Report authorised by : Daliah Barrett-Licensing Team Leader – Regulatory Services.

Ward(s) affected: Bounds Green

Report for Key/ Non Key Decision: Not applicable

1. **Describe the issue under consideration**

1.1 This report relates to an application for a new premises licence by Mr Michael Lambrou.

1.2 The application seeks the following:

Sale of Alcohol

Monday to Sunday 1000 to 2300 hours

Supply of alcohol **ON** the premises.

Hours open to Public

Monday to Sunday 0900 to 2359 hours

1.3 The application can be found at - **Appendix A.**

1.4 **Representations have been received from:**

Met Police- accepted- now withdrawn. App B
Licensing Authority RA – accepted - now withdrawn – App C.
Planning Authority – accepted – now withdrawn- App D
There are representations from residents and Cllr Arkell at App E.

The applicant has accepted all the representation submitted by the Responsible Authorities.

1.5 **Recommendation**

In considering the representations received and what is appropriate for the promotion of the licensing objectives, the steps the Sub-Committee can take are:

- Grant the application as requested
- Grant the application whilst imposing additional conditions and/or altering in any way the proposed operating schedule.
- Exclude any licensable activities to which the application relates
- Reject the whole or part of the application

Members of the licensing sub committee are asked to note that they may not modify the conditions or reject the whole or part of the application merely

because it considers it desirable to do so. It must be appropriate in order to promote the licensing objectives.

2 Background

- 2.1 The premises is situated in a terrace of shop units with residential above . The Planning Officers representation is important to the application as Mr Lambrous intent was to operate a social club for men only. The Planning representation and intervention from the officer has made clear that would be contrary to the planning permission and the premoses must operate as café that is open to all and does not have any membership requirements.

3 Licensing Policy

- 3.1 The committee will also wish to be aware of the guidance issued under section 182 of the Licensing Act 2003. Licensing is about regulating the provision of licensable activities on licensed premises, by qualifying clubs and at temporary events within the terms of the Licensing Act 2003. The terms and conditions attached to various permissions are focused on matters which are within the control of individual licensees and others granted relevant permissions. Accordingly, these matters will centre on the premises and places being used for licensable activities and the vicinity of those premises and places.
- 3.2 The objective of the licensing process is to allow for the carrying on of retail sales of alcohol and the prevention of public nuisance, prevention of crime and disorder, public safety and protection of children from harm. It is the Licensing Authority's wish to facilitate well run and managed premises with licence holders displaying sensitivity to the impact of the premises on local residents.
- 3.3 In considering licence applications, where relevant representations are made, this Licensing Authority will consider the adequacy of measures proposed to deal with the potential for public nuisance and/or public disorder having regard to all the circumstances of the case.
- 3.4 Where relevant representations are made, this authority will demand stricter conditions with regard to noise control in areas that have denser residential accommodation, but this will not limit opening hours without regard for the individual merits of any application. This authority will consider each application and work with the parties concerned to ensure that adequate noise control measures are in place. Any action taken to promote the licensing objectives will be appropriate and proportionate.
- 3.5 This Licensing Authority in determining what action to take will seek to establish the cause of concern and any action taken will be directed at these causes. Any action taken to promote the licensing objectives will be appropriate and proportionate.
- 3.6 Where relevant representations are made, this authority will demand stricter conditions with regard to noise control in areas that have denser residential accommodation, but this will not limit opening hours without regard for the individual merits of any application. This authority will consider each application and work with the parties concerned to ensure that adequate noise control measures are in place
- 3.7 Also The Licensing Authority may not impose conditions unless its discretion has been exercised following receipt of relevant representations and it is satisfied as a result of

the hearing that it is appropriate to impose conditions to promote one or more of the four licensing objectives. Therefore conditions may not be imposed for the purpose other than promoting the licensing objectives and in some cases no additional conditions will be required.

- 3.8 In cases Members should make their decisions on the civil burden of proof, that is the balance of probability.
- 3.9 Members should consider in all cases whether or not primary legislation is the appropriate method of regulation and should only consider licence conditions when the circumstances in their view are not already adequately covered elsewhere.
- 3.10 The Government has advised that conditions must be tailored to the individual type, location and characteristics of the premises and events concerned. Conditions cannot seek to manage the behaviour of customers once they are beyond the direct management of the licence holder and their staff.
The Councils Licensing policy generally expects applicants to address the licensing objectives and discuss how to do this with the relevant responsible authorities.

