**Report for:** Licensing Sub Committee – 3 October 2024

**Title:** Consideration of an objection to a Temporary Event Notice at Stadium Lounge, 783 High Road, London N17 6UP.

**Report authorised by:** Daliah Barrett, Licensing Team Leader, Regulatory Services

**Ward(s) affected:** Northumberland Park

**Report for Key/**

**Non Key Decision:** Not applicable

## 1. Describe the issue under consideration

- 1.1 This report sets out details of a temporary event notice which has been given to the Licensing Authority, in respect of which the Police RA have submitted an objection notice.

The notice set out in the Appendix 1 to this report is to be considered having regard to the Council's Licensing Policy, the licensing objectives and the objection notice received at Appendix 2. The Notice relates to a proposed event for 5<sup>th</sup> October. It is required to offer:

- Sale of alcohol/ Regulated entertainment and Late Night Refreshment from 00:00 hours to 02:30 hours.

A copy of the TENS applications are attached at Appendix 1.

A copy of the Police objection is attached at Appendix 2.

- 1.2 Authorisation from the Council is required for the sale or supply of alcohol, the provision of regulated entertainment and the provision of late night refreshment.

**The Premises has the following existing operating times:**

**Regulated entertainment: Recorded Music**

**Late Night Refreshment**

**Supply of Alcohol**

**The times the Licence authorises the carrying out of licensable activities:**

**Recorded Music**

**Sunday to Thursday 0900 to 2100**

**Friday to Saturday 0900 to 0000**

**Late Night Refreshment**

**Friday to Saturday                      2300 to 0000**

**Supply of Alcohol**

**Sunday to Thursday                      1200 to 2300**

**Friday to Saturday                      1200 to 0000**

**The opening hours of the premises:**

**Sunday to Thursday                      0900 to 2330**

**Friday to Saturday                      0900 to 0030**

**Supply of Alcohol**

A copy of the Premises licence is attached at Appendix 3.

- 1.3 An individual (known as the “premises user”) may give notice of a proposal to use premises for a temporary event, engaging in one or more licensable activities for a period of no more than 168 consecutive hours. The Licensing Sub-Committee is required to consider any objection notice received, and must give the premises user a counter-notice under section 105 of the Licensing Act 2003 if it considers it appropriate for the promotion of a licensing objective to do so. The temporary event may not proceed if a counter-notice has been issued.
- 1.4 The Licensing Sub-Committee has responsibility for exercising many of the Council's powers in respect of the Licensing Act 2003. Consideration by the Committee of the notice(s) appended to this report is required because the Temp Event notice has attracted an objection from the Police.
- 1.5 The statutory consultation requirement set out in paragraph 3 below has been complied with by the premises user(s), and has resulted in the Police giving an objection notice to the licensing authority. The premises user and the Police have been invited to the meeting.
- 1.6 The premises user is required to give a copy of any temporary event notice to the Police and the Council's Noise and Pollution Team no later than 10 working days before the first day of the proposed event. If either body is satisfied that allowing the premises to be used in accordance with the notice would undermine any of the licensing objectives, they must give an objection notice to the licensing authority and to the premises user within three days of receiving the copy of the notice. It is also possible to give a late TEN with between 5 and 10 working days notice, however if an objection notice is given the event cannot proceed.  
An applicants failure to comply with the consultation requirement would invalidate the Notice.  
The Act does not make provision for further consultation with any other responsible authorities or interested parties. There is no public notice requirement.

