Motion D – The Council’s Launch of The Haringey Youth Council

Proposer: Cllr Zena Brabazon

Seconder: Cllr Cawley- Harrison

The Council notes that

- The last census the Council undertook indicated that there were over 59,000 under 19s in the Borough- out of an overall population of 261,000. This represents a significant proportion of Haringey’s population.
- The Corporate Delivery Plan 2024– 2026 set out plans to establish a Haringey Youth Council. This was to ensure that young people representing their communities would have more opportunities to be actively involved in influencing decisions that affect them.
- Since 2022, The Council’s Youth Services team has undertaken work with schools, youth groups and established youth forums to recruit young people to an initial Youth Panel event. This took place in July 2024 and was attended by ten of the twelve young people who have since been recruited. In addition to this, there are now fifteen young people who are members of the Elevated Youth SEND Forum. Close ties are being developed between the two forums.

- The Council is developing a vision for a corporate response to engaging young people in the decision-making processes of the Council.
- The Council must support young people to develop the skills to make this a successful and meaningful project.

The Council believes that

- Young residents who represent their community must be heard by the Council especially when it comes to decisions that directly affect them now and in the future.
- Closer ties must be formed between elected representatives and The Youth Council.

This Council resolves to:

- Do its utmost to ensure that Haringey has a diverse Youth Council that represents the young people of the borough.
- Continue recruiting to and developing the skills of the Youth Council to ensure that the voices of young people in the community are being heard at every level.
- Commit to support Councillors to engage with the Youth Council on a regular basis. This will culminate in an annual council-wide meeting with the Youth Council to hear concerns and issues directly affecting young people.
- Continue working with schools, youth groups and forums to ensure youth participation in its' decision making.
