1.3 The application and operating schedule can be found at - **Appendix A.**

**1.4** There is an existing premises licence that was previously granted on 31<sup>st</sup> March 2016. A copy of the granted licence is attached at **App B**.

**1.5** Representations have been received from:

- Met Police- App C
- Other parties – (Residents) citing the hours and the use of the premises as a concern. – **App D**

## **1.6 Recommendation**

In considering the representations received and what is appropriate for the promotion of the licensing objectives, the steps the Sub-Committee can take are:

- Grant the application as requested.
- Grant the application whilst imposing additional conditions and/or altering in any way the proposed operating schedule.
- Exclude any licensable activities to which the application relates.
- Reject the whole or part of the application.

Members of the licensing sub-committee are reminded that they may not modify the conditions or reject the whole or part of the application merely because it considers it desirable to do so. It must be appropriate in order to promote the licensing objectives.

## **2 Background**

**2.1** Hornsey Town Hall is said to be a multipurpose use centre, with varied and accessible spaces that can be used for a variety of arts and events as well as workspaces.

The application is seeking to add additional areas for licensable activities and an increase in hours. It is envisaged that Hornsey Town Hall will be able to host varied events across the year.

## **3 Licensing Policy**

**3.1** The committee will also wish to be aware of the guidance issued under section 182 of the Licensing Act 2003. Licensing is about regulating the provision of licensable activities on licensed premises, by qualifying clubs and at temporary events within the terms of the Licensing Act 2003. The terms and conditions attached to various permissions are focused on matters which are within the control of individual licensees and others granted relevant permissions. Accordingly, these matters will centre on the premises and places being used for licensable activities and the vicinity of those premises and places.

**3.2** The objective of the licensing process is to allow for the carrying on of retail sales of alcohol and the prevention of public nuisance, prevention of crime and disorder, public safety and protection of children from harm. It is the Licensing Authority's wish to facilitate well run and managed premises with licence holders displaying sensitivity to the impact of the premises on local residents.

**3.3** In considering licence applications, where relevant representations are made, this Licensing Authority will consider the adequacy of measures proposed to deal with the potential for public nuisance and/or public disorder having regard to all the circumstances of the case.

**3.4** Where relevant representations are made, this authority will demand stricter

conditions with regard to noise control in areas that have denser residential accommodation, but this will not limit opening hours without regard for the individual merits of any application. This authority will consider each application and work with the parties concerned to ensure that adequate noise control measures are in place. Any action taken to promote the licensing objectives will be appropriate and proportionate.

- 3.5 This Licensing Authority in determining what action to take will seek to establish the cause of concern and any action taken will be directed at these causes. Any action taken to promote the licensing objectives will be appropriate and proportionate.
- 3.6 Also the Licensing Authority may not impose conditions unless its discretion has been exercised following receipt of relevant representations and it is satisfied as a result of the hearing that it is appropriate to impose conditions to promote one or more of the four licensing objectives. Therefore, conditions may not be imposed for the purpose other than promoting the licensing objectives and in some cases no additional conditions will be required.
- 3.7 In cases Members should make their decisions on the civil burden of proof, that is the balance of probability.
- 3.8 Members should consider in all cases whether or not primary legislation is the appropriate method of regulation and should only consider licence conditions when the circumstances in their view are not already adequately covered elsewhere.
- 3.9 The Government has advised that conditions must be tailored to the individual type, location and characteristics of the premises and events concerned. Conditions cannot seek to manage the behaviour of customers once they are beyond the direct management of the licence holder and their staff.  
The Councils Licensing policy generally expects applicants to address the licensing objectives and discuss how to do this with the relevant responsible authorities.

#### **4 Licensing hours**

- 4.2 Where relevant representations are made, the Council will consider the proposed hours on their individual merits. Notwithstanding this, the Council may require stricter conditions in areas that have denser residential accommodation to prevent public nuisance. The Council will endeavour to work with all parties concerned in such instances to ensure that adequate conditions are in place. The Council may restrict the hours that certain premises can offer alcohol for sale for consumption off the premises for preventing crime, disorder and nuisance.

