## 1. Describe the issue under consideration

- 1.1 This report sets out details of a temporary event notice which has been given to the Licensing Authority, in respect of which the ASB Noise Team RA has submitted an objection notice.  
The notice set out in the Appendix 1 (TENS 1) and Appendix 2 (TENS 2) to this report is to be considered having regard to the Council's Licensing Policy, the licensing objectives and the objection notice received at Appendix 3. The applicant seeks the ability to provide licensable activities from the premises on the dates stipulated. A response to the Noise RA objection was received from the business representative and is shown at Appendix 3A.
- 1.2 The premises does not hold a Premises licence, but has been flagged by residents to the local Authority for noise nuisance and operating into the early hours of the morning. The operator initially submitted an application for a Premises Licensing in December 2025, which was rejected.  
The premises was then flagged in March 2026 by residents being impacted by noise And nuisance coming from the premises in the early hours of the morning. As a result of this a warning letter was sent to the operator and ASB Licensng Enforcement were asked to carry out monitoring visit.
- 1.3 The Enforcement Team carried out visits and found non compliance with the Licensing Act 2003. Appendix 5.
- 1.4 An individual (known as the “premises user”) may give notice of a proposal to use premises for a temporary event, engaging in one or more licensable activities for a period of no more than 168 consecutive hours. The Licensing Sub-Committee is required to consider any objection notice received, and must give the premises user a counter-notice under section 105 of the Licensing Act 2003 if it considers it appropriate for the promotion of a licensing objective to do so. The temporary event may not proceed if a counter-notice has been issued.
- 1.5 The Licensing Sub-Committee has responsibility for exercising many of the Council's powers in respect of the Licensing Act 2003. Consideration by the Committee of the notice(s) appended to this report is required because the Temp Event notice has attracted an objection from the ASB Noise RA.
- 1.. The statutory consultation requirement set out in paragraph 3 below has been complied with by the premises user(s), and has resulted in the Noise RA giving an objection notice to the licensing authority. The premises user and the Noise RA have

been invited to the meeting.

1.6

### **Consideration for LSC**

- 2.1 When carrying out its licensing functions, the Sub-Committee shall act with regard to the Council's Licensing Policy, Statutory Guidance, and with a view to promoting the Licensing Objectives. The objectives are:
- the prevention of crime and disorder
  - public safety
  - the prevention of public nuisance
  - the protection of children from harm
- 2.2 The Sub-Committee must ensure that all licensing decisions have:
- a direct relationship to the promotion of one or more of the 4 licensing objectives;
  - regard to the statement of licensing policy;
  - regard to the Secretary of State's Guidance;
  - there must not be a 'blanket policy' to the extent that it is applied so rigidly that an exercise of discretion in each individual case is precluded.
- 2.3 Applications must be considered with regard to the principles of fair process and the Human Rights Act.  
The purpose of Haringey's Statement of Licensing Policy is to make clear to applicants and relevant representatives the considerations that will be taken into account when determining applications. It is also intended to guide the Licensing Committee when considering licensing applications; however the Licensing Committee must consider each application on its own merit and only allow exceptions to its own policy where the circumstances of the application justify it.
- 2.4 Subject to both the Council's Statement of Licensing Policy and Statutory Guidance having been properly considered a Sub Committee may depart from them if there are good reasons for doing so. Full reasons must be given and Sub-Committees should be aware that such departures could give rise to an appeal or judicial review.
- 2.5 Section 105(2)(b) of the Act requires that the licensing authority must, having regard to the objection notice, give the premises user a counter notice under this section if it considers it, "appropriate for the promotion of a licensing objective to do so." The temporary event may not proceed if a counter-notice has been given.
- 2.6 Section 106A(2) of the Act provides that the licensing authority may impose one or more conditions on the standard TEN if:
- a) it considers it appropriate for the promotion of the licensing objectives to do so;
  - b) the conditions are also imposed on a premises licence or club premises certificate that has effect in respect of or in any part of the same premises as the TEN;
  - c) the conditions would not be inconsistent with the carrying out of licensable activities under the TEN.
- 2.7 It is considered inappropriate for officers of the Licensing Authority involved in the administration of notices to make recommendations. However, the Committee may choose whether to have regard to any representations made by police officers or Council's Noise Team if they believe that using the premises in accordance with the TEN will undermine the licensing objectives.

At any time prior to the hearing the Council's Noise Team may, with the agreement of the premises user, modify the temporary event notice by making changes to the notice. The objection notice shall be treated as having been withdrawn from the time the temporary event notice is modified. The premises user may also withdraw the notice completely at any time up until 24 hours prior to the proposed start time of the notice.