## 2. Consideration for LSC

- 2.1 When carrying out its licensing functions, the Sub-Committee shall act with regard to the Council's Licensing Policy, Statutory Guidance, and with a view to promoting the Licensing Objectives. The objectives are:
- the prevention of crime and disorder
  - public safety
  - the prevention of public nuisance
  - the protection of children from harm
- 2.2 The Sub-Committee must ensure that all licensing decisions have:
- a direct relationship to the promotion of one or more of the 4 licensing objectives;
  - regard to the statement of licensing policy;
  - regard to the Secretary of State's Guidance;
  - there must not be a 'blanket policy' to the extent that it is applied so rigidly that an exercise of discretion in each individual case is precluded.
- 2.3 Applications must be considered with regard to the principles of fair process and the Human Rights Act.  
The purpose of Haringey's Statement of Licensing Policy is to make clear to applicants and relevant representatives the considerations that will be taken into account when determining applications. It is also intended to guide the Licensing Committee when considering licensing applications; however the Licensing Committee must consider each application on its own merit and only allow exceptions to its own policy where the circumstances of the application justify it.
- 2.4 Subject to both the Council's Statement of Licensing Policy and Statutory Guidance having been properly considered a Sub Committee may depart from them if there are good reasons for doing so. Full reasons must be given and Sub-Committees should be aware that such departures could give rise to an appeal or judicial review.
- 2.5 Section 105(2)(b) of the Act requires that the licensing authority must, having regard to the objection notice, give the premises user a counter notice under this section if it considers it, "appropriate for the promotion of a licensing objective to do so." The temporary event may not proceed if a counter-notice has been given.
- 2.6 Section 106A(2) of the Act provides that the licensing authority may impose one or more conditions on the standard TEN if:
- a) it considers it appropriate for the promotion of the licensing objectives to do so;
  - b) the conditions are also imposed on a premises licence or club premises certificate that has effect in respect of or in any part of the same premises as the TEN;
  - c) the conditions would not be inconsistent with the carrying out of licensable activities under the TEN.

- 2.7 It is considered inappropriate for officers of the Licensing Authority involved in the administration of notices to make recommendations. However, the Committee may choose whether to have regard to any representations made by police officers or Council's Noise Team if they believe that using the premises in accordance with the TEN will undermine the licensing objectives. At any time prior to the hearing, the Police or the Council's Noise Team may, with the agreement of the premises user, modify the temporary event notice by making changes to the notice. The objection notice shall be treated as having been withdrawn from the time the temporary event notice is modified. The premises user may also withdraw the notice completely at any time up until 24 hours prior to the proposed start time of the notice.
- 2.8 In accordance with the provisions of Part 3 of Schedule 5 of the Act, where the licensing authority gives a counter-notice under section 105, the premises user may appeal against the decision. Where the authority does not give a counter-notice, the person giving the objection notice may appeal against the decision. In both cases, appeals must be made to a Magistrates Court within 21 days of receiving notification of the decision - however, no appeal can be brought less than 5 working days prior to the first proposed event day.

### **3. Background**

The premises has an existing Premises licence with conditions to ensure that the licensing objectives will be upheld and promoted. A copy of the hearing resolution is attached at Appendix 3.

### **4 Other considerations**

- 4.1 Section 17 of the Crime and Disorder Act 1998 states: 'Without prejudice to any other obligation imposed on it, it shall be the duty of each authority to which this section applies to exercise its various functions with due regard to the likely effect of the exercise of those function on, and the need to do all that it reasonably can to prevent crime and disorder in its area'.

### **4. Human Rights**

While all Convention Rights must be considered, those which are of particular relevance to the application are:

- Article 8 – Right to respect for private and family life.
- Article 1 of the First Protocol – Protection of Property.
- Article 6(1) – Right to a fair hearing.
- Article 10 – Freedom of Expression.

## Notes for Guidance

### General

In these notes, a person who gives a temporary event notice is called a “premises user”.

The police and local authority exercising environmental health functions may intervene on the grounds of any of the four licensing objectives (the prevention of crime and disorder, public safety, the prevention of public nuisance, and the protection of children from harm) to prevent the occurrence of an event at which permitted temporary activities are to take place or to agree a modification of the arrangements for such an event. However, the licensing authority will intervene of its own volition in the cases described below.

First, it will issue a counter notice if there is an objection to a late temporary event notice (see note 8 below).

