is to follow at a later date.**
8. Proposed conditions:

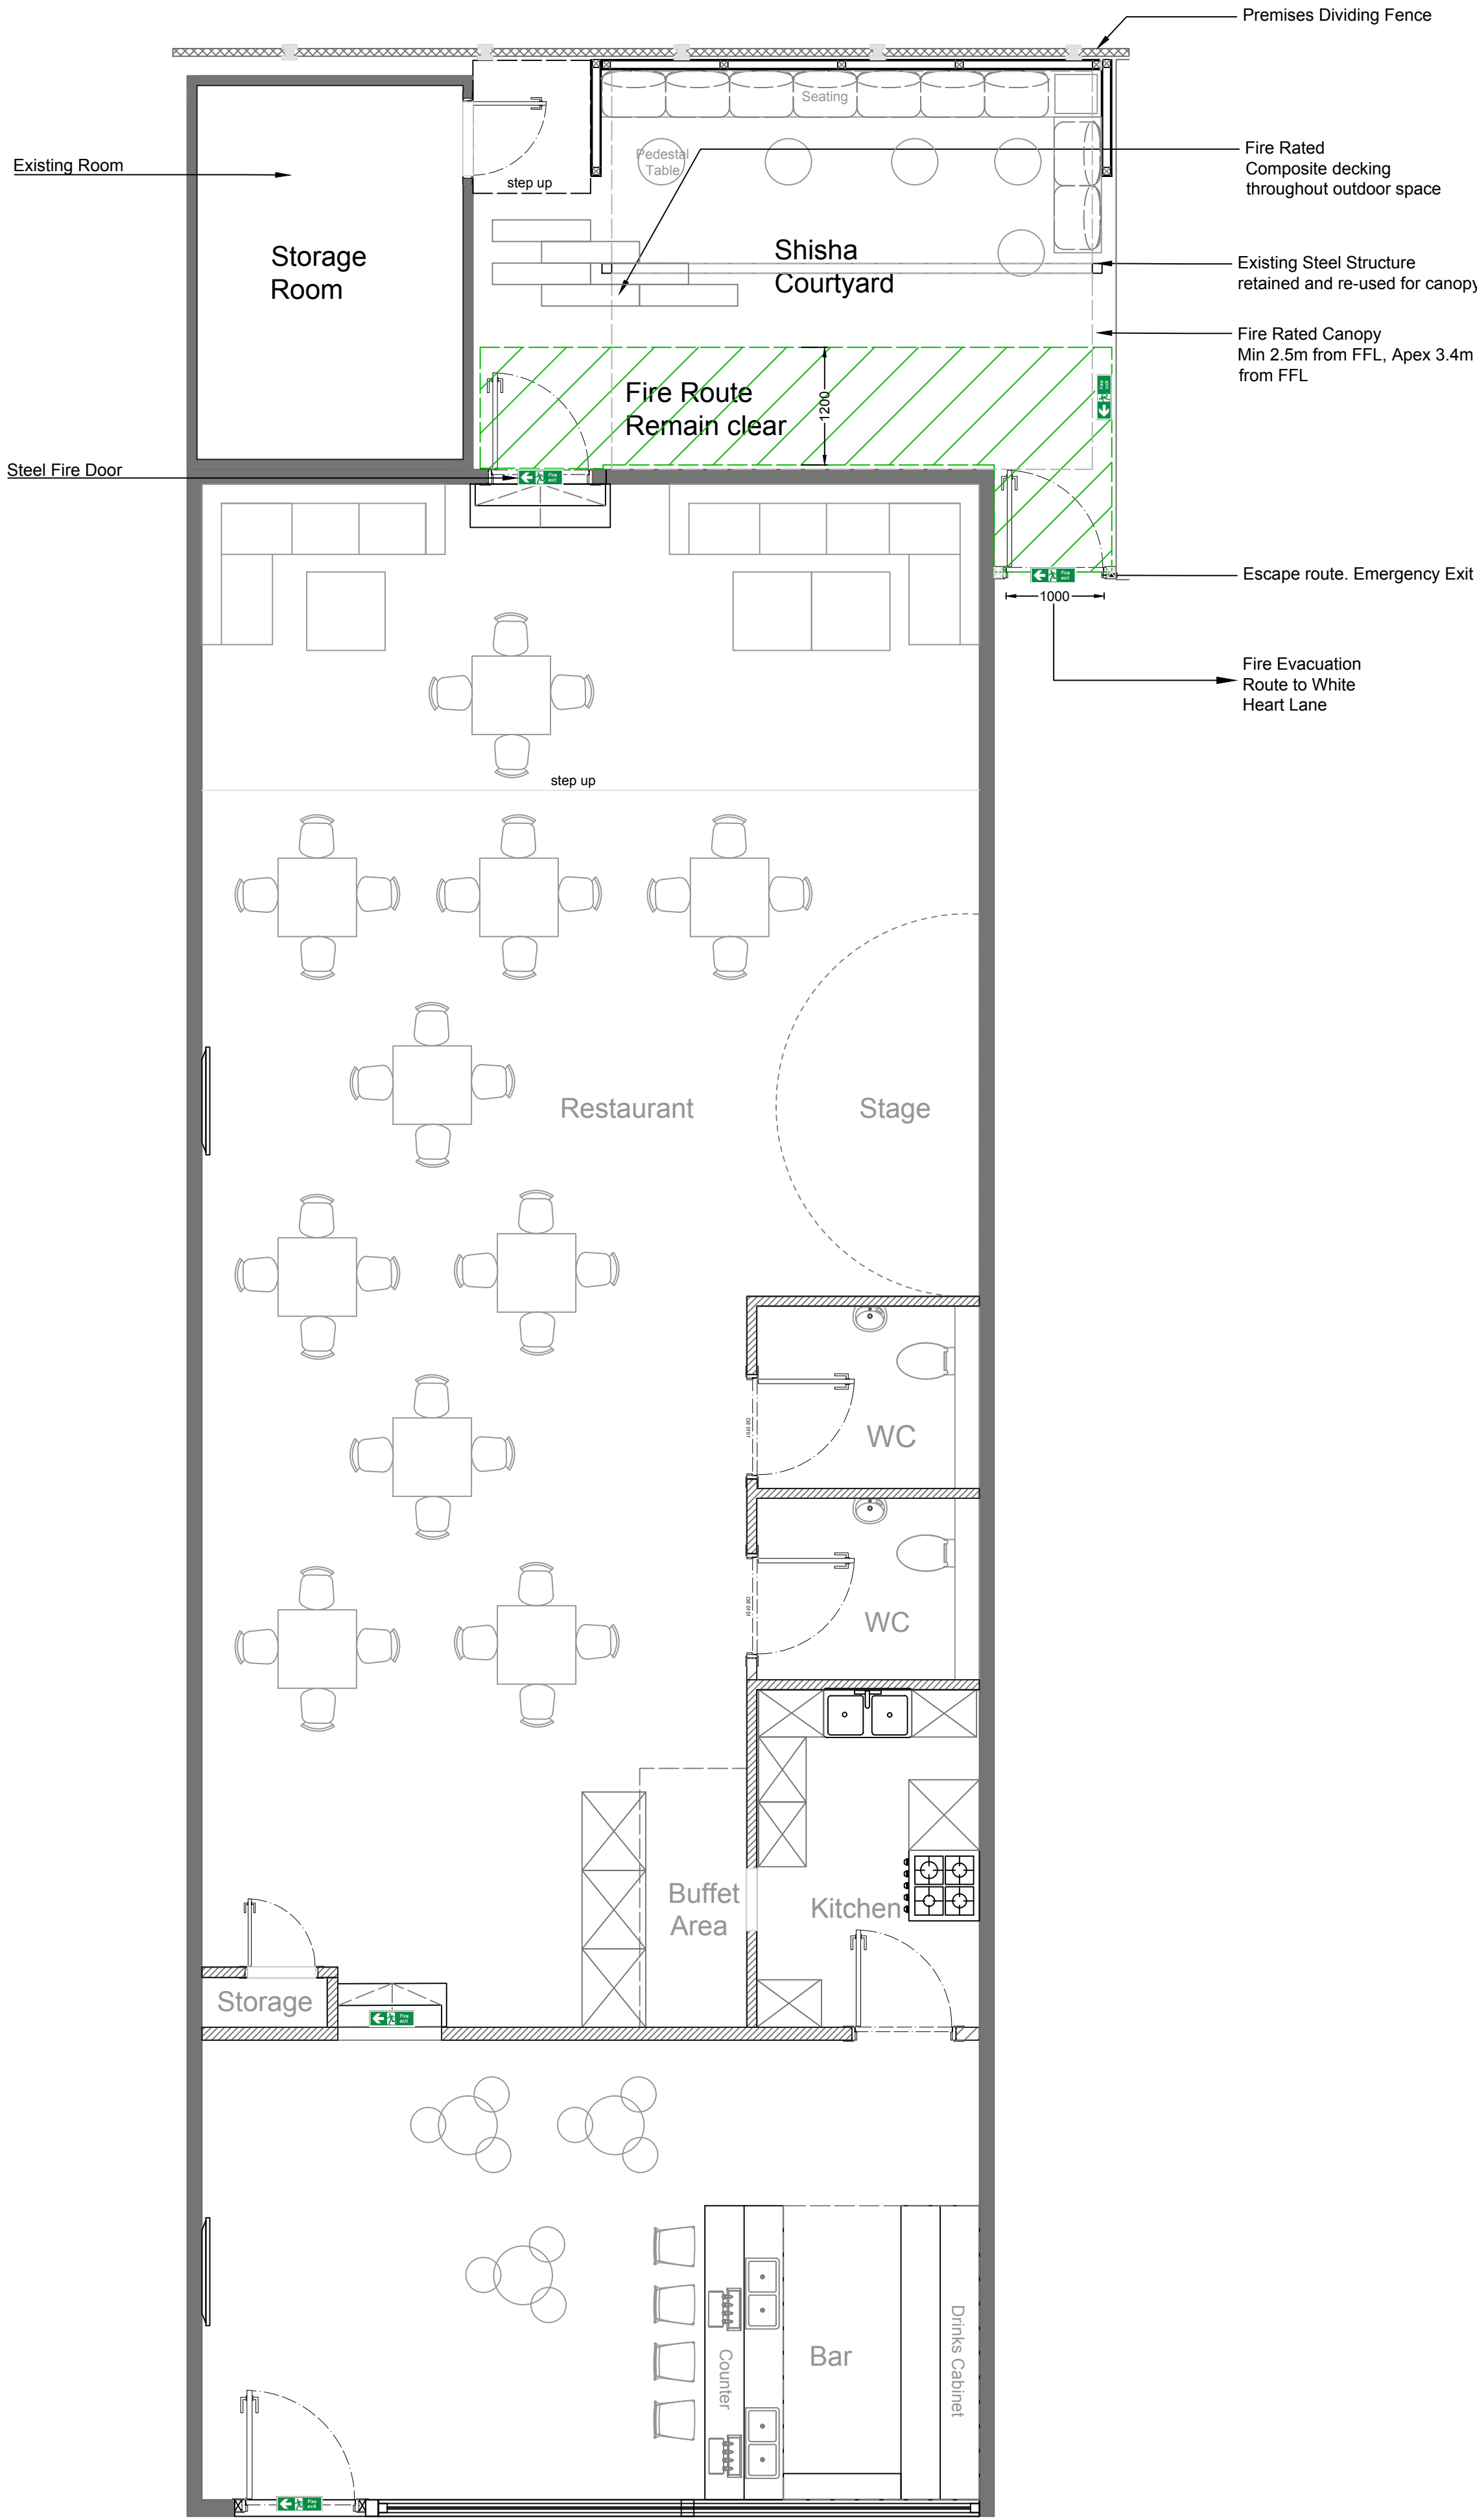

- a. Condition 1: Is agreed.
  - b. Condition 2: please refer to point 2 above.
  - c. Conditions 3-26: Is agreed.
9. The Licensing Authority require site of the lease plan to verify the extent of the demise of the area. We are unclear at this time of the rear garden area is a communal space that the residents have access to also. Please provide clarification on this matter. **Please see attached the following title plan (lease plan) and all mock ups of the premises floor plan and a copy of the Lease has been attached for your ease of reference. The above residents do not have access to the garden areas, as their entrance to their homes is via a side passage from the main road, which leads directly to the said flats above. The said residents do not have direct access to the commercial unit or the garden via the fire exit as it is a one-way system. The passageway the residents leave and enter their homes is communal and is shared with the commercial premises.**

Kindly let me know if further information is required.

Kind regards,

Tekleweni

## REPRESENTATION LETTER

Dear Sir,

### **LICENSING ACT 2003 – Application for a New Premises Licence – 783 HIGH ROAD , TOTTENHAM N17**

The Licensing Authority are making representation on this application as the submitted Operating schedule does not propose any relevant or appropriate conditions to show how the venue would be managed to promote the licensing objectives. The Operating schedule just reflects general information that is available from different pieces of guidance.

