<b>LICENSING SUB-COMMITTEE HEARINGS PROCEDURE SUMMARY</b>	
<b>INTRODUCTION</b>	
1.	The Chair introduces himself and invites other Members, Council officers, Police, Applicant and Objectors to do the same.
2.	The Chair invites Members to disclose any prior contacts (before the hearing) with the parties or representations received by them
3.	The Chair explains the procedure to be followed by reference to this summary which will be distributed.
<b>NON-ATTENDANCE BY PARTY OR PARTIES</b>	
4.	If one or both of the parties fails to attend, the Chair decides whether to:
	(i) grant an adjournment to another date, or
	(ii) proceed in the absence of the non-attending party.
	Normally, an absent party will be given one further chance to attend.
<b>TOPIC HEADINGS</b>	
5.	The Chair suggests the "topic headings" for the hearing. In the case of the majority of applications for variation of hours, or other terms and conditions, the main topic is:
	<b>Whether the extensions of hours etc. applied for would conflict with the four licensing objectives i.e.</b>
	(i) the prevention of crime and disorder,
	(ii) public safety,
	(iii) the prevention of public nuisance, and
	(iv) the protection of children from harm.
6.	The Chair invites comments from the parties on the suggested topic headings and decides whether to confirm or vary them.
<b>WITNESSES</b>	
7.	The Chair asks whether there are any requests by a party to call a witness and decides any such request.
8.	Only if a witness is to be called, the Chair then asks if there is a request by an opposing party to "cross-examine" the witness. The Chair then decides any such request.
<b>DOCUMENTARY EVIDENCE</b>	
9.	The Chair asks whether there are any requests by any party to introduce late documentary evidence.
10.	If so, the Chair will ask the other party if they object to the admission of the late documents.
11.	If the other party do object to the admission of documents which have only been produced by the first party at the hearing, then the documents shall not be admitted.

12.	If the other party object to documents produced late but before the hearing, the following criteria shall be taken into account when the Chair decides whether or not to admit the late documents:	
(i)	What is the reason for the documents being late?	
(ii)	Will the other party be unfairly taken by surprise by the late documents?	
(iii)	Will the party seeking to admit late documents be put at a major disadvantage if admission of the documents is refused?	
(iv)	Is the late evidence really important?	
(v)	Would it be better and fairer to adjourn to a later date?	
<b>THE LICENSING OFFICER'S INTRODUCTION</b>		
13.	The Licensing Officer introduces the report explaining, for example, the existing hours, the hours applied for and the comments of the other Council Services or outside official bodies. This should be as "neutral" as possible between the parties.	
14.	The Licensing Officer can be questioned by Members and then by the parties.	
<b>THE HEARING</b>		
15.	This takes the form of a discussion led by the Chair. The Chair can vary the order as appropriate but it should include:	
(i)	an introduction by the Objectors' main representative	
(ii)	an introduction by the Applicant or representative	
(iii)	questions put by Members to the Objectors	
(iv)	questions put by Members to the Applicant	
(v)	questions put by the Objectors to the Applicant	
(vi)	questions put by the Applicant to the Objectors	
<b>CLOSING ADRESSES</b>		
16.	The Chair asks each party how much time is needed for their closing address, if they need to make one.	
17.	Generally, the Objectors make their closing address before the Applicant who has the right to the final closing address.	
<b>THE DECISION</b>		
18.	Members retire with the Committee Clerk and legal representative to consider their decision including the imposition of conditions.	
19.	The decision is put in writing and read out in public by the Committee Clerk once Members have returned to the meeting.

Please see attached original Police representations which were submitted for the hearing.

The Police stance remains the same.

I cannot support these TENS applications because in doing so I would be giving my full support to the application to vary the premises licence. My representations are made under the licensing objectives submitted for the hearing.

General

In general, only the police may intervene on crime prevention grounds to prevent the occurrence of an event at which permitted temporary activities are to take place or to agree a modification of the arrangements for such an event. However, the licensing authority may intervene of its own volition by issuing a counter notice if the first, second and fourth of the limits set out below would be exceeded. If any of the limits below are breached or if a counter notice has been issued, any licensable activities taking place would be unauthorised and the premises user would be liable to prosecution. The limitations apply to:

- the number of times a person (the "premises user") may give a temporary event notice (50 times per year for a personal licence holder and 5 times per year for other people);
- the number of times a temporary event notice may be given in respect of any particular premises (12 times in a calendar year);
- the length of time a temporary event may last for these purposes (96 hours);
- the maximum aggregate duration of the periods covered by temporary event notices at any individual premises (15 days per calendar year); and
- the scale of the event in terms of the maximum number of people attending at any one time (a maximum of 499).