Secondly, it may issue a notice in relation to its decision to impose conditions on a temporary event notice (see note 2 below).

Thirdly, it will issue a counter notice if the first, second, third and fifth of the limits set out below would be exceeded. If any of the limits below are breached or if a counter notice has been issued, any licensable activities taking place would be unauthorised and the premises user would be liable to prosecution. The limitations apply to:

- the number of times a person may give a temporary event notice (50 times per year for a personal licence holder and 5 times per year for other people);
- the number of times a person may give a late temporary event notice (10 times per year for a personal licence holder and 2 times per year for other people);
- the number of times a temporary event notice may be given in respect of any particular premises (20 times a calendar year);
- the length of time a temporary event may last for these purposes (168 hours or 7 days);
- the maximum aggregate duration of the periods covered by temporary event notices at any individual premises (26 days per calendar year); and
- the scale of the event in terms of the maximum number of people attending at any one time (a maximum of 499).

For the purposes of determining the overall limits of 50 temporary event notices per personal licence holder (in a calendar year) and of 5 for a non-personal licence holder (in a calendar year), temporary event notices given by an associate or a person who is in business with a premises user (and that business involves carrying on licensable activities) count towards those totals. The limits applying to late temporary event notices are included within the overall limits applying to the total number of temporary event notices. Note 16 below sets out the definition of an “associate”.

When permitted temporary activities take place, a premises user must ensure that either:

- a copy of the temporary event notice is prominently displayed at the premises; or
- the temporary event notice is kept at the premises either in his own custody or in the custody of a person present and working at the premises and whom he has nominated for that purpose.

Where the temporary event notice is in the custody of a nominated person, a notice specifying that fact and the position held by that person must be displayed prominently at the premises.

Where the temporary event notice or a notice specifying the nominated person is not displayed, a constable or an authorised person (for example, a licensing officer, fire officer or environmental health officer) may require the premises user to produce the temporary event notice for examination. Similarly, where the nominated person has the temporary event notice in his custody, a constable or authorised person may require that person to produce it for examination. Failure to produce the temporary event notice without reasonable excuse would be an offence.

It should also be noted that the following, among other things, are offences under the Licensing Act 2003:

- the sale or supply of alcohol to children under 18 years of age (subject to an unlimited fine on conviction);
- allowing the sale of alcohol to children under 18 ( subject to an unlimited fine on conviction);
- knowingly allowing the consumption of alcohol on the premises by a person aged under 18 (subject to an unlimited fine, on conviction );
- allowing disorderly behaviour on the premises (subject to a fine not exceeding level 3 on the standard scale, on conviction);
- the sale of alcohol to a person who is drunk (subject to a fine not exceeding level 3 on the standard scale, on conviction);
- obtaining alcohol for a person who is drunk (subject to a fine not exceeding level 3 on the standard scale, on conviction);
- knowingly allowing a person aged under 18 to make any sale or supply of alcohol unless the sale or supply has been specifically approved by the premises user or any individual aged 18 or over who has been authorised for this purpose by the premises user (subject to a fine not exceeding level 1 on the standard scale, on conviction); and
- knowingly keeping or allowing to be kept on the premises any smuggled goods which have been imported without payment of duty or which have otherwise been unlawfully imported (subject to a fine not exceeding level 3 on the standard scale, on conviction).

In addition, where the premises are to be used primarily or exclusively for the sale or supply of alcohol for consumption on the premises, it is an offence to allow children under 16 to be present when the premises are open for that purpose unless they are accompanied by an adult. In the case of any premises at which sales or supplies of alcohol are taking place at all, it is an offence for a child under 16 to be present there between the hours of midnight and 5am unless accompanied by an adult. In both instances, the penalty on conviction is a fine not exceeding level 3 on the standard scale, currently £1,000.