The hours being sought are considered very late for the premises which has residential property directly above it and also that back onto it. No direct thought for the prevention of public nuisance has been shown in the application. The operating condition proposed does not demonstrate how the applicant will manage the licensing objectives and no credible conditions are proposed. The Licensing Authority consider that a reduction in hours is required in order to address the need to prevent public nuisance.

The application is seeking hours for a proposed shisha area that does not have Planning permission and therefore the impact of having such this area used in this way has not been formally addressed. The Licensing Authority is concerned that nuisance from noise and smoke as well as smells will impact on nearby residents if this use is permitted. The applicant has been advised that Planning permission must be sought.

It is also unclear if the rear garden is solely for the use of the shop unit or it has a communal use also by the residents. **Evidence of the lease plan as been requested from the applicant.**

**The Licensing Authority wish to propose the following conditions and amendments:**

**These times only relate to the existing premises- NOT the proposed shisha area.**

#### **Provision of regulated entertainment: Live Music**

Sunday to Thursday	1500 to 2200 hours
Friday to Saturday	1500 to 2300

#### **Provision of regulated entertainment: Recorded Music**

Sunday to Thursday	0900 to 1500 hours
Friday to Saturday	0900 to 0000 hours

#### **Provision of Regulated Entertainment: Provision of anything of a similar description to live music, recorded music or performances of dance**

Sunday to Thursday	1200 to 1500 hours
Friday to Saturday	1200 to 0000 hours

#### **Late night refreshment**

Monday to Sunday	2300 to 0000 hours
------------------	--------------------

## Sale of Alcohol

Monday to Sunday 1200 to 0000 hours

Supply of alcohol **ON** the premises only.

## Hours open to Public

Sunday to Thursday 0900 to 22:30 hours

Friday to Saturday 1200 to 0030 hours

If there are specific events that require later hours, then there is the Temporary Event process that can be used.

## Proposed shisha area:

The areas to be closed at 21:00 each day- this is to prevent noise nuisance impacting residents.

No Live music to be played in the proposed shisha area at any time

No recorded music to be played in the proposed shisha area at any time. This does not include **low level background** music.

The designated smoking area shall be monitored by door supervisors throughout its use to control the number and behaviour of patrons so as to not cause noise nuisance.

The above hours reflect the fact that there are residential properties and seek to address the potential for noise nuisance from music or people noise that could impact on residents.

THE REFERENCE TO CONDITIONS FOR A SHISHA AREA DOES NOT OVERRIDE THE REQUIREMENT FOR PLANNING PERMISSION TO BE APPLIED FOR AND GRANTED FOR THIS TYPE OF OPERATION.

## Proposed conditions:

1. The premises shall not make use of the proposed shisha area until Planning permission has been granted.
2. The proposed shisha area will close to all parties no later than 21:00pm each day, to ensure residents are not impacted by public nuisance from this area.
3. The Premises shall not be used for any ticketed events promoted by an external individual/business.
4. All staff involved in the sale of alcohol shall receive induction and refresher training (at least every three months) relating to the sale of alcohol and the times and conditions of the premises licence.
5. All training relating to the sale of alcohol and the times and conditions of the premises licence shall be documented and records kept at the premises. These records shall be made available to the Police and/or Local Authority upon request and shall be kept for at least one year.
6. A 'Think 25' proof of age scheme shall be operated and relevant material shall be displayed prominently within the Premises – including in a visible location:
  - (a) At the entrance to the Premises;
  - (b) Behind the bar;
  - (c) In any other area where alcohol can be purchased by a customer.
7. A written record of refused sales shall be kept on the premises and completed when necessary. This record shall be made available to Police and/or the Local Authority upon request and shall be kept for at least one year from the date of the last entry.
7. There shall be a personal licence holder on duty at the premises from 20:00 hours until the premises closes to the public.
8. Loudspeakers shall not be located in the entrance lobby or any outside/external area of the premises building, this includes the proposed shisha area.
9. All windows and external doors shall be kept closed but not locked during regulated entertainment, except for the immediate access and egress of persons.
10. The management shall make subjective assessments of noise levels outside at the perimeter of the premises approximately hourly, whilst regulated entertainment is provided to ensure that noise from the premises does not cause a disturbance to local residents/businesses. Records shall be kept of the times, dates and any issues discovered. These records shall be kept for six

months. Records must be made available to an authorised officer of the Council or police, upon request. Where monitoring by staff identifies that noise from the premises is audible at the perimeter, measures shall be taken to reduce this i.e. turning volume down.

