

NOTICE OF MEETING

LICENSING SUB COMMITTEE

Thursday, 26th September, 2024, 7.00 pm – Microsoft Teams
Microsoft Teams (watch the live meeting [here](#) and watch the recording [here](#))

Members: Councillors Anna Abela (Chair), Makbule Gunes and Nick da Costa

Quorum: 3

1. FILMING AT MEETINGS

Please note this meeting may be filmed or recorded by the Council for live or subsequent broadcast via the Council's internet site or by anyone attending the meeting using any communication method. Members of the public participating in the meeting (e.g. making deputations, asking questions, making oral protests) should be aware that they are likely to be filmed, recorded or reported on. By entering the 'meeting room', you are consenting to being filmed and to the possible use of those images and sound recordings.

The Chair of the meeting has the discretion to terminate or suspend filming or recording, if in his or her opinion continuation of the filming, recording or reporting would disrupt or prejudice the proceedings, infringe the rights of any individual, or may lead to the breach of a legal obligation by the Council.

2. APOLOGIES FOR ABSENCE

To receive any apologies for absence.

3. URGENT BUSINESS

The Chair will consider the admission of any late items of Urgent Business. (Late items will be considered under the agenda item where they appear. New items will be dealt with under item 8 below).

4. DECLARATIONS OF INTEREST

A member with a disclosable pecuniary interest or a prejudicial interest in a matter who attends a meeting of the authority at which the matter is considered:

(i) must disclose the interest at the start of the meeting or when the interest becomes apparent, and

(ii) may not participate in any discussion or vote on the matter and must withdraw from the meeting room.

A member who discloses at a meeting a disclosable pecuniary interest which is not registered in the Register of Members' Interests or the subject of a pending notification must notify the Monitoring Officer of the interest within 28 days of the disclosure.

Disclosable pecuniary interests, personal interests and prejudicial interests are defined at Paragraphs 5-7 and Appendix A of the Members' Code of Conduct

5. SUMMARY OF PROCEDURE

The Sub-Committee will first hear from the Licensing Officer. After that, the applicant will present their application and the Sub-Committee and objectors will have the opportunity to ask questions. Then, the objectors will present their case and the Sub-Committee and objectors will have the opportunity to ask questions.

All parties will then have the opportunity to sum up, and then the meeting will conclude to allow the Sub-Committee to deliberate and reach a decision. This decision will then be provided in writing within five working days of this meeting.

6. APPLICATION FOR A NEW PREMISES LICENCE AT 12TH STREET BURGER, 57 HIGH ROAD, WOOD GREEN, LONDON, N22 6BH (NOEL PARK) (PAGES 1 - 48)

To consider an application for a new premises licence.

7. NEW ITEMS OF URGENT BUSINESS

To consider any items of urgent business as identified at item 3.

Report for: Licensing Sub Committee 26th September 2024

Item number: 6

Title: Application for a New Premises Licence – 12th Street Burger – 57 High Road, Wood Green, London N22 6BH

Report

authorised by: Daliah Barrett-Licensing Team Leader – Regulatory Services.

Ward(s) affected: Noal Park

Report for Key/Non-Key Decision: Not applicable

1. **Describe the issue under consideration.**

1.1 This report relates to an application for a new premises licence by: Umer Fayyaz under the company name of SQP Traders Ltd.

1.2 The application seeks the following:

Late Night Refreshment- Online Sales

Monday to Sunday 2300 to 0600 hours

Hours open to Public

Monday to Sunday 0900 to 2300 hours

1.3 The application can be found at - **Appendix A**. The premises is currently operating.

1.4 **Representations have been received from:**

Representation Met Police - App B

Representation from Licensing Authority- App C

Representation from Noise RA – App D

Representations from Residents – App E

1.6 **Recommendation**

In considering the representations received and what is appropriate for the promotion of the licensing objectives, the steps the Sub-Committee can take are:

- Grant the application as requested
- Grant the application whilst imposing additional conditions and/or altering in any way the proposed operating schedule.
- Exclude any licensable activities to which the application relates.
- Reject the whole or part of the application.