## Note 1

A temporary event notice may only be given by an individual and not, for example, by an organisation or club or business. The individual giving the notice is the proposed “premises user”. Within businesses, clubs or organisations, one individual will therefore need to be identified as the proposed premises user.

If you include an e-mail address in section 1(7) or 1(9), the licensing authority may send to this the acknowledgement of receipt of your notice or any notice or counter notice it is required to give under sections 104A, 106A or 107 of the Licensing Act 2003.

## Note 2

For the purposes of the Licensing Act 2003, “premises” means any place. Premises will therefore not always be a building with a formal address and postcode. Premises can include, for example, public parks, recreation grounds and private land.

If a premises licence or club premises certificate has effect in relation to the premises (or any part of the premises) which you want to use to carry on licensable activities, it is possible that any conditions which apply to the licence or certificate may be imposed on the temporary event notice if certain pre-conditions are met. These pre-conditions are that the police or the local authority exercising environmental health functions object to the notice and the licensing authority decides:

- not to give a counter notice under section 105 of the Licensing Act 2003;
- the conditions apply to the licence or certificate; and
- the imposition of the conditions on the notice would not be inconsistent with the carrying on of the licensable activities under the notice.

## Note 3

A temporary event notice can be given for part of a building, such as a single room or a plot within a larger area of land. You should provide a clear description of the area in which you propose to carry on licensable activities. This is important as any licensable activities conducted outside the area of the premises protected by the authority of this temporary event notice would be unlawful and could lead to prosecution.

In addition, when holding the proposed event, the premises user would need to be able to restrict the number of people on the premises at any one time when licensable activities are taking place to less than 500. If more than 499 are on the premises when licensable activities are being carried on, the licensable activities would be unlawful and the premises user would be liable to prosecution. The maximum figure of 499 includes, for example, staff, organisers, stewards and performers.

## Note 4

A description of the nature of the premises assists the chief officer of police and local authority exercising environmental health functions in deciding if any issues relating to the licensing objectives are likely to arise. You should state clearly that the premises to be used are, for example, a public house, a restaurant, an open field, a village hall or a beer tent.

## Note 5

A description of the nature of the event similarly assists the chief officer of police and local authority exercising environmental health functions in making a decision as to whether or not to make an objection. You should state clearly that the event taking place at the premises would be, for example, a wedding with a pay bar, the supply of beer at a particular farmers’ market, a discotheque, the performance of a string quartet, a folk group or a rock band.

## Note 6

The licensable activities are:

- the sale by retail of alcohol;
- the supply of alcohol by or on behalf of a club to, or to the order of, a member of a club;
- the provision of regulated entertainment; and
- the provision of late night refreshment.

## Note 7

Regulated entertainment, subject to specified conditions and exemptions, includes:

- (a) a performance of a play;
- (b) an exhibition of a film;

- (c) an indoor sporting event;
- (d) a boxing or wrestling entertainment;
- (e) a performance of live music;
- (f) any playing of recorded music;
- (g) a performance of dance; and
- (h) entertainment of a similar description to that falling within (e), (f) or (g).

In terms of specific regulated entertainments please note that:

- Plays: no licence is required for performances between 08.00 and 23.00 on any day, provided that the audience does not exceed 500.
- Dance: no licence is required for performances between 08.00 and 23.00 on any day, provided that the audience does not exceed 500. However, a performance which amounts to adult entertainment remains licensable.
- Films: no licence is required for 'not-for-profit' film exhibition held in community premises between 08.00 and 23.00 on any day provided that the audience does not exceed 500 and the organiser (a) gets consent to the screening from a person who is responsible for the premises; and (b) ensures that each such screening abides by age classification ratings.
- Indoor sporting events: no licence is required for performances between 08.00 and 23.00 on any day, provided that the audience does not exceed 1000.
- Boxing or Wrestling Entertainment: no licence is required for a contest, exhibition or display of Greco-Roman wrestling, or freestyle wrestling between 08.00 and 23.00 on any day, provided that the audience does not exceed 1000. Combined fighting sports – defined as a contest, exhibition or display which combines boxing or wrestling with one or more martial arts – are licensable as a boxing or wrestling entertainment rather than an indoor sporting event.
- Live music: no licence permission is required for:
  - a performance of unamplified live music between 08.00 and 23.00 on any day, on any premises.
  - a performance of amplified live music between 08.00 and 23.00 on any day on premises authorised to sell alcohol for consumption on those premises, provided that the audience does not exceed 500.
  - a performance of amplified live music between 08.00 and 23.00 on any day, in a workplace that is not licensed to sell alcohol on those premises, provided that the audience does not exceed 500.
  - a performance of amplified live music between 08.00 and 23.00 on any day, in a church hall, village hall, community hall, or other similar community premises, that is not licensed by a premises licence to sell alcohol, provided that (a) the audience does not exceed 500, and (b) the organiser gets consent for the performance from a person who is responsible for the premises.
  - a performance of amplified live music between 08.00 and 23.00 on any day, at the non-residential premises of (i) a local authority, or (ii) a school, or (iii) a hospital, provided that (a) the audience does not exceed 500, and (b) the organiser gets consent for the performance on the relevant premises from: (i) the local authority concerned, or (ii) the school or (iii) the health care provider for the hospital.
- Recorded Music: no licence permission is required for:
  - any playing of recorded music between 08.00 and 23.00 on any day on premises authorised to sell alcohol for consumption on those premises, provided that the audience does not exceed 500.
  - any playing of recorded music between 08.00 and 23.00 on any day, in a church hall, village hall, community hall, or other similar community premises, that is not licensed by a premises licence to sell alcohol, provided that (a) the audience does not exceed 500, and (b) the organiser gets consent for the performance from a person who is responsible for the premises.

- any playing of recorded music between 08.00 and 23.00 on any day, at the non-residential premises of (i) a local authority, or (ii) a school, or (iii) a hospital, provided that (a) the audience does not exceed 500, and (b) the organiser gets consent for the performance on the relevant premises from: (i) the local authority concerned, or (ii) the school proprietor or (iii) the health care provider for the hospital.
- Cross activity exemptions: no licence is required between 08.00 and 23.00 on any day, with no limit on audience size for:
  - any entertainment taking place on the premises of the local authority where the entertainment is provided by or on behalf of the local authority;
  - any entertainment taking place on the hospital premises of the health care provider where the entertainment is provided by or on behalf of the health care provider;
  - any entertainment taking place on the premises of the school where the entertainment is provided by or on behalf of the school proprietor; and
  - any entertainment (excluding films and a boxing or wrestling entertainment) taking place at a travelling circus, provided that (a) it takes place within a moveable structure that accommodates the audience, and (b) that the travelling circus has not been located on the same site for more than 28 consecutive days.

If you are uncertain whether or not the activities that you propose are licensable, you should contact your licensing authority for further advice.

## Note 8

Late notices can be given no later than 5 working days but no earlier than 9 working days before the event in relation to which the notice is given. A late notice given later than 5 working days before the event to which it relates will be returned as void and the activities described in it will not be authorised.

The number of late notices that can be given in any one calendar year is limited to 10 for personal licence holders and 2 for non-personal licence holders. These count towards the total number of temporary event notices (i.e. 50 temporary event notices per year for personal licence holders and 5 temporary event notices for non-personal licence holders).

If there is an objection from either the police or local authority exercising environmental health functions, the event will not go ahead and a counter notice will be issued.

## Note 9

The maximum period for using premises for licensable activities under the authority of a temporary event notice is 168 hours or seven days.

## Note 10

You should state here the times during the event period, for example 48 hours, when you intend to carry on licensable activities. For example, you may not intend to carry on licensable activities throughout the entire 48-hour event period, and may intend to sell alcohol between 8.00 hrs and 23.00 hrs on each of the two days.