11. No alcoholic drinks or glass containers shall be taken out onto the public highway.
12. The premises licence holder shall ensure that the area immediately outside the premises is kept clean and free from smoking related litter at all material times to the satisfaction of the Licensing Authority.
13. Notices shall be prominently displayed at all exits requesting patrons to respect the needs of local residents and businesses and leave the area quietly.
14. Patrons permitted to temporarily leave and then re-enter the premises, e.g. to smoke, shall not be permitted to take drinks or glass containers with them.
15. The Licensee and Designated Premises Supervisor shall ensure that alcohol is only purchased from an authorised wholesaler and shall produce receipts for the same upon request for inspection. (An authorised wholesaler means an established warehouse or trade outlet with a fixed address and not a van or street trader, even if they claim they are part of, or acting on behalf of, an authorised wholesaler who provides full itemised VAT receipts).
16. The Premises shall install and maintain a comprehensive CCTV system which shall comply with minimum requirements agreed between the Licensee and the Metropolitan Police Service Licensing Officer.
17. The CCTV shall cover all entry and exist points (including the 'smoking area') enabling identification of every person entering the Premises at any time of day and irrespective of lighting conditions. The positioning of the CCTV cameras shall be agreed between the Licensee and a Metropolitan Police Service Licensing Officer prior to the opening of the Premises.
18. The CCTV system shall continually record whilst the Premises are open for licensable activities and during all times when customers remain on the Premises. All recordings shall be stored for a minimum of 31 days with date and time stamping on the footage.
19. A staff member from the premises who is conversant with the operation of the CCTV system shall be on the premises at all times the premises are open to the public. This staff member must be able to provide a Police Officer or an authorised officer of the Licensing Authority with copies of recent CCTV images or data with the minimum of delay when reasonably requested. Or Police Condition:
20. Posters stating that CCTV is in use at the Premises shall be displayed at or near the entrance to the Premises and within the building itself.
21. CCTV must be used when the premises is open to the public.
22. The police must be called to all incidents of unlawful violence or serious disorder.
23. An incident logbook shall be kept at the Premises and made available on request to a police officer or authorised officer of the Licensing Authority. The logbook shall record the following: (a) All crimes reported to the venue;  
(b) All ejections of patrons;  
(c) Any complaints received; (d) Any incidents of disorder at or associated with the Premises;  
(e) All seizures of drugs and offensive weapons;  
(f) Any faults in the CCTV system
24. On days when football or other large events are taking place at the Stadium there will be at least 2 door supervisors on duty.
25. A register of SIA-trained door supervisors and members of staff / contractors shall be kept at the Premises and updated each time such persons are employed by the Licensee. The register shall be made available on request by a police officer or authorised officer of the Licensing Authority. The register is to contain the following in respect of each person employed: (a) Full name; (b) Date of birth; (c) SIA Registration Number; (d) Date and hours worked; and (e) Contact telephone number and email address.

The Licensing Authority require site of the lease plan to verify the extent of the demise of the area. We are unclear at this time if the rear garden area is a communal space that the residents have access to also. Please provide clarification on this matter.

The licensing process is NOT an alternative to Planning and does not override Planning law.

Tottenham, London, N17 8AH.**

Dear Sir/Madam,

I write on behalf of the Commissioner of the Metropolitan Police. I would like to make representations to the recently submitted application for a new premises licence for the premises of STADIUM LOUNGE RESTAURANT & WINE BAR, 783 HIGH ROAD, TOTTENHAM, LONDON, N17 8AH.

### **I wish to make representation on the following objective:**

- Prevention of public nuisance
- The Prevention of Crime and Disorder

The applicant is asking for the following licensable activities and timings:

### **Provision of regulated entertainment: Live Music**

Monday to Sunday

1500 to 0300 hours

**Provision of regulated entertainment: Recorded Music**

Monday to Tuesday	0900 to 1500 hours
Wednesday to Thursday	0900 to 0100 hours
Friday	0900 to 0200 hours
Saturday	0900 to 0300 hours
Sunday	0900 to 0000 hours

**Provision of Regulated Entertainment: Provision of anything of a similar description to live music, recorded music or performances of dance**

Monday to Sunday	1200 to 0300 hours
------------------	--------------------

**Late night refreshment**

Monday to Sunday	2300 to 0300 hours
------------------	--------------------

**Sale of Alcohol**

Monday to Sunday	1200 to 0300 hours
------------------	--------------------

Supply of alcohol **ON** the premises.

**Hours open to Public**

Monday to Sunday	0900 to 0300 hours
------------------	--------------------

We believe that the proposed timings with terminal times extending into the small hours of the morning of 0100, 0200 and 0300 hours are unreasonable and would undermine the licensing objectives.