Members of the licensing sub committee are asked to note that they may not modify the conditions or reject the whole or part of the application merely because it considers it desirable to do so. It must be appropriate in order to promote the licensing objectives.

2 Background

- 2.1 The premises is an end of terrace commercial unit of the High Road. The current Planning Permission allows the following:

‘The use hereby permitted shall not be operated before 08:00 or after 24:00 hours on any day. Reason: This permission is given to facilitate the beneficial use of the premises whilst ensuring that the amenities of adjacent residential properties are not diminished’

- 2.2 Residents initially flagged the premises due to noise arising from the extractor flue, this matter is still ongoing. Residents also allege that the venue has been operating beyond 23:00pm.

- 2.3 The Section 182 Guidance that under pins the Licensing Act 2003 with regards to hours already in existence under the Planning regime:

“14.66 There are circumstances when, as a condition of planning permission, a terminal hour has been set for the use of premises for commercial purposes. Where these hours are different to the licensing hours, the applicant must observe the earlier closing time.”

- 2.4 The applicant is also seeking LNR until 6am, this is not possible as the regulations are clear that LNY takes place between 23:00pm and 5:00am only.

3 Licensing Policy

- 3.1 The committee will also wish to be aware of the guidance issued under section 182 of the Licensing Act 2003. Licensing is about regulating the provision of licensable activities on licensed premises, by qualifying clubs and at temporary events within the terms of the Licensing Act 2003. The terms and conditions attached to various permissions are focused on matters which are within the control of individual licensees and others granted relevant permissions. Accordingly, these matters will centre on the premises and places being used for licensable activities and the vicinity of those premises and places.
- 3.2 The objective of the licensing process is to allow for the carrying on of licensable activities whilst promoting and upholding the licensing objectives the prevention of public nuisance, prevention of crime and disorder, public safety, and protection of children from harm. It is the Licensing Authority’s wish to facilitate well run and managed premises with licence holders displaying sensitivity to the impact of the premises on local residents.
- 3.3 In considering licence applications, where relevant representations are made, this Licensing Authority will consider the adequacy of measures proposed to deal with the potential for public nuisance and/or public disorder having regard to all the circumstances of the case.
- 3.4 Where relevant representations are made, this authority will demand stricter conditions regarding noise control in areas that have denser residential accommodation, but this will not limit opening hours without regard for the individual merits of any application. This authority will consider each application and work with the parties concerned to ensure that adequate noise control measures are in place. Any action taken to promote the licensing objectives will be appropriate and proportionate.

- 3.5 This Licensing Authority in determining what action to take will seek to establish the cause of concern and any action taken will be directed at these causes. Any action taken to promote the licensing objectives will be appropriate and proportionate.
- 3.6 Also the Licensing Authority may not impose conditions unless its discretion has been exercised following receipt of relevant representations and it is satisfied as a result of the hearing that it is appropriate to impose conditions to promote one or more of the four licensing objectives. Therefore, conditions may not be imposed for the purpose other than promoting the licensing objectives and in some cases no additional conditions will be required.
- 3.7 In cases Members should make their decisions on the civil burden of proof, that is the balance of probability.
- 3.8 Members should consider in all cases whether or not primary legislation is the appropriate method of regulation and should only consider licence conditions when the circumstances in their view are not already adequately covered elsewhere.
- 3.9 The Government has advised that conditions must be tailored to the individual type, location and characteristics of the premises and events concerned. Conditions cannot seek to manage the behaviour of customers once they are beyond the direct management of the licence holder and their staff.
The Councils Licensing policy expects applicants to address the licensing objectives and discuss how to do this with the relevant responsible authorities.

4 Licensing hours

- 4.1 Where relevant representations are made, the Council will consider the proposed hours on their individual merits. Notwithstanding this, the Council may require stricter conditions in areas that have denser residential accommodation to prevent public nuisance. The Council will endeavour to work with all parties concerned in such instances to ensure that adequate conditions are in place. The Council may restrict the hours that certain premises can offer alcohol for sale for consumption off the premises for preventing crime, disorder and nuisance.