#### **5 Powers of a Licensing Authority**

- 5.1 The decision should be made with regard to the Secretary of the State's guidance and the Council's Statement of Licensing Policy under the Licensing Act 2003. Where the decision departs from either the Guidance or the Policy clear and cogent reasons must be given. Members should be aware that if such a departure is made the risk of appeal / challenge is increased.
- 5.2 The licensing authority's determination of this application is subject to a 21 day appeal period or if the decision is appealed the date of the appeal is determined and /or disposed of.

## 6. Other considerations

**Section 17 of the Crime and Disorder Act 1998** states:

“Without prejudice to any other obligation imposed on it, it shall be the duty of each authority to which this section applies to exercise its various functions with due regard to the likely effect of the exercise of those function on, and the need to do all that it reasonably can to prevent crime and disorder in its area”.

### 6.1 Human Rights

While all Convention Rights must be considered, those which are of particular relevance to the application are:

- Article 8 – Right to respect for private and family life.
- Article 1 of the First Protocol – Protection of Property
- Article 6(1) – Right to a fair hearing.
- Article 10 – Freedom of Expression

☐ Yes☒ No**Please describe briefly the nature of the proposed variation** (Please read guidance note 2)**For information only – Not offered as a condition**

Hornsey Town Hall Arts Centre is an exciting multi-million pound redevelopment of the historic Crouch End landmark. The development has the community at its core and has sought to work with local stakeholders and residents at all stages of the process of bringing the site back in to use by the community. This has included meetings with the licensing authority, environmental health, police, residents, residents' associations and council members and the applicant is grateful for their input which has helped this application.

The centre includes a completely overhauled Assembly Hall incorporating the latest thinking in acoustics and sound engineering to ensure the tranquillity of the surrounding area. The centre will also comprise a café, committee room, Mayor's Parlour, Council Chamber, cinema, an F&B bar on the second floor and public viewing gallery for the chamber. The centre will now also host flexible co-working space with members having access to their own garden.

The intended use for different parts of the premises lend themselves to having different terminal hours as set out in the application. The part of the premises which is intended to offer the latest terminal hour is the basement Supper Room with a proposed terminal hour 30 minutes later than the rest of the premises on Thursdays to Saturdays.

The application seeks to bring in to use the Town Hall Square for hosting events such as markets, concerts and fetes.

The current premises licence (LN/000015762) has different terminal hours for different activities and does not reflect the intended use of different parts of the premises. For example, the current licence permits a terminal hour for the sale of alcohol on Fridays and Saturdays to 01:30 but the terminal hour for the whole premises is 02:00 for recorded music on those days. This application seeks to promote continuity of licensable activities in order to properly reflect the intended use of the premises as well as promoting the licensing objectives with particular emphasis on preventing nuisance for our neighbours. Additionally, this application seeks to further promote the licensing objectives with a new set of licence conditions which include important measures such as noise management, dispersal and security.

1. To update the Premises Licence Holder name from FEC Time + Space (UK) Limited to Hornsey Town Hall Arts Centre Limited and amend the registered office of the premises licence holder to 40-41 Funnival Street, London, EC4A 1JQ.
2. To amend the approved plan to:
  - a. add Hornsey Town Hall Square
  - b. add a café on the ground floor
  - c. amend the area for licensable activities including the Co-Worker Space on the ground floor.
  - d. add the Commercial Kitchen on the Lower Ground Floor.
  - e. add the Cinema and Mayor's Parlour on First Floor.
  - f. remove licensable activities from the corridor on the First Floor.
  - g. add Food and Beverage Bar and Chamber Balcony on the Second Floor.
  - h. add Roof Terrace on Roof.
3. To increase the terminal hour for all licensable activities on Mondays to Wednesdays to 2330, Thursdays, Fridays and Saturdays to 0200. These are the maximum hours (other than on New Years Eve) and hours in certain areas vary – see boxes a) to h) below and the attached conditions.
4. To increase the terminal hour for licensable activities on Bank Holidays and the day preceding a Bank Holiday to 0130 the following morning closing at 0200.
5. To increase the terminal hour for New Year's Eve and New Year's Day so that the terminal hour for licensable activities for New Year's Eve is the start of permitted hours on New Year's Day other than in The Town Hall Square when hours for licensable activities are sought from 1000 to 0100.
6. To add late night refreshment on Mondays to Wednesdays from 2300 to 2330,
7. To extend the opening hours 7 days per week – see the box below for opening hours.
8. To replace Annex 2 conditions with the conditions accompanying this application

