**Residents and Responsible Authorities - App B, B1 & B2.**

1.5 **Recommendation**

In considering the representations received and what is appropriate for the promotion of the licensing objectives, the steps the Sub-Committee can take are:

- Grant the application as requested
- Grant the application whilst imposing additional conditions and/or altering in any way the proposed operating schedule.
- Exclude any licensable activities to which the application relates
- Reject the whole or part of the application

Members of the licensing sub committee are asked to note that they may not modify the conditions or reject the whole or part of the application merely because it considers it desirable to do so. It must be appropriate in order to promote the licensing objectives.

## 2 Background

2.1 The premises is situated along the parade of commercial business in the High Street with residential above and directly across the road to it.  
The premises has operated as a restaurant in the past and held a licence to allow alcohol and regulated entertainment. **Existing Licence App C**

2.2 The existing Planning Permission states the following:

Planning permission HGY/2004/1593 was granted for the change of use of property from social club to restaurant (A3).

Condition 6 restricted the hours as follows:

6. The use hereby permitted shall not be operated before 0800 or after 2300 hours on any day.

Reason: This permission is given to facilitate the beneficial use of the premises whilst Ensuring that the amenities of adjacent residential properties are not diminished.

If the applicant wants to amend the hours outside of the above, then formal planning permission is required. Mr Gajana has made various changes to the property without Planning permission, these are summarised as follows:

- to demolish the rear canopy extension in its entirety and
- remove the current unauthorised shopfront and reinstate the original.
- The use of the structure built in the rear garden was unauthorised and the use of the premises as a shisha lounge is also without authorisation.

## 3 Licensing Policy

3.1 The committee will also wish to be aware of the guidance issued under section 182 of the Licensing Act 2003. Licensing is about regulating the provision of licensable activities on licensed premises, by qualifying clubs and at temporary events within the terms of the Licensing Act 2003. The terms and conditions attached to various permissions are focused on matters which are within the control of individual licensees and others granted relevant permissions. Accordingly, these matters will centre on the premises and places being used for licensable activities and the vicinity of those premises and places.

3.2 The objective of the licensing process is to allow for the carrying on of retail sales of alcohol and the prevention of public nuisance, prevention of crime and disorder, public safety and protection of children from harm. It is the Licensing Authority's wish to facilitate well run and managed premises with licence holders displaying sensitivity to the impact of the premises on local residents.

3.3 In considering licence applications, where relevant representations are made, this Licensing Authority will consider the adequacy of measures proposed to deal with the potential for public nuisance and/or public disorder having regard to all the circumstances of the case.

3.4 Where relevant representations are made, this authority will demand stricter conditions with regard to noise control in areas that have denser residential

accommodation, but this will not limit opening hours without regard for the individual merits of any application. This authority will consider each application and work with the parties concerned to ensure that adequate noise control measures are in place. Any action taken to promote the licensing objectives will be appropriate and proportionate.

- 3.5 This Licensing Authority in determining what action to take will seek to establish the cause of concern and any action taken will be directed at these causes. Any action taken to promote the licensing objectives will be appropriate and proportionate.
- 3.6 Where relevant representations are made, this authority will demand stricter conditions with regard to noise control in areas that have denser residential accommodation, but this will not limit opening hours without regard for the individual merits of any application. This authority will consider each application and work with the parties concerned to ensure that adequate noise control measures are in place
- 3.7 Also The Licensing Authority may not impose conditions unless its discretion has been exercised following receipt of relevant representations and it is satisfied as a result of the hearing that it is appropriate to impose conditions to promote one or more of the four licensing objectives. Therefore conditions may not be imposed for the purpose other than promoting the licensing objectives and in some cases no additional conditions will be required.
- 3.8 In cases Members should make their decisions on the civil burden of proof, that is the balance of probability.
- 3.9 Members should consider in all cases whether or not primary legislation is the appropriate method of regulation and should only consider licence conditions when the circumstances in their view are not already adequately covered elsewhere.
- 3.10 The Government has advised that conditions must be tailored to the individual type, location and characteristics of the premises and events concerned. Conditions cannot seek to manage the behaviour of customers once they are beyond the direct management of the licence holder and their staff.  
The Councils Licensing policy generally expects applicants to address the licensing objectives and discuss how to do this with the relevant responsible authorities.