5 Powers of a Licensing Authority

- 5.1 The decision should be made about the Secretary of the State's guidance and the Council's Statement of Licensing Policy under the Licensing Act 2003. Were the decision departs from either the Guidance or the Policy clear and cogent reasons must be given. Members should be aware that if such a departure is made the risk of appeal / challenge is increased.
- 5.2 The licensing authority's determination of this application is subject to a 21-day appeal period or if the decision is appealed the date of the appeal is determined and /or disposed of.

6 Other considerations

Section 17 of the Crime and Disorder Act 1998 states:

"Without prejudice to any other obligation imposed on it, it shall be the duty of each authority to which this section applies to exercise its various functions with due regard to the likely effect of the exercise of those function on, and the need to do all that it reasonably can prevent crime and disorder in its area".

6.1 Human Rights

While all Convention Rights must be considered, those which are of particular relevance to the application are:

- Article 8 – Right to respect for private and family life.
- Article 1 of the First Protocol – Protection of Property
- Article 6(1) – Right to a fair hearing.
- Article 10 – Freedom of Expression

7 Use of Appendices

Appendix A - New Application.

Representation Met Police - App B

Representation from Licensing Authority- App C

Representation from Noise RA – App D

Representations from Residents – App E

We have a security system and a CCTV system installed in order to make sure everything is recorded and goes smoothly.

Licensing objectives

a) **General – all four licensing objectives (b,c,d,e):** We aren't open to the general public after 11pm, and there will be no customers coming indoors. The front door will be closed; only the back door will be in operation, and that will be locked. Delivery drivers will press the bell, and we will open the door for them to give them the orders. We will only be operating for online orders. It's only for online orders such as Uber Eats, Deliveroo, and Just Eats drivers, and there will be no antisocial behaviour, noise, or rubbish issues because we will not have any customers sitting in the shop or coming to shop after 11pm. The delivery drivers will come and collect the orders and will leave the premises immediately. We have a security system and a CCTV system installed in order to make sure everything is recorded and goes smoothly.

Promoting the four licensing objectives typically involves a comprehensive approach. The four licensing objectives are:

1. The prevention of crime and disorder
2. Public safety
3. The prevention of public nuisance
4. The protection of children from harm

Here are the steps to promote all four licensing objectives together:

1. Establish a Comprehensive Policy Framework

Develop clear policies and procedures:

- Create a detailed operating schedule outlining how each licensing objective will be addressed.
- Ensure staff are well-trained in these policies and procedures.

Risk assessments:

- Conduct regular risk assessments to identify potential issues related to crime, safety, nuisance, and child protection.

2. Crime and Disorder Prevention Security measures:

- Install CCTV systems in strategic locations.
- Employ trained security personnel, including door supervisors.

Collaborate with local authorities:

- Work closely with local police and community groups to monitor and prevent crime.

Incident recording:

- Maintain an incident log to record any incidents of crime or disorder.

3. Public Safety

Capacity management:

- Monitor and manage the venue's capacity to avoid overcrowding.
- Implement a clear evacuation plan.

Health and safety training:

- Ensure all staff are trained in health and safety procedures, including fire safety and first aid.

Safety equipment:

- Regularly check and maintain safety equipment, such as fire extinguishers and emergency lighting.

4. Prevention of Public Nuisance Noise control:

- Use soundproofing materials and noise limiters to control noise levels.
- Plan and manage delivery times and waste collection to minimize noise.

Litter management:

- Provide sufficient waste disposal facilities.
- Implement regular cleaning schedules for both the interior and exterior of the premises.

Neighbor relations:

- Engage with local residents and businesses to address any concerns regarding public
- Engage with local residents and businesses to address any concerns regarding public

nuisance.

5. Protection of Children from Harm

Age verification:

- Implement and enforce a strict age verification policy, such as Challenge 21 or Challenge 25. •

Train staff on how to check IDs and recognize fake IDs.

