LC35 MINUTES OF PREVIOUS MEETINGS OF LICENSING COMMITTEE (Agenda Item 4)

RESOLVED

That the Committee approve the Minutes of the Licensing Committee of 14 March 2006.

LC36 KURDISH COMMUNITY EVENT, Finsbury Park, N4 (Agenda Item 7):

The Chair agreed to receive some late documents and plans from the applicant which sought to address previous concerns raised by the responsible authorities. The meeting was adjourned for 20 minutes so that the officers had time to consider the late information.

The meeting reconvened at 7.30pm and the Chair ran through the order of proceedings and introduced those present.

In answer to questions from members, the applicant explained that there would be no fireworks at this event and 3,000 tickets had been printed; to date 1,000 had been sold but there would be some sales at the door. He explained that this was not a political event and stressed its cultural significance to the Kurdish people. There would be no bonfire and fireworks and he felt this represented a large sacrifice in the interests of public safety. He also felt he was acting in the public interest by holding one large organised event rather than the possibility of many private events which could pose a fire risk. Only cold food would be served, no alcoholic beverages and no glass; an adequate number of toilets would be provided and attendees had been advised not to bring cars. The Licensing Officer confirmed that Traffic Management had said that parking attendants were unnecessary.

**MINUTES OF THE LICENSING COMMITTEE (2003 LICENSING ACT)
21 March 2006**

An objector (local resident) was present and outlined her concerns about people bringing fireworks into the event illegally and felt that the general organisation with regards to health and safety was inadequate. She was also concerned about a report in the Londoner that a crowd of 25,000 was possible.

The applicant explained that the door number would not be this excessive (a) because only 3,000 tickets had been printed and (b) there were events up and down the country this year so there would be less people travelling to the Haringey event. He was respectful of local residents and confirmed that music would be turned off at 10.30 sharp. Also, all stewards working at the event had been trained in public safety and would be required to attend a briefing before the event.

The responsible authorities (Fire, Police and the Health and Safety Officers) then questioned the applicant about the revised plans submitted at the meeting and requested the extra information set out in the Appendix to these minutes.

In summing up, the Chair stated that Haringey was a cosmopolitan borough and keen to support community events but it also had to meet its obligation under the Licensing Act 2003 and support its objectives: i) the prevention of crime and disorder; ii) public safety; iii) the prevention of public nuisance and iv) the protection of children from harm.

RESOLVED

The Committee decided to grant the application, subject to the conditions set out in the appendix to these minutes being fulfilled, and confirmation of these being sent to the Licensing Manager by close of business on 22 March 2006.

REASONS: The Committee decided that it was necessary to impose the conditions as set out in the appendix to these minutes in order to promote the four objectives of the Licensing Act 2003.

Informative: The Committee felt that in future tickets should not be sold on the door for community events and that any issues arising from this event should be fed back to the Licensing Committee for future reference.

NB: Members subsequently decided to extend the deadline to close of business on 23rd March and the applicant fulfilled all the conditions

The meeting ended at 11pm

.....
Councillor JAYANTI PATEL
Vice-Chair of Licensing Committee

Date.....

APPENDIX TO THE MINUTES

That the application be granted subject to the further requests of the responsible authorities as set out below, to be supplied to Dale Barrett by close of business on 22 March 2006:

Fire Authority

- 1) Following fence removal; all holes be filled in by the contractor
- 2) An extra exit be supplied and that this be wide enough to accommodate emergency vehicles. (All existing exits to be wide enough to accommodate emergency vehicles).
- 3) Extra detail be supplied with regard to the Marquees ie. materials, lighting and heating.
- 4) Details, names and numbers of the electricians working on site.
- 5) The generator to be housed appropriately (I believe the applicant said this was shown on the applicant's original plan)
- 6) Details of the siting of the extinguishers and certification that the Stewards have been trained in their use
- 7) The evacuation message should be more specific when announced to the public '*Spring is Here*' is ok for the Stewards. All Stewards to be supplied with radios to communicate the '*Spring is Here*' message in the first instant. The PA's must run on their own control panel, in the event of a fire on the stage.
- 8) All confiscated fireworks to be thrown in a bucket of water. Bins to be provided for other confiscated items.
- 9) Lighting must extend to the exit from the park.
- 10) The Event Safety Co-ordinator must be shown as the Officer in Charge on the staff structure chart. All personnel on duty must be named; including the caterers with telephone numbers.

