To approve the award of contract for Employers Agent services for Phase 1 (Selby Centre + Sports Facilities) and Phase 2 (Housing of the Selby Urban Village Project to Tenderer A for the sum of £624,050.00 pursuant to Contract Standing Orders 9.07.1(d) and 16.02 (Bid Acceptance & Contract Award), comprising Phase 1 (GF) fee: £254,450 and Phase 2 (HRA): £369,600.

Reasons for decision

The Selby Urban Village Project is a key project for the Council being delivered in partnership with the Selby Trust. The Project has secured £20m of Levelling Up Funding for Phase 1 and has secured Affordable Housing Grant for Phase 2. The Project now requires Employers Agent Services to provide advice, including construction and delivery strategy advice and contract development and management to ensure that the project is delivered on time, to funding providers' requirements and is delivered within budget.

Following an Invitation to Tender (ITT) process conducted via The Adam Procure DPS System (DPS), Airey Miller Ltd. were identified by the Tender Evaluation Panel as the Best Value Tenderer in terms of Quality and Price. They have submitted a compliant tender response and met the criteria for the assessment scoring. As such, it is recommended that the contract for Employer's Agent services be awarded to Airey Miller Ltd.

Alternative options considered

There are currently no resources within the Council that has the capacity, specialist expertise or qualifications to deliver this service. Consequently, there is no option to do this using in-house Council staff and so the Council needed to procure EA services.

The Regeneration and Housing Delivery Teams have worked with colleagues from Procurement and Regeneration to review the best route to procure ES services for the Project and it was agreed following an assessment of the options that Adam Procure DPS was the best route for securing the required services.