Child protection policy:

- Develop a clear child protection policy and ensure all staff are trained on it.

b) **The prevention of crime and disorder.** We aren't open to the general public after 11pm, and there will be no customers coming indoors. The front door will be closed; only the back door will be in operation, and that will be locked. Delivery drivers will press the bell, and we will open the door for them to give them the orders. We will only be operating for online orders. It's only for online orders such as Uber Eats, Deliveroo, and Just Eats drivers, and there will be no antisocial behaviour, noise, or rubbish issues because we will not have any customers sitting in the shop or coming to shop after 11pm. The delivery drivers will come and collect the orders and will leave the premises immediately. We have a security system and a CCTV system installed in order to make sure everything is recorded and goes smoothly.

Implementing measures such as CCTV, security personnel, Working closely with law enforcement and local authorities.

- Training staff to manage conflict and handle situations that could escalate into disorder.

c) **Public safety:** We aren't open to the general public after 11pm, and there will be no customers coming indoors. The front door will be closed; only the back door will be in operation, and that will be locked. Delivery drivers will press the bell, and we will open the door for them to give them the orders. We will only be operating for online orders. It's only for online orders such as Uber Eats, Deliveroo, and Just Eats drivers, and there will be no antisocial behaviour, noise, or rubbish issues because we will not have any customers sitting in the shop or coming to shop after 11pm. The delivery drivers will come and collect the orders and will leave the premises immediately. We have a security system and a CCTV system installed in order to make sure everything is recorded and goes smoothly.

Ensuring the safety of the public within and around licensed premises is paramount. This includes:

- Conducting risk assessments and maintaining premises to prevent accidents and injuries. •

Complying with health and safety regulations.

- Ensuring the venue's capacity is not exceeded and that emergency exits are accessible.

d) **The prevention of public nuisance:** We aren't open to the general public after 11pm, and there will be no customers coming indoors. The front door will be closed; only the back door will be in operation, and that will be locked. Delivery drivers will press the bell, and we will open the door for them to give them the orders. We will only be operating for online orders. It's only for online orders such as Uber Eats, Deliveroo, and Just Eats drivers, and there will be no antisocial behaviour, noise, or rubbish issues because we will not have any customers sitting in the shop or coming to shop after 11pm. The delivery drivers will come and collect the orders and will leave the premises immediately. We have a security system and a CCTV system installed in order to make sure everything is recorded and goes smoothly.

Managing noise levels, particularly during late hours.

- Controlling litter and waste produced by the premises.
- Implementing dispersal policies to manage how patrons leave the premises to minimize disturbance.

e) **The protection of children from harm:** We aren't open to the general public after 11pm, and there will be no customers coming indoors. The front door will be closed; only the back door will be in operation, and that will be locked. Delivery drivers will press the bell, and we will open the door for them to give them the orders. We will only be operating for online orders. It's only for online orders such as Uber Eats, Deliveroo, and Just Eats drivers, and there will be no antisocial behaviour, noise, or rubbish issues because we will not have any customers sitting in the shop or coming to shop after 11pm. The delivery drivers will come and collect the orders and will leave the premises immediately. We have a security system and a CCTV system installed in order to make sure everything is recorded and goes smoothly.

Ensuring that children are not exposed to inappropriate content or activities.

- Implementing training for staff to recognize and address situations where children may be at Risk.

Declaration

I/we understand it is an offence, liable on conviction to a fine up to level 5 on the standard scale, under section 158 of the licensing act 2003, to make a false statement in or in connection with this application.

[Applicable to individual applicants only, including those in a partnership which is not a limited liability partnership]

I understand I am not entitled to be issued with a licence if I do not have the entitlement to live and work in the UK (or if I am subject to a condition preventing me from doing work relating to the carrying on of a licensable activity) and that my licence will become invalid if I cease to be entitled to live and work in the UK (please read guidance note 15).

The DPS named in this application form is entitled to work in the UK (and is not subject to conditions preventing him or her from doing work relating to a licensable activity) and I have seen a copy of his or her proof of entitlement to work, if appropriate (please see note 15)

Ticking this box indicates you have read and understood the above declaration yes I agree

POLICE REPRESENTATION

Application for a Premises License

12th streets Burgers and Shakes, 57, High Road, London, N22 6BH

I write on behalf of the Commissioner of the Metropolitan Police.