4 Licensing hours

- 4.2 Where relevant representations are made, the Council will consider the proposed hours on their individual merits. Notwithstanding this, the Council may require stricter conditions in areas that have denser residential accommodation to prevent public nuisance. The Council will endeavour to work with all parties concerned in such instances to ensure that adequate conditions are in place. The Council may restrict the hours that certain premises can offer alcohol for sale for consumption off the premises for preventing crime, disorder and nuisance.

5 Powers of a Licensing Authority

- 5.1 The decision should be made with regard to the Secretary of the State's guidance and the Council's Statement of Licensing Policy under the Licensing Act 2003. Where the decision departs from either the Guidance or the Policy clear and cogent reasons must be given. Members should be aware that if such a departure is made the risk of appeal / challenge is increased.
- 5.2 The licensing authority's determination of this application is subject to a 21 day appeal period or if the decision is appealed the date of the appeal is determined and /or disposed of.

6. Other considerations

Section 17 of the Crime and Disorder Act 1998 states:

"Without prejudice to any other obligation imposed on it, it shall be the duty of each authority to which this section applies to exercise its various functions with due regard to the likely effect of the exercise of those function on, and the need to do all that it reasonably can to prevent crime and disorder in its area".

6.1 Human Rights

While all Convention Rights must be considered, those which are of particular relevance to the application are:

- Article 8 – Right to respect for private and family life.
- Article 1 of the First Protocol – Protection of Property
- Article 6(1) – Right to a fair hearing.

- Article 10 – Freedom of Expression

Hours open to Public

Monday to Sunday 0900 to 2359 hours

We are uncomfortable with the requested timings given that the premises are embedded within a residential area with properties above the location, adjacent and both sides' therefore terminal times of 2300 hours weekdays and weekends would negatively impact the resident's quiet enjoyment of their homes which is their right.

We therefore propose the following Timings: which are in agreement with those submitted by the local authority

The times the Licence authorises the carrying out of licensable activities:

Sale of alcohol:
Monday to Sunday, 1000hrs to 2200hrs
Supply of alcohol ON the premises.
Hours open to the public: Monday to Sunday-0900hrs to 2230hrs

In addition we are of the opinion that the submitted operating schedule in regards to the measures that will be taken to uphold the four licensing objectives are sparse in content and generic and lack specificity and we would request the following be added to the operating schedule to be included on the final licence.

Proposed conditions:

1. All staff involved in the sale of alcohol shall receive induction and refresher training relating to the sale of alcohol and the times and conditions of the premises licence.
2. All training relating to the sale of alcohol and the times and conditions of the premises licence shall be documented and records kept at the premises. These records shall be made available to the Police and/or Local Authority upon request and shall be kept for at least one year.

4. A written record of refused sales shall be kept on the premises and completed

When necessary. This record shall be made available to Police and/or the Local Authority upon request and shall be kept for at least one year from the date of the last entry.

5 .No alcoholic drinks or glass containers shall be taken out onto the public highway.

8. Patrons permitted to temporarily leave and then re-enter the premises, e.g. to smoke, shall not be permitted to take drinks or glass containers with them.

REPRESENTATION LETTER

Dear Sir,

LICENSING ACT 2003 – Application for a New Premises Licence – 78 MYDDLETON ROAD LONDON N22.

The Licensing Authority are making representation on this application as the premises has come to the attention of the Authority for operating as a social club for men only and providing illegal gaming machines and gambling.

We also note that the premises does not have Planning permission to be used as a social club and note that these matters have been made clear to the operator.

The hours being sought are considered very late for the premises which has residential property directly above it and also that back onto it. The prevention of public nuisance has not been properly thought through with the late hours being requested.

The Licensing Authority consider that a reduction in hours is required in order to address the need to prevent public nuisance.

It is also unclear if there is a rear garden at this location but in any event it is not included in the plans submitted.

The Licensing Authority wish to propose the following conditions and amendments:

Traditional Cafe and Tea House

78 Myddleton Road, Wood Green, London N22 8NQ

Sale of alcohol: Monday to Sunday, 10am to 2200pm

Supply of alcohol ON the premises.

Hours open to the public: Monday to Sunday, 9am to 2230pm

The premises cannot be operated as a social club for men only.
The premises shall open to the general public at the hours shown above.

Alcohol shall only be sold ancillary to patrons consuming a meal and seated at tables.

No gambling will be permitted onsite.
No gaming machines permitted onsite.

The windows of the premises will be clear to enable a view from the street into the premises.

