### 1. FILMING AT MEETINGS

Please note this meeting may be filmed or recorded by the Council for live or subsequent broadcast via the Council's internet site or by anyone attending the meeting using any communication method. Although we ask members of the public recording, filming or reporting on the meeting not to include the public seating areas, members of the public attending the meeting should be aware that we cannot guarantee that they will not be filmed or recorded by others attending the meeting. Members of the public participating in the meeting (e.g. making deputations, asking questions, making oral protests) should be aware that they are likely to be filmed, recorded or reported on. By entering the meeting room and using the public seating area, you are consenting to being filmed and to the possible use of those images and sound recordings.

The Chair of the meeting has the discretion to terminate or suspend filming or recording, if in his or her opinion continuation of the filming, recording or reporting would disrupt or prejudice the proceedings, infringe the rights of any individual, or may lead to the breach of a legal obligation by the Council.

### 2. PLANNING PROTOCOL

The Planning Committee abides by the Council's Planning Protocol 2017. A factsheet covering some of the key points within the protocol as well as some of the context for Haringey's planning process is provided alongside the agenda pack available to the public at each meeting as well as on the Haringey Planning Committee webpage.

The planning system manages the use and development of land and buildings. The overall aim of the system is to ensure a balance between enabling development to take place and conserving and protecting the environment and local amenities. Planning can also help tackle climate change and overall seeks to create better public places for people to live,

work and play. It is important that the public understand that the committee makes planning decisions in this context. These decisions are rarely simple and often involve balancing competing priorities. Councillors and officers have a duty to ensure that the public are consulted, involved and where possible, understand the decisions being made.

Neither the number of objectors or supporters nor the extent of their opposition or support are of themselves material planning considerations.

The Planning Committee is held as a meeting in public and not a public meeting. The right to speak from the floor is agreed beforehand in consultation with officers and the Chair. Any interruptions from the public may mean that the Chamber needs to be cleared.

### **3. APOLOGIES**

To receive any apologies for absence.

### **4. URGENT BUSINESS**

The Chair will consider the admission of any late items of urgent business. Late items will be considered under the agenda item where they appear. New items will be dealt with at item 13 below.

### **5. DECLARATIONS OF INTEREST**

A member with a disclosable pecuniary interest or a prejudicial interest in a matter who attends a meeting of the authority at which the matter is considered:

- (i) must disclose the interest at the start of the meeting or when the interest becomes apparent, and
- (ii) may not participate in any discussion or vote on the matter and must withdraw from the meeting room.

A member who discloses at a meeting a disclosable pecuniary interest which is not registered in the Register of Members' Interests or the subject of a pending notification must notify the Monitoring Officer of the interest within 28 days of the disclosure.

Disclosable pecuniary interests, personal interests and prejudicial interests are defined at Paragraphs 5-7 and Appendix A of the Members' Code of Conduct

**9. PRE-APPLICATION BRIEFINGS**

The following items are pre-application presentations to the Planning Sub-Committee and discussion of proposals.

Notwithstanding that this is a formal meeting of the Sub-Committee, no decision will be taken on the following items and any subsequent applications will be the subject of a report to a future meeting of the Sub-Committee in accordance with standard procedures.

The provisions of the Localism Act 2011 specifically provide that a Councillor should not be regarded as having a closed mind simply because they previously did or said something that, directly or indirectly, indicated what view they might take in relation to any particular matter. Pre-application briefings provide the opportunity for Members to raise queries and identify any concerns about proposals.

The Members' Code of Conduct and the Planning Protocol 2016 continue to apply for pre-application meeting proposals even though Members will not be exercising the statutory function of determining an application. Members should nevertheless ensure that they are not seen to pre-determine or close their mind to any such proposal otherwise they will be precluded from participating in determining the application or leave any decision in which they have subsequently participated open to challenge.