Both live music and recorded music if unregulated would within that geographical area which is surrounded by residential properties both above these premises and to the rear with blocks of residential flats would cause a public nuisance in the form of noise.

It is believed also that the local council have also received previous complaints from local residents on the subject of excessive noise emanating from this location causing sleep disturbance to residents.

Additionally a noise abatement notice was issued by the local authority at this location all be it not to this applicant.

It is understood from the Local Authority that this applicant is applying to use the rear of the premises i.e. the garden as a shisha lounge, this will most certainly have a detrimental effect in the form of noise nuisance to the local community if used till 0300 hours.

The applicants operating schedule submission does not specifically nor adequately illustrate how they will uphold the four licensing objectives.

The Police therefore support and mirror the Local Authority in submission of the following conditions and amendments, which would support the licensing objective of Prevention of Public Nuisance and Prevention of Crime and Disorder:

**Provision of regulated entertainment: Live Music**

Sunday to Thursday	1500 to 2200 hours
Friday to Saturday	1500 to 2300

**Provision of regulated entertainment: Recorded Music**

Sunday to Thursday	0900 to 1500 hours
Friday to Saturday	0900 to 0000 hours

**Provision of Regulated Entertainment: Provision of anything of a similar description to live music, recorded music or performances of dance**

Sunday to Thursday	1200 to 1500 hours
Friday to Saturday	1200 to 0000 hours

**Late night refreshment**

Monday to Sunday	2300 to 0000 hours
------------------	--------------------

**Sale of Alcohol**

Monday to Sunday	1200 to 0000 hours
------------------	--------------------

Supply of alcohol **ON** the premises only.

**Hours open to Public**

Sunday to Thursday	0900 to 22:30 hours
Friday to Saturday	1200 to 0030 hours

16. The Premises shall install and maintain a comprehensive CCTV system which shall comply with minimum requirements agreed between the Licensee and the Metropolitan Police Service Licensing Officer.
17. The CCTV shall cover all entry and exist points (including the 'smoking area') enabling identification of every person entering the Premises at any time of day and irrespective of lighting conditions. The positioning of the CCTV cameras shall be agreed between the Licensee and a Metropolitan Police Service Licensing Officer prior to the opening of the Premises.
18. The CCTV system shall continually record whilst the Premises are open for licensable activities and during all times when customers remain on the Premises. All recordings shall be stored for a minimum of 31 days with date and time stamping on the footage.
19. A staff member from the premises who is conversant with the operation of the CCTV system shall be on the premises at all times the premises are open to the public. This staff member must be able to provide a Police Officer or an authorised officer of the Licensing Authority with copies of recent CCTV images or data with the minimum of delay when reasonably requested. **Report for:** Licensing Sub Committee – 12<sup>th</sup> June 2023

**Title:** Application for a Transfer & Variation of Designated Premises Supervisor for Premises Licence at –Maxxi Food & Wine 42 Topsfield Parade. London N8

**Report authorised by:** Daliah Barrett, Licensing Team Leader, Regulatory Services

**Ward(s) affected:** Crouch End

**Report for Key/  
Non Key Decision:** Not applicable

### 1. Describe the issue under consideration.

- 1.1 On 26th April 2023, a transfer application was submitted by Atlas Licensing on behalf of Mr Ahmet Karagoz. The transfer application has immediate effect.
- 1.2 The Police were consulted in respect of the application. A copy of the transfer application is attached as Appendix 1.
- 1.3 On 27<sup>th</sup> April 2023, a Vary DPS application was submitted by Atlas Licensing on behalf of Mr Ahmet Karagoz to be named as the DPS.
- 1.4 The Police were consulted in respect of the application. A copy of the Vary DPS application is attached as Appendix 2

### 2. History

- 2.1 On March 2023 an application to review the licence was submitted by Trading Standards. In this regard the premises was found to be stocking for sale-controlled medication and non-compliant E cigarettes. Also, NOS gas being sold to customers who then consumed the substance outside the premises which then led to nuisance and anti-social behaviour. and the objective of the prevent crime and disorder being impacted. Failure to promote the 'Prevention of Public nuisance' was also added to the review due to the anti-social behaviour that resulted from the operation of the premises. As is the 'Public Safety' objective due to the illicit goods being harmful to health. A copy of the current licence is attached at Appendix 4. The people associated in the business have a history of selling illicit goods at their various retail outlets in Enfield also.
- 2.2 The review hearing took place on 30<sup>th</sup> May 2023. At the time of preparing this report the LSC decision was not known.
- 2.3 The applicant Mr Karagoz is affiliated with the operation of Maxxi Food & Wine in particular for the branch at 38 Chase Side Enfield.