### Notes for Guidance

**This application cannot be used to vary the licence so as to extend the period for which the licence has effect or to vary substantially the premises to which it relates. If you wish to make that type of change to the premises licence you should make a new premises licence application under section 17 of the Licensing Act 2003.**

1. You do not have to pay a fee if the only purpose of the variation for which you are applying is to avoid becoming liable for the late night levy

  7. For example (but not exclusively), where you wish the activity to go on longer on a particular day e.g. Christmas Eve.

The geographical location of the venue is set on a fairly busy high road. There are also a number of residential roads within close proximity of the venue. This is next to a bus stop however although this could help with dispersal it could also encourage guests loitering in the area. There are train stations within proximity to the venue which is a short walk away, this could help with dispersal however it could also result in being unsafe for intoxicated people with passing vehicles. This could also pose a danger to vulnerable guests which could enter and attend the venue if they cannot afford a room at the premises or a taxi later that night, this would be another high concern for police in relation to **VAWG** (violence against women & Girls) which is a priority topic at this current time to the point where the police are setting Ten new commitments on how to reduce this and public meetings are taking place in regards to this, the one for Haringey borough was held on 26<sup>th</sup> October.

We the police have assessed the application and the Operating schedule submitted by the applicant describing the steps intended to be taken in order to promote the four Licensing Objectives of:

- 1) The Prevention Of Crime and Disorder**
- 2) Public Safety**
- 3) The prevention of Public Nuisance**
- 4) The protection of children from Harm**

However, we the police have a number of concerns in regards to the applications. The concerns police have relate to the following:

- Sale by retail of alcohol for 24 hours for all residents and their guests.
- The management and safety of the roof top terrace.
- The Town hall square.

The plan for town hall square which was submitted is shown below and then following that is a picture from the front of the view of the square:

As you can see from the above this is extremely close to the road and the terminal hour for the supply of alcohol requested is 2300hours. This could prove dangerous for members of the public especially once intoxicated.

Further to this, the venue is imbedded on a busy high street with residents living in the vicinity to the venue. Without a substantial dispersal plan in place, it would give a detrimental effect on the immediate residents and impact their day to day life and this would be needed to stop the natural noise of intoxicated people leaving the venue at the early hours. The dispersal alone of people awaiting to leave whether on foot, by taxi, or by bus will still generate a loitering purpose within the location. This will be a permanent hour for the premises, it could cause a huge impact on local residents. Although you could argue that there is a bus stop directly outside the venue and that this will disperse people quickly, it also gives a route directly outside for more new comers/guests to come with a 24hour bar. What if residents are out for the evening and decide to bring back guests for further drinking i.e an after party? How will this be managed? With regards to bus's most time tables will be every 10 minutes IF there are no delays, however 10 minutes is a long time for party goes to disrupt the lively hood of locals, not to mention this could cause an increase on alcohol fuelled crime and disorder in the locality.