1. All staff involved in the sale of alcohol shall receive induction and refresher training (at least every three months) relating to the sale of alcohol and the times and conditions of the premises licence.
2. All training relating to the sale of alcohol and the times and conditions of the premises licence shall be documented and records kept at the premises. These records shall be made available to the Police and/or Local Authority upon request and shall be kept for at least one year.
3. A 'Think 25' proof of age scheme shall be operated and relevant material shall be displayed prominently within the Premises – including in a visible location.
4. A written record of refused sales shall be kept on the premises and completed when necessary. This record shall be made available to Police and/or the Local Authority upon request and shall be kept for at least one year from the date of the last entry.
5. alcoholic drinks or glass containers shall be taken out onto the public highway.
6. The premises licence holder shall ensure that the area immediately outside the premises is kept clean and free from smoking related litter at all material times to the satisfaction of the Licensing Authority.
8. Notices shall be prominently displayed at all exits requesting patrons to respect the needs of local residents and businesses and leave the area quietly.
9. The Premises shall install and maintain a comprehensive CCTV system which shall comply with minimum requirements agreed between the Licensee and the Metropolitan Police Service Licensing Officer.
10. The CCTV shall cover all entry and exist points (including the 'smoking area') enabling identification of every person entering the Premises at any time of day and irrespective of lighting conditions. The positioning of the CCTV cameras shall be agreed between the Licensee and a Metropolitan Police Service Licensing Officer prior to the opening of the Premises.
11. The CCTV system shall continually record whilst the Premises are open for licensable activities and during all times when customers remain on the Premises. All recordings shall be stored for a minimum of 31 days with date and time stamping on the footage.
12. A staff member from the premises who is conversant with the operation of the CCTV system shall be on the premises at all times the premises are open to the public. This staff member must be able to provide a Police Officer or an authorised officer of the Licensing Authority with copies of recent CCTV images or data with the minimum of delay when reasonably requested.

We are unclear at this time if there is a rear garden area. Please provide clarification on this matter.

The licensing process is NOT an alternative to Planning and does not override Planning law.

Regards
Licensing Authority

Dear Jhon,

I discuss with client, premises is traditional Cafe and tea house for general public, they not going to members only or register member membership card..etc. there is going to open for general public.

I also forward this mail to licensing authorities,
Many thanks for your co-operation.

Kindly Regards

Cohan Zedek(agent),

Hi Cohan

Many thanks for your time on the phone earlier.

Please forward the email to Michael.

Further to the conversation with Michael and yourself and the discussion regarding the café as above.

As I said to Michael, the entry on the Licensing Application that you have submitted to LB Haringey states in Part 3 Operating Schedule that the premises are to be used as a:-

Traditional Café and Tea house (geer) Members only.

We have discussed the planning merits of the proposal and I explained that the use as a Members Only Club (whether by age, nationality etc.) that restricts access to the general public would require planning approval.

Michael has said to me on at least two occasions that it was not intended that the premises should be as Members Only.

Please therefore confirm by return email that the use will allow access to any member of the public during opening hours to purchase teas, coffees etc.

You stated that you will inform Licensing of this revision.

Please do not restrict specific times for specific activities to take place, as this would restrict general public access.

Michael has also stated that it is his intention to put a wooden hand painted sign (non-illuminated) above the premises as M & M Café.

I have asked him to let me see the sign prior to any fitting etc, to ensure that it meets with the shop front and the Conservation Area requirements.

Kind regards

John

Subject: Comments re application for 78 Myddleton Road

Dear Licensing Dept,

I write as a local resident, someone who regularly uses Myddleton Road and who has known it for over two decades.

The application calls this a "Traditional café and tea house". I dare to suggest that this is not actually what is intended, but that it will be another men's drinking establishment. There are other cafes on the street where men (as well as women) can go.

Any new licence must "not be detrimental to the viability of Myddleton Road as a local shopping centre." There are already two Men's Drinking Clubs on the shopping part of the road, and a number of other establishments where men gather outside and make it difficult and often worrying for women to walk along the pavement. A third exclusively male drinking establishment is indeed detrimental to the road as a local general shopping centre. We are lucky that a few new shops have recently opened, and this must be encouraged.

It can also be argued that groups of men who have been drinking, either gathered outside or coming out in groups can also be a public nuisance and even lead to crime and disorder.. Some of the women who work on the road are indeed worried by these groups. It is also not at all ideal for it to be next door to a nursery school and staff are already worried.

I strongly object to this application and hope that Haringey supports the viability of this local shopping centre that the community – and the Council – has spent many years and much money improving.