## Note 11

No more than 499 may be on the premises for a temporary event at any one time when licensable activities are being carried on. If you intend to have more than 499 attending the event, you should obtain a premises licence for the event. Your licensing authority should be able to advise you. The maximum figure of 499 includes not only the audience, spectators or consumers but also, for example, staff, organisers, stewards and performers who will be present on the premises.

## Note 12

If you indicate that alcohol will be supplied only for consumption on the premises, you would be required to ensure that no person leaves the premises with alcohol supplied there. If such a supply takes place, the premises user may be liable to prosecution for carrying on an unauthorised licensable activity. Similarly, if the premises user gives notice that only supplies of alcohol for consumption off the premises will take place, he/she must ensure that alcohol supplied is not consumed on the premises. The premises user is free to give notice that he/she intends to carry on both types of supplies. For this purpose, the supply of alcohol includes both of the first two licensable activities listed in note 6 above.

#### Note 13

Relevant entertainment is defined in the Local Government (Miscellaneous Provisions) Act 1982 (“the 1982 Act”) as *any live performance or any live display of nudity which is of such a nature that, ignoring financial gain, it must reasonably be assumed to be provided solely or principally for the purpose of sexually stimulating any member of the audience (whether by verbal or other means)*. Relevant entertainment therefore includes, but is not limited to, lap dancing and pole dancing.

The 1982 Act requires premises which provide relevant entertainment to be licensed under that Act for this purpose. Premises at which there have not been more than eleven occasions on which such entertainment has been provided within a period of 12 months, no such occasion has lasted for more than 24 hours and there has been a period of at least one month between each such occasion are exempt from the requirement to obtain a licence under the 1982 Act. Such premises are likely instead to require an authorisation under the Licensing Act 2003 to be used for such activities as these are a licensable activity (the provision of regulated entertainment — see note 6 above). A temporary event notice may be given for this purpose.

#### Note 14

The holder of a valid personal licence issued under the Licensing Act 2003 may give up to 50 temporary event notices in any calendar year subject to the other limitations in the 2003 Act. A proposed premises user who holds such a licence should give the details requested.

#### Note 15

As stated under Note 14, a personal licence holder (issued under the Licensing Act 2003) may give up to 50 temporary event notices (including 10 late notices) in any calendar year. An individual who does not hold a personal licence may only give 5 temporary event notices (including 2 late notices) in England and Wales in any calendar year. A calendar year is the period between 1st January to 31st December inclusive in any year.

If an event straddles two calendar years, it will count against the limits on temporary event notices for each year. However, only one notice needs to be given. The limits are:

- i. for event periods occurring wholly or partly in 2022 or 2023, up to 20 times in the calendar year for each premises;
- ii. for other event periods, 15 times in a calendar year for each premises;
- iii. for event periods (or any part of a period) occurring in 2022 or 2023, 26 days in the calendar year for each premises;
- iv. for other event periods, 21 days in a calendar year for each premises;
- v. 50 per personal licence holder each calendar year; and
- vi. 5 for non-holders each calendar year.

For the purposes of determining the overall limits of 50 temporary event notices per personal licence holder (in a calendar year) and of 5 for a non-personal licence holder (in a calendar year), temporary event notices given by an associate or a person who is in business with a premises user (and that business involves carrying on licensable activities) count towards those totals. Note 16 below sets out the definition of an “associate”.

If a temporary event notice has been given for the same premises, by the same premises user, and would have effect within 24 hours before the start of the event period under the current proposal or within 24 hours after the end of that period, the temporary event notice given would be void and any licensable activities carried on under it would therefore be unlicensed.

For the purposes of determining whether or not the required gap of 24 hours is upheld, temporary event notices given by an associate or a person who is in business with a premises user (and that business involves carrying on licensable activities) count as if they had been given by the premises user. Note 16 below sets out the definition of an “associate”.