Police

- 1) Updated staff structure (also requested by the Fire Brigade), this must include the names and times of the stewards duty rota.
- 2) Stewards must be identifiable with bibs throughout the event and must not take part in any dancing while on duty. The applicant, in his role as Deputy Manager, must be on site at all times.

- 3) The Event Safety Co-ordinator must be in charge of the evacuation plan; the Police will only take command if they decide it is a major incident. His name and telephone number must be provided.
- 4) The exits must be completely clear of any event vehicles prior to the start of the event to make room for emergency vehicles. The Parks Officer offered to supply parking for 6-7 vehicles where they would not cause obstruction. The event must not start before these areas are cleared.
- 5) All Stewards conducting searches must be Security Industries Act Trained (with Certification) in order to manage potential conflicts etc.
- 6) Adequate security must be in place for ticket sales and safe keeping of any money from ticket sales.
- 7) Clickers must be used on counting people in and out.
- 8) A list of all stage acts to be supplied and confirmation that these will not be politically controversial. Also, a list of all VIP's expected to attend.
- 9) Small barriers must be used at the rear to support the fence and all barriers must be easy to move.
- 10) Stewards at the critical exits must be SIA Certified.
- 11) 2-4 Stewards should patrol outside the event.
- 12) Stewards should be paid, not volunteers.
- 13) The Police Control Unit should not be housed within the festival area.
- 14) No Stewards shall leave the event until all the public have cleared the area and this should be done within half an hour of the close of the event

Health and Safety

- 1) A full detailed electrical specification to be supplied; this must include the positioning of all equipment and safety precautions, certificates of compliance for all temporary installations and the type of fuel to be used.
- 2) Details of the siting of generators and their housing and safety precautions.
- 3) Details of the materials used in the marquees (must be fire resistant)
- 4) Details of the siting and numbers of the toilets and these, along with the exit points and first aid marquee, must be signed throughout the event.
- 5) Provisions of the St John's Ambulance risk assessment

- 6) Where fence panels are removed from Zone 6, the surface must be level.
- 7) At future events; no tickets to be sold at the door and Stewards must not sell tickets.
- 8) Details of the lighting system and back up
- 9) Stewards to be notified of evacuation in the first instant by radio then a PA announcement to the public.
- 10) 2 extra Disabled access/exits to be supplied.
- 11) More specific instructions on the use of suspect packages and vehicles. i.e. no use of mobiles phones or radios near them.
- 12) All Stewards to be supplied with radios

Extra Conditions imposed by the Licensing Committee

- 1) Regular PA announcements of the siting of the toilets, first aid marquees and emergency exits.
- 2) Regular PA announcements that there will be no celebratory fires
- 3) That details satisfying all the conditions of the responsible authorities must be with Dale Barrett by end of business on 22 March 2006

ITEM 5

<p><u>LICENSING SUB-COMMITTEE HEARINGS</u> <u>PROCEDURE SUMMARY</u></p>	<p>Tick box to record action / decisi on</p>
<p><u>INTRODUCTION</u></p>	
<p>1. The Chair introduces himself and invites other Members, Council officers, Police, Applicant and Objectors to do the same.</p>	
<p>2. The Chair invites Members to disclose any prior contacts (before the hearing) with the parties or representations received by them</p>	
<p>3. The Chair explains the procedure to be followed by reference to this summary which will be distributed.</p>	
<p><u>NON-ATTENDANCE BY PARTY OR PARTIES</u></p>	
<p>4. If one or both of the parties fails to attend, the Chair decides whether to:</p>	
<p>(i) grant an adjournment to another date, or</p>	
<p>(ii) proceed in the absence of the non-attending party.</p>	
<p>Normally, an absent party will be given one further chance to attend.</p>	
<p><u>TOPIC HEADINGS</u></p>	
<p>5. The Chair suggests the "topic headings" for the hearing.</p> <p>In the case of the majority of applications for variation of hours, or other terms and conditions, the main topic is:</p> <p>Whether the extensions of hours etc. applied for would conflict with the four licensing objectives i.e.</p>	
<p>(i) the prevention of crime and disorder,</p>	
<p>(ii) public safety,</p>	