#### **4 Licensing hours**

- 4.2 Where relevant representations are made, the Council will consider the proposed hours on their individual merits. Notwithstanding this, the Council may require stricter conditions in areas that have denser residential accommodation to prevent public nuisance. The Council will endeavour to work with all parties concerned in such instances to ensure that adequate conditions are in place. The Council may restrict the hours that certain premises can offer alcohol for sale for consumption off the premises for preventing crime, disorder and nuisance.

#### **5 Powers of a Licensing Authority**

- 5.1 The decision should be made with regard to the Secretary of the State's guidance and the Council's Statement of Licensing Policy under the Licensing Act 2003. Where the decision departs from either the Guidance or the Policy clear and cogent reasons must be given. Members should be aware that if such a departure is made the risk of appeal /

challenge is increased.

- 5.2 The licensing authority's determination of this application is subject to a 21 day appeal period or if the decision is appealed the date of the appeal is determined and /or disposed of.

## 6. Other considerations

**Section 17 of the Crime and Disorder Act 1998** states:

"Without prejudice to any other obligation imposed on it, it shall be the duty of each authority to which this section applies to exercise its various functions with due regard to the likely effect of the exercise of those function on, and the need to do all that it reasonably can to prevent crime and disorder in its area".

### 6.1 Human Rights

While all Convention Rights must be considered, those which are of particular relevance to the application are:

- Article 8 – Right to respect for private and family life.
- Article 1 of the First Protocol – Protection of Property
- Article 6(1) – Right to a fair hearing.
- Article 10 – Freedom of Expression

# OPERATING SCHEDULE

**MOON LOUNGE  
34 HIGH STREET  
HORNSEY  
LONDON N8 7NX**

## General outline of the application

This premises has benefited from a premises licence **LN/000005247** and has operated since 2007.

This is a Variation application to extend the operating hours, designed for a fully functioning Restaurant/Bar and Lounge to operate from the premises with Robust Conditions to ensure there is no negative impact on the Licensing Objectives or the Local community.

To support this application, we have also revised the operating schedule to ensure that it is comprehensive and robust to ensure the licencing objectives are upheld.

This Application is designed to permit a fully functioning RESTAURANT/LOUNGE BAR to operate from the premises. It is not an application for a nightclub or vertical-drinking establishment and has been conditioned accordingly.

Every aspect of the licensing objectives has been considered as outlined under the Licensing Act 2003 along with other current legislation and the Licensing Policies of London Borough of Haringey.

It is the primary objective of the Proprietor, Designated Premises Supervisor (“DPS) and Management (together referred to as “the Management”) to operate in a manner designed to minimise risk to customers, employees, neighbours, or persons in the near vicinity of the premises.

The Management seek to continue to operate successfully, providing a high-quality venue for the enjoyment of customers in a manner that does not adversely impact on the quality of life of neighbouring residents, businesses, or passers-by.

The Management will not tolerate breaches of the Law on the premises.

The Premises will be operated within the terms and conditions of its Premises Licence.

All staff will be made aware of and expected to embrace these objectives, acting in a manner most likely to achieve them.

A very detailed operating schedule with robust conditions has been submitted as part of this application to ensure the Licensing Objectives are promoted.

We also welcome any consultation with the Regulated Authorities that may provide any suggestions or recommendations to help us achieve our objectives.

### **The Prevention of Crime and Disorder**

These notices shall be positioned at eye level and in a location where those leaving the premises can read them.

Dear Daliah,

I understand from a neighbour that Mr Gajana has applied to extend the Moon Lounge opening hours until 2am on Fridays and Saturdays.

I would like to forward my objections as this is a residential area that already suffers from the noise, loud music, drug dealing, increased litter and large groups of individuals engaging in anti social behaviour as a result of so many bars and pubs situated on the High Street.

Will Haringey be contacting local residents regarding this matter in order that they can express their concerns.

To The Licensing Team

I would like to raise my objections to yet another bar/pub on Hornsey High Street, which is just a stones throw away from the other four bars/pubs!! Situated amidst a residential area with living premises above is just adding to the ongoing ASB that we the residents have to endure.