### 3 Relevant representation

- 3.1 **Metropolitan Police:** Notice was given (under S.42(6)) that grant of the transfer application Would undermine the crime prevention objective. The Police states that it is appropriate, for the promotion of the licensing objectives, to object to the transfer of Premises Licence and the Variation of the DPS.

3.2 A copy of the representation and Additional Information is attached as Appendix 3. Mr Karagoz has not responded to the objection. The Police sought clarification from Mr Karagoz to show that he had indeed fully taken over the premises in his own right and therefore separate to Mr Altun and Ms Yengin, but have been unable to establish any proof of this.

#### **4 Transfers of premises licences – General**

4.1 Section 43 of the 2003 Act provides a mechanism which allows the transfer to come into immediate interim effect as soon as the licensing authority receives it, until it is formally determined or withdrawn. This is to ensure that there should be no interruption to normal business at the premises. If the police raise no objection about the application, the licensing authority must transfer the licence in accordance with the application, amend the licence accordingly and return it to the new holder.

4.2 The police may object to the designation of a new DPS where, in exceptional circumstances, they believe that the appointment would undermine the crime prevention objective. The police can object where, for example, a DPS is first specified in relation to particular premises and the specification of that DPS in relation to the particular premises gives rise to exceptional concerns. For example, where a personal licence holder has been allowed by the courts to retain their licence despite convictions for selling alcohol to children (a relevant offence) and then transfers into premises known for underage drinking. (4.39)

4.3 Where the police do object, the licensing authority must arrange for a hearing at which the issue can be considered and both parties can put forward their arguments. The 2003 Act provides that the applicant may apply for the individual to take up post as DPS immediately and, in such cases, the issue would be whether the individual should be removed from this post. The licensing authority considering the matter must restrict its consideration to the issue of crime and disorder and give comprehensive reasons for its decision. Either party would be entitled to appeal if their argument is rejected. (4.40)

4.4 The portability of personal licences between premises is an important concept under the 2003 Act. It is expected that police objections would arise in only genuinely exceptional circumstances. If a licensing authority believes that the police are routinely objecting to the designation of new premises supervisors on grounds which are not exceptional, they should raise the matter with the chief officer of police as a matter of urgency. (4.40)

4.5 In its consideration of applications for transfer of a premises licence following application for a review, this Authority is concerned over the frequently observed practice of an application for a transfer of a premises licence being made following an application for a review of that same licence being lodged:

“16.7 Where, such applications are made, this Authority will require documented proof of transfer of the business / lawful occupancy of the premises (such as a lease), to the new proposed licence holder to support the contention that the business is now under new management control”

#### **4.6 Police objections to new designated premises supervisors**

4.7 The police may object to the designation of a new DPS where, in exceptional circumstances, they believe that the appointment would undermine the crime prevention objective. The police can object where, for example, a DPS is first specified in relation to particular premises and the specification of that DPS in relation to the particular premises gives rise to exceptional concerns.

## **5 RELEVANT LAW, GUIDANCE & POLICIES:**

5.1 The paragraphs below are extracted from either the Licensing Act 2003 ('Act'); or the Guidance issued by the Secretary of State to the Home Office of April 2018 ('Guid'); or the London Borough of Enfield's Licensing Policy Statement of January 2016 ('Pol').

### **5.2 General Principles:**

5.3 The Licensing Sub-Committee must carry out its functions with a view to promoting the licensing objectives [Act s.4(1)].

5.4 The licensing objectives are:

- the prevention of crime and disorder;
- public safety;
- the prevention of public nuisance; &
- the protection of children from harm [Act s.4(2)].

5.5 In carrying out its functions, the Sub-Committee must also have regard to the Council's licensing policy statement; & guidance issued by the Secretary of State [Act s.4(3)].

## **6. Decision:**

6.1 Having heard all the representations (from both parties) the Licensing Sub-Committee must decide whether to:

- Grant the applications; or
- Reject the applications if it is considered necessary for the promotion of the crime and disorder objective.

6.2 The remaining three objectives, namely public safety, prevention of public nuisance and protection of children from harm, are not considerations that may be taken into account in relation to determination of the variation of a designated premises supervisor (DPS).