We therefore ask the following of the applicant

- 1) The Premises shall operate a dispersal policy and all staff shall be trained in its implementation. A copy of the policy and written records of this training shall be retained at the premises and made available to the Police or authorised officers of the Licensing Authority upon request. **What is the dispersal policy?**
- 2) The premises will operate a 24 hour security policy including the use of SIA door staff as required on a risk assessment basis. A copy of the security policy and risk assessment will be provided to the police licensing officer on request. **What is the 24 hour security policy?**
- 3) 24 hours of alcohol – why is this necessary? States this will be for residents only and their guests? **Is there a guest limit?** 68 rooms in the hotel, if they happen to be fully booked and you have a couple per room (2) people and they have 2 guests of their own this could increase numbers significantly, **how will this be managed?**
- 4) Are there any plans in regards to safety around the Town Square?
- 5) In regards to the roof top terrace, what provisions will be put in place to prevent any horrific accidents, eg someone falling from the top.

### In summary

We the Police **object** to the below points in the applications under **Prevention of Crime and Disorder and Prevention of public nuisance.**

- 1) To amend the approved plan to:
  - Add Hornsey Town Hall Square
  - Add Roof Terrace on Roof.
- 2) 24 hours sale of alcohol to residents and their guests.

Although the business itself have previous successful venues in London, that does not go to say that this location will be the same.

It is feared that without a detailed plan this may not be able to be managed. If there is not a limit to guests from each resident, the numbers could get significantly high quickly. If this is not booked in advanced this may be too late to conduct a risk assessment early enough do have adequate security as stated in the applicants operating schedule. As an example, should residents return to the venue after a night out with guests to further their evening, at the time of entry the venue staff may not feel that they are too intoxicated however, each individual have their own drinking limits and quite often it is just that one extra drink that puts them into a dangerous state for themselves. It may seem that it is just one drink but the effects of alcohol can be the same of which a drug would give, it effects a person cognitive functions.

**Furthermore the police give the applicant to respond to this representations with conditions which can rectify and dissolve these concerns. Should the applicant take away these concerns the police will withdraw their representations. Please respond no later than SUNDAY 19<sup>th</sup> NOVEMBER 2023.**

I reserve the right to provide further information to support this representation.

**Subject:** Hornsey Town Hall Licensing application

Hi,

I am writing to lodge my very strong objections to the current licensing application for Hornsey Town Hall. Not only does what is being asked for seem completely out of kilter with what is offered at other well established and well-loved venues, Kings Head, The Queens etc, but it also has to be taken into account that the town hall is slap bang in the middle of a FAMILY RESIDENTIAL area AND the proposed exits are already causing considerable light pollution and daytime noise for residents at the top of Weston Park. Amplifying this noise and light with music, alcohol, conversation, cigarette smoke and everything else that goes with later licenses is complete untenable.

A license that runs til 11.30pm Monday - Wednesday and 1.30am Thursday to Saturday is completely unacceptable in the middle of a family residential area where children will be sleeping within a few metres of the venue and the exits from 7pm and adults who all work will be sleeping from 10pm at least. You would not approve this at the well established pubs in the area and to do so here would be inconsiderate, unfair and greedy in the extreme.

A 24 hour license on New Years Eve is completely over the top - are we just expected not to sleep at all - a total disgrace. No. Absolutely no to this.

I object to this license application in the strongest of terms and suggest that it is adjusted to bring it in line with the fact that these venues are within metres of sleeping residents. Residents who bought their residences before the corrupt sale of this beautiful landmark. Residents who pay a premium to live and make adjustments to their houses in a conservation area when it seems the council is not bound by its own laws.

If the licenses are granted i will not stop appealing rallying or making a general nuisance of myself until the residents who pay their council tax at an absolute premium in this area are considered. Such activity would put any fledgling businesses at risk. My advice is to work with the residents to ensure they are not forced to try and shut new businesses down before they even establish themselves.

**Subject:** Hornsey Town Hall Licensing Application

To whom it may concern

I would like to object to the proposed extension of licensing hours at the Hornsey Town Hall.

Please see in [blue](#) below.

Crouch End is, essentially, a local residential area, with many families and people who have to get up early for work. It is not suitable for late night bars, entertainment and drinking. The idea we were 'sold' is that it is a community arts centre, and indeed that is what they would like the new name to be. A community arts centre should not have late night drinking and entertainment every night of the week, disturbing the very community it is supposed to engage with.