- 2.8 In accordance with the provisions of Part 3 of Schedule 5 of the Act, where the licensing authority gives a counter-notice under section 105, the premises user may appeal against the decision. Where the authority does not give a counter-notice, the person giving the objection notice may appeal against the decision. In both cases, appeals must be made to a Magistrates Court within 21 days of receiving notification of the decision - however, no appeal can be brought less than 5 working days prior to the first proposed event day.

### **3. Other considerations**

- 3.1 Section 17 of the Crime and Disorder Act 1998 states: 'Without prejudice to any other obligation imposed on it, it shall be the duty of each authority to which this section applies to exercise its various functions with due regard to the likely effect of the exercise of those function on, and the need to do all that it reasonably can to prevent crime and disorder in its area'.

### **4 Human Rights**

While all Convention Rights must be considered, those which are of particular relevance to the application are:

- Article 8 – Right to respect for private and family life.
- Article 1 of the First Protocol – Protection of Property.
- Article 6(1) – Right to a fair hearing.
- Article 10 – Freedom of Expression.

**Subject:** RE: OBJECTION NOTICE OF A TEMPORARY EVENT NOTICE- Red Carpet Bar & Restaurant, 99 West Green Road, Tottenham, London N15 5DE on 9th to 10th and 14th to 17th May 2026

Dear David Wood

As you are aware, three Temporary Event Notices (TENs) were submitted as follows:

1. A late TEN for 1st–4th May (inclusive), which has received a counter notice;
2. A standard TEN for 9th–10th May 2026;
3. A standard TEN for 14th–17th May (inclusive).

My name is Maxwell Owusu Koduah, a new member of the management of the premises.

Since 20 April 2026, management at the premises has been strengthened with the appointment of Mr Maxwell Owusu Koduah as a member of the management team. Mr Koduah brings over a decade of experience as an Environmental Health Officer (EHO) and Licensing Consultant.

Since his appointment, a number of improvements have been implemented to enhance compliance and operational standards, including:

- Comprehensive staff training on the licensing objectives
- Expanded training programmes covering statutory nuisance, as well as welfare and vulnerability engagement
- Direct oversight of staff recruitment to ensure suitably qualified and competent personnel are engaged

In addition, robust measures have been introduced to ensure that the previous misunderstanding, which resulted in the supply of alcohol prior to the granting of the Premises Licence, will not recur.

Staff have also received targeted training and ongoing support in the following areas:

- Managing and responding to drug-related issues
- Promoting customer awareness and respect for neighbouring residents
- De-escalation techniques to effectively manage and resolve tensions

Furthermore, the premises has been appropriately signposted to support the orderly dispersal of patrons, thereby helping to minimise disruption to the local community.

These actions demonstrate a clear commitment to responsible management and continuous improvement. The management team operates an open and reflective culture, where lessons learned from past errors are used constructively to strengthen compliance and operational practices.

We look forward to maintaining a collaborative working relationship with the Council and the Police in ensuring full adherence to the four licensing objectives.

We believe the above, together with the undertaking that accompanied the TENs are enough to give the council assurance that the licensing objectives shall be complied with during the TENs.

We are open to further mediation on the matter.

Failure to reach an agreement, which at this stage is within your remit, we require the council to trigger its mandatory responsibility under the Licencing Act 2003 section 105(2) on this matter ASAP.

Kind regards

Maxwell Owusu Koduah

Dear All.

**TENS- Red Carpet Bar & Restaurant 09 to 10-05-26**

The Noise Nuisance and Licensing team have already submitted an objection representation for the applicant's full premises licence application, on the basis that the business was found selling alcohol without a Premises Licence on the 21<sup>st</sup> March 2026.

Due to this history of the non-compliance, we submit there is a likelihood that the operator will fail to comply with Temporary Event Notice conditions, which would undermine the prevention of public nuisance, the prevention of Crime and Disorder and public safety objectives.

Premises Application for a Premises Licence- WK/649324

Further to the Noise Nuisance and Licensing Team's representation of 1<sup>st</sup> April 2026 regarding the above Premises licence application. Officers visited the above business on the 17<sup>th</sup> April 2026 at 23:14 hours. The business was open and customers were seated at the tables. Some of the customers had what appeared to be full wine glasses in front of them with bottles of wine. Other customers had what appeared to be bottles of beer in front of them. The fridge behind the counter was turned on and was full of alcohol and some of the alcohol matched what was within the fridge. However, it was partially covered with a sheet. David Wood looked in the bin behind the Fridge and it was full of empty beer cans and wine bottles. Officers also noticed patrons leave and return with black carrier bags of alcohol. Craig Bellringer photographed post it notes on the counter that had the prices of food and alcohol on them (Appendix 1A, 1B, 1C). The post it notes appeared to be used to record orders. After Craig photographed the post it notes, staff took them away. Janet Nyantaki was present at the business. We asked her what was taking place and she stated that alcohol was not being sold. Officers then left the property.