This application is submitted by Umer Fayyaz as the director of SQP Traders Ltd.

Current times requested for the premises are:

Provision of Late Night Refreshment

Monday to Sunday **23:00 to 06:00**

The hours open to the public:

Monday to Sunday **09:00 to 23:00**

I wish to make representations to against this application, because if granted I believe the following licensing objectives will fail to be upheld:

- **Prevention of Public Nuisance.**
- **Prevention Crime & Disorder.**

This front of this premises is on a high street, with residential apartments on the first and second floors. The rear exit of the property is on Lilac Mews, an alleyway that runs parallel to High Road, the other side of the alleyway are the back gardens of residential properties. Below are pictures of the premises from the front, and the view from the rear exit looking left and right.

The applicant is requesting a license for the provision of late night refreshment for 6 hours, which is a significant length of time. The provision of late night refreshment to 06:00 collected by delivery drivers from the rear exit on Lilac Mews, is very likely to cause a public nuisance problem to nearby residents. The rear exit is next to residential properties on Courcy Road and Coleraine Road, in the late night the delivery drivers' engine noise will carry over to these properties, and will have a disruptive impact on resident's ability to sleep.

Furthermore, the schedule states that anti-social behavior will not be tolerated, but does not outline anything specific that will be done. Lilac Mews is a narrow and secluded road, and there is a high risk of drivers congregating at the rear exit. Any congregating is likely to cause

anti-social behavior, in the form of idling engines, loud talking, littering, and is a pull for criminal behavior out of public view, such as drug use or dealing. The applicant has not provided any specific measures the premises will undertake to prevent these problems, only that delivery drivers “will leave the premises immediately”, which gives anyone little confidence that he has an adequate strategy in place for this risk.

Similarly, the application states that there will be “CCTV installed to make sure everything is recorded and goes smoothly”, without providing for how it will run smoothly. CCTV installation in any situation does not by itself prevent crime, and should not be used as a substitute for a coherent crime prevention strategy.

He is expected under the statutory guidance to provide positive proposals for how they manage the likely risk. Instead, the operating schedule is only one paragraph, which is then copied and pasted onto other parts of the application. This schedule has no concrete conditions for the premises to abide by. A superficial mention is made to the licensing objectives and no mention of the local authority's statement of licensing. This leaves me with no confidence that the applicant understands the licensing objectives and that he knows what is needed to uphold them.

Due to the concerns that police have for the risk of public nuisance and crime and disorder, and because planning permission does not allow for operating times beyond 00:00. We the police suggest the following operating hours would be more suitable for the location of the premises:

Provision of Late Night Refreshment

Monday to Sunday **23:00 to 00:00**

The opening hours of the premises:

Monday to Sunday **09:00 to 00:00**

Furthermore, we ask that the following conditions be added to the operating schedule, to assist the premises in upholding the licensing conditions:

For the Prevention of Public Nuisance:

1. Provision of food to customers and delivery drivers shall be done from the front entrance only. There is to be no use of the rear entrance for the collection of takeaway food from customers or delivery drivers.
2. Delivery drivers shall be given clear, instructions to use their vehicles in a responsible manner so as not to cause a nuisance to any residents or generally outside the license premises; not to leave engines running when the vehicles are parked; and not to obstruct the highway. A sign to this effect will be displayed at the entrance to the premises.
3. Staff shall actively discourage patrons from congregating around the outside of the premises.
4. The premises licence holder shall ensure that the pavement from the building line to the kerb edge immediately outside the premises, including the gutter/channel at its junction with the kerb edge, is kept clean and free from litter at all material times to the satisfaction of the Licensing Authority.