This application is unsuitable to the area, and late night licenses will result in significant disturbance to local residents. The Town Hall Square is supposed to be available to residents, yet the application will make it unusable for local people and families for 28 days in July and August. It will create litter, noise and a unsafe environment for local people in their own locality.

I would appreciate acknowledgement of receipt of this email.

Many thanks  
Sharon

1. to license the Town Hall Square for the sale of alcohol for consumption on and off the premises 10am to 11pm for one weekend a month, 14 days in each month July to August and 14 days in December and from 10am to 1am on New Years Eve with 24 hours opening to the public for the Town Hall Square. [28 days over a two month period in July and August is too much and would create too much disturbance at a time when windows are open etc. It would also prevent use of the space by families and children at the time of year it should be most available.](#)

2. to license the Town Hall Square for the provision of Regulated Entertainment 10am to 9pm for one day a month, 14 days in each month July to August and 14 days in December and from 10am to 1am on New Years Eve with 24 hours opening to the public for the Town Square. 28 days over a two month period in July and August is too much and would create too much disturbance at a time when windows are open etc. It would also prevent use of the space by families and children at the time of year it should be most available.
3. to extend the hours for various forms of Regulated Entertainment in parts of the building to 10am to 11.30pm Mondays to Wednesday, This is too late on the working day. People will leave the building after midnight and create disturbance in the local street. 11.00 pm would be more appropriate. 10am to 1.30am Thursday to Saturday and 10am to 10.45pm Sunday and to extend the hours for Late Night Refreshment in various parts of the building to 11pm to 11.30pm Monday to Wednesday, This is too late on the working day. People will leave the building after midnight and create disturbance in the local street. 10.30 pm would be more appropriate. 11pm to 1.30am Thursday to Saturday. This will mean that on 3 days per week members of the public will leave the building and roam the streets at 2am This is far too late and will cause major disturbance . And on Sundays, again a day before the working week, and for some people a day of quiet, people will leave the building too late.
4. to permit the consumption of alcohol and the showing of films with no audible dialogue or music on the roof terrace 10am to 11pm Mondays to Saturdays and 10am to 10.45pm Sundays. These hours are, again, too late. People will leave the building too late, and in spite of no audible dialogue or music, the sounds of a bar will be spread over a considerable area. This should never be later than 10pm daily and 9pm on Sunday.
5. to extend the hours in the whole of the premises on Bank Holidays and the day before a Bank Holiday for Regulated Entertainment and the sale of alcohol to 10am to 1.30am and for Late Night Refreshment to 11pm to 1.30am with opening 7am to 2am. Too late, Too noisy and disruptive and will prevent the use of the square and premises to families and the community.
6. to extend the hours in the whole of the premises on New Year's Eve for the provision of all licensable activities from the end of permitted hours on New Years Eve to the start of permitted hours on New Year's Day. This indicates the true intentions of this organisation. To have people drinking for 36 hours at New Year is ridiculous for a residential area. Disruptive and disturbing to the whole area.

7. to extend the hours in the Supper Room for the provision of Regulated Entertainment and sale of alcohol on Thursdays to Saturdays to 10am to 2am (currently the latest terminal hour for Regulated Entertainment and the sale of alcohol is midnight on a Thursday and 1.30am Fridays and Saturdays), other days of the week to extend the hours for various forms of Regulated Entertainment in the Supper Room to correspond with those currently permitted for the sale of alcohol in the Supper Room, with opening hours extended to 2.30am on Thursday (currently 12.30am) and to 2.30am Fridays and Saturdays (currently 2am) [The current hours are sufficient. This is far too late for a local residential area](#)

**Subject:** Licensing for the new town hall alcohol and entertainment.

I live in weston pk. just next to the new town hall development, a few feet away.

I raise my strong objection to grant licensing for the extension of drinking hours and the entertainment which will shutter the peace of our neighborhood which we have joked so far.

Please respect the environmental integrity of our community.

Thanks
