Agenda Item 4

<u>LICENSING SUB-COMMITTEE HEARINGS PROCEDURE SUMMARY</u>	Tick box to record action / decisi on
<u>INTRODUCTION</u>	
1. The Chair introduces himself and invites other Members, Council officers, Police, Applicant and Objectors to do the same.	
2. The Chair invites Members to disclose any prior contacts (before the hearing) with the parties or representations received by them	
3. The Chair explains the procedure to be followed by reference to this summary which will be distributed.	
<u>NON-ATTENDANCE BY PARTY OR PARTIES</u>	
4. If one or both of the parties fails to attend, the Chair decides whether to:	
(i) grant an adjournment to another date, or	
(ii) proceed in the absence of the non-attending party.	
Normally, an absent party will be given one further chance to attend.	
<u>TOPIC HEADINGS</u>	
5. The Chair suggests the "topic headings" for the hearing. In the case of the majority of applications for variation of hours, or other terms and conditions, the main topic is: Whether the extensions of hours etc. applied for would conflict with the four licensing objectives i.e.	
(i) the prevention of crime and disorder,	
(ii) public safety,	
(iii) the prevention of public nuisance, and	

(iv) the protection of children from harm.	
6. The Chair invites comments from the parties on the suggested topic headings and decides whether to confirm or vary them.	
<u>WITNESSES</u>	
7. The Chair asks whether there are any requests by a party to call a witness and decides any such request.	
8. <u>Only</u> if a witness is to be called, the Chair then asks if there is a request by an opposing party to "cross-examine" the witness. The Chair then decides any such request.	
<u>DOCUMENTARY EVIDENCE</u>	
9. The Chair asks whether there are any requests by any party to introduce late documentary evidence.	
10. If so, the Chair will ask the other party if they object to the admission of the late documents.	
11. If the other party <u>do object</u> to late admission, the following criteria shall be taken into account when the Chair decides whether or not to admit the late documents:	
(i) What is the reason for the documents being late?	
(ii) Will the other party be unfairly taken by surprise by the late documents?	
(iii) Will the party seeking to admit late documents be put at a major disadvantage if admission of the documents is refused?	
(iv) Is the late evidence really important?	
(v) Would it be better and fairer to adjourn to a later date?	
<u>THE LICENSING OFFICER'S INTRODUCTION</u>	
12. The Licensing Officer introduces the report explaining, for example, the existing hours, the hours applied for and the comments of the other Council Services or outside	

official bodies. This should be as "neutral" as possible between the parties.	
13. The Licensing Officer can be questioned by Members and then by the parties.	
<u>THE HEARING</u>	
14. This takes the form of a discussion led by the Chair. The Chair can vary the order as appropriate but it should include:	
(i) an introduction by the Objectors' main representative	
(ii) an introduction by the Applicant or representative	
(iii) questions put by Members to the Objectors	
(iv) questions put by Members to the Applicant	
(v) questions put by the Objectors to the Applicant	
(vi) questions put by the Applicant to the Objectors	
<u>CLOSING ADRESSES</u>	
15. The Chair asks each party how much time is needed for their closing address, if they need to make one.	
16. Generally, the Objectors make their closing address before the Applicant who has the right to the final closing address.	
<u>THE DECISION</u>	
17. Members retire with the Committee Clerk and legal representative to consider their decision including the imposition of conditions.	

<p>The decision is put in writing and Members return to the meeting.</p>	
<p>18. The Chair should read out the following statement before asking the Committee Clerk to read out in public a summary of the Committee's Decision:</p> <p><i>“The Committee Clerk will read out a summary of the Committee's Decision. The Parties will receive a written Decision Notice in which the Decision will be formally set out. Please note that the written Decision will be substantially the same although the wording might vary slightly from the summary read out.”</i></p>

This is because whenever I apply for a temporary event it costs me money and also if customers ask for my premises to rent on a short notice there is not enough time to apply for that particular event. Therefore I am losing money to keep booking other venues.

If your proposed variation would mean that 5,000 or more people are expected to attend the premises at any one time, please state the number expected to attend

Re: License for late night music and dancing Club @ 110 High Rd Tottenham N15

Dear friends

I would like to object the license that was appealed for the above mentioned restaurant for many reasons.

