TUESDAY, 13 NOVEMBER 2007**

	<p>Officers discussed the 'benefit trap', a situation where residents perceived it as financially disadvantageous to return to work due to a belief in receiving greater income from benefits. Initiatives were being undertaken to combat this including work-trials, information about in-work benefits such as tax credits and personal advisors trained to provide in-work benefit calculations to demonstrate to individuals the financial incentives for returning to the world of work.</p> <p>Other initiatives were also outlined, including working with local businesses on subsidising travel costs; the Board heard of a current successful initiative of this nature with BAA at Stansted, with others in the pipeline. Officers also outlined their current key focus on providing in-work support, ensuring those who found work stayed in work.</p> <p>It was noted that the Employment Zone initiative had led to over 1000 people gaining work in the borough. In response to enquires from Board Members, Officers stated that this was a separate, more job-focussed initiative than the New Deal, a service which was limited in Haringey because of the existence of the Employment Zone.</p> <p>Representatives from the voluntary sector expressed their enthusiasm for the initiatives tackling worklessness and stated their desire to be engaged with them further. The importance of Joined-Up working between all partner agencies was affirmed by the Board, with support expressed by all for the Haringey Guarantee.</p> <p>It was noted that HAVCO were working together with the Council and other partners, and that further consultation with a focus on the voluntary sector would be forthcoming in the future.</p> <p>RESOLVED:</p> <ol style="list-style-type: none"> 1.