Yours sincerely
Caroline Simpson

Dear Sir/Madam,

We Love Myddleton Road would like to strongly object **to the alcohol licence application for "Traditional Cafe and Tea House (Greek)" at 78 Myddleton Road, Wood Green, London N22 8NQ on the grounds of:**

- the prevention of crime and disorder
- the prevention of public nuisance
- public safety

The proposal for another licensed members only club on Myddleton Road would add to the two existing members only clubs - Bar Nicosia and New Salamis on the street and the recently closed clubs at 94 and 75 Myddleton Road. The presence of these de facto male clubs has created an intimidating atmosphere for women on the street, so much so that this was one of the main reasons that Women's' Safety was selected as the number one priority for the next few months for the Bounds Green Ward at the recent Bounds Green Safer Neighbourhood Team Ward Panel Open Meeting on Monday 22 January.

In addition, the opening of the club at No.78 has coincided with the neighbouring premises at No. 80 covering the majority of its frontage with opaque film, reportedly because of concerns about the clientele from No.78.

We also have concerns about the record of the owner of No.78 "pushing the envelope" repeatedly with regards to the use of these premises and whether this would be repeated should they obtain an alcohol license. The most recent planning application to Haringey for No.78 (HGY/2023/1772) was for a single one bedroom flat with additional office accommodation, plus the retail unit to be used as a public cafe. In fact, the public cafe has been acting as a private members club since that time despite assurances to the Haringey Planning Department that it was actually a public cafe. This alcohol license application seems to confirm that the applicant is at the very least looking to use it as a private club in the future if they are not doing so at the present.

Closer examination of HGY/2023/1772 would we believe reveal to a more sceptical viewer that what are labelled as a one bedroom flat and office accommodation may well be used as a two bedroom flat and a further single bedroom flat. When the front of the premises was not curtained off domestic appliances could indeed be seen in the "office accommodation".

Finally, there is unease in the local community about objecting to this application because the details of objectors are made publicly available. We believe that this demonstrates deep-seated concerns about the premises and should be grounds for concern in and of itself.

We believe that there is sufficient evidence available to demonstrate that the granting of an alcohol license to these premises could increase public nuisance and crime & disorder and endanger public safety so the license should be refused.

Yours faithfully,

Daniel Cowan

Co-chair, We Love Myddleton Road

1.4 **Representations have been received from:**

Noise Team RA – accepted - now withdrawn – App B.

There are representations from residents in support of the variation. – App C

Representations against the variation – App D.

1.5 **Recommendation**

In considering the representations received and what is appropriate for the promotion of the licensing objectives, the steps the Sub-Committee can take are:

- Grant the application as requested
- Grant the application whilst imposing additional conditions and/or altering in any way the proposed operating schedule.
- Exclude any licensable activities to which the application relates
- Reject the whole or part of the application

Members of the licensing sub committee are asked to note that they may not modify the conditions or reject the whole or part of the application merely because it considers it desirable to do so. It must be appropriate in order to promote the licensing objectives.

2 Background

- 2.1 The premises is situated in the Scotland Green cul-de-sac. There are residential properties surrounding the premises. There is another pub a few metres away called the Two Brewers but this pub only operates on Spurs home match days. The area also has another pub called The Bluecoats that is a late night venue.
- 2.2 The Planning Officer has advised that the current planning permission are as follows and that any increase in those hours will require an application to Planning for a change in the conditions:

“See condition 3 attached to HGY/1991/0554 in regards to sound from the site:

3. No music, live concerts or other amplified sound shall emanate from the site which, in the opinion of the Environmental Health Service acting on behalf of the Local Planning Authority, cause nuisance to any adjacent occupier after 2300 on any day.
Reason To ensure the proposed development does not impinge on the amenities of adjacent occupiers.

Any proposal to play music, live concerts or amplified sound after 2300 on any day requires planning permission as per the above”

- 2.3 The LSC is reminded that it is the variation being sought that is under consideration.

3 Licensing Policy

- 3.1 The committee will also wish to be aware of the guidance issued under section 182 of the Licensing Act 2003. Licensing is about regulating the provision of licensable activities on licensed premises, by qualifying clubs and at temporary events within the terms of the Licensing Act 2003. The terms and conditions attached to various permissions are focused on matters which are within the control of individual licensees and others granted relevant permissions. Accordingly, these matters will centre on the premises and places being used for licensable activities and the vicinity of those premises and places.
- 3.2 The objective of the licensing process is to allow for the carrying on of retail sales of alcohol and the prevention of public nuisance, prevention of crime and disorder, public safety and protection of children from harm. It is the Licensing Authority’s wish to facilitate well run and managed premises with licence holders displaying sensitivity to the impact of the premises on local residents.
- 3.3 Cumulative impact has been used as a term to describe the stress that a number of licensed premises can have on crime and disorder, nuisance and the impact on nearby residents. It is often not that licensed premises on their own are operating in a way that is detrimental to the licensing objectives, but it is the accumulation of the premises and the people attending them creates the increased problems and demands on services. Cumulative impact can occur either in the area where the premises are located or some distance away from them. The issue of cumulative impact occurs due to the number of

people in the area frequenting the licensed premises.