(iii) the prevention of public nuisance, and	
(iv) the protection of children from harm.	
6. The Chair invites comments from the parties on the suggested topic headings and decides whether to confirm or vary them.	
<u>WITNESSES</u>	
7. The Chair asks whether there are any requests by a party to call a witness and decides any such request.	
8. <u>Only</u> if a witness is to be called, the Chair then asks if there is a request by an opposing party to “cross-examine” the witness. The Chair then decides any such request.	
<u>DOCUMENTARY EVIDENCE</u>	
9. The Chair asks whether there are any requests by any party to introduce late documentary evidence.	
10. If so, the Chair will ask the other party if they object to the admission of the late documents.	
11. If the other party <u>do object</u> to late admission, the following criteria shall be taken into account when the Chair decides whether or not to admit the late documents:	
(i) What is the reason for the documents being late?	
(ii) Will the other party be unfairly taken by surprise by the late documents?	
(iii) Will the party seeking to admit late documents be put at a major disadvantage if admission of the documents is refused?	
(iv) Is the late evidence really important?	
(v) Would it be better and fairer to adjourn to a later date?	
<u>THE LICENSING OFFICER'S INTRODUCTION</u>	
12. The Licensing Officer introduces the report explaining, for example, the existing hours, the hours applied for and	

<p>the comments of the other Council Services or outside official bodies. This should be as “neutral” as possible between the parties.</p>	
<p>13. The Licensing Officer can be questioned by Members and then by the parties.</p>	
<p><u>THE HEARING</u></p>	
<p>14. This takes the form of a discussion led by the Chair. The Chair can vary the order as appropriate but it should include:</p>	
<p>(i) an introduction by the Objectors' main representative</p>	
<p>(ii) an introduction by the Applicant or representative</p>	
<p>(iii) questions put by Members to the Objectors</p>	
<p>(iv) questions put by Members to the Applicant</p>	
<p>(v) questions put by the Objectors to the Applicant</p>	
<p>(vi) questions put by the Applicant to the Objectors</p>	
<p><u>CLOSING ADRESSES</u></p>	
<p>15. The Chair asks each party how much time is needed for their closing address, if they need to make one.</p>	
<p>16. Generally, the Objectors make their closing address before the Applicant who has the right to the final closing address.</p>	
<p><u>THE DECISION</u></p>	
<p>17. Members retire with the Committee Clerk and legal representative</p>	

<p>to consider their decision including the imposition of conditions.</p> <p>The decision is put in writing and Members return to the meeting.</p>	
<p>18. The Chair should read out the following statement before asking the Committee Clerk to read out in public a summary of the Committee's Decision:</p> <p><i>“The Committee Clerk will read out a summary of the Committee’s Decision. The Parties will receive a written Decision Notice in which the Decision will be formally set out. Please note that the written Decision will be substantially the same although the wording might vary slightly from the summary read out.”</i></p>

6.3 Fire Officer

The Fire Officer has made a representation against this application.

6.4 Planning Officer

Planning has objections to this application on the basis that the appeal decision that granted permission for the development on 12/05/04 added three conditions relating to opening hour, playing of music and the service of alcohol as follows:

- 1) The use hereby permitted shall not be open to members or other customers outside the hours of 08.00 to midnight on any given day.
- 2) No music or amplified sound shall be played in the premises so as to be audible outside the premises.
- 3) No alcoholic drinks shall be served on the premises

A planning application (Ref HGY/2005/2273) for the Removal of Condition 1 relating to opening hours attached to appeal reference APP/Y5420/A/03/99564 to allow premises to operate until 03.00am on any day was refused planning permission on 24/01/2006.

Planning has determined not to enforce condition 3 relating to the service of alcohol, leaving that to be dealt with under the licensing powers.
