“This Council recognises and fully accepts the findings of the review ordered by the Secretary of State, which identified serious failures of leadership and management in Haringey and its child protection services; notes with alarm the comments from Ofsted that Haringey falsified data; and calls on the Leader of the Council and Chief Executive to seek immediate and significant central government resources and external expertise to deliver the service during this difficult period of review, repair and rebuilding so that at all times the residents of Haringey can have confidence that the most vulnerable children in the Borough are secure and properly looked after”.