- 3.4 In considering licence applications, where relevant representations are made, this Licensing Authority will consider the adequacy of measures proposed to deal with the potential for public nuisance and/or public disorder having regard to all the circumstances of the case.
- 3.5 Where relevant representations are made, this authority will demand stricter conditions with regard to noise control in areas that have denser residential accommodation, but this will not limit opening hours without regard for the individual merits of any application. This authority will consider each application and work with the parties concerned to ensure that adequate noise control measures are in place. Any action taken to promote the licensing objectives will be appropriate and proportionate.
- 3.6 This Licensing Authority in determining what action to take will seek to establish the cause of concern and any action taken will be directed at these causes. Any action taken to promote the licensing objectives will be appropriate and proportionate.
- 3.7 Where relevant representations are made, this authority will demand stricter conditions with regard to noise control in areas that have denser residential accommodation, but this will not limit opening hours without regard for the individual merits of any application. This authority will consider each application and work with the parties concerned to ensure that adequate noise control measures are in place
- 3.8 Also The Licensing Authority may not impose conditions unless its discretion has been exercised following receipt of relevant representations and it is satisfied as a result of the hearing that it is appropriate to impose conditions to promote one or more of the four licensing objectives. Therefore conditions may not be imposed for the purpose other than promoting the licensing objectives and in some cases no additional conditions will be required.
- 3.9 In cases Members should make their decisions on the civil burden of proof, that is the balance of probability.
- 3.10 Members should consider in all cases whether or not primary legislation is the appropriate method of regulation and should only consider licence conditions when the circumstances in their view are not already adequately covered elsewhere.
- 3.11 The Government has advised that conditions must be tailored to the individual type, location and characteristics of the premises and events concerned. Conditions cannot seek to manage the behaviour of customers once they are beyond the direct management of the licence holder and their staff.
The Councils Licensing policy generally expects applicants to address the licensing objectives and discuss how to do this with the relevant responsible authorities.

4 Licensing hours

- 4.2 Where relevant representations are made, the Council will consider the proposed hours on their individual merits. Notwithstanding this, the Council may require stricter conditions in areas that have denser residential accommodation to prevent public nuisance. The Council will endeavour to work with all parties concerned in such instances to ensure that adequate conditions are in place. The Council may restrict the hours that certain premises can offer alcohol for

sale for consumption off the premises for preventing crime, disorder and nuisance.

5 Powers of a Licensing Authority

- 5.1 The decision should be made with regard to the Secretary of the State's guidance and the Council's Statement of Licensing Policy under the Licensing Act 2003. Where the decision departs from either the Guidance or the Policy clear and cogent reasons must be given. Members should be aware that if such a departure is made the risk of appeal / challenge is increased.
- 5.2 The licensing authority's determination of this application is subject to a 21 day appeal period or if the decision is appealed the date of the appeal is determined and /or disposed of.

6. Other considerations

Section 17 of the Crime and Disorder Act 1998 states:

"Without prejudice to any other obligation imposed on it, it shall be the duty of each authority to which this section applies to exercise its various functions with due regard to the likely effect of the exercise of those function on, and the need to do all that it reasonably can to prevent crime and disorder in its area".

6.1 Human Rights

While all Convention Rights must be considered, those which are of particular relevance to the application are:

- Article 8 – Right to respect for private and family life.
- Article 1 of the First Protocol – Protection of Property
- Article 6(1) – Right to a fair hearing.
- Article 10 – Freedom of Expression

Subject: RE: Application for a Variation of a Premises Licence- The Victoria Tottenham, 34 Scotland Green, Tottenham, London N17 9TT (WK/596408)

Dear Licensing Team

RE Application for a Variation of a Premises Licence- The Victoria Tottenham, 34 Scotland Green, Tottenham, London N17 9TT (WK/596408)

Having reviewed the application, I don't foresee any issues with the variation application for the extension of hours on a Friday but we have had previous complaints regarding loud music and people noise from patrons from the premises, whilst these have not been sustained and given that the premises is situated in a heavily residential area, I recommend the following conditions be added to the licence to cover the four licensing objectives which have been agreed by the applicant. (see attached email)