## **7 Legal considerations**

7.1 There is no scope for the addition of conditions in this instance. The only options available in respect of this application are as highlighted in paragraph 6.1-6.2 above..

7.2 There is a right of appeal to the Magistrates Court by any party aggrieved by any decision of the Panel.

Family members of European Economic Area nationals who are studying or financially independent must also provide evidence that the European Economic Area national and any family members hold comprehensive sickness insurance in the UK. This can include a private medical insurance policy, an EHIC card or an S1, S2 or S3 form.

**Original documents must not be sent to licensing authorities.** If the document copied is a passport, a copy of the following pages should be provided:-

- (i) any page containing the holder's personal details including nationality;
- (ii) any page containing the holder's photograph;
- (iii) any page containing the holder's signature;
- (iv) any page containing the date of expiry; and
- (v) any page containing information indicating the holder has permission to enter or remain in the UK and is permitted to work.

**Continued from previous page...**

If the document is not a passport, a copy of the whole document should be provided.

Your right to work will be checked as part of your licensing application and this could involve us checking your immigration status with the Home Office. We may otherwise share information with the Home Office. Your licence application will not be determined until you have complied with this guidance.

**Home Office online right to work checking service**

As an alternative to providing a copy of the documents listed above, applicants may demonstrate their right to work by allowing the licensing authority to carry out a check with the Home Office online right to work checking service.

To demonstrate their right to work via the Home Office online right to work checking service, applicants should include in this application their 9-digit share code (provided to them upon accessing the service at <https://www.gov.uk/prove-right-to-work>) which, along with the applicant's date of birth (provided within this application), will allow the licensing authority to carry out the check.

In order to establish the applicant's right to work, the check will need to indicate that the applicant is allowed to work in the United Kingdom and is not subject to a condition preventing them from doing work relating to the carrying on of a licensable activity.

An online check will not be possible in all circumstances because not all applicants will have an immigration status that can be checked online.

The Home Office online right to work checking service sets out what information and/or documentation applicants will need in order to access the service. Applicants who are unable to obtain a share code from the service should submit copy documents as set out above.

**APPLICATION FOR A TRANSFER OF A PREMISES LICENCE & TRANSFER OF A  
DESIGNATED PREMISES SUPERVISOR  
MAXXI FOOD & WINE, 42 TOPSFIELD PARADE, TOTTENHAM LANE, HORNSEY,  
LONDON, N8 8PT.**

Dear Licensing Team,

This application is submitted by Ahmet Karagoz in order to both transfer the premises licence and to transfer the designated premises supervisor from the current holder of both Aylin Yengin into his name.

The premises situated at 42 Topsfield Parade are currently being reviewed under Section 51 of the Licensing Act 2003 by the licensing authority due to known issues and history of non-compliance by Aylin Yengin, under the licensing objectives of

- Prevention of crime and disorder
- Prevention of public nuisance
- Public safety
- Protection of Children From Harm

These premises and two others all of which have had known licensing issues are believed to be a family run business.

To that end it is believed (in the absence of any other information to the contrary) the applicant is a part of that family run business.

In order to clarify and nullify the applicants involvement in the family business information was requested in an email from the Police to Atlas Licensing (the applicants consultant) on the 2<sup>nd</sup> May 2023 (Email attached).

As of today the 7<sup>th</sup> May 2023 no reply to these questions has been received.

The home office revised guidance issued under Section 182 of the Licensing Act 2003 (December 2022)

Section 11.Reviews sub section 21 states:

“Licencing authorities should be alive to the possibility that the removal and replacement of the designated premises supervisor may be sufficient to remedy a problem where the cause of the identified problem directly relates to poor management decisions made by that individual”.

Sub Section 22 Further states:

“Equally, it may emerge that poor management is a direct reflection of poor company practise or policy and the mere removal of the designated premises supervisor may be an inadequate response to the problems presented. Indeed, where subsequent review hearings are generated by representations, it should be rare merely to remove a succession of designated premises supervisors as this would be a clear indication of deeper problems that impact upon the licensing objectives”.

It is our belief that this application is designed to give the impression that the removal of the current DPS (Currently subject of review) would remedy any issues at the premises and by transferring the premises into another’s name i.e. Give the impression it is “Under New Management”, this would like wise give the impression that there is no further involvement with the old management /Mismanagement practices.

**Until such time as official evidence is provided demonstrating that Mr Ahmet Karagoz Is the sole owner of the business we the Police will object to this application.**

I reserve the right to provide further information to support this representation.  
Regards,
