	Dale Barrett, Licensing Officer, introduced the application for a variation of a premises licence seeking to extend the supply of alcohol and to provide regulated entertainment and the facility for dancing.	
	The Committee noted the Police Representation, including: <ul style="list-style-type: none"> <li>• The Applicants' premises in neighbouring Borough, Barnet, had been closed due to previous incidents of public nuisance.</li> <li>• The hours applied for were excessive.</li> </ul>	
	Interested parties questioned the Police Representative and the Committee noted the following: <ul style="list-style-type: none"> <li>• That there was no real geographical boundary outside of the premises within which premises managers were responsible for preventing public disorder. It was also not possible to prove that nuisance came from patrons from particular premises.</li> <li>• In response to comments that cars parked outside the premises would be dangerous and would obstruct emergency vehicles, the Police Representative advised that there was no evidence that any accidents had occurred as a result and the road was not particularly narrow, however, practice for emergency vehicles</li> </ul>

would be to avoid such roads.

- The CCTV system in the premises was adequate.

*Clerk's note: The Police Representative left the meeting at this point.*

The Committee noted the representation from the Noise Team, namely that following discussions the Applicant had agreed to some of the conditions set out on Pages 46-48 of the agenda pack, detailed in the resolution below.

The Committee noted the following comments made by interested parties in objection to the Application:

- Patrons leaving the premises would cause noise nuisance and public disorder.
- There was a risk to public security in an otherwise safe neighbourhood as alcohol triggered violence and vandalism.
- The business would not benefit the local community; an area populated with children and families.
- The limit of 15 people using the outside smoking area would be difficult to enforce.

Councillor Aitken asked for it to be recorded that he was not given the opportunity to speak, due to an advance request form not being provided.

The Committee noted the Legal Officer's comments emphasising that the premises already had a license to operate and that the Application in question was to vary the existing license.

The Committee noted the representation made by the Applicants' representative, Ms Hill, and answers to the Committee's questions, including:

- The 11 visits to the Applicants' other premises by the Police had been on one night and were in relation to a particular promoter whose group had been the cause of the problems. There had been no recorded incidents since.
- The premises would not be operating as a night-club. Although there would be a DJ from Thursday to Saturday, the premises would not include a dance-floor.
- CCTV footage would be retained for 28 days and the recorded area would not intrude on residential areas.
- Door supervision would be in place as well as supervision in the smoking area. There would, however, be no music outside in the smoking area and shisha lounge (a "chill-out" area where patrons could smoke flavoured tobacco).
- The Applicants would set a noise limit if required.
- Arrangements had been made so that patrons could use the parking areas of local businesses, 75 yards away from the premises. There was also a taxi rank next door to the premises. Signs will be erected informing patrons of these parking areas.

Committee members noted the closing statements of all interested

parties and adjourned to consider the application.

**RESOLVED**

The Committee took into account the numerous and detailed representations of the residents, many of whom were present at the Hearing, the responsible authorities namely the Police and Noise Pollution Officers and the Applicants.

The Application was for a new premises licence and it was the decision of the Committee that the Applicants, subject to alterations to the Application and conditions, should be given an opportunity to operate Funky Brownz under a new premises licence.

However, there were numerous occasions throughout the Hearing when the Applicant stated that the premises would not be used as a nightclub whatsoever and indeed, when specifically asked that question by objectors, Miss Patel gave a definitive "no". Ms Hills also stated that on Sunday to Wednesdays it was the Applicants' intention to use the premises as a bar/diner with background music. A licence was not required to play background music.

Therefore, the Committee was minded to grant the following:-