For the prevention of crime and disorder:

1. A digital CCTV system shall be installed in the premises and shall comply with the following criteria:

- (a) Camera(s) must be sited to observe the front entrance doors from both inside and outside, the rear entrance on Lilac Mews from the outside.
- (b) Camera(s) on the entrances must capture full frame shots of the heads and shoulders of all people entering the premises i.e. capable of identification.
- (c) Camera(s) must be sited to cover all areas to which the public have access, excluding toilets if onsite.
- (d) Provide a linked record of the date, time of any image.
- (e) Provide HD digital quality images in colour during opening times.
- (f) Have a monitor to review images and recorded quality.
- (g) Be regularly maintained to ensure continuous quality of image capture and retention.
- (h) A Member of staff will be trained in operating CCTV at the premises during premises operating times, and where requested by police officers shall be served to them in the form of a CD/DVD.
- (i) Recorded footage shall be made available for a minimum of 30 days.

Conclusion

In summary police oppose this application, a premises choosing to provide late night refreshment until 06:00 via the rear exit, is likely to cause a significant amount of public nuisance to nearby residents, and become a pull for crime and disorder. Therefore, the applicant in his operating schedule needs to go to great and detailed lengths to demonstrate to licensing authorities that he will not compromise the licensing objectives. The applicant has not done this, and has only given short superficial statements, which gives little reassurance to police. Therefore, It is feared that without adequate premises conditions being in place and implemented, control of the premises could easily be lost and a risk posed to the wider community.

If the applicant agrees to the addition of these conditions and changes to the hours, we will withdraw our representation. We reserve the right to provide further information to support this representation.

Yours faithfully,

Police Constable Francis Peters

Subject: FW: 12th Street Burger - 57 High Road, Wood Green, London N22 6BH
Representation (Corrected)

Dear Sir/Madam,

The Licensing Authority is considering your application under the impacts on the four licensing objectives.

You are requesting the following hours :

The application is seeking the following:

Late Night Refreshment- Online Sales

Monday to Sunday 2300 to 0600 hours

Hours open to Public

Monday to Sunday
public until 6am

Having checked the current hours granted under the Planning permission for 57 High Road, Wood Green, London N22 6BH as follows:

The use hereby permitted shall not be operated before 08:00 or after 24:00 hours on any day. Reason: This permission is given to facilitate the beneficial use of the premises whilst ensuring that the amenities of adjacent residential properties are not diminished.

Have you applied to Planning to have the hours altered to the timings you are requesting on a Premises Licence? If not, I would encourage you to do so. The Licensing process is not a substitute for any business to seek to gain later hours not granted under Planning law.

From a licensing perspective consideration must be given to the prevention of nuisance objective. We are unable to support the lateness of the hours being applied for across the

week and draw your attention to the Section 182 Guidance that under pins the Licensing Act 2003 with regards to hours already in existence under the Planning regime:

14.66 There are circumstances when, as a condition of planning permission, a terminal hour has been set for the use of premises for commercial purposes. Where these hours are different to the licensing hours, the applicant must observe the earlier closing time.

Moreover the hours of use being applied are excessive and will impact on nearby residential properties due to the late night use of vehicles carrying out deliveries etc.

As a point of law Late Night Refreshment only applies between 23:00 and 05:00 am each day. A licence cannot be granted for 6am as the law does not regard that time as Late Night Refreshment.

The Licensing Authority is stating the following times:

Late Night Refreshment- Online Sales

Monday to Sunday 2300 to 00:00 hours

Hours open to Public

Monday to Sunday 0900 to 00:00 hours

You are encouraged to seek changes to your Planning permission if you wish to seek later hours.

Proposed conditions:

The extraction flue/vents to be cleaned and repaired to ensure minimum noise breakout from their operation.

All flues and vents to be switched off by midnight to ensure residents are not impacted by noise,

The delivery of hot food and drinks sold as Late Night Refreshment shall only be made to a residential or business address, where the customer uses that address as an official place of residence or their recognised designated place of work. The delivery of hot food or drinks shall not be made or completed in a public place (on the street, in a park, by the bus stop, etc.)

Regards

Haringey Licensing Authority.