## Note 16

An “associate” of the proposed premises user is:

- a. the spouse or civil partner of that person;
- b. a child, parent, grandchild, grandparent, brother or sister of that person;
- c. an agent or employee of that person; or
- d. the spouse or civil partner of a person within (b) or (c).

For these purposes, a person living with another as that person’s husband or wife is to be treated as that person’s spouse.

## Note 17

It is a requirement that you send at least one copy of this notice to the licensing authority at least ten working days (or five working days for a late notice) before the commencement of the proposed licensable activities. The authority will give you written acknowledgement of the receipt of the notice. This will be important proof that you gave the notice and when you gave it for the purposes of the Act. Some premises may be situated in two licensing authority areas, for example, where a building or field straddles the local authority boundary. Where this is the case, at least one copy of the notice must be sent to each of the licensing authorities identified, together with the appropriate fee in each case. In such circumstances, you will receive acknowledgements from all the relevant licensing authorities.

One copy must be sent to each of the chief officer of police and the local authority exercising environmental health functions for the area in which the premises is situated at least ten working days for a standard notice (or five working days for a late notice) before the commencement of the proposed licensable activities. Where the premises are situated in two police areas or environmental health areas, a further copy will need to be sent to the further police force and local authority exercising environmental health functions.

## Note 18

Under the Licensing Act 2003, all temporary event notices are given subject to a mandatory condition requiring that where the licensable activities involve the supply of alcohol, all such supplies must be made by or under the authority of the named premises user. If there is a breach of this condition, the premises user and the individual making the supply in question would be liable to prosecution. For this purpose, the supply of alcohol includes both of the first two licensable activities listed in note 6 above.

## Note 19

It is an offence knowingly or recklessly to make a false statement in, or in connection with, a temporary event notice. (A person is to be treated as making a false statement if he produces, furnishes, signs or otherwise makes use of a document that contains a false statement.) To do so could result in prosecution and an unlimited fine.

## Note 20

You should not complete section 10 of the notice, which is for use by the licensing authority. It may complete this section as one means of giving you written acknowledgement of its receipt of the notice.

Dear licensing committee , I am writing to formally appeal the representation received regarding our Temporary Event Notice (TEN) under the Licensing Act 2003. The representation, as outlined in the letter dated 26 of September 2024 , claims that allowing the event to proceed would undermine a licensing objective. However, the letter fails to specify which licensing objective would be affected, making it difficult for us to understand or address the concerns raised. It is important to note that our previous TENs have been conducted successfully without any incidents or violations of the licensing objectives. We have a strong track record of compliance and professionalism, which we believe should be taken into account when considering this appeal. Our experience in managing similar events demonstrates that we are fully capable of organising this event while adhering to the requirements of the Licensing Act 2003. We have taken every possible step to ensure that this event is conducted in full compliance with the law, including the four key licensing objectives:

1. Prevention of crime and disorder
2. Public safety
3. Prevention of public nuisance
4. Protection of children from harm

All necessary security measures are in place, and we are confident that no licensing objective will be undermined if this event is allowed to proceed. We have also cooperated fully with local authorities and the police in the past, and our events have been a positive contribution to the community. Given the challenging economic climate, this event is crucial for us to continue our operations. We respectfully ask the Licensing Committee and the Chief Officer of Police to reconsider their stance and allow this event to go ahead. We are committed to working within the framework of the law and are happy to discuss any concerns or implement additional measures if necessary. We would greatly appreciate the council's support in allowing this event to take place, as we have demonstrated our ability to manage events responsibly and with minimal impact on the local area. Thank you for your consideration, and I look forward to a favourable resolution.

Yours sincerely,

Tekleweni Ghebreselassie

**POLICE OBJECTION to a Temporary Event Notice (TEN)**

**Section 104 Licensing Act 2003**

Name of Premises User: Mr TEKLEWWENI GHEBRESLASIE

Address of Premises: STADIUM LOUNGE 783 HIGH ROAD TOTTENHAAM LONDON N17 8AH

**Date(s) requested** for TEN: Sunday 6<sup>th</sup> September 2024, from 00:30 to 2:30.

**Licensable Activities** :The Sale by retail of Alcohol, The provision of Regulated Entertainment ,The provision of late night Refreshment and the supply of alcohol by a club to a club member.