Prevention of crime & disorder

- A digital CCTV system to be installed in the premises and cameras must be sited to observe the entrance doors from both inside and outside.
- Cameras on the entrances must capture full frame shots of the heads and shoulders of all people entering the premises i.e. capable of identification.
- Cameras must be sited to cover all areas to which the public have access including any outside smoking areas.
- Provide a linked record of the date, time of any image.
- good quality images - colour during opening times.
- Have a monitor to review images and recorded quality.
- Be regularly maintained to ensure continuous quality of image capture and retention.
- Member of staff trained in operating CCTV at venue during times open to the public.
- Digital images must be kept for 31 days. The equipment must have a suitable export method, e.g. CD/DVD writer so that Police can make an evidential copy of the data they require. Copies must be available within a reasonable time to Police on request
- An incident logbook shall be kept at the Premises and made available on request to a police officer or authorised officer of the Licensing Authority. The logbook shall record the following and should be completed within 24 hours of the incident:
 - (a) all crimes reported to the IN
 - (b) All ejections of patrons;
 - (c) Any complaints received;
 - (d) Any incidents of disorder at or associated with the premises.
 - (e) All seizures of drugs and offensive weapons;
 - (f) Any faults in the CCTV system.
 - (g) Any refusal of the sale of alcohol
 - (h) any visit by a relevant authority or emergency service.
-

Prevention of public nuisance

- Amplified music and bass shall not be played at a level that will cause unreasonable disturbance to the occupants of any properties in the vicinity.

- No music will be played in, or for the benefit of patrons in any external areas of the premises, including the rear garden.
- The use of the rear garden area shall terminate at 2230 hrs on days when regulated entertainment is being provided.
- All windows and external doors shall be kept closed after 22:30 hours, or at any time when regulated entertainment takes place, except for the immediate access and egress of persons.
- Regulated entertainment shall cease at 00:30 on Fridays.

The Protection of Children from harm

- A 'Think 25' proof of age scheme shall be operated and relevant material shall be displayed prominently within the Premises – including in a visible location: (a) At the entrance to the Premises; (b) Behind the bar; (c) In any other area where alcohol can be purchased by a customer.
- A written record of refused sales shall be kept on the premises and completed when necessary. This record shall be made available to Police and/or the Local Authority upon request and shall be kept for at least one year from the date of the last entry.

To whom it may concern,

I am writing this to show my support of the application for a variation in Licence. I live in the flat directly above the Victoria Free House pub (34 Scotland Green, N17 9TT)

Since reopening under new management, the pub has become a real community asset and the dedicated team has revived a community pub, making the neighbourhood safer in the process. The streets are cleaner and the pub is very warm and inviting.

They have also done a lot for the local community through fundraising and community events and I want to ensure that the pub is able to thrive long into the future.

Yours sincerely,

Mondì Hoxha

Subject: In support of an extended license for The Victoria Public House, Scotland Green N17

To Whom It May Concern:

It has come to my attention that Ms Sarah Holgate, the licensee of The Victoria public house on Scotland Green, N17, has applied for an extension of her licence on Friday evenings, until 1:00am.

I live just the other side of Hartington Park from the pub's location on Scotland Green, approximately 1,200 feet from the premises. I am writing to express my full support for this application. Since re-opening just over one year ago, The Victoria has very much become a welcome addition to the local community. It is now a gathering place for local residents and appears to have far more patrons than it did previously. It is a "safe space" where everyone feels welcome, and the presence of pub patrons has had a positive effect on reducing anti-social behaviour on Scotland Green, something that the area has been known for in the past. This has also extended to making Hartington Park feel safer in the evenings after dark, as there is increased foot traffic in the area.

Ms Holgate, and by extension The Victoria, has been at the heart of organising local fetes, such as for His Majesty The King's coronation last May as well as another one later in the year and supporting a lovely Christmas tree at the junction of Scotland Green and the High Road.

In addition to being the landlady at The Victoria, Ms Holgate is also a local resident, and absolutely has the best interests of the community at heart. Granting this application would further allow her to continue with her efforts to provide a gathering place for the North Tottenham community, as well as simply making it a nicer place to live.

Sincerely,

Joshua Cogger

Subject: letter of support - licence variation - The Victoria

To Whom it May Concern,

I want to support this variation of the Victoria pub licence.

- The pub is well run by the new young owners and management team
- The area is safer when there are more pubs open, not less.
- The pub has been running under new ownership for a year with no complaints
- My customers have never complained about their operations.
- They keep the pub in good order and serve the local community.

