<b>OSCO104.</b>	<b>APOLOGIES FOR ABSENCE</b>  There were no apologies for absence.

<b>OSCO106.</b>	<b>HOUSING RENT INCREASE 2008/09</b>  The committee considered a report on the setting of council housing rents for 2008/09. The housing rent increase element of the financial planning budget package was referred to the committee at the meeting of the Cabinet of January 22 <sup>nd</sup> 2008. The report received covered the way rents were calculated under the Government's rent restructuring formula, housing subsidy entitlement and its link to rent setting. It also outlined procedures for assisting tenants experiencing difficulty in paying their rent.  Following discussion of the report at the committee, the following resolutions were made.  <b>RESOLVED:</b>  <ol style="list-style-type: none"><li>1. That the proposed rent increase for 2008/09 be noted.</li><li>2. That the Chair of Overview &amp; Scrutiny Committee write to Government Ministers to express its disappointment at the negative effect that the rent restructuring formula has had in Haringey, particularly the withdrawal of Government funding to contain rent increases to 5% and the late timing of the announcement which provided inadequate time for planning by the Council.</li></ol>