**Maximum number of people stated:** 120

**The nature of the event-** Entertainments

**I wish to make representation on the following objective:**

Police are satisfied that the grant of this Temporary Event Notice (TEN) would undermine:

- The prevention of public nuisance
- The prevention of crime and disorder

The applicant's premises located on a High Street surrounded by residential flats above the shops on the ground floor.

The applicant has given a notice with almost no detail about the event at all. It appears that the applicant has spent less than a minute completing this form, he does not appear to have paid any attention to the guidance notes. The event is described in one word only "entertainments", which is very vague, and when considered with the rest of the application, suggests that the applicant has been careless. The applicant has submitted several TENs in the past, and to continue to place barely any detail on them suggests to us that he does not take his obligation to uphold the licensing objectives seriously.

The applicant's event is scheduled with a terminal time of 0230 hours, we feel that if granted it would likely promote a public Nuisance, with patrons causing associated noise nuisance and anti-social behaviour upon entry or exit, or when patrons choose to smoke by way of noise and disturbance to residents in the early hours of the morning. Regulated entertainment from the venue in the form of

music would likewise have a risk of causing noise nuisance to the local neighborhood. The local authority have also received numerous complaints from local residents concerning noise nuisance and disorder.

Furthermore, the applicant has previously been refused TENs by this Licensing Authority, and has proceeded to hold an event regardless on 13 July 2024, which has led to enforcement action by the council for this offence. Considering this recent violation, we feel that it would be inappropriate to allow this event to proceed, because by his disregard of the Licensing Act Mr Ghebreslasie has shown himself unsuitable to give these notices.

There is irrefutable evidence based upon the mismanagement of the premises that has highlighted this applicants unwillingness to adhere to the licensing objectives, he appears to have total disregard for his obligations under the act and ignores responsible authorities statutory warnings, we therefore hold no confidence in this applicant to adhere to the law and therefore feel that a rejection is proportionate

Kind Regards,

### **Annex 3 – Conditions attached after a hearing by the licensing authority**

#### **Resolved 12<sup>th</sup> June 2023**

The Committee decided to grant the application for a new premises licence with the conditions set out in the operating schedule.

#### **Reasons**

The Committee gave serious consideration to the submissions by the applicant and to the concerns raised by the objectors. The Committee was satisfied that the licence should be granted and that the above conditions were appropriate and proportionate and would ensure that the licensing objectives were promoted.

The premises are in close proximity to residential premises. The Committee were keen to ensure that nuisance was not caused to nearby residents by the noise/smoke from the premises and/or its customers. They also had regard to the potential for customers leaving the premises to engage in anti-social behaviour in the vicinity causing nuisance to the residents. Appropriate conditions have therefore been added to the licence to promote the licensing objective of the prevention of public nuisance, they also include the use of the rear garden area ceasing at 9pm.

The Committee did have regard to the representations made by the applicant regarding the success of his business turning on the premises being able to open late each evening and until 3am on Friday and Saturdays. The Committee balanced this against the fact that children live adjacent to the premises and would need to sleep in the early evenings and residents could be disturbed from noise from the premises at night. The Committee found that reduced opening hours during the week would align with promoting the licensing objectives of the Protection of Children from harm and the prevention of public nuisance.

The Committee acknowledged that the applicant had accepted a number of conditions suggested by the Licensing Authority and had also proposed a number of conditions themselves to address some of the concerns.

The Committee were satisfied having considered all of the representations that the licensing objectives would not be undermined if the application was granted subject to the conditions which it considered appropriate and proportionate for the promotion of all four of the licensing objectives.