Subject: RE: Application for a Premises Licence- 12th Streets Burgers and Shakes, 57 High Road, N22 6BH (WK/607829)

Hi all,

After visiting the premises and considering the four-licensing objective we proposed the following conditions to be added to any license issued.

Proposed conditions for Late Licence Application 12th Streets Burgers and Shakes, 57 High Road, N22 6BH

Hours open to Public

Monday - Sunday 0900 to 2300 hours

Late Night Refreshment - Online Sales (only)

Sunday-Thursday 2300 to 0000 hours

Friday-Saturday 2300 to 0100 hours

THE PREVENTION OF CRIME AND DISORDER

1) A digital CCTV system must be installed in the premises complying with the following criteria:

- (a)Cameras must be sited to observe the entrance doors from both inside and outside.
- (b)Cameras on the entrances must capture full frame shots of the heads and shoulders of all people entering the premises i.e., capable of identification.
- (c)Cameras must be sited to cover all areas to which the public have access including any outside smoking areas.
- (d)Provide a linked record of the date, time of any image.
- (e)Provide good quality images - colour during opening times.
- (f)Have a monitor to review images and recorded quality.
- (g)Be regularly maintained to ensure continuous quality of image capture and retention.

(h) A staff member from the premises who is conversant with the operation of the CCTV system shall always be on the premises the premises are open to the public. This staff member must be able to provide a Police Officer or an authorised officer of the Licensing Authority with copies of recent CCTV images or data with the minimum of delay when reasonably requested.

(i) Digital images must be kept for 31 days. The equipment must have a suitable export method, e.g. CD/DVD writer so that any authorised officer (i.e. the Police/ council Officer) can request a copy of the data they require. Copies must be available within a reasonable time to the authorised officer on request.

2) An incident log shall be kept at the premises; it will be in a hardback durable format handwritten at the time of the incident or as near to as is reasonable and made available on request to an authorised officer of the Council or the Police which will record the following:

(a) all crimes reported to the venue

(b) all ejections of patrons

(c) any complaints received

(d) any incidents of disorder

(f) any faults in the CCTV system or searching equipment or scanning equipment

(h) any visit by a relevant authority or emergency service.

PUBLIC SAFETY

3) The Designated Premises Supervisor and the Premises Licence Holder shall ensure all fire exits are kept clear, clearly signposted and fire extinguishers are in accessible locations.

4) The Designated Premises Supervisor and the Premises Licence Holder shall maintain and check systems in place i.e. smoke detectors, fire extinguishers, emergency safety lighting and fire alarms, in accordance with the approved fire risk assessment.

THE PREVENTION OF PUBLIC NUISANCE

5) All delivery/ collection services shall be operated from the main entrance of the premises on High Road.

6) The Designated Premises Supervisor and the Premises Licence Holder shall instruct all delivery services, including third-party providers and the cyclist delivery do not obstruct the public high way and to park their scooters in designated areas on Wood Green High Road, N22

7) The Designated Premises Supervisor and the Premises Licence Holder shall ensure the delivery drivers do not leave their vehicles engine idling while waiting for collection

8) No noise generated on the premises, or by its associated plant or equipment, shall emanate from the premises, nor vibration be transmitted through the structure of the premises which gives rise to nuisance.

- 9) No fumes, steam or odours shall be emitted from the licensed premises so as to cause a nuisance to any persons living or carrying on business in the area where the premises are situated.
- 10) All plant and machinery will be correctly maintained and regularly serviced to ensure that it is running efficiently and with minimal disturbance to neighbours arising from Noise and/or Odour.
- 11) In the event of a noise/nuisance complaint substantiated by an authorised officer, the Designated Premises Supervisor and the Premises Licence Holder shall take appropriate measures in order to prevent any recurrence.
- 12) A complaints book shall be held on the premises to record details of any complaints received from neighbours. The information shall include, the complainants name, location, date, time and subsequent remedial action undertaken. This record must be always made available for inspection by council officers and kept for a minimum of 12 months.
- 13) the external area shall be maintained and kept free of litters especially that bear of the promise brand and name.
- 14) Illuminated external signage shall be switched of when the premise is closed.
- 15) Security lights shall be positioned to minimise light intrusion at the closest residential premises.
- 16) Signage shall be displayed requesting customers exercise considerate behaviour to limit the potential for public nuisance.
- 17) No amplified music (recorded or live) shall be played in the outdoor area of the premises.
- 18) The volume of any music (recorded or live) played inside the premises shall be maintained at background levels at all times.
- 19) No speaker or other amplification equipment shall be installed on any of the party walls.