Noise levels from amplified sound systems impact on residents quality of life, as was the case from the existing bars/pubs this summer. The Police attended on several occasions due to noise levels and brawling on The Gardens. It meant that residents could not enjoy the use of their outside space.

The limited space outside Le Pot de Terre is another issue....people spill out onto The Gardens (as has been the case with the other bars) drinking and discarding glasses, bottles, litter etc. and using the grassed area by Campsbourne Church as a place to urinate!!

Street furniture and structures on The Gardens have been repeatedly damaged by people under the influence of alcohol. I, along with the Councillors have reported this to Haringey Council, but to date they have not been repaired

Drug dealing is another worry, that often increases where alcohol is sold. The High St is already a "known" site for drug dealing and loitering, and dealers often use Rectory Gardens as cut through. In addition families are concerned about their safety due to the increase in alcohol consumption and drug use in this area...so another pub/ bar is a cause for great concern.

I am the resident at High street, and I want to clarify that there has been no mediation between us and the business regarding the extended operating hours. We can hear the noise from upstairs, particularly the music, and there have been instances where we continued hearing music past 1 am, causing disturbances.

Please consider our concerns when reviewing the application.

**Subject:** FW: Application for a Variation of a Premises Licence- Moon Restaurant, 34 High Street, Hornsey, London N8 7NX (WK/585588)  
**Importance:** High

Dear Licensing Team

1. We are objecting to this application under the prevention of public nuisance objective. The premises already benefits from a Premises Licence with sufficient hours that also aligns with the current hours under the Planning conditions. The additional hours being sought as well as the extended use of the rear garden as a shisha lounge are without Planning conditions and will in our view add to increased nuisance to nearby residents. We therefore take the view that no extension of the hours requested shall be granted in order to up hold the prevention of public nuisance objective. The change in use of the rear garden as a shisha area also means that by law it must be 50% open at all times. No information as to how this will be achieved has been provided with this application. It is inappropriate for this area to be used
  - a) without Planning permission and
  - b) Beyond 21:00pm on any day in order to ensure people noise and music noise from this area does not disturb residents.

We feel that the lack of information and the ongoing issues with Planning breaches that this application should be rejected entirely in order to ensure that the licensing objectives are upheld and promoted. The operator has not engaged with the Authority prior to making changes to the premises.

If the Licensing Sub Committee were however minded to grant the variation requested in part or in whole, the following conditions should be considered with a view to promoting the prevention of public nuisance in particular:

- 1 The premises shall not make use of the proposed rear garden area until Planning permission has been granted.
- 2 The proposed garden area will close to all parties no later than 21:00pm each day, to ensure residents are not impacted by public nuisance from this area.
- 3 No music shall played in the rear garden/'shisha' at any time.
- 4 Loudspeakers shall not be located in the entrance lobby or any outside/external area of the premises.
2. All windows and external doors shall be kept closed but not locked during regulated entertainment, except for the immediate access and egress of persons.
3. The management shall make subjective assessments of noise levels outside at the perimeter of the premises periodically, whilst regulated entertainment is provided to ensure that noise from the premises does not cause a disturbance to local residents/businesses. Records shall be kept of the times, dates and any issues

discovered. These records shall be kept for six months. Records must be made available to an authorised officer of the Council or police, upon request. Where monitoring by staff identifies that noise from the premises is audible at the perimeter, measures shall be taken to reduce this i.e. turning volume down.

4. No alcoholic drinks or glass containers shall be taken out onto the public highway.

Yours sincerely

Hi,

Enforcement comments:

The owner has failed to comply with the requirements of an enforcement notice, namely to demolish the rear canopy extension in its entirety and remove the current unauthorised shopfront and reinstate the original. As a result formal prosecution action is underway.

A subsequent enforcement notice has been served in relation to the unauthorised shisha use and large rear extraction system, this notice has been appealed, the appeal is ongoing. Nevertheless the main reason for serving this notice was the intrusive and unneighbourly development, which detrimentally affects the amenity of neighbouring residents by virtue of excessive noise and disturbance.

Extending the operation hours until 2am will increase the noise and disturbance to neighbouring residential units and result in a public nuisance.

Kind regards,