I own and operate the Two Brewers in Scotland Green and understand just what it takes to keep a pub running and supporting the licensing objectives. The Victoria does all of this and more. Please grant them one extra hour trading per week. They are not asking for much and having operated here already for a year, are a known quantity.

Thank you,

To Whom it may Concern

I am writing to express my full support for the application submitted by The Victoria for a weekend late licence. As a regular patron of this establishment and an active member of the local community, I am confident that granting this licence will not only benefit the pub but also enhance our community spirit and engagement.

The Victoria is more than just a place to grab a drink; it is a vital hub for our community. The pub has a long-standing tradition of hosting events that bring our neighbourhood together. From coronation celebrations to street parties with the local steel band, stalls and Christmas fairs, the pub has consistently demonstrated its commitment to fostering a sense of belonging and camaraderie among residents.

One of the pub's standout features is its weekly quiz night, which has become a beloved tradition for many families in our area. The inclusive atmosphere, where both adults and children, as well as furry friends, are welcome, contributes to the warm and inviting vibe that defines The Victoria . Families can enjoy quality time together while engaging in friendly competition, and children have access to games and entertainment that keep them entertained throughout the evening.

The staff at the Victoria pub are exceptional in their role, consistently providing friendly and welcoming service to patrons. Their proficiency in their duties enhance the overall experience for customers creating a positive and memorable environment for all who visit.

Furthermore, the pub's versatile space, including the Clubhouse at the back available for rent, provides ample opportunities for hosting a variety of celebrations and events. Whether it's a child's birthday party, a wedding reception, a milestone anniversary, or a community fundraiser, The Victoria offers a welcoming environment that can accommodate gatherings of all sizes and purposes.

In conclusion, I believe that granting The Victoria a weekend late licence will not only support the growth and sustainability of this community institution but also contribute to the overall well-being and cohesion of our neighbourhood. I respectfully urge you to consider this application favourably, knowing that it will enrich the lives of countless residents and visitors alike.

Thank you for your attention to this matter.

Sincerely

Dear Sir,

My name is Alan Blake and I live in Scotland Green and this new management of the pub are doing great things for the street. They do loads for the community with free use of the function room for everyone not just the football crowds once a week. The street benefits from their operating procedures and I have never heard any noise outbreak. They are very careful custodians and are only asking for an extra hour. We have never had a problem with them.

Please grant this variation.

Alan

Subject: Concerns Regarding Extension of The Victoria Pub License Hours

To whom this may concern,

I hope this email finds you well. I am writing to express my opposition to the proposed extension of The Victoria's pub's license hours to 1 am on Fridays which many of my neighbours share.

Whilst I understand the importance of supporting local businesses, extending the pub's operating hours is likely to have several detrimental effects on our community.

As a resident living directly opposite the pub, I am deeply concerned about the potential increase in noise levels, accumulation of rubbish, and the impact on the safety and well-being of local residents, particularly on match and event days at the stadium.

The current closing time on Saturdays at 1am already poses challenges for residents, especially regarding noise disturbances during late hours. Extending the license hours would only exacerbate this issue, making it difficult for residents to enjoy a peaceful environment in their own homes.

Furthermore, an extended license could lead to an increase in littering and other forms of environmental degradation, as people leaving the pub later may be more inclined to discard their waste improperly.

This not only affects the aesthetic appeal of our neighborhood but also poses a threat to the local ecosystem.

Most importantly, there are serious concerns regarding the safety of local residents, particularly in relation to the potential for increased instances of public intoxication and anti-social behavior.

There have already been reports of people using flat entrances as makeshift toilets, which is not only unsanitary but also poses health risks to residents.

In light of these concerns, I urge you to carefully reconsider the proposal to extend the pub's license hours. It is essential that the interests and well-being of local residents are prioritized in any decision-making process related to licensing.

Thank you for your attention to this matter.

I look forward to hearing your response and hope that we can work together to find a solution that benefits all members of our community.

Sincerely,

Subject: Concerns regarding extension of the Victoria Pub licence hours

Hi,

Whilst I understand the importance of supporting local businesses, extending the pub's operating hours is likely to have several detrimental effects on our community.

As a resident of the area, I am deeply concerned about the potential increase in noise levels, accumulation of rubbish (as it is a big problem and we keep raising our concerns about that too) , and the impact on the safety and well-being of local residents, particularly on event days at the stadium.