Yours sincerely,

Amir DARVISH

Noise & Nuisance Officer

Subject: Licensing Act 2003 applications - 12th Street Burgers

Dear Licensing Team,

I am contacting you to register my objection to the application detailed at the foot of this email.

At the moment this establishment is causing a noise nuisance in the Courcy Road / Coleraine Road and Lilac Mews areas which are in close proximity to the rear of 57 High Road.

The business is running an extractor fan which produces a noise which I am sure exceeds that permitted by current planning regulations.

The neighbourhood has been enduring the noise most of the day and throughout the night for more than a year since this business opened and has been operating during the 9am - 6am hours despite not having a license to do so.

There have been complaints to the Noise Team on a number of occasions in regards to the fan noise from this premises.

I strongly object to any move to legitimise the already present nuisance from 12th Street Burgers.

Yours sincerely,

[REDACTED]

Licensing Application for late night opening - Opposition

Dear Licensing Team,

I oppose this application for extended hours for the following reasons:

1) First of all the late opening would set a precedent that all other shops may want to follow. I am not in favour of the late-night economy developing any further in what is still a largely residential area.

2) The late night opening would further increase nightly traffic.

3) The business is also running an extractor fan that is an old rickety-like contraption not in line with any normal modern installation that has been causing an ongoing nuisance since the place opened up nearly 2 years ago. A number of us neighbours have been trying to convince the shop owners to upgrade the system to something quiet. The council's noise team and planning department have also been contacted. But the problem still persists and is extremely frustrating.

The system is very noisy, and has been impacting the enjoyment of our property. We do not use the garden to relax anymore whenever this thing is on. We also had to change sleeping dispositions. Depending on the setting they run the fan on, and on wind direction the sound can become very irritating very quickly.

4) The burger bar also generates a feeling of insecurity in the neighbourhood as we noticed quickly that they were not complying with their opening hours and were running deliveries every night until 6am. It creates a feeling of lawlessness, as they clearly are not interested in acting within the remit of legality, which also makes a number of us neighbours wondering what else may be going on there as their activity really only picks up in the night.

This has been going on since they opened and is still going on now in August.

As such it would be highly inappropriate, in regard of their obvious contempt of both the law and the wellbeing of those who live around them, to now reward them with late opening hours.

Yours sincerely

Subject: Re: 12th Streets Burgers and Shakes licensing application for late night opening - Opposition

Dear Licensing Team,

I am writing to oppose the 12th Street Burger Bar's application for extended hours. The bar, located on the High Road, backs onto the gardens of Coleraine and Courcy Roads. Alongside many other residents, I have concerns for the following reasons:

1. Extended hours will likely increase late-night traffic from delivery drivers, leading to issues such as littering and urination in Lilac Mews, which is already experiencing a rise in antisocial behavior.
2. The noisy extractor fan currently in use by this business disrupts residents' peaceful enjoyment of their properties. While this primarily affects nearby homes during the day, the noise at night will likely disturb a wider area.

I urge the council to seriously consider these concerns and protect the already diminishing peace and comfort of living in this area.

Kind regards,

Importance: High

Re: 12th Streets Burgers and Shakes 57 High Road, Wood Green, London N22 6BH

Licensing Application

Hi Licensing Team,

I oppose this application for the extended business hours because there is already a lot of noise nuisance from this premises in the form of a very noisy extractor fan which is very bad for the residents who live in the vicinity of the rear of that business at 57 Wood Green High Street. I also feel as a close resident that the very long overnight hours would also increase noise coming to and from the premises for deliveries at all hours causing further issues.

Thanks a lot and have a good weekend,

Best regards,