- 1) they are putting up the crime in the area half drunken people wandering around the side streets at 3 am
- 2) Producing noise pollution from the restaurant in a residential area at night times when people should be sleeping
- 3) Producing noise pollution in the whole residential area when they leave the club returning to they vehicles parked all over the residential area
- 4) They double and triple park on Lealand road N15 narrowing and blocking access for emergency vehicles
- 5) Driving on Lealand road on both directions when its only a 1 way street
- 6) Using all residential parking spaces

Out of experience as I live down the road of the restaurant I get waken up by terrible noises and shouting from people using the restaurant revving engines loud stereo music from the cars littering the streets and misbehavior, when I come home at 11pm there are hardly any vacant parking spaces and occasionally I cant even park on the block where I live and I am a parent of 4 young children, when get up in the morning the roads are literally empty.

Please please don't grant any license for the above property
I am writing this email on behalf of myself and of another 14 of my neighbors living on Ferndale Rd Lealand Rd Fairview Rd and Gladesmore Rd I always can supply the names and addresses of these people if needed
Please reply upon receiving this email ASAP

 Background Papers

The following Background Papers are used in the preparation of this Report:

The Background Papers are located at Enforcement Service, Civic Centre, High Road Wood Green N22

5. REPORT

Background

5.1 The Government has introduced an order under the Gaming Act 1968 to increase the stakes and prizes for amusement with prizes machines. This change came into effect on 27th October 2006 on the understanding that all the main industry associations will introduce enhanced voluntary codes of social responsibility.

5.2 Section 34 of the Gaming act 1968 provides for two types of gaming machines which are:

(1) Amusement with Prizes 'coin or token' ie maximum stake 50p and maximum prize £5 cash or £8 non cash (Section 34(1) Gaming Act 1968)

(2) Amusement with prizes 'all cash' i.e. maximum stake 50p and maximum prize £35 (Section 34(5E) Gaming Act 1968).

The relevant statutory provisions are set out in Section 34 and Schedule 9 Gaming Act 1968 as amended by Licensing Act 2003 Schedule 6, paragraph 52 and Gambling Act 2005 Schedule 16, paragraphs 3 (7) and 8.

1. The premises must be licensed under the Licensing Act to sell alcohol
2. The AWP machines must be located on these licensed premises and there must be a bar for serving alcohol to customers on the premises.
3. A Premise License holder is a person holding a Premises License under the Licensing Act 2003.

This matter is brought before the committee as the applicants are Applying for more than 2 machines. There is no statutory limit to the number of machines allowed. The Government suggests that hearings should not be required where no more than two machines are applied for. It is standard procedure to bring before the committee any application that is requesting more than 2 machines. These premises had a permit for 29 machines previously granted by the Magistrates and are wishing to renew this permit.

5.3 This permit will active for 1 year and will need to be applied for again after under the provisions of the Gambling Act.

5.4 Attached for Members information is the Code of Practice on Responsible Management.

5.5 Finance

An application for a Section 34 permit cost £32 irrespective of the number of machines being applied for.

Dear Sirs

Re: Rowans, 10 Stroud Green Road, Finsbury Park, London

We act on behalf of Parkstock Limited the operator of Rowans, 10 Stroud Green Road, Finsbury Park, London.

We are instructed to make application for a new Permit under Section 34 of the Gaming Act 1968 in respect of the alcohol licensed area.

At present the premises have the benefit of a Section 34 Permit which authorises 29 gaming machines. Following a recent review of the size and style of operation of the premises it was felt appropriate for an application to be made authorising an additional 11 machines.

We feel sure that you will be acquainted with the premises and know that they are an entertainment centre which provides a number of leisure activities. Those activities include amusements provided by various types of gaming machines. Following an assessment of the current provision of gaming machines in relation to the available floor space and customer requirements it was identified that there was capacity for additional machines.

Accordingly we enclose the following:-

1. Notice of application.
2. Cheque in the sum of £32.00.

If you have any queries please do not hesitate to contact us.