For the purposes of determining the overall limits of 50 temporary event notices per personal licence holder (in a calendar year) and of 5 for a non-personal licence holder (in a calendar year), temporary

## NOTES

### General

In general, only the police may intervene on crime prevention grounds to prevent the occurrence of an event at which permitted temporary activities are to take place or to agree a modification of the arrangements for such an event. However, the licensing authority may intervene of its own volition by issuing a counter notice if the first, second and fourth of the limits set out below would be exceeded. If any of the limits below are breached or if a counter notice has been issued, any licensable activities taking place would be unauthorised and the premises user would be liable to prosecution. The limitations apply to:

- the number of times a person (the "premises user") may give a temporary event notice (50 times per year for a personal licence holder and 5 times per year for other people);
- the number of times a temporary event notice may be given in respect of any particular premises (12 times in a calendar year);
- the length of time a temporary event may last for these purposes (96 hours);
- the maximum aggregate duration of the periods covered by temporary event notices at any individual premises (15 days per calendar year); and
- the scale of the event in terms of the maximum number of people attending at any one time (a maximum of 499).

For the purposes of determining the overall limits of 50 temporary event notices per personal licence holder (in a calendar year) and of 5 for a non-personal licence holder (in a calendar year), temporary

If any of the limits below are breached or if a counter notice has been issued, any licensable activities taking place would be unauthorised and the premises user would be liable to prosecution. The limitations apply to:

- the number of times a person (the "premises user") may give a temporary event notice (50 times per year for a personal licence holder and 5 times per year for other people);
- the number of times a temporary event notice may be given in respect of any particular premises (12 times in a calendar year);
- the length of time a temporary event may last for these purposes (96 hours);
- the maximum aggregate duration of the periods covered by temporary event notices at any individual premises (15 days per calendar year); and
- the scale of the event in terms of the maximum number of people attending at any one time (a maximum of 499).

For the purposes of determining the overall limits of 50 temporary event notices per personal licence holder (in a calendar year) and of 5 for a non-personal licence holder (in a calendar year), temporary

On Tuesday 21<sup>st</sup> April 2009 a Licensing Committee representing the London Borough of Haringey part heard an application on behalf of Cucci to vary the premises licence. The committee adjourned the application to a date to be arranged. This date is yet to be agreed upon.

Please see attached original Police representations which were submitted for the hearing.

The Police stance remains the same.

I cannot support these TENS applications because in doing so I would be giving my full support to the application to vary the premises licence. My representations are made under the licensing objectives submitted for the hearing.

If you require further information please do not hesitate to contact me on the above telephone number.

Dear Ms. Barrett

**Re:- Application for a variation to a Premises Licence:-**

**Anasa, 9A The Broadway, High Road N.22**

With reference to the above application Police have considered the application and wish to make the following representations. These are under the following licensing objectives:-

- 1) The Prevention of Crime and Disorder.
- 2) The Prevention of Public Nuisance.
- 3) Public Safety.

On the 10<sup>th</sup> April 2008 police made an application to review the premises licence for the K.O.Club, 9A The Broadway, High Road N.22. The circumstances, which resulted in this review are:-

Research carried out over a period of six months prior to the review papers show that there were 115 emergency calls made to the venue. The majority of these calls originate in the early hours towards the end of the licensing hours. Additionally an area of immense concern was that many of the calls highlight the door staff as being involved in some way.

In the same period there were a total of 36 allegation of crime ranging from minor drug possession to GBH and firearm offences. Once again a large number of the offences concern the door staff.

In the same period 13 CRIMINT reports were inputted onto the system and were based around information that relates to violence and issues around the door staff.

Police were investigating allegations of rape and GBH on two separate occasions and were met by obstructive behaviour with regard to obtaining CCTV evidence on both instances from members of the staff.

On the 29<sup>th</sup> February 2008 police executed a Sec 46 Firearms search warrant at the club. In total seven persons were arrested and property was recovered. The property was cannabis, five canisters of spray, one leather cosh, one police style baton and four forged Italian driving licences. Checks revealed that four of the people arrested who were acting as door staff were not Security Industry Authority registered.

In May 2008 a meeting took place between the management of the club and police along with Davenport Lyons solicitors who were representing the KO Club. The proposal was to change the mode of operation from a nightclub to a Greek style restaurant and entertainment venue. These proposals were acceptable to police and an application to vary the premises licence was submitted.

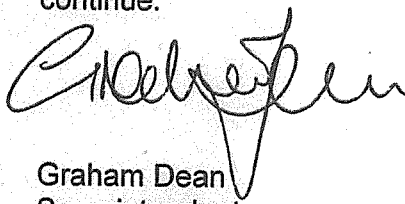

The police withdrew the application for a review on the 11<sup>th</sup> September 2008.

The club re opened under the name of Anasa and traded until early 2009. Whilst it was trading as a Greek style restaurant and entertainment venue police had no concerns or calls to the premises.

The application to vary the premises licence seeks to take away the condition that alcohol will only be sold and supplied to persons who are seated at tables. The aim is to revert the premises back to a night club.

If the variation is granted it would impact on police resources when consideration is given to the few hours per week that the club is open it must be seen that this disproportionate commitment is a massive burden on police resources and therefore the public purse.

The owner of the club and the management will remain the same, which leads us to believe that the undermining of the licensing objectives on a weekly basis is likely to continue.