The current closing time on Saturdays at 1am already poses challenges for residents, especially regarding noise disturbances during late hours. This becomes even more troublesome in summer months when we wish to open windows, our bedroom is facing Scotland Green. Extending the license hours would only exacerbate this issue, making it difficult for residents to enjoy a peaceful environment in their own homes.

Furthermore, an extended license could lead to an increase in littering and other forms of environmental degradation, as people leaving the pub later may be more inclined to discard their waste improperly. This not only affects the aesthetic appeal of our neighborhood but also poses a threat to the local ecosystem.

Most importantly, there are serious concerns regarding the safety of local residents, particularly in relation to the potential for increased instances of public intoxication and anti-social behavior. There have already been reports of people using flat entrances as makeshift toilets(we wash the walls quite often as stains are awful) which is not only unsanitary but also poses health risks to residents.

In light of these concerns, I urge you to carefully reconsider the proposal to extend the pub's license hours. It is essential that the interests and well-being of local residents are prioritized in any decision-making process related to licensing.

Thank you for your attention to this matter.

I look forward to hearing your response and hope that we can work together to find a solution that benefits all members of our community.

Dear haringey licensing committee,

I was recently made aware that the Victoria pub has applied for an extended license to be able to play music and serve alcohol until 1am Friday night/Saturday morning.

As a resident of the flats opposite the Victoria pub on Scotland Green, I would like to register my objection to this extension on the grounds of the anticipated disruption/nuisance that it would cause to local residents.

The close proximity of the premises means that any later opening/serving of alcohol presents an immediate threat to the way of life of the residents of nearby properties on Scotland Green, which house a number of families with young children. In addition to noise concerns, we have a very real and present issue with intoxicated persons regularly choosing to use the entrance ways to the flats as a place they can urinate due to it being out of sight from the high road.

This undesirable behaviour is vastly increased during match and event days at the Tottenham stadium, for which we have raised multiple complaints to local councillors. With Scotland Green serving as a regular route for event goers walking to Tottenham Hale station, and the increase now in matches and events that take place on a Friday evening, a later opening of the pub would undoubtedly attract and result in an increased level of this undesirable behaviour.#

Please note this is not attributing all the current issues to the Victoria. Rather, this is a general issue in the area, but one that would only be exacerbated by extended opening times.

On a related note, please can you advise as to the current licensing arrangements for the Bluecoats pub (614 High Rd, London N17 9TA)? I have been incredibly surprised to see them serving beer and cocktails recently in open containers to passers by on the high road before and after matches/events. Aside from the increased noise, littering, and other undesirable public behaviour, last weekend the crowd of people stood outside the pub drinking and waiting to be served was circa 30-40 people, completely blocking the pedestrian route on that side of the street and forcing passers-by to walk in the high road which is highly unsafe.

kind regards

Whilst I understand the importance of supporting local businesses, extending the pub's operating hours is likely to have several detrimental effects on our community.

Scotland Green is a highly populated residential area with people from all ages, backgrounds and demographics. We fully support the regeneration of the Victoria and welcome local businesses to the area, but having late licensed premises in such close proximity to many residences causes issues with littering, public urination and late night noise.

As a resident of the area, I am deeply concerned about the potential increase in noise levels, accumulation of rubbish, and the impact on the safety and well-being of local residents, particularly on match and event days at the stadium, and on evenings where the license is extended past midnight.

The current closing time on Saturdays at 1am already poses challenges for residents, especially regarding noise disturbances during late hours, due to drinking and loitering on the street after 10pm. Extending the license hours on a Friday evening too would only exacerbate this issue, making it difficult for residents to enjoy their right to a peaceful environment in their own homes, especially in the summer months when residents have windows and doors open to enjoy fresh air and alleviate the heat.

Most importantly, there are concerns regarding the potential for increased instances of public intoxication and anti-social behavior. There have already been reports of people using flat / house entrances as makeshift toilets, which is not only unsanitary but also poses health risks to residents.

In light of these concerns, I urge you to carefully reconsider the proposal to extend the pub's license hours. It is essential that the interests and well-being of local residents are prioritised in any decision-making process related to licensing.

Thank you for your attention to this matter, I look forward to hearing your response.

Hi there,

Please can you withhold my personal details when you publish everyones comments.

I live next door to the Victoria pub. I would not support an extension of the licensing hours for Friday night. For a small residential street we already have a lot of noise and disruption from match day's and the increase in other live events at the stadium. Additional licensing hours will only add to the this- particularly the noise of people leaving the pub intoxicated late at night. All though glasses aren't allowed outside after 10 or 11pm on Saturdays, some customers still congregate and smoke on the pavement at the front of the pub, which can become very noisy and difficult to sleep.
